Trivett's Seed Catalogue

Illustrated Garden Guide

1939

ANNOUNCEMENTS

We trust your valued order will be accompanied by a remittance to cover same, otherwise satisfactory references will be acceptable to us.

The carriage of seeds and bulbs at the prices listed in this catalogue will be gladly paid by us when the order is accompanied by payment in full; customers will please pay the carriage on all other garden material.

Charge accounts become payable thirty days from date of invoice and are net. We prepay the transportation and charge for same.

OUR WARRANTY

Contrary to the customary disclaimer of the seed trade we guarantee all seeds sent out by us to give satisfactory results if sown during the same season as purchased, and we will replace or credit any seed which fail to do so—

However—Adverse conditions of soil, cultivation, weather, etc., over which we have no control, will affect the resultant crop, therefore in no event shall TRIVETT'S TESTED SEEDS, INC., be liable for more than the amount actually paid to them, for the seeds in question.

Where Trivett's Tested Seeds Are Grown

Photographs of some of the modern seed farms where our seeds are grown
Under the Supervision of Experts—The Finest the World Produces

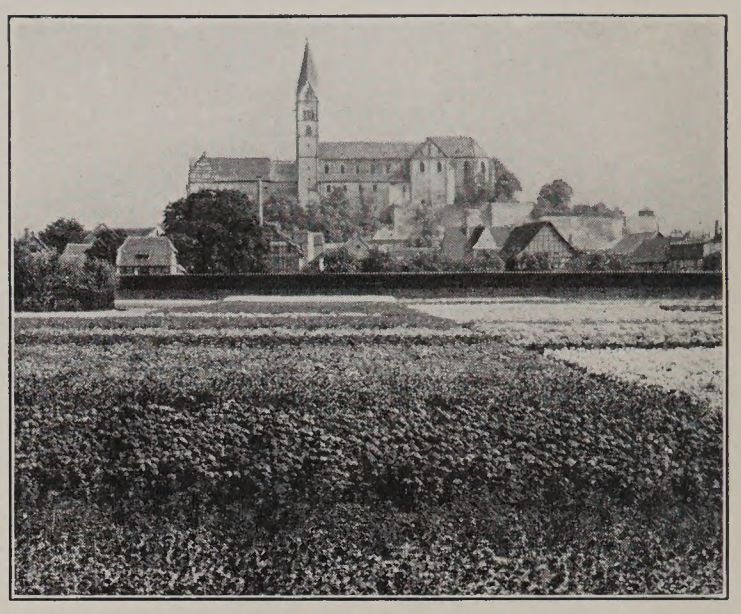

ENGLAND
England and Scotland produce our high-class strain of Greenhouse Flower Seeds. Also Delphinium, Giant Sweet Peas, Antirrhinum and certain Vegetable Seeds.

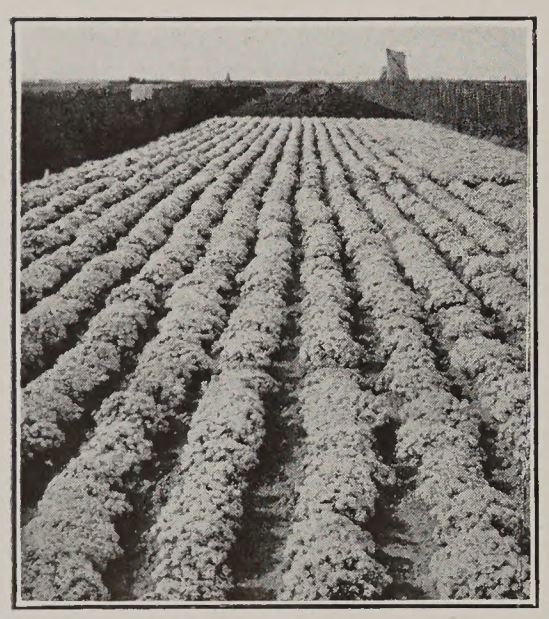

TRADE MARK

No one country or climate is suitable for the successful production of our "*Best by Test*" seeds in the thousands of varieties and species offered.

They are therefore produced in different parts of the world under the supervision of experts.

GERMANY
Germany, Poland and Central Europe have an ideal climate for the production of our Pansies, Petunias, Salpiglossis, Scabious, Stocks, Vegetable and Grass Seed.

HOLLAND
Holland and Denmark are especially suitable for the production of Perennial Seeds and such Vegetables as Cauliflower, Cabbage, Spinach, etc.

UNITED STATES OF AMERICA
In America many of our finest Garden Annuals are produced—Asters, Calendulas, Zinnias, Cosmos, and our fine strains of Greenhouse Antirrhinums.

FRANCE
Our Special Strains of Garden Carnations, Marigolds, Salvias and Choice Vegetable Seed are grown in France and Belgium.

ITALY
From sunny Italy we receive our Brilliant Phlox drummondi, Salvia, Verbena, Vinca, etc. Also certain types of vegetables.

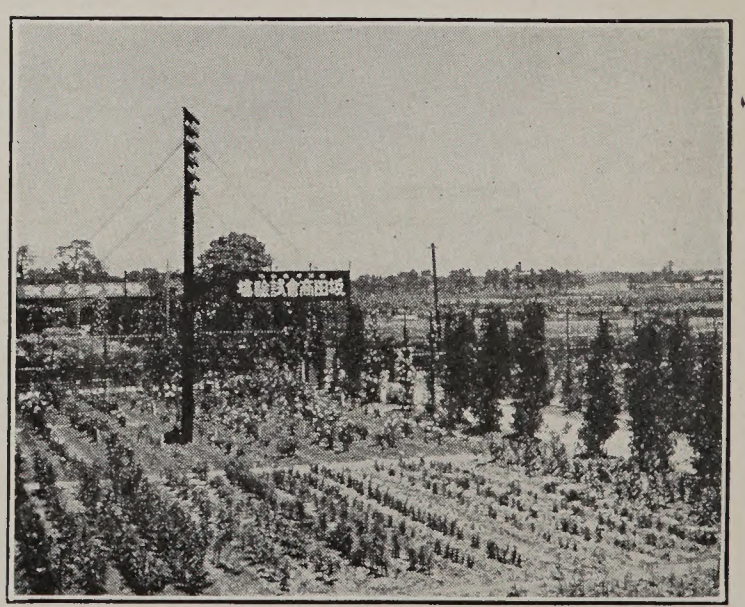

Expert production from the finest and purest stock seeds. Thorough elimination from the growing crops of all "off" types and colors.

The practice of the Heterosis method and hand-pollination where necessary.

Careful selection of the best for seed purposes and thousands of tests annually assure our customers of the—
"*Best by Test*"

SWITZERLAND
Sends Alpine and Rockery Seeds.

IRELAND
Lawn Grass Seeds.

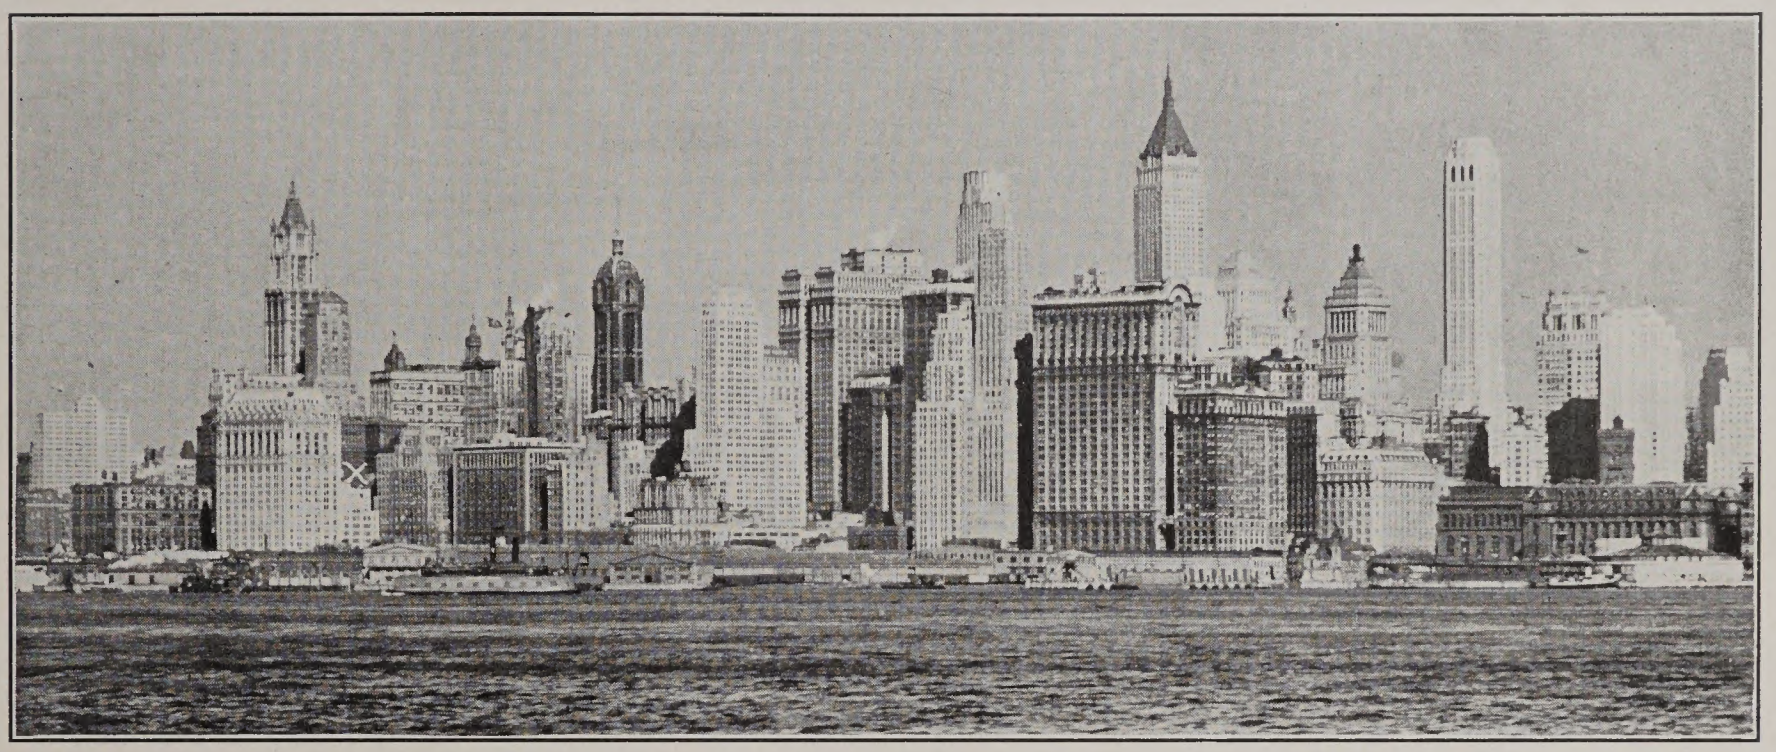

JAPAN
In Japan, our highly developed All-Double Petunias, Chrysanthemums, Celosias, Ipomoea (Morning-glory, etc) are grown to perfection.

Receiving and Distributing Headquarters

134-144 WASHINGTON STREET, NEW YORK CITY

Each year the fresh, new crop seeds are received here, examined, tested for vitality and purity, and in many instances treated with a special preparation from our own formula as a preventive against seed carried diseases, after which they are packeted, dated, sealed with our trade mark and put away in special steel lined containers, maintained at the proper temperature, ready for distribution to all parts of the United States and foreign countries.

A view of the Downtown New York Skyline, marked with the location (X) of the Green Exchange Building

Our Premises in the Green Exchange Building—modern and up-to-date, situated in the financial district and accessible to all lines of transportation, ferries and railroad terminals

Your Orders Are Safe With Us

Our staff of trained associates supplies prompt and intelligent attention to all orders, large or small, the general run of mail orders being shipped out within twenty four hours after receipt. All shipments of seeds are properly packed for safe carriage anywhere.

FLOWER SEED DEPARTMENT

INTERIOR VIEWS

On the street floor of our premises in the Green Exchange Building, modern and up-to-date in every respect. It provides ideal facilities for the proper storing and handling of our *"Best by Test"* Seeds, Bulbs, etc.

It occupies the block on Washington St. between Cedar and Albany Sts., opposite the Trinity Post Office, only a few minutes walk from New York Stock Exchange, Wall Street.

"It is truly a joy to purchase from a seed house that makes such prompt delivery."
MR. SVEN SEALANDER
Landscape Architect

"BEST BY TEST"

Our seeds are tested, guaranteed, and in many instances treated with a special preparation of our own against seed carried diseases. They are supplied in generous oversize packets, dated, and sealed with our trademark.

For
Professional Gardeners, Private Estates, Florists, Nurserymen, Landscape Architects, Amateurs—And All Those Who Demand the Best

GENERAL OFFICES

GUARANTEED

We guarantee the purity and vitality of our seeds, and we will replace any seeds procured from us which fail to satisfy if sown the same season as purchased. However, adverse conditions of weather, soil, cultivation, etc., which are beyond our control can affect the resultant crop; therefore, in no case shall *Trivett's Tested Seeds, Inc.*, be liable for more than the amount actually paid for the seed in question.

HOW TO REACH US—

From—

THE PENNSYLVANIA AND LONG ISLAND R. R. STATION, 33rd St. Take express subway to Chambers St., change to local subway and get off at next station, Cortlandt St. (15 minutes). Walk three blocks south and one west.

From—

THE HUDSON TERMINAL, CORTLANDT ST. Walk three blocks south and two west. (Right).

From—

THE GRAND CENTRAL STATION. Take downtown Lexington Ave. (East Side) Express Subway to Wall St. (15 minutes). Walk uptown on Broadway half a block, then turn left (West) for three blocks.

VEGETABLE SEED DEPARTMENT

☛ IT IS EASY AND QUICK TO BUY FROM TRIVETT'S—
Order sheet and addressed envelope (no stamps required) are inclosed in the back of this catalogue. More will be supplied on request.
A TWENTY-FOUR HOUR MAIL SERVICE—As a general rule we mail out seed orders within twenty-four hours after receipt.
WE PAY THE POSTAGE ON SEED ORDERS—All seed orders are forwarded carriage paid when accompanied by remittance to cover the amount of purchase.

Your Packets from Trivett's

What Constitutes a Packet of Seeds ?

Your packets of seeds from Trivett's are put up by experienced seedsmen, each and every packet is handled personally; no filling machines, etc. are used.
Hand measured quantities in every packet.

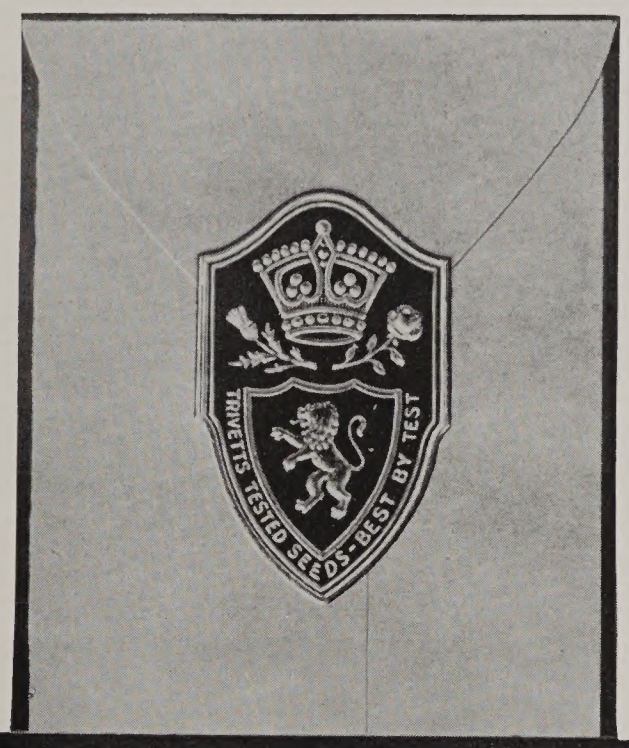

Generous quantities of fresh, new crop seeds are measured into moisture-proof, waxed containers which are then placed into the named outer packets.
No drying out or damage from moisture.

All packets are sealed with our trade mark and stamped with the date when packeted. They are then stored in cool, steel-lined containers.
No previous years packets are sold.

Different size packets of the same variety are offered in many instances. Generally speaking, the 15c. size contains about half the amount of the 25c. packet and so on. A sufficient amount of seed often means the difference between success and failure.
Our packets contain over-size, generous quantities.

Almost anything from 10 to 1000 seeds or more. Dead or alive, of mediocre or high quality—the purchasing of a packet of seeds is purely a matter of confidence.

Buy Your Seeds Direct from Seedsmen

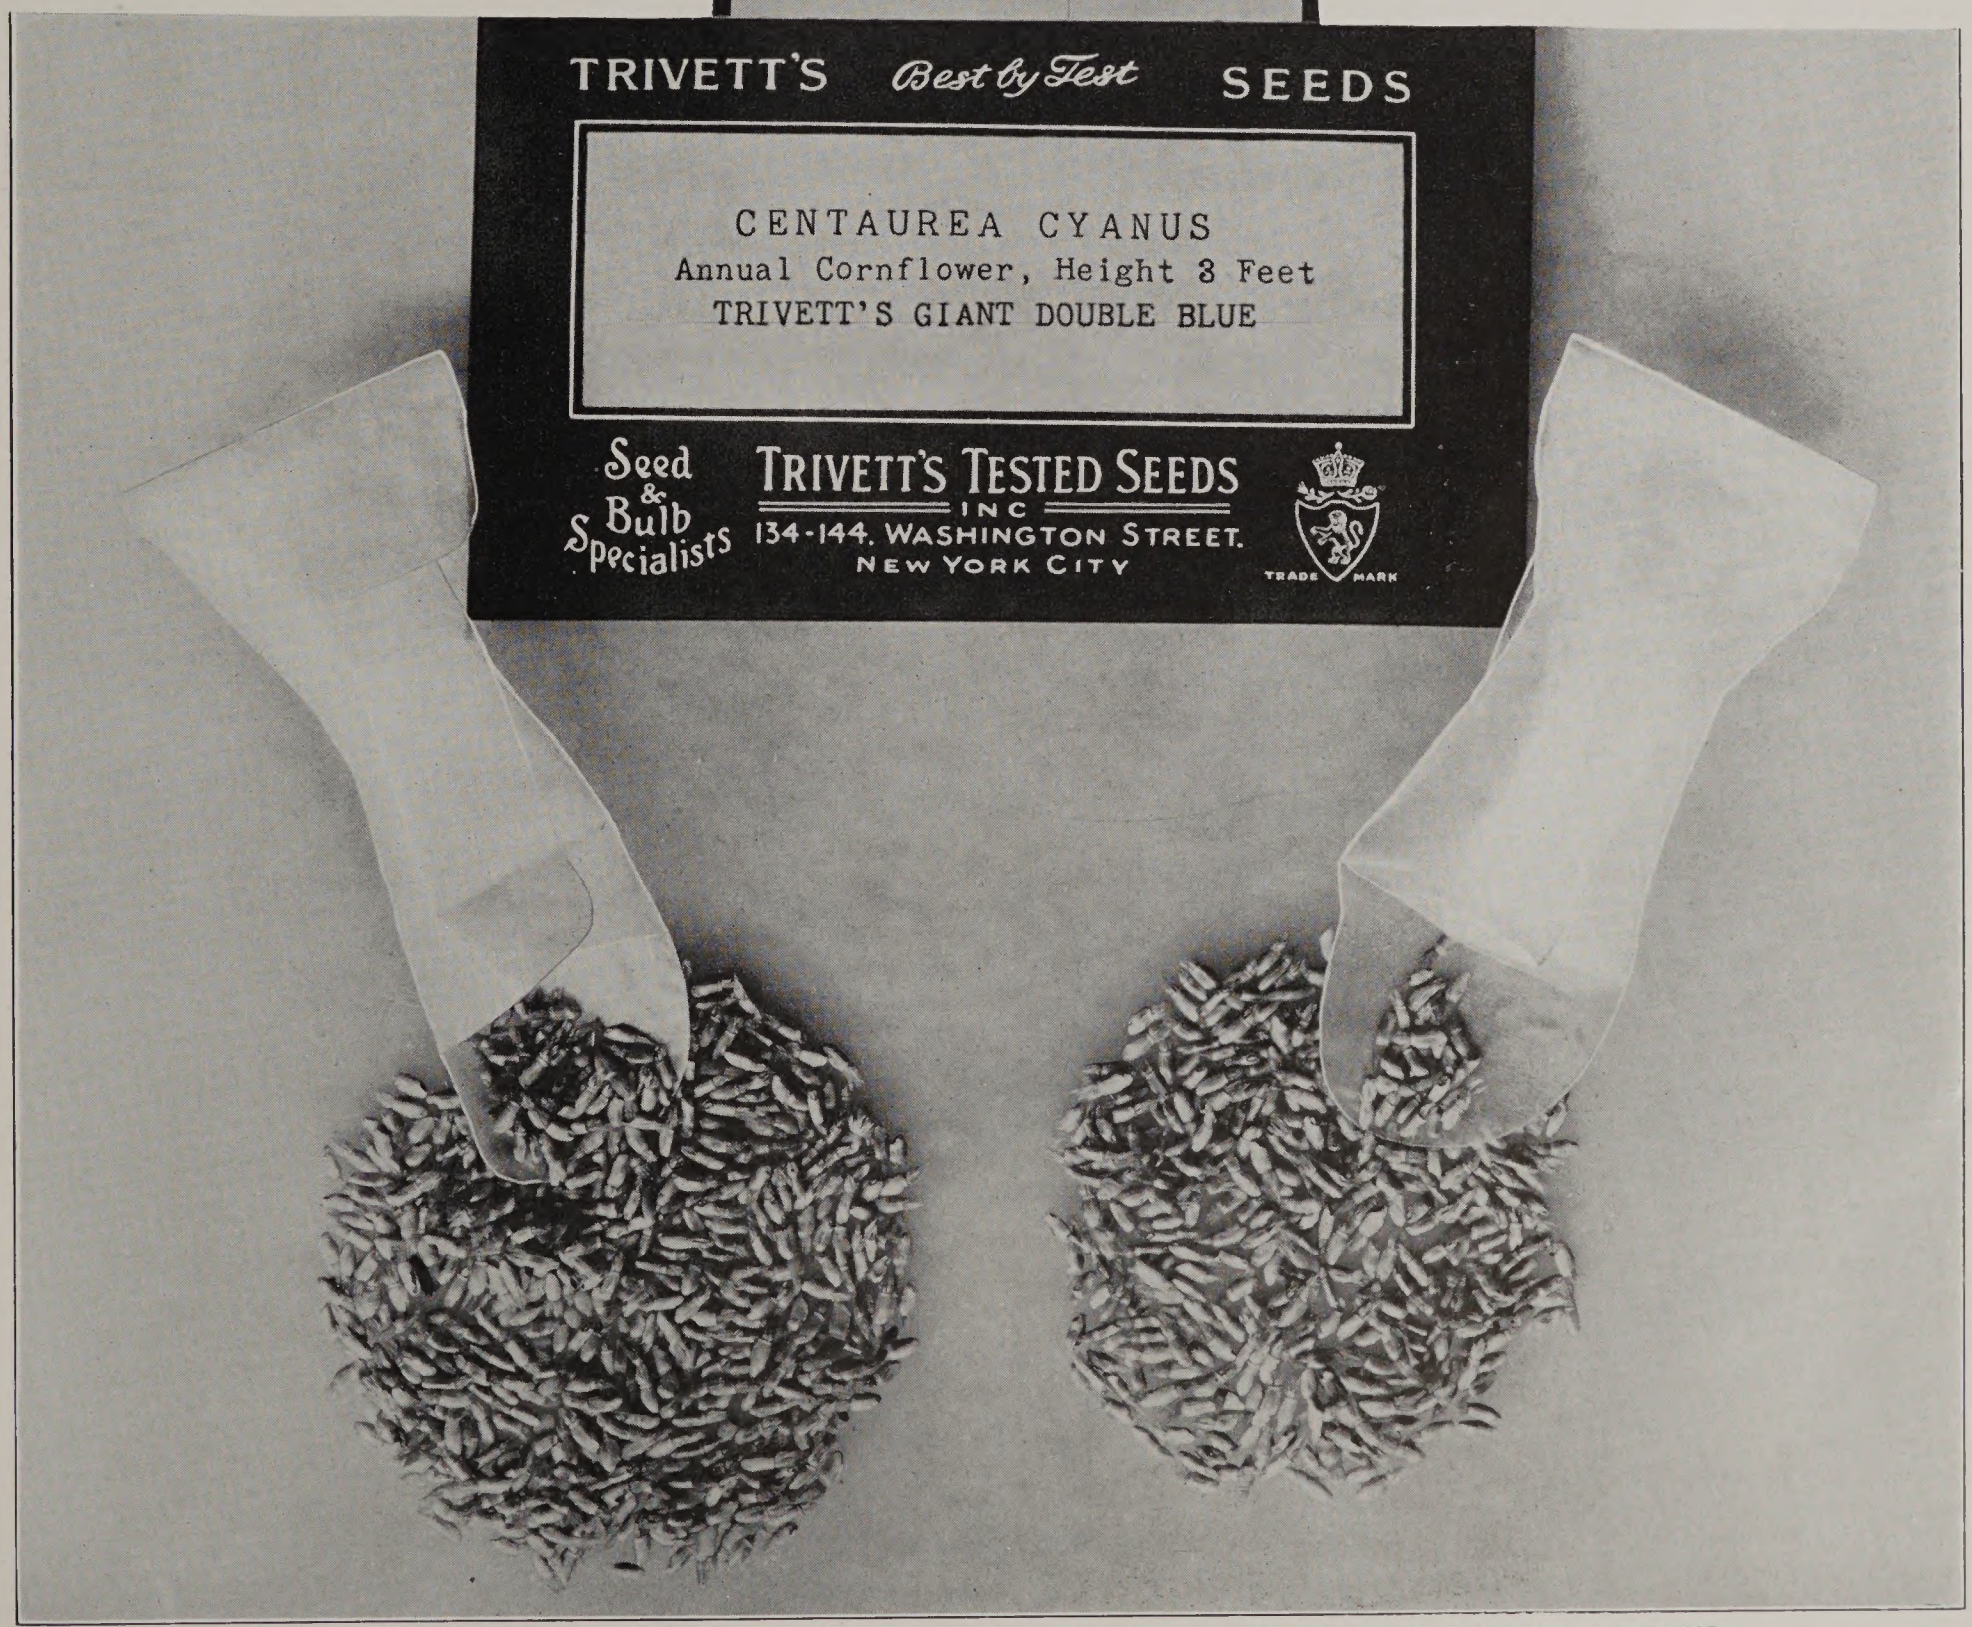

Rare, expensive seeds, first year novelties and items which we receive from specialists or collectors that are delivered to us already measured out in packets are supplied by us in the quantities as received.
Here, we have no control over quantities.

Certain kinds of seeds should be treated. A red seal on any of our packets signifies that the seed has been treated by us with a special formula of our own as a preventive against seed-carried diseases and "damping off."
Use treated seeds for vigorous, healthy plants.

Only the best strains in fresh, new crop seeds are put into our packets—the finest the world produces.
For those who demand the best.

Time, labor, fertilizers, etc. are the heaviest expenses of gardening and the cost of the seeds the smallest. It costs just as much to sow and raise poor seeds or ordinary quality as it does for the best.
It pays to pay for the best.

T.T.S. **OUR PHOTOGRAPH ILLUSTRATES TWO DIFFERENT SIZE PACKETS OF THE SAME SUBJECT**

The seed on the left is from our 35c. packet of **Centaurea Cyanus, Trivett's Giant Double Blue** — *a large, improved strain*, and, although the seeds are quite large, there are, nevertheless, about 550 in the packet. The amount on the right represents our 20c. packet and contains about 270 seeds.
This photograph of seeds is actual size

Notes On Raising Flower Seeds

Successful Gardening is a Real Challenge to the Human Intelligence and a Happy, Healthful Road to Wisdom

We do not attempt to cover the subject of sowing and raising all of the different flower seeds offered by us; however we hope that the general cultural directions given on these pages will prove helpful to the amateur gardener.

We do not print the usual stereotype sowing directions on our seed packets as we consider this inadvisable owing to the widely different climatical conditions prevailing throughout the country.

All seeds sold by us will grow, even those that are very slow to germinate and others that are considered difficult subjects if you give them the correct cultural conditions and have the necessary patience.

Sow Trivett's Tested Seeds for True Economy and Satisfaction

ANNUALS — Group 1 (*Culture A*)

The flowers and varieties marked "Annual" in this catalogue are those which will grow to maturity and bloom the first season from seed, the plants dying with the approach of Winter (one season of life) and which must be sown again the following year.

We have divided the annuals into two groups—Group 1, represents the easiest to raise and the earliest to flower, requiring from 2 to 3 months, the seed being sown directly in the garden when weather is settled and all danger from frost is over. However, in most instances, by sowing the seed indoors and transplanting to the garden flowers can be obtained earlier and a longer blooming period secured.

We give below a list of the most popular of these simple annuals, those having an (R) following the name somewhat resent transplanting, and it is usually best to sow them outdoors where they are to bloom.

Ageratum, Alyssum, Amaranthus (R), **Bartonia** (R), **Calendula** (R), **Calliopsis, Candytuft** (R), **Castor-oil-Plant, Centaurea** (R), **Clarkia** (R), **Cleome, Cosmos, Dimorphotheca** (R), **Eschscholtzia** (R) (California Poppy), **Everlasting Flowers, Four-o'clock, Gaillardia, Godetia, Gypsophila, Helichrysum, Humulus, Hunnemannia** (R), **Ipomoea, Larkspur** (R), **Lupins, Marigold, Mignonette, Morning-glory, Nasturtium, Nemophila** (R), **Nigella** (R), **Phlox** (R), **Poppy** (R), **Portulaca, Salpiglossis** (R), **Strawflowers, Sunflower, Zinnia,** etc.

NOTE!—It should be understood that those marked (R) **can** be started indoors and **can** be transplanted. If the necessary precautions are taken, they can be transplanted when quite young or if sufficient soil is retained by the roots and also if sown in small pots.

Seeds of the annuals listed under Group 1 and others belonging to this group may be sown outdoors when weather permits and danger from frost is over (April to June). The soil should be turned over to a depth of about 12 inches and raked fine and smooth.

The seed should be just lightly covered and pressed into the soil with a dry, smooth board of wood. Fine seeds should not be covered but should be pressed into the soil.

Sowings may be made in shallow drills in rows or broadcast in beds and flower borders. Those which are suitable can be sown in lines for edging or sprinkled in the rockery. Generally speaking these annuals prefer an open, sunny position in the garden. *See page* 134 *for "Uses of Flowers."*

Keep moist (not wet) and protect from heavy rains and strong sunlight until the seedlings break through—the shade can be managed by sheets of heavy paper or cloth held about 1 foot above the ground by sticks, etc.

Do not allow the seedlings to suffer from lack of moisture or excessive water and when large enough to handle, thin out, allowing a distance between each plant, each way, about equal to half of the plant's ultimate height. Cultivate the top inch or two of soil so that it is always soft and free from weeds.

ANNUALS — Group 2 (*Culture B*)

Under this heading, we include the Annuals which are slower in growth, requiring from 3 to 6 months to bloom and a little more care in handling; therefore to obtain a full season of flowers outdoors, the seed should be started indoors for the purpose of raising well-developed plants which can be planted outside after danger of frost is over.

The seed of most of Group 2 can also be sown directly in the garden during May–June and will bloom during late Summer and Fall. However where an (E) follows the name we recommend they be sown indoors early (January-February), the others can be sown indoors February-March.

The following brief list will act as a guide to the types of annuals we consider belong to Group 2. It will be noted that we include several from Group 1—the culture of these differ under certain circumstances and in parts of the country having short growing seasons.

Ageratum, Antirrhinum (Snapdragon) (E), **Aster, Balsam, Begonia** (E), **Cacalia, Carnation** (E), **Celosia, Chrysanthemum, Coleus, Cosmos, Dahlia, Dianthus, Didiscus, Heliotrope** (E), **Lantana, Larkspur** (E), **Lobelia, Marigold, Nemesia, Nicotiana, Nierembergia, Nycterinia, Petunia, Phlox, Salpiglossis, Salvia, Scabious, Stock, Sweet Pea** (E), **Tagetes, Tithonia, Torenia, Verbena, Vinca** (E), **Zinnia.**

Seeds may be sown in flower pots, shallow boxes, cigar boxes, wooden flats or other receptacle—having a hole or holes in the bottom for drainage over which pieces of broken flower pots or pottery should be placed to prevent the loss of soil and too quick drainage.

Fill the receptacle with a mixture consisting of good soil to which add about the same amount of clean, fine sand and some leafmold or fine peat-moss. The mixture should be sifted free of all stones or roughage and gently pressed into the receptacle.

Sprinkle the seed evenly over the surface and cover lightly with a finely sifted mixture of half sand and peat moss or sandy soil and press down gently. If the seed is very fine, do not cover, just press the seed lightly into the soil. Each sowing should be labeled for future identification.

Water the seed pot or box by submerging almost to the top in water and allowing it to soak up from the bottom. If watering must be done on top, do so carefully, using a gentle, fine spray. Keep moist, not wet. To keep dark, cover with a sheet of newspaper, which should be removed as soon as the seeds sprout and the receptacle should then be placed in a light position.

When the seedlings have made their second leaves and are large enough to handle, they should be transferred to other boxes, allowing each young plant about 2 inches of space, or they may be planted in small individual flower pots to be grown until the time arrives for transplanting to the open garden.

Place the plants in a sunny, airy position. Do not allow them to suffer from a lack or excess of water.

PERENNIALS (*Culture C*)

The varieties marked "*Perennial*" in this catalogue do not usually bloom until the following year after sowing, but continue to live and bloom each year thereafter. Many, however, will bloom the first year from seed if sown indoors during February-March and good, strong plants produced for planting out during April-May. In such cases they usually bloom later than their proper season. However, the following year they will bloom in their proper period.

The list of perennial plants is very extensive and includes many of the most desirable garden subjects. We give below a brief list of the most popular kinds that are easily raised from seed. Perennial plants are costly, therefore raising your own is not only extremely economical but also very gratifying.

---: FOR DISPLAY AND CUTTING, ETC. :---

Achillea, Agrostemma, Anchusa, Anthemis, Aquilegia (Columbine), **Calliopsis** (Coreopsis), **Campanula, Chrysanthemum, Delphinium, Dianthus, Digitalis** (Foxglove), **Eupatorium, Gaillardia, Geum, Gypsophila, Hesperis, Heuchera, Hollyhock, Lathyrus, Linum, Lupins, Pentstemon, Poppy, Pyrethrum, Salvia, Scabious, Shasta Daisy, Thalictrum.**

Prepare an open ground seed bed which should be raised 2 or 3 inches above the ground level; the width of the bed should not exceed 4 feet and can be any convenient length, the soil should be well dug over and broken up, to which add a generous amount of sand and fine peat moss. Also some bonemeal and sheep manure will be beneficial. *Do not use chemical fertilizers.* The bed may be surrounded by boards of wood 12 inches or more high.

During the period between May and August sow the seeds thickly in shallow drills or rows 4 or 5 inches apart across the bed, cover the seeds lightly and press the soil gently over the seed rows, then insert name labels in front of each row. Very fine seeds should **not** be covered, merely press them into the soil.

At no time should the soil be allowed to become hard or dry, even a very short period of such drying being fatal to seeds just germinating. Lack of water and excessive watering are very harmful, the latter will cause the seed to rot, make the soil sour or create harmful fungus diseases and "damping off," when the seedlings will simply disappear overnight.

The seed bed should be protected from the direct rays of the sun by using a screen made from burlap bagging-cloth or laths (thin strips of wood) placed about 1½ inches apart. Remove the shading during damp or cloudy weather. Remember, proper ventilation is absolutely necessary and provision should be made to protect the seed bed against very heavy rains.

NOTE—In the case of hard-shelled seeds they should be soaked in water for two or three days.

PERENNIAL ALPINE AND ROCK PLANTS (*Culture D*)

The list below suggests a number of low-growing perennials which are suitable for edging, mass planting, rockeries, etc. They are easily raised from seed and should be given the same treatment as recommended for "Perennials."

Aethionema, Ajuga, Alyssum, Arabis, Arenaria, Aubrietia, Candytuft, Cerastium, Dianthus, Draba, Erinus, Helianthemum, Matricaria, Nepeta, Platycodon, Potentilla, Silene, Veronica, Viola, etc.

Seeds of certain other Alpines, Rock Plants and the Hardy Primulaceae, also **Dictamnus, Helleborus, Clematis, Epimedium, Gentiana,** should be sown in pots or boxes in the Autumn and early Winter, and after a good watering should be stood outdoors against a north hedge or wall where they can get frozen, then when milder weather sets in, bring the pots into gentle heat and the seeds will germinate freely, or the seeds may be mixed with some dry peat moss, put into glass jars with tight covers and then placed in an ice box or refrigerator for several weeks before sowing. It is not necessary that they be frozen.

BIENNIALS (*Culture E*)

Varieties marked "*Biennial*" in this catalogue are those which do not usually bloom until the year following sowing, but unlike perennials, the plants die after the flowering season. They include—

Bellis perennis (Double English Daisy), **Campanula** (Canterbury-bell), **Cheiranthus** (Siberian Wallflower), **Myosotis** (Forget-me-not), **Pansy, Sweet-william, Wallflower,** and certain other plants which, although botanically classified as "Perennial" are too tender to withstand our Winters.

The culture of Biennials is the same as recommended for Perennials.

GREENHOUSE AND HOUSE PLANTS (*Culture F*)

These are the plants which must be grown indoors except in the far South and frostless sections.

Amaryllis, Abutilon, Acacia, Calceolaria, Cineraria, Clerodendron, Cyclamen, Exacum, Fuchsia, Gloxinia, Kalanchoe, Primula (Tender sorts), **Saintpaulia, Schizanthus, Strelitzia, Streptocarpus, Streptosolen, Tydaea, etc.**

Generally speaking the seeds should be sown in gentle heat, in pots or pans of loam, leafmold and sand, in equal parts, placing a piece of glass over the pot and keeping shaded and moist until the seedlings are up. Pot these off singly when large enough to handle and replace in heat, shading and keeping close until established. Transplant into larger pots as necessary. Seeds of **Amaryllis** and **Strelitzia** should be sown immediately on receipt and require strong heat from below, otherwise the seed may rot.

T.T.S. **A photograph showing Choice, Modern Pansies under expert cultivation for seed. We devote two pages to an extensive list of high class sorts. Please refer to pages 84 and 85**

SUPPLEMENTARY LIST OF FLOWER SEEDS

A few new and interesting items not yet included in the general list

OUR GENERAL LIST OF FLOWER SEEDS, INCLUDING THIS YEAR'S NOVELTIES, COMMENCES ON PAGE 10

ALYSSUM *(Annual)*

Trivett's Violet. *New for* 1939. See page 12.

ANTIGNON *An-tig-oh-non*

(Rosa-de-montana, Coral Vine)

Climber. Greenhouse or outside in South.

Leptopus. A fine plant for training in large pots or tubs for an outdoor climber in the South. Long racemes of rose-pink flowers.
¼ oz. 75c. Pkt. 25c.

ANTIRRHINUM *An-ti-rye-num*

Annual. For cutting and display. Culture B.

Semi-tall Guinea Gold. *Bronze Medal,* A.A.S. A beautiful glowing bronzy-orange Snapdragon, large blossoms on strong stems 15 to 18 inches high. ... Pkts. 50c. and 30c.

AQUILEGIA *Ak-wi-lee-ji-ah*

Perennial, display, cutting, rockeries. Culture C.

Akitensis. *Illustrated.* A charming miniature Alpine Columbine, growing only 5 inches high. Beautiful blue flowers fine for rockeries. Pkt. 50c.

ASTER **Wilt-resistant**

Annual. For cutting and display. Culture B.

Early Giant, Light Blue. *Silver Medal,* A.A.S. Very large, like a glorified "Giant Crego Aster." Lovely, big, fluffy flowers of light blue. Height 3 feet. ... ... Pkts. 50c. and 30c.

AUBRIETIA *Au-bree-shi-ah*

Perennial. For rockeries, walls, etc. Culture C.

Trivett's Semi-double Mixed. Produces about 75 per cent double and semi-double flowers and in many beautiful colors. Height 4 inches. ... ... Pkts. 75c., 50c. and 30c.

BEGONIA *Be-goh-ni-ah*

Annual. For bedding, edging, massing. Culture B.

Essen. Unusual coloring, very striking. The buds are cherry-red and the flowers amaranth-cerise. The center of the flower appears mauve. A charming variety for beds and groups. Height 10 inches. ... ... Pkts. 75c. and 50c.

BELLIS PERENNIS *Bel-is*

Tender perennial. Treat as Biennial. Culture E.

Trivett's Aster-flowered White. A tall, Double English Daisy with flowers like small, double white Asters. Strong stems 10 to 12 inches long. Fine little cut flower.
¼ oz. $3.00 ⅛ oz. $1.75 Pkts. 50c. and 30c.

T.T.S. **AQUILEGIA—Akitensis**
Daffodil-flowered, 5 inches high

CALENDULA *Kah-len-deu-lah*

Annual. For cutting and display. Culture A.

Chrysantha, Twilight. The large informal flowers measure 4 inches across and are of the true "Chrysantha" form. The color is soft pastel yellow toned with white. Just like thick, rich cream. Long, strong stems for cutting. Height 1½ feet.
¼ oz. $1.50 Pkts. 50c. and 30c.

CARNATION

Perennial. For cutting and border. Culture C.

Allwood's Cottage Strain. An entirely new breed of hardy, perennial garden Carnations. The plants are of stocky habit commencing to bloom early and continuing for a lengthy period. The flowers are beautifully formed, having smooth, plain petals and very double, long, wiry stems. Lovely mixed colors. *A grand cut flower for the florist.*
Pkts. $1.50, 75c. and 50c.

CASSIA *Kash-ah*

Corymbosa *(Shower of Gold).* A magnificent shrubby plant about 3 feet high, almost everblooming. For tubs indoors and can be plunged outdoors in the garden for blooming during the Summer. Splendid for outside in frostless sections, where it is hardy.
¼ oz. 50c. Pkt. 20c.

Chamaecrista *(The Annual Gold Coinflower).* Showy golden flowers, spotted with maroon. Nice, fernlike foliage. Height 2 feet. A splendid annual for hot, dry places. Give *Culture B.* Blooms in Summer. ... Pkts. 35c. and 20c.

DIANTHUS *Die-an-thus*

Annuals and Perennials.

Arenarius. Mossy mats of silver-green foliage, cream colored, fringed, single blossoms, delightfully fragrant. Perennial. *A gem for the rockery.* Height 6 inches. ... Pkts. 50c. and 30c.

Deltoides, Erecta. The red blossoms grow erect about 6 or 8 inches high. Compact, vigorous grower. Fine rock plant.
¼ oz. $1.00 Pkts. 25c. and 15c.

Trivett's Attraction, Mixed. Very large, showy single blossoms in a wide range of beautiful colors, many marbled or having center zones of contrasting colors. This is a grand mixture of large, single, annual Dianthus. Height about 12 inches. ... ... Pkt. 35c.

DIGITALIS *Dij-i-tay-lis (Foxglove)*

Perennial. For display. Culture C.

Trivett's White King. A new selection. A majestic beauty growing about 4½ feet high. Long, straight spikes of waxy white blossoms. Especially effective in back of perennial borders and in front of dark, evergreen background. Pkt. 50c.

GOLD OF ARABY

Annual. For display. Culture B.

This is "Cladanthus arabicus" a unique annual flower from Arabia. Daisy-like flowers of old gold on fern-leaved branches. About 1 foot high. Blooms all Summer. Must have sunny spot. ... ... Pkt. 25c.

GYPSOPHILA *Jip-soff-i-lah*

Perennial. For rockery, etc. Culture C.

Cerastioides. *Illustrated.* Dwarf cushions which become covered with small, white blossoms in May and June, each petal of the flower has a thin, purple vein. Height 6 inches. Pkt. 35c.

HELIPTERUM *Hee-lip-ter-um*

Perennial. Everlasting Flower. Culture C.

Trivett's Many-flowered White. A hardy perennial for garden display. The plants grow about 18 inches high and are covered with numerous small white blossoms. *A grand florist's cut flower.* ... ... Pkt. 35c.

HOLLYHOCK *(Annual)*

Indian Spring. 1939 Novelty, *Silver Medal.* See page 63.

IPOMOEA

Scarlett O'Hara. 1939 Novelty. *Gold Medal.* See page 69.

T.T.S. **GYPSOPHILA—Cerastioides**

CELADINE

Rapid. See page 9.

CENTAUREA

Lilac Lady. See page 35.

COTTON

Cotton plants are attractive with their large, Mallow-like flowers, white or purple, followed by the ornamental balls of fleecy white cotton. They are sometimes grown as pot plants and in some sections will mature outdoors in late Summer.

Sow the seed indoors. Give *Culture B,* and if the plants have not matured outside, then place in pots and bring indoors before cold weather sets in. Pkt. 25c.

CULTURAL HINTS

For Growing Flowers from Seed—
A, B, C, D, E, F
See pages 6 and 7

T.T.S. **NEW PHLOX DRUMMONDI**
Trivett's Semi-double Mixed—See page 9

LEMON TREE

Ornamental fruit, tub plant.

A shrub or small tree for culture in tubs for outdoor Summer decoration, porch and conservatory. *Soak the seeds in water for two or three days before sowing. Culture F.*

Oz. $1.50 Pkt. 35c.

LUPINES (*Annual*)

Attraction. 1939 Novelty. See page 63.

MARIGOLD

Annual. Cutting, display, etc. Culture B.

Early Sunshine. *Bronze Medal*, A.A.S. An early flowering, dwarf strain of *"Dixie Sunshine,"* about 2 feet high and bushy. The color is lemon or sulphur yellow. ... Pkt. 25c.

Yellow Harmony. A fine orange-yellow variety of the popular "Harmony." Grows about 1 foot high. The blooms resemble in form the Scabious. A fine companion for "Harmony."

Pkts. 35c. and 20c.

Golden West (Carnation-flowered). Considered by many to be superior to the well-known *Guinea Gold*. Fine, soft, orange-yellow. Large.

¼ oz. $1.50 Pkts. 50c. and 30c.

MYOSOTIS *My-o-so-tis*

Biennial. (*Forget-me-not*). *Culture E.*

Carmine Red. Almost a crimson red. A new color in Forget-me-nots. ... ... Pkts. 35c.

NASTURTIUM

Double Scarlet Empress. 1939 Novelty. See page 81.

NOMOCHARIS *No-moh-car-is*

Greenhouse bulbous plant.

Mairei. *Illustrated.* A beautiful liliaceous plant from western China. The flowers resemble an Odontoglossum Orchid. Grows 1½ to 2 feet high. The blossoms measure about 3 inches across and are satiny white spotted with reddish purple and purple-black eye. Sow the seed in gentle heat during February. Prick off the seedlings into flats containing loam, leafmold and sand. Allow to grow and develope small bulbs which should be potted up the following year in January. Shift into larger pots as required. They should bloom during March-April. Decidedly worth the trouble. Pkt. 50c.

T.T.S.

NOMOCHARIS—Mairei

A beautiful, indoor, bulbous plant

T.T.S.

PITTOSPORUM—Tobira

Hardy in the South. Pot plant in North

OLEANDER *Oh-lee-an-der*

Greenhouse flowering shrubs.

Popular flowering plants for large pots or tubs. Also known as *Nerium*. Easily raised from seed.

Album. Large, pure white flowers.

Roseum. Rich, bright rose pink.

Either: ... ¼ oz. $1.00 Pkt. 25c.

ORANGE TREE

Ornamental fruit, tub plant.

Small tree or shrub. A popular pot or tub plant for greenhouse and outdoors in Summer. *Soak the seed in water for a few days.*

Oz. $1.50 Pkt. 35c.

PASSION FLOWER (*Passiflora*)

Climber. For indoors in the North and outdoors in warm regions.

Sow the seed indoors in Spring.

Trivett's Improved Blue. *Illustrated.* An improved and larger flowered variety of *P. caerulea*. The blooms measure 4 to 5 inches across, attractive blue color. Makes an uncommon pot or tub plant trained on wires.

Oz. $3.00 ¼ oz. $1.00 Pkt. 25c.

White. A white sort with medium-size flowers.

Oz. $2.50 ¼ oz. 75c. Pkt. 20c.

Crimson Red. Deep, rich red. *Rare.*

¼ oz. $4.00 Pkt. 75c.

Mixed. Choice sorts in mixture.

Oz. $3.75 ¼ oz. $1.25 Pkt. 25c.

PETUNIA *Pe-teu-ni-ah*

Annual. Bedding, edging, cutting, etc.

Hollywood Star. *Silver Medal*, A.A.S. A 1939 novelty of merit and a distinct type. The flower is composed of five petals which end in long, narrow points giving the flower the appearance of a star. Rich, rose pink with yellow throat. Height 15 to 18 inches. (*Group* 3).

¼ oz. $3.00 Pkts. 75c., 50c. and 30c.

Super Fluffy Ruffles Mixed. So ruffled and frilled that the large flowers seem to be double. Far superior to the original and the type is practically 100 per cent true. The colors include white, pink, salmon, crimson, light blue, etc. Height about 20 inches. (*Group* 10).

Pkts. $1.50, $1.00 and 75c.

Ladybird. *Bronze Medal*, A.A.S. Novelty for 1939. Dwarf, compact plants about 12 or 15 inches high and covered all Summer with rich, deep, topaz-rose flowers of similar size to *Rosy Morn*. The color is almost a rosy red. (*Group* 2).

Pkts. 75c. and 50c.

COMPLETE INDEX
OF ALL FLOWER SEEDS OFFERED
Common and Botanical Names
See End of Catalogue

PHLOX DRUMMONDI

Annual. For cutting, display, etc.

Salmon Glory. *Silver Medal*, A.A.S. See page 87.

Trivett's Semi-double Mixed. A new break in annual Phlox. About 12 inches high.

¼ oz. $1.75 Pkts. 50c. and 30c.

PITTOSPORUM *Pit-tos-poh-rum*

Perennial flowering Evergreen Shrub. Easily raised from seed. Splendid as specimens or hedges in the South where it is hardy or as tub plants under glass in the North.

Tobira. *Illustrated.* Dark, shining, evergreen leaves and clusters of creamy white flowers with the fragrance of orange blossoms. Magnificent specimens can be grown in tubs.

Oz. $1.50 ¼ oz. 50c. Pkt. 20c.

POPPY

Perennial. For display and cutting.

Double Pilosum, Orange. A new double selection of the lovely, single, apricot-orange *Pilosum*. This is a very desirable subject for herbaceous borders, rockeries and cutting. Almost 100% double. Height 18 inches.

Pkts. 75c. and 50c.

PYRETHRUM *Py-ree-thrum*

Perennial. For cutting and display.

Robinson's Hybrids Mixed. Claimed by the raiser to have larger and more substantial flowers on stronger stems than any other strain. Chiefly red and pink shades. ... Pkt. 50c.

RAPID CELANDINE *Sel-an-dine*

Treat as Annual. Culture A.

This is **Dicranostigma franchettianum,** the only worth-while sort of the Celadine family. The flowers resemble single Shirley Poppies, the silky, crinkled petals are golden yellow. Height 2 feet. Sow the seed outdoors where intended to bloom. Very showy. ... Pkt. 35c.

STATICE

Stark's Art Shades. 1939 Novelty. See page 127.

ZINNIA, Dahlia-flowered

Will Rogers. Unusual size and substance. The brightest scarlet.

¼ oz. $1.50 Pkts. 50c. and 30c.

Fantasy White Light. 1939 Novelty. See page 131.

T.T.S.

PASSION FLOWER

Supposed to represent the implements of the crucifixion of Christ

R **Umbellata.** Verbenalike, rose colored flowers. Height 9 inches. Pkts. 25c. and 15c.

ABUTILON *Ah-bew-til-on (Flowering Maple)*
Greenhouse perennial. 3 to 6 feet. Loam and peat.

Giant Hybrids. Many beautiful colors. May be grown as a pot plant or trained as a climber under glass or outdoors during Summer. Pkt. 50c.

ACACIA *A-kay-shi-a (Mimosa) Culture F.*
Greenhouse flowering shrubs. Peat and sand.

Armata (*Mimosa paradoxa*). Splendid pot plant. Lovely foliage and nice yellow flowers. Height 3 feet.
Oz. $4.00 ¼ oz. $1.25 Pkt. 35c.

Baileyana (*Cootomundra Wattle*). Very free flowering golden yellow. Height about 3 feet.
Oz. $2.00 ¼ oz. 60c. Pkt. 25c.

Dealbata. Silvery fernlike foliage. Flowers bright yellow and sweet scented. Height 5 feet.
Oz. $1.50 ¼ oz. 50c. Pkt. 20c.

Lophantha. Handsome greenhouse shrub, allied to the Mimosa. Flowers yellow, foliage finely cut. Height 6 feet.
Oz. $1.00 ¼ oz. 30c. Pkt. 10c.

Pycnantha (*Australian Golden Wattle*). Tall, vigorous. Thrives in any soil.
Oz. $1.25 ¼ oz. 40c. Pkt. 15c.

ACAENA *A-see-nah. Culture C.*
Perennial. For rockeries, paths, etc.

Glauca. Low growing, attractive creeping R plant, about 2 inches high. Silvery green foliage. Desirable for rockeries, between stones, etc. Requires protective mulch in the North. Easy to raise.
⅛ oz. $1.75 Pkts. 50c. and 25c.

Microphylla (*New Zealand Bur*). Similar to R *Glauca*, but having brownish purple foliage. Both varieties make good groundcover plants for bulbs, etc.
⅛ oz. $1.00 Pkts. 25c. and 15c.

ACANTHUS *Ah-kan-thus (Bear's Breech)*
Perennial. For hardy borders. Height 3 feet. Culture C.

Mollis. Artistic, glossy foliage with curious purple flowers. ... ... Pkts. 25c. and 15c.

ACHILLEA *Ak-i-lee-ah (Sneezewort)*
Perennial. For borders and cutting. Culture C.

Cerise Queen. Cherry red. 2 ft. Pkts. 75c. and 50c.

Golden Cloth. Improved yellow. 3 feet. Pkts. 50c. and 30c.

The Pearl. Double white. Height 2 feet. Blooms all Summer. An excellent cut flower. Pkts. 50c. and 30c.

Tomentosa. Excellent dwarf perennial for R rockeries and edging; bright yellow flowers, from July to September. Height 6 to 8 inches. ... ... Pkts. 50c. and 30c.

Ageratifolia. A beautiful, dwarf perennial for rock gardens. Numerous sprays of pure white flowers and downy, gray-white foliage. Likes a sunny, warm position. Flowers during Spring. Height about 12 inches. Pkt. 35c.

ACHIMENES *Ah-kim-e-neez*
Greenhouse bulbous pot plant. Light soil.

Trivett's Superb Mixed. Gorgeous trumpet-shaped flowers similar to *Gloxinias* and freely produce. Treat similar to *Gloxinias*. Height 1 foot. Richest colors mixed.
Pkt. (about 200 seeds) 50c.

ACONITUM *Ah-kon-eye-tum (Monkshood)*
Perennial. For hardy borders. Common soil.
Seeds are slow to germinate.

Fischeri. Dense spikes of dark blue in Autumn. Height 3 feet. ... ... Pkts. 25c. and 15c.

Napellus Blue. Dark blue flowers. Useful for planting in shrubbery borders. Height 3 feet. Pkts. 25c. and 15c.

Napellus Pink. Very pretty variety with wax-like pink flowers. Height 3 feet. Pkts. 50c. and 30c.

Spark's Variety. Dark blue flowers. Height about 5 feet. ... ... Pkts. 50c. and 30c.

Wilsoni. Autumn flowering, very large, porcelain blue flowers in handsome spikes. 5 feet. Pkts. 50c. and 30c.

ACROCLINIUM. Everlasting. See page 58.

ADLUMIA *Ad-loom-i-a (Allegheny Vine)*
Biennial. Climber. For fences, etc. Common soil.

Cirrhosa. Will flower the first season from seed, and as it resows itself year after year it may be considered a perennial. The foliage is similar to *Maidenhair Fern*. The flowers are tube-shaped and flesh colored, somewhat like the blooms of Bleedingheart. Pkts. 25c. and 15c.

Notes on raising flowers from seeds are printed on pages 6 and 7.
Suggestions on the different uses for flowers will be found on page 134.

T.T.S.

ACHILLEA—Ageratifolia
A beautiful perennial for the rockery

ADONIS *Ah-doe-nis*

Aleppica. Annual. The plant is pyramidal in habit, producing shining, deep blood red flowers of great brilliance, measuring 3 inches across, and with vivid green feathered foliage. Height 1½ feet. Note! *The seeds of this variety remain dormant for a long time.* Pkts. 50c. and 30c.

Aestivalis (*Pheasanteye*). Annual. Deep crimson flowers and feathery foliage. Height 1 foot. ... ... Pkts. 25c. and 15c.

Vernalis (*Spring Adonis*). Perennial. Golden yellow flowers in May. Height 1 foot. Pkts. 25c. and 15c.

AETHIONEMA *Aith-i-on-ee-ma (Persian Candytuft) Culture C.*
Perennial. For rockeries and edges. Light soil.

Grandiflorum. An elegant plant with clear R rose colored flowers produced in long racemes from May until August. Hardy perennial. 12 inches. ... Pkts. 50c. and 30c.

Pulchellum. A dwarf sort, very desirable for R rock gardens. Produces soft pink flowers in May and June on plants 6 inches high. Pkts. 50c. and 30c.

Persicum. Strong, bushy little plants covered R with rosy-pink flowers in June-July. Height 9 inches. Pkts. 50c. and 30c.

AGAPANTHUS *Ag-ah-pan-thus*
Perennial. Greenhouse. Pot-tub plant.

Umbellatus (*African Lily*). Beautiful blue, Lilylike flowers.
Oz. $6.00 ¼ oz. $1.75 Pkt. 35c.

AGATHAEA (*Blue Daisy*)
Greenhouse perennial. Pot plant or cutting.

Trivett's Blue. A greatly improved variety of the "*Coelestis*" type. Large blue Marguerites or Daisies on long, strong stems. Height about 3 feet. *Ideal florist's cut flower.*
¼ oz. $1.75 Pkts. 35c. and 20c.

Coelestis. Pale blue Daisies. A lovely cut flower. Height about 3 feet.
¼ oz. $1.00 Pkts. 25c. and 15c.

AGAVE *Ah-gah-ve*
Succulent plant for pots or tubs.

Trivett's Mixed. A choice mixture of many varieties, thick, swordlike leaves marbled with colors; ornamental, slow in growth, finally producing strong spikes of bloom in shades of salmon, buff, brown, etc.
100 seeds $1.00 50 seeds 60c. 25 seeds 30c.

AGROSTEMMA *Ah-gro-stem-a (Mullein Pink)*

Trivett's Rose. A beautiful annual sort with rich rose pink, fringed flowers on long stems. Splendid for cutting. Height about 18 inches. *Culture A.*
Oz. $3.50 ¼ oz. $1.00 Pkt. 25c.

Atrosanguinea. Hardy perennial. Deep blood red, single flowers and silvery white foliage. Fine for cutting. 2 feet. Blooms June-July.
Oz. $1.50 ¼ oz. 50c. Pkt. 15c.

Coronaria White. A white form. Perennial. 2 feet. Blooms June-July.
Oz. $1.50 ¼ oz. 50c. Pkt. 15c.

Coeli-rosa (*Rose of Heaven*). Annual, brilliant rose flowers with white center. Height, 1½ feet.
Oz. $1.50 ¼ oz. 50c. Pkt. 15c.

AGERATUM *Aj-er-a-tum* (*Floss Flower*)

Annual. Blooms all Summer. Edging, beds and cutting. Give Culture A or B.

Trivett's Rosy Gem (New). Dwarf plants, about 6 inches high, soft pink flowers, center deep rose. ... Pkts. 75c. and 50c.

Trivett's Apricot Gem (New). Dwarf, compact plants covered with blossoms of charming pale apricot. Pkts. 75c. and 50c.

Fairy Pink. *See natural color illustration on page* 17. A delightful soft, salmon-rose-pink color; fine, dwarf, compact habit. It begins to bloom when only 1½ to 2 inches high and continues to grow, forming a solid mass of bloom. The maximum height when in full bloom is not greater than 5 inches.
Pkts. 50c., 30c. and 15c.

Blue Cap. *Illustrated.* Undoubtedly the best dwarf Ageratum yet offered. The flowers are much larger than those of *Little Blue Star* and of a deeper and richer blue. It also surpasses *Blue Ball* in dwarfness and compactness of habit. The foliage is small and the plants have the appearance of miniature domes. Ideal for edging, small beds and rockeries.
Pkts. 50c., 30c. and 15c.

Trivett's Sulphur Yellow. Unusual, pale yellow flowers, about 6 inches high. Creates a nice combination with the Blue or Pink sorts. Good for edging or bedding.
Oz. $3.75 ¼ oz. $1.25 Pkts. 25c. and 15c.

Trivett's Mauve Beauty. Rich, bright mauve color, the plants are semi-dwarf in habit. Height 6 to 8 inches.
Oz. $3.00 ¼ oz. $1.00 Pkts. 25c. and 15c.

Trivett's Blue Beauty. Very large, deep blue flowers which completely cover the dwarf, compact plants. Height 4 inches.
Pkts. 50c., 30c. and 15c.

Blue Ball Improved. The result of many years of careful selection. The plants are compact and about 4 inches high; the growth is uniform and even. The green foliage is almost completely smothered with flowers of the richest blue shade.
¼ oz. $3.00 Pkts. 50c. and 30c.

Blue Perfection Improved. Large heads of true blue flowers growing about 9 inches high. ... ... Pkts. 50c., 30c. and 20c.

Fraseri. Deep amethyst blue, compact habit.
Pkts. 50c., 30c. and 20c.

Lasseauxi. Good cut flower. Height 1 foot. Mauve pink.
Pkts. 50c., 30c. and 20c.

Little Blue Star. Extremely popular, miniature variety. The plants perfectly compact, only about 4 inches high, and covered with small, mauve blue flowers. ¼ oz. $3.00 ⅛ oz. $1.75 Pkt. 50c.

Little Silver Star. A counterpart of the popular Little Blue Star; soft silver gray flowers. ... ... Pkts. 35c. and 20c.

Little Dorrit Blue. Azure blue. Height 6 inches.
Oz. $2.25 ¼ oz. 75c. Pkt. 25c.

Little Dorrit White. A white form of above.
Oz. $2.25 ¼ oz. 75c. Pkt. 25c.

Trivett's Tall Blue. Fine for cutting. Height 1½ feet.
Oz. $2.25 ¼ oz. 75c. Pkt. 25c.

Trivett's Tall White. A white form of the above.
Oz. $2.25 ¼ oz. 75c. Pkt. 25c.

Greenhouse White. An easily grown sort for Winter cutting under glass. Fluffy white flowers like a "Eupatorium." Height 3 feet.
¼ oz. $1.50 Pkt. 35c.

AJUGA *Ah-joo-ga* (*Bugle*)

Perennial. For rockeries, etc. Height 6 inches. Culture C.

Reptans Purpurea. Bronzy purple foliage and blue flowers. Blooms May-June. ... ... 5 pkts. $1.50 Pkt. 35c.

T.T.S.

AGERATUM—Blue Cap

The best dwarf variety yet offered, charming for edging, small beds and mass planting. Easily raised from seed. Give Culture A or B. See pages 6 and 7

ALLIUM *Al-i-um*

Perennial bulbs. For display and cutting. Culture C.

Many Sorts Mixed. A grand mixture of different varieties, many beautiful colors. Quite hardy, fine for flower borders, rockeries, and long lasting as cut flowers. ... ... Pkt. 35c.

Azureum. Pure, clear azure blue, an outstanding blue for the garden. Blooms late Spring. Height 2½ ft. ... ... Pkt. 35c.

Album. Cluster of white stars on stems about 20 inches high. Delicate perfume. Blooms in September. ... ... Pkt. 25c.

ALOE *Al-oh*

Greenhouse perennial. For pot and tub culture. Culture F.

Mixed Species. Ornamental, succulent plants with tall flower spikes in different colors. They prefer a sandy loam soil with peat and pieces of lime-mortar. ... ... Pkt. (50 seeds) 50c.

ALONSOA *Ah-lon-so-a* (*Maskflower*)

Greenhouse. Annual. Pot plant and cutting. 12 inches. Culture F.

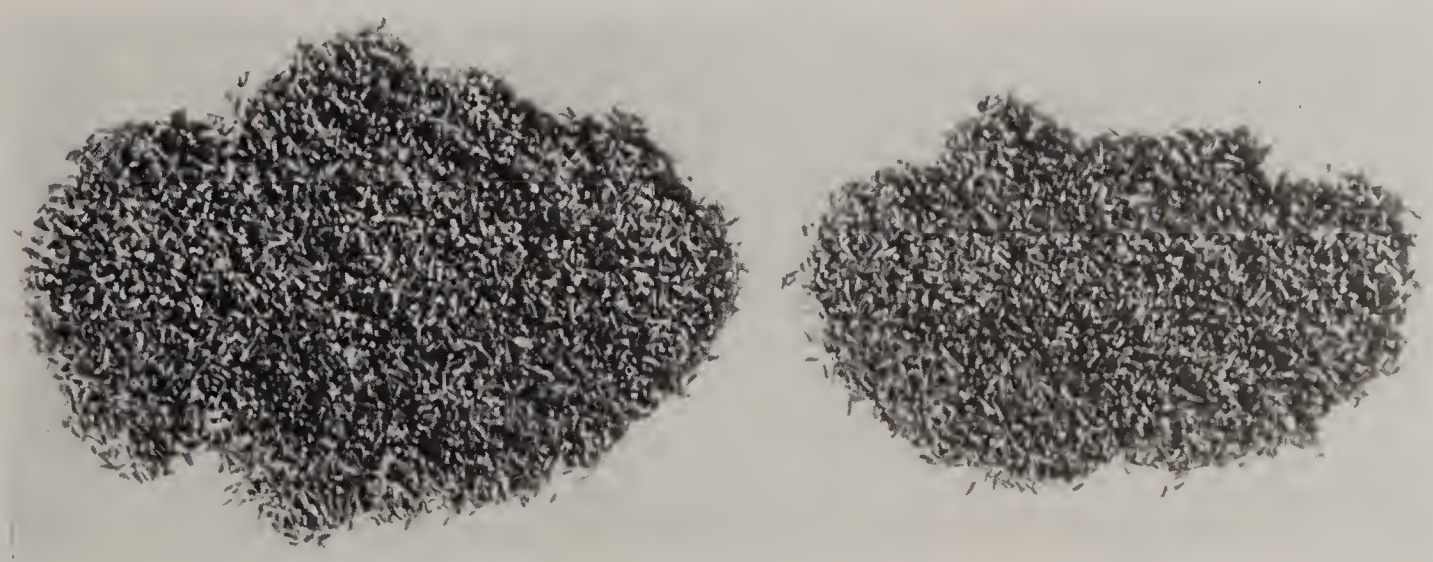

Trivett's Pink. Soft pink flowers with salmon eye. Compact plants. 12 inches high. ... ... Pkts. 50c. and 30c.

Warscewiczi. We offer an improved compact type, bright scarlet with dark green foliage. Ideal for greenhouse. ... Pkts. 35c. and 20c.

ALSTROEMERIA *Al-stre-mee-ri-ah* (*Lily of Peru*)

Perennial. For cutting. Height 2 feet. Loamy soil.

Chilensis. Handsome, Lilylike flowers in mixed colors. Hardy in the South, but in the North the roots should be lifted and stored for the Winter. Give *Culture D* second part. ... ... Pkts. 35c. and 20c.

T.T.S.

Our 50c. packet—7,350 seeds **Our 30c. packet—4,100 seeds**

The above is an actual hand count of the seed in two packets taken from stock of our **AGERATUM—Blue Cap.** and the photograph taken is true to size. Our 15c. packet contains about 2,000 seeds. These generous quantities of clean, new crop seeds, should be an assurance of success for you

"Having used Trivett's Seeds for 18 years I can heartily recommend them. All the flowers grown from your seeds this year were excellent. The Sweet Peas were unusual in size with stems over 14 inches long."

MR. JOHN PACCICA
Supt.-Head Gardener to
C. H. PFORZHEIMER, Esq.

"I am glad to say, on my return from the South I found well-developed seedlings in the seed flats grown from the seeds which came from you.
"This is most satisfactory to a new customer."

MRS. T. F. WILCOX
Gardener MR. MICHAEL KOTEL

ALYSSUM *Ah-lis-sum (Sweet Alyssum)*

ANNUAL VARIETIES

Useful for edging, small beds, mass planting, rockeries and cutting.
Give Culture A

Trivett's Snowdrift (New). Forms a sheet or ribbon of snowy white, only about 2 inches in height. The finest of the very dwarf sorts. The finest for ribbon edging. ... ¼ oz. $1.00 Pkts. 50c. and 30c.

Trivett's Little Gem. Reselected dwarf white, compact little plants, about 3 inches high, covered with a cloud of snowy white flowers.
¼ lb. $4.50 Oz. $1.50 ¼ oz. 50c. Pkts. 25c. and 15c.

Trivett's Violet. *New.* Beautiful, bright violet shade. The habit is compact. Grows about 8 inches high. ... ... Pkt. 50c.

Lilac Queen. ... Oz. $1.50 ¼ oz. 50c. Pkts. 25c. and 15c.

Maritimum or **Sweet Alyssum.** Tall growing, about 9 inches. Pure white, with honey-like fragrance. Can be cut.
¼ lb. $1.75 Oz. 75c. ¼ oz. 25c. Pkt. 10c.

Minimum (*Koeniga maritimum*). Miniature sort. The dwarfest of all; tiny, compact little plants only 2 inches high, smothered with small, pure white flowers. Oz. $2.00 ¼ oz. 75c. Pkt. 25c.

Primrose Queen. Creamy straw color. Height 8 inches. A lovely combination with our *Lilac Queen* or a dark red or blue Petunia, also with Phlox drummondi—tall crimson.
Oz. $1.75 ¼ oz. 75c. Pkt. 25c. and 15c.

PERENNIAL ALYSSUM

For rockeries, dry walls, steps, edging, etc. Blooms in May-June.
Give Culture C

Trivett's White Gold. Strong growing, bushy plants, covered with masses of pale lemon yellow flowers. Blooms in May. Height about 8 inches. ... ... Pkts. 75c. and 50c.

Trivett's Sunlight. A little gem for the rock garden or edging. Neat little plants about 4 inches high. Silvery foliage and yellow flowers.
⅛ oz. $2.50 Pkts. 50c. and 30c.

Saxatile compactum (*Gold Dust*). Similar to above, but producing deep, golden yellow flowers. 12 inches.
¼ oz. $1.00 Pkts. 50c. and 30c.

Spinosum. Very distinct species, dense, spiny growth with white flowers. Height 6 inches. ... ... Pkts. 50c. and 30c.

Spinosum roseum. Pretty, pale rose form of the above. Height about 6 inches. ... ... Pkts. 50c. and 30c.

Rock Garden Mixed. A choice mixture of rock garden species.
⅛ oz. $1.50 Pkt. 35c.

AMARANTHUS *Am-ar-an-thus*

Annual. Ornamental colored foliage. For garden decoration. Poor soil.
Give Culture A

Caudatus (*Love-lies-bleeding*). Long crimson spikes. 2½ feet high.
Oz. $1.00 ¼ oz. 35c. Pkt. 10c.

Caudatus alba. White form of the above. 2½ feet in height.
Oz. $1.50 ¼ oz. 50c. Pkt. 15c.

Cruentus (*Prince's Feather*). Dark red, feathery plumes. 4 feet high.
Oz. $1.00 ¼ oz. 35c. Pkt. 10c.

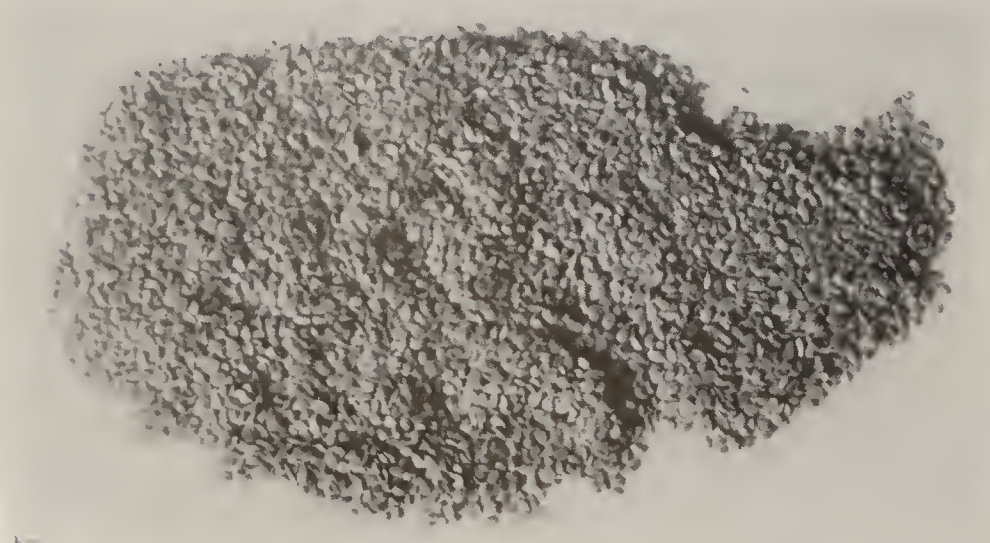

Molten Fire. Showy bronze foliage, top is fiery scarlet, like a Poinsettia. Height 4 feet. Oz. $5.00 ¼ oz. $1.50 Pkt. 25c.

Salicifolius (*Fountainplant*). Drooping, Willowleaved, green, with bronze. The top is blood red. Very graceful and showy. 3 feet high.
Oz. $2.00 ¼ oz. 60c. Pkt. 15c.

Sunrise. Brilliant colored foliage, bronzy crimson with green and scarlet. Very effective in beds. 3 feet high.
Oz. $1.50 ¼ oz. 50c. Pkt. 20c.

Tricolor splendens (*Josephs-coat*). Beautiful colored foliage marked yellow, green, scarlet. 3 feet. Oz. $1.50 ¼ oz. 50c. Pkt. 15c.

NOTE: Amaranthus should be grown in poor soil to bring out their proper colors. Ideal for the Southern States.

T.T.S. Here is a real packet of seed! It is our regular 25c. size of **ALYSSUM—Trivett's Little Gem**
We counted 8,740 seeds. Our 15c. size contains about half this amount

ALYSSUM—Maritimum. A selected strain of the regular *Sweet Alyssum* growing as a broad, informal edging. The seed may be sown right outside and raked lightly in. Will grow almost anywhere. Pure white with delicate, honey-like perfume. Height 9 inches and over. Useful for cutting and several sowings can be made during the season. It will flower in about 8 weeks. If a thin, neat, dwarf edging is desired, we recommend *Trivett's Snowdrift* or *Trivett's Little Gem*.

AMARYLLIS SEED *Am-ah-ril-is*

Bulbous plant for indoor culture or outdoor in the South.

Easily raised from seed. Sow indoors in a mixture of ⅓ soil, ⅓ sand and ⅓ peat moss, at any time, but do not hold the seeds, sow them at once on receipt. They will bloom 15 to 18 months after sowing.

Trivett's Round-petal Giants. Our seeds are collected from one of the finest collections in existence and will produce enormous blooms ranging from pure white through shades of pink, salmon, scarlet, red, etc. The production of these great beauties from seed is very economical, as the bulbs, if procurable, would be extremely expensive. *Note*—These seeds are not ready until the Summer.
100 seeds $6.50 25 seeds $1.75 10 seeds 75c.

New Mammoth Hybrids. A grand collection. Enormous blooms in fine range of colors. The flowers measure 8 inches and over in diameter. Seeds are ready in the Spring.
1000 seeds $20.00 100 seeds $3.00 20 seeds 75c.

Suggestions on the uses of flowers.

Arabica. Annual. Yellow Daisylike flowers set in slender foliage, somewhat like "*Love-in-a-mist.*" Excellent for edging. Height 1 foot. ... ... 5 pkts. $2.00 Pkt. 50c.

GREENHOUSE ANTIRRHINUMS *An-ti-rye-num (Snapdragon)*

We Supply Originator's Seed Only

Trivett's Collection

OF PRIZE-WINNING STRAINS

The new varieties and the best of the standard sorts—true greenhouse Winter blooming types.

A valuable greenhouse cut flower for the Winter months in the North.

Ideal for outdoors in the South and in frostless sections.

Failure in germination of Antirrhinum seeds is usually caused by covering the seed with too much soil or by allowing the seed pans or flats to dry out just at the time germination is about to take place or by lack of proper shade. A colony of ants can clean out every seed in a flat in a few nights.

For greenhouse culture sow the seeds during June in pans or flats having a good top layer of very fine coal ashes or sand and it is a good plan to mix a little Semesan or other fungicide dust with the soil.

When the seeds have broken through give air and light. *But not direct sunlight.* Water carefully, keep moist (not wet). *Watch for signs of "damping off."*

Afterglow. Beautiful golden bronze. Winter flowering. *Silver Medal at Louisville and First Prize at Buffalo.* Fairly tall. Pkt. $1.50

Bertha Baur. Large trusses of clear orchid-lavender on long, stiff stems. ... Pkt. $1.50

SEMI-DWARF, GREENHOUSE, LATE BLOOMING VARIETIES—
See Page 16

"Your greenhouse Antirrhinums were magnificent. We cut a fine crop during the Winter. Rose Queen is a splendid variety and a lovely color."

MR. P. WOLSKY *Superintendent to*
MR. ERIC HUEBNER *Greenhouse Foreman to*
MRS. W. R. GRACE

"I must tell you I was highly pleased with your flower seeds. All of the greenhouse flowers were fine; the Antirrhinums were exceptionally good."

MR. SIDNEY R. CROOK *Supt.-Head Gardener to*
RENBROOK ESTATE

ANTIRRHINUM *An-ti-rye-num* (*Snapdragon*)

THE FINEST TALL, OUTDOOR STRAIN

TRIVETT'S TRIUMPH, RUSTPROOF. *Culture B.*

Immense blooming sorts, reaching a height of about 3 to 3½ feet. Tremendously long, heavy flower spikes. For greenhouse or outdoors.

Triumph Apricot. Fascinating rich apricot, lemon lip.

Triumph Copper (New). Beautiful Autumn tints, light copper shading to orange. Lightened with lemon yellow. Very large.

Triumph Coral Pink. *Natural Color Illustration, see page* 17. Lovely, pure coral pink with soft amber and yellow, charming combination.

Triumph Sulphur. Pale sulphur yellow; a solid self color.

Triumph Salmon. Gorgeous salmon with rose throat.

Triumph Rose Pink. A charming new shade of true, clear pink.

Triumph Flesh Color. Delicate shell pink.

Triumph Bronze. Rich dark, bronzy brown, with yellow mouth. The tube is white. Contrasts well with lighter shades.

Triumph White. Immense blossoms, pure glistening white.

Triumph Chestnut. Rich chestnut red. Relieved and tinted with light orange, the white tube is washed with heliotrope.

Triumph Yellow. A flower of great size and substance; enormous spikes of solid pure yellow.

Triumph Golden Chamois. Most beautiful color. A combination of soft pink and golden shades.

Triumph Lilac. Beautiful shade of lilac rose.

Triumph Orange. Combining beautiful Autumn tints, rich glowing orange blended with pale copper. Strong spikes of great length and large blossoms.

Triumph Oriental. Mostly on gold ground, spotted and splashed with scarlet, bronze, etc. Exceedingly attractive; unusual.

Triumph Purple. Rich deep ruby purple.

Triumph Crimson. Extremely long stems, heavily loaded with immense flowers of rich, deep, velvety crimson.

Triumph Scarlet. Attractive, glowing bright color.

Triumph Gold. Rich gold, subdued with light orange; the tube is tinted with dark pink; very desirable sort.

Triumph Mixed. Mixture of the above colors.

Price: Above "Triumphs"—Each: ⅛ oz. $1.75 Pkts. 75c. and 50c.

TRIVETT'S TALL GIANT, RUST-PROOF

Height 2½ to 3 feet. For both outdoors and late greenhouse flowering

Trivett's Giant Orange. Charming, rich glowing orange tinted with orange scarlet. The lip is splashed with gold.

Trivett's Giant Peach. Delicate peach pink or flesh color tinted with yellow; free flowering.

Trivett's Giant Pink. True clear pink of most attractive shade, and greatly enhanced with white tube.

Trivett's Giant Yellow. Immense golden yellow flowers.

Trivett's Giant Canary. Pale canary or lemon yellow.

Trivett's Giant Torchlight. Perhaps the most attractive color combination in this class; vivid orange splashed with flame scarlet, tinted with carmine pink and yellow lip.

Trivett's Giant Orchid **Trivett's Giant Scarlet**
Trivett's Giant White **Trivett's Giant Salmon**
Trivett's Giant Ruby **Trivett's Giant Red**

And **Trivett's Giant Mixed**

Price: Any of the above "Trivett's Tall Giants"
Each: ¼ oz. $2.50 ⅛ oz. $1.50 Pkts. 50c. and 30c.

T.T.S.

Actual Size photograph, a 75c. Packet of ANTIRRHINIUM Triumph Mixed. 10,000 Seeds. Our 50c. Packet Contains 6500 Seeds. Plenty to counteract adverse conditions, "damping off, etc.

T.T.S. TRIVETT'S TRIUMPH WHITE

"I was very pleased with the Flower Seeds obtained from you. The germination was excellent and the quality of the crop quite up to my expectations. Antirrhinums are exceptionally fine."

MR. H. McCHESNEY,
Supt.-Head Gardener to MRS. H. P. DAVISON

"Your Antirrhinums made a good display and provided plenty of cut flowers. Other flowers were up to the standard which I have always received from you."

MR. HERBERT W. BROWN,
Supt.-Head Gardener to MRS. C. OLIVER ISELIN

ANTIRRHINUMS *(Concluded)*

See page 14 for Regular Greenhouse Varieties

See page 15 for Triumph and Tall Giants

TRIVETT'S RUST-PROOF

For outdoors. Tall. 2½ to 3 feet.

Rose Pink. Soft rose pink, lovely shade.
White. Large pure white. Very choice.
Apple Blossom. Delicate pink. Pretty.
Scarlet. With yellow lip. Attractive.
Canary Yellow. Lighter edge.
Copper Shades. Very choice shades.
Shasta White. Large white; long stem.
Crimson. Brilliant red. Large blossoms.
White Pearl. A good white. Fine stem.
Tall Rust-proof Mixed. All colors.

Price: Above ten tall sorts:
⅛ oz. $1.00 Pkts. 50c. and 30c.

TRIVETT'S DOUBLE ANTIRRHINUM

For outdoors. Tall. Height 3 feet.

These double Antirrhinums will produce about 60 per cent true to type from seed. They belong to the tall flowered class and are suitable for outdoor or greenhouse late crop.

Trivett's Double White. Snow white.
Trivett's Double Yellow. Clear yellow.
Trivett's Double Pink. White throat.
Trivett's Double Mixed. All colors.

Price: Any above Doubles:
Pkts. 75c. and 50c.

TRIVETT'S SEMI-TALL

For outdoors. Semi-tall. 1½ to 2 feet.

Some of the most charming colors in Antirrhinums will be found in this type. Vigorous, bushy plants with numerous side stalks. Suitable for outdoors and greenhouse. Late blooming.

Apricot Picture. The ground color is yellow washed over with apricot; upper part of flower pure apricot.
Amber Queen. Canary yellow, overlaid salmon.
Buff Apricot. Apricot buff with yellow lip.
Canary Yellow. Charming pale yellow,

Highland Chief. Rich deep scarlet.
Orange King. Deep orange shading to terra cotta with yellow lip.
Prince of Wales. Salmon with bright orange center, blending to terra cotta.
Purity. Pure snow white; free flowering.
Raspberry Red. Raspberry red with gold. A most attractive color.
Twilight. Apricot with yellow and light salmon, delightfully blended together.
Victory. A terra cotta shade blended with orange.
White Perfection. Perhaps the finest pure white in this class and a good early forcer under glass.
Choice Mixed. Special mixture of the above named varieties.

Price: Any of the above sorts:
⅛ oz. $1.50 Pkts. 50c. and 30c.

T.T.S. **A Typical Spike of TRIVETT'S IMPERIAL—** the "Improved Majestic Rust-proof" strain. Splendid for garden display and cutting

ROCK ANTIRRHINUMS

These pretty hybrids form bushy little plants about 6 inches high, and are eminently suitable for rock and alpine gardens, edging, etc.

Magic Carpet. Of almost creeping habit. It nestles amongst the stones and clothes them as with a carpet. The beautiful soft colors will add greatly to the appearance of the rock garden during the Summer. Mixed colors. Pkt. 35c.

White Gem. A charming little, pure white Antirrhinum for rockery or edging. ... ... Pkts. 50c. and 30c.

Rock Hybrids, Mixed. Shades of rose, pink, purple, mauve, etc. ... ... Pkts. 50c. and 30c.

T.T.S. **A gem for the Rock Garden during the Summer— ANTIRRHINUM—Magic Carpet**

TRIVETT'S IMPERIAL

"Improved Majestic Rust-proof"

For outdoors. Semi-tall. 1½ to 2 feet.

A grand strain, 1½ to 2 feet high. Very large, individual flowers, thickly placed on sturdy stems. Vigorous, bushy plants of compact habit, and many flower spikes make this strain ideal for bedding, mass planting and cutting in the garden.

Trivett's Imperial Pastel Pink. A beautiful, delicate pink tinted with pale apricot; the individual blossoms are very large and the petals nicely waved. Grand for group planting in the flower garden, bedding and cutting.
Trivett's Imperial Autumn Shades. Old rose, washed over with amber; the lip is golden.
Trivett's Imperial Rose. The richest and finest shade of pink, slightly washed with pale salmon. This is a gorgeous variety.
Trivett's Imperial Pink. Lovely soft pink.
Trivett's Imperial Orange Shades. Lovely shades of orange.
Trivett's Imperial Crimson. A fine, rich velvety crimson, solid self color.
Trivett's Imperial Red Shades. Crimson, garnet and ruby.
Trivett's Imperial Choice Mixed. Superb.

Price: Any of above Imperials:
Each: ⅛ oz. $1.75 Pkts. 75c. and 50c.

TRIVETT'S WINTER WONDER

Semi-dwarf, Greenhouse Forcing

Rust-proof. Height 1½ to 2 feet.

A strain of semi-tall, Winter flowering Antirrhinums, forming vigorous, bushy plants which produce many fine flower spikes right from the base. Valuable where head-room in the greenhouse is limited. *When sown at the same time our Winter Wonder follows the regular greenhouse varieties for which see page* 14.

Winter Wonder White. Very large, pure white blossoms on strong stems.
Winter Wonder Delicate Pink. A lovely shell-pink large blossoms.
Winter Wonder Rose Pink. A charming rich, rose pink, solid pink.
Winter Wonder Rich Red. A color that is full of light. Very large blossoms on strong, straight spikes.
Winter Wonder Golden Yellow. Rich deep yellow, large blossoms, strong stems.
Winter Wonder Purple. A fine contrast to our Golden Yellow.
Winter Wonder Orange. A rich, attractive orange with yellow lip.
Winter Wonder Pastel Yellow. Soft light yellow. A beautiful shade.
Winter Wonder Mixed. All colors.

Price: Any of above "Winter Wonders"
Each: ⅛ oz. $1.75 Pkt. 75c.

BABY ANTIRRHINUMS

Height 9 inches

Ideal for edging, small beds, rockeries, etc.

Baby Delicate Pink **Baby Yellow**
Baby Crimson **Baby White**
Baby Wild Rose **Baby Scarlet**
Baby Orange **Baby Mixed**

Price: Each
⅛ oz. $1.50 Pkts. 50c. and 30c.

PERENNIAL ANTIRRHINUM

Height 6 inches

Molle. Pretty alpine species with small, woolly foliage and white flowers. For rock gardens, etc. *Very scarce.*
Pkts. 75c. and 50c

Trivett's Tested Seeds, Inc.

AGERATUM—Fairy Pink

A fine, dwarf, compact and quick growing plant. Splendid for edging, beds, mass planting, rockeries, etc. Begins to bloom when only 2 inches high and continues to grow: ultimate height 5 inches. Annual, easily grown. Culture B.
Pkts. 50c., 30c. and 15c.

AUBRIETIA—Trivett's Large Hybrids

A hardy perennial for rockeries, walls, edging, massing, etc. Blooms during the Spring. (April-May.) Sow the seed in June-July for the following Spring. Culture C.
Pkts. 75c., 50c. and 30c.

For complete list of Aubrietias, see page 19

Trivett's Tested Seeds, Inc.

AQUILEGIA—Longissima

A valuable, hardy perennial for flower borders and cutting. The spurs often measure 4 inches long. Give Culture C—page 7.
Pkt. 50c. and 25c.

For complete list of Aquilegias, see page 18

TRIVETT'S TESTED SEEDS, INC.
Seed, Bulb and Plant Specialists
134-144 WASHINGTON STREET, NEW YORK CITY

Trivett's Modern
AQUILEGIAS

Ak-wi-lee-ji-ah (Columbine)

Perennial. For cutting and display. Blooms Spring–early Summer.

The seed may be sown outdoors in prepared beds or cold-frames from May to August for blooming the following Spring. *Give Culture C.*
Seed can also be sown indoors during February–March in which case flowers can be expected the first season.

TRIVETT'S LONG-SPURRED VARIETIES

The Finest the World Produces

Trivett's Sweet-scented White. Large pure white blossoms held erect by strong, wiry stems. The vigorous plants grow about 2 feet high. Delightful for cutting or garden display. Delicately fragrant; also good for forcing.
Trivett's Blue Cloud. Considered by all who have grown it to have the largest flowers of any Aquilegia. The color is a charming shade of pale blue with white. A lovely combination.
Trivett's Pink Beauty. Large, long-spurred blooms in several delightful shades of pink. Height 2 feet.
Trivett's Sulphur Beauty. Pale yellow. Height 2 feet.
Trivett's Blue Beauty. Deep, yet bright blue with long spurs. One of the finest. Height 2½ feet.
Trivett's White Beauty. Lovely pure white. Hgt. 2 ft.
Trivett's Crimson Beauty. Rich blood red with white center and long crimson spurs. Height about 2 feet.
Trivett's Lavender. Charming deep lavender, with pure white corolla (center). Very choice. Height about 2½ feet.
Trivett's Copper Queen. Rich copper-red, long spurs of darker shade; straw-colored throat. Height about 2½ feet.
Trivett's Eastern Prince. The petals and spurs range in color from chocolate to maroon-purple with yellow corollas (centers) forming the most charming contrasts.
Trivett's Violet. A tall variety almost 4 feet, large, long-spurred blossoms of rich, deep violet and pale yellow center. Attractive contrast, very choice variety.

Prices: **Any of the above Special Varieties (packets only) Each—Packets $1.00, 75c. and 50c.**

OTHER LONG-SPURRED AQUILEGIAS

Blue Shades. Large, long-spurred, 3 to 4 feet high.
Lemon Yellow. Fine color, long-spurred, 2½ feet high.
Silver White. A good white; grows about 3 feet.
Pink Shades. Large, long-spurred, lovely Pinks. 3 feet.
Crimson Star. Dwarf, 1½ feet. Crimson, white center, choice.
Orange and Scarlet Shades. Attractive. Height 3 feet.

Prices: **Any of the above six varieties**
Each: **¼ oz. $3.50 ⅛ oz. $2.00 Pkts. 50c. and 25c.**

Longissima. The spurs often measure 4 inches long. The color is pale yellow; blooms May-June. Pkts. 50c. and 25c.
Mrs. M. Nichols. A much improved *Aquilegia caerulea.* Rich blue with white. 2 feet.
⅛ oz. $1.50 Pkts. 50c. and 25c.
Caerulea. Sky blue with white corolla and long spurs. 2 feet. ... ⅛ oz. $1.50 Pkts. 50c. and 25c.
Skinneri. Scarlet spurs with yellow and green corolla; very attractive. Height 2½ feet.
⅛ oz. $1.00 Pkts. 50c. and 25c.
Hensol Harebell. Vivid violet blue flowers borne in great profusion on dwarf plants.
⅛ oz. $1.00 Pkts. 50c. and 25c.
Sutton's Crimson and **Gold** (*Originator's Seed*). 3 feet. Pkt. 50c.
Sutton's Pure White (*Originator's Seed*). Pkt. 50c.

Our New, Sweet-scented AQUILEGIA—Trivett's Sweet-scented White

MIXED AQUILEGIAS

Trivett's Superb Mixed. A superior mixture of long-spurred sorts, including our "Beauty" varieties. A fine range of lovely colors, 2 to 3 feet high.

Graeca. Masses of blue flowers.

Trivett's Large Hybrids (Mixed). A fine strain with large flowers and in a splendid range of colors and shades. Very choice.

Prices: Any of the above Aubrietias
Pkts. 75c., 50c. and 30c.

Auricula. See under **Primula.**

Trivett's Prize-Winning

NEW WILT-RESISTANT **ASTERS** TREATED ⊕ SEED

Our strains of Wilt-resistant Asters have gained an enviable reputation throughout the country. They are the height of perfection—far superior to the regular strains usually offered. The photographs below illustrate the plant habit of some of our different groups or classes. *Give Culture B, see page 6. Asters should not be grown in the exact same place in the garden each year. Too much watering will cause stem rot.*

T.T.S.
A typical plant of our Super Giant Aster, LOS ANGELES. The largest Double Aster class known—*See page 23*

T.T.S.
A plant of our improved strain of Aster, QUEEN OF THE MARKET—An early flowering type, July-August. About 18 inches high. A good cut flower—*See page 21*

T.T.S.
A plant of TRIVETT'S GIANT SINGLE ASTERS, 2 feet high. Wiry stems. Healthy, robust growth. Blooms in September. Superb cut flower—*See page 24*

T.T.S.
Our dainty little Aster, LADY IN WHITE—Small flowers and foliage—
See page 22

T.T.S.
A plant of TRIVETT'S MAMMOTH, blooming from September until frost. Large, double flowers; strong, healthy plants, 2½ to 3 feet high—
See page 23

T.T.S.
A plant of our LATE GIANT BRANCHING TYPE, 2½ to 3 feet tall. Large, double flowers, strong stems. A favorite with florists—*See page 23*

T.T.S.
Showing the plant habit of our strain of CREGO'S GIANT COMET — a vigorous, branching plant 2 to 2½ feet high. Blooms in September—*See page 22*

T.T.S.
The photograph shows the fine plant formation of our EARLY ROYAL ASTER, 1½ to 2 feet high. Blooms in mid-August following Queen of the Market—*See page 21*

T.T.S.
TRIVETT'S ASTERMUM, like Chrysanthemum blooms, 1 to 1½ feet high, upright branching habit. Blooms in late August—*See page 22*

Trivett's Wilt-Resistant
ASTERS

TREATED ⊕ SEEDS

Annual. Give Culture B.

Our superb strains of Asters are produced from pedigree stocks and we assure our customers there are none better anywhere for size and trueness of color. The germination of the seed will be found most satisfactory.

Early Blooming Varieties

For July-August Flowers

TRIVETT'S EARLY TRIUMPH (*Illustrated*)

Wilt-resistant

A superb early blooming, large-flowered type. The plants are very robust, about 1½ feet high and wilt-resistant. The big, fluffy blossoms are carried on exceptionally strong stems. Makes a splendid August cut flower. *A florist's special.*

Pale Pink. Opens white, later becomes tinted with pink.
Light Blue. A charming shade, clear light blue, very choice.

Any of the above two colors:
Each ¼ oz. $3.00 ⅛ oz. $1.75 Pkts. 50c. and 25c.

TRIVETT'S EARLY WONDER

Wilt-resistant

The earliest of all. Will flower in July. About 15 inches high Fine for beds, borders and cutting.

Crimson **Dark Blue** **Light Blue**
Rose **White** And **Finest Mixed**

Any of the above colors and Finest Mixed:
Each ¼ oz. $1.50 ⅛ oz. 80c. Pkts. 35c. and 20c.
Collection: ... One large pkt. each, five colors, $1.50

EARLY ROYAL (*Illustrated on page 20*)

Wilt-resistant

The plants are vigorous, healthy growers, 1½ to 2 feet high. The very double flowers are of the "Rose" type similar to the *Late Giant Branching* and are ready for cutting in mid-August just after *Queen of the Market.*

Azure Blue (*Dark lavender*) **Shell Pink** (*Dwarf*) **Salmon Rose**
Deep Rose (*Tall*) **Purple** (*Tall*) **Scarlet** **White** and **Mixed**

Any of the above colors and Mixed:
Each ... ... ¼ oz. $1.50 ⅛ oz. 80c. Pkts. 35c. and 20c.
Collection ... ... One large pkt. each, seven colors, $2.25

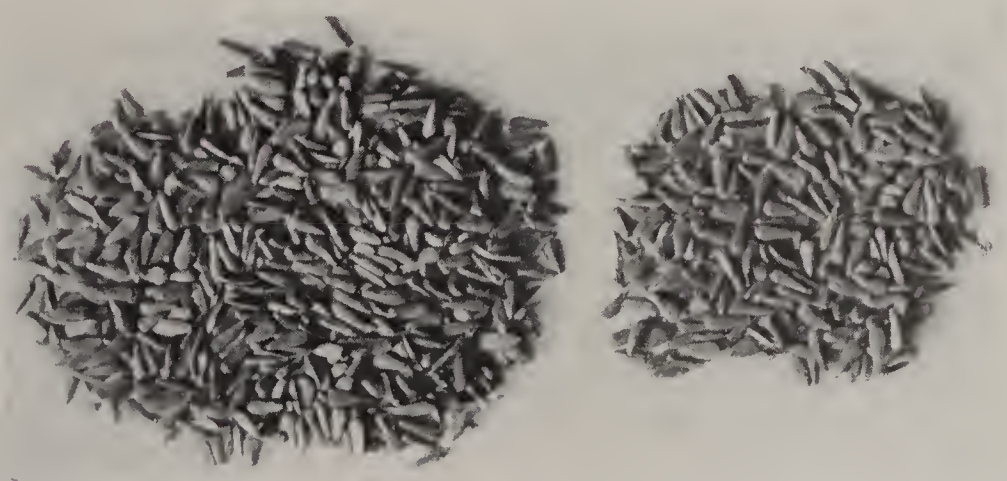

QUEEN OF THE MARKET (*Illustrated on page 20*)

Wilt-resistant

An improved strain of this popular early Aster. Grows about 18 inches high and blooms end of July or early August.

Dark Lavender **Crimson** **White** **Rose** **Violet** **Pink**
Dark Blue **Light Blue** **Scarlet** **Mixed**

Any of the above colors and Mixed:
Each ... ... ¼ oz. $1.50 ⅛ oz. 80c. Pkts. 35c. and 20c.
Collection ... ... One large pkt. each, nine colors, $2.75

T.T.S.

Aster seeds are quite large, yet you will receive about 650 seeds in our 35c. pkt. of TRIVETT'S EARLY ROYAL MIXED, and about 275 seeds in the 20c. pkt.

Our photograph shows both sizes; plenty to spare for a second sowing and later flowers

T.T.S.

NEW ASTER—Trivett's Early Triumph, Light Blue

The largest flowered, strongest stem early Aster in existence. The plants are very robust and wilt-resistant. About 1½ ft. high. *A high class florists' cut flower for the month of August*

Italian Asters

Mount Vesuvius. A rich, dark red, growing about 3 feet.
¼ oz. $1.75 ⅛ oz. $1.00 Pkt. 25c.

Stella Giant. Very large, double flowers of light salmon-rose; strong, upright stems. Height 3½ feet. Splendid cut flower.
¼ oz. $1.75 ⅛ oz. $1.00 Pkt. 25c.

White of Rome. Splendid pure white on long, strong stems. 3 feet.
¼ oz. $1.00 ⅛ oz. 60c. Pkt. 15c.

Asters from Poland

The plants are upright and grow about 1½ feet high. The flowers are small and round, fine for cutting. Will bloom about the middle of August.

Warsaw Market Crimson. Rich red with white center.
Warsaw Market Blue. Light blue, very double, with white center.
Warsaw Market Violet. Fine bright violet and pure white center.
Warsaw Market White. Small, round, pure white, double flowers.
Warsaw Market Pink. Rosy pink with white center cushion.
Warsaw Market Mixed. A mixture of the above colors.

Any of the above colors and Mixed:
Each ... ... ¼ oz. $2.50 ⅛ oz. $1.50 Pkts. 50c. and 25c.
Collection ... ... One large pkt. each, five colors, $2.00

German Asters

The earliest Aster. Flowers from the beginning of July. Well-formed, fully double blooms, measuring about 4 inches across on firm, long stems.

A grand July cut flower for the up-to-date florist.

German Dawn White **German Dawn Apple Blossom**
German Dawn Rose **German Dawn Lavender**
And **German Dawn Mixed.**

Any of the above colors and Mixed:
Each ... ¼ oz. $3.00 ⅛ oz. $1.75 Pkts. 50c. and 25c.

OTHER TYPES OF ASTERS—See following pages

TRIVETT'S ASTERS *(Continued from page 21)*

TREATED ✚ SEED

Midseason-Blooming

For Flowering in August-September—*Culture B*

ASTERS *(Concluded)*

TREATED ✚ SEED

Give Culture B

☛ TRIVETT'S NEW GIANT SUNSHINE ASTERS

Tall, upright habit, 2½ to 3 feet high, especially suitable for cutting. The unusually large flowers often measure 5 to 6 inches across, "*Giant California Sunshine type*," and are borne on long, stiff stems, about 75 per cent true, the first flowers often come single and the true type later.

The "*Dwarf Sunshine*" is more suitable for bedding and massing.

Trivett's Giant Sunshine White. With large lemon center.
Trivett's Giant Sunshine Lavender. With lemon yellow center.
Trivett's Giant Sunshine Salmon Pink. Charming, delicate ☛ shade of salmon pink with creamy yellow center.
Trivett's Giant Sunshine Dark Blue. Yellow center.
Trivett's Giant Sunshine Deep Rose. With lemon center.
Trivett's Giant Sunshine Light Blue. Yellow center.
Trivett's Giant Sunshine Shell Pink. With lemon center.
Trivett's Giant Sunshine Mixed.

Any of the above colors and Mixed:
¼ oz. $2.00 ⅛ oz. $1.25 Pkts. 75c., 50c. and 30c.

DWARF SUNSHINE (Anemone Flowered)

Dwarf branching habit, 1½ to 2 feet high. Ideal for bedding, display and cutting. The flowers are large, but not so large as *Trivett's Giant Sunshine* and the stems are not as long, otherwise the general appearance and type of flower are quite similar.

Dwarf Sunshine White. With lemon yellow center.
Dwarf Sunshine Rose Pink. Yellow crested center.
Dwarf Sunshine Lilac. With blue and yellow center.
Dwarf Sunshine Crimson. With contrasting yellow center.
Dwarf Sunshine Light Blue. Blue and yellow center.
Dwarf Sunshine Dark Blue. With lilac and yellow center.
Dwarf Sunshine Flesh Pink. Shell pink with yellow center.
Dwarf Sunshine Mixed. All the above varieties.

Any of the above Dwarf Sunshine sorts:
Pkts. 50c., 30c. and 20c.

TRIVETT'S GIANT SINGLE ASTERS

A superb strain of large, single Asters growing about 2 feet in height, with long, wiry stems. Valuable for cutting.

White, Pink, Light Blue, Dark Blue, Mixed.
Each of above: ... ¼ oz. $1.75 Pkts. 50c., 30c. and 20c.

Trivett's Red Emperor. A very large, single Aster with broad, ☛ curled petals, deep blood red with contrasting yellow center. Height 1½ feet. *Wilt-resistant.* ... Pkts. 50c. and 30c.

TRIVETT'S SINGLE JAPANESE (Gerberalike)

A beautiful, artistic type, with long, slender, graceful petals similar to the "*Gerbera*." Height 2 feet. Exquisite cut flower.

Trivett's Japanese White | **Trivett's Japanese Mauve**
Trivett's Japanese Violet | **Trivett's Japanese Rose**
Trivett's Japanese Mixed

Each of above: ... ... Pkts. 75c., 50c. and 30c.

ENGLISH SOUTHCOTE BEAUTY (Ostrich Feather Petals)

Graceful flowers, with long, tapelike, curled petals, the large, single flowers are produced on long, stiff stems.
Unrivaled for cutting and house decoration. Height 2 feet.

White, Mauve, Purple, Pink, Scarlet, and **Mixed.**
Each of above: ... ... Pkts. 50c., 30c. and 20c.

TRIVETT'S SINGLE CHINESE (Daisylike Petals)

These single Asters are not so large as the others we offer and on this account may be preferred. They have broad, flat petals and look like gayly colored Marguerite Daisies or Pyrethrums. Tall, height 2½ ft.

Violet Queen **Snow Queen** **Pink Queen**
Blue Queen **Scarlet Queen** **Mixed Queen**

General Joffre. Brilliant crimson scarlet color.

Each of the above Chinese sorts: Pkts. 50c., 30c. and 20c.

T.T.S.

ASTER—Trivett's Giant Sunshine Lavender

HARDY PERENNIAL ASTERS

Give Culture C

Alpinus. Deep mauve with yellow center, growing about 12 inches high. Splendid sort for rockeries, etc.

⅛ oz. $3.75 Pkts. 50c. and 30c.

Gracilis Luminosa. (Improved.) Bright scarlet with bronze colored foliage. 9 inches.
⅛ oz. $3.75 Pkts. 50c. and 30c.

Gracilis Thousand Flowered (*Heterosis*). Only about 5 inches high, abundance of rose pink blossoms until frost. —*New*— Pkt. 75c.

Gracilis Dresden, 1936 (*Heterosis*). Attractive rosy scarlet blossoms in profusion. 9 inches. —*New*— ... ... Pkt. 75c.

Gracilis Indian Maid. Rich scarlet with dark brown, metallic foliage. 10 inches.
1/64 oz. $4.75 Pkts. $1.25 and 75c.

Prima Donna. (Improved.) (*Heterosis*). Gracilis type, carmine rose with bronzy foliage. Height 9 inches.
1/64 oz. $7.50 Pkts. $1.50 and 75c.

Rosabella (*Semperflorens type*). Dwarf, compact, only 6 inches. Pure, light, rose pink.
⅛ oz. $2.00 Pkts. 50c. and 30c.

Vernon Improved. Dwarf, Semperflorens type. Height about 8 inches. Blood red with dark foliage. 1/64 oz. $1.75
Pkts. 50c. and 30c.

One of our leading specialties, an extensive and carefully selected list of the choicest and most outstanding in the various classes or groups, mostly from the Heterosis method.

Important !

The seed of many of the following fibrous-rooted, bedding Begonias, is the result of crossing two different sorts (*The Heterosis method*). Plants raised from this seed show a marvelous uniformity and perfection, but *their seed* should never be harvested, as the seed of the second generation segregates and produces only *worthless mixtures*. Our seed is collected from crosses made each year from the original parents.

FIBROUS-ROOTED BEGONIAS

For bedding, edging, pots, etc.
They prefer light, rich soil.

Trivett's Florida Pride (*Heterosis*). A splendid dwarf, compact type, only 6 inches high and smothered with bright scarlet blossoms intermixed with rich, chocolate colored, glossy foliage. A very attractive combination.
1/64 oz. $2.75 Pkts. 75c. and 40c.

Trivett's Salmon Queen. Rich, deep salmon red, dark glossy foliage, free flowering. Height 10 inches.
1/64 oz. $2.75 Pkts. 75c. and 40c.

Trivett's La France (*Heterosis*). Pure La France pink, abundant bloomer. Height about 9 inches.
1/64 oz. $9.00 Pkts. $1.50 and 75c.

Trivett's White Queen. Pure white, compact variety, about 10 inches high, with glossy, green leaves.
1/64 oz. $2.75 Pkts. 75c. and 40c.

Trivett's White Carpet. Very dwarf, 5 inches. White, green foliage.
1/64 oz. $2.75 Pkts. 75c. and 40c.

Trivett's Picotee. Large white, edged with a bright pink band. Height 6 to 8 inches; also makes a fine pot plant.
1/64 oz. $2.75 Pkts. 75c. and 40c.

Sutton's Loveliness. Large, clear rose pink; about 10 inches. Pkt. 75c.

Sutton's Brightness. Brilliant carmine pink with green foliage. Height about 12 inches; also makes a grand pot plant for indoors in which case sow the seed in July. ... ... Pkt. 75c.

T.T.S.

A spray of blossom of Trivett's La France Begonia—a pure clear pink

SOWING THE SEED

In the Northern States seed should be sown from January to March in brisk heat in shallow, well-drained seed pans, filled with a compost of equal parts of leafmold loam, and sand. The seed is very minute, and extreme care is required in handling. Make the soil fairly firm and sow the seed evenly on the surface; do not cover the seed with soil, but place a glass over it. The glass should be turned or wiped dry every morning. When the pans become dry, submerge the pans to the rim and wait till the water soaks through. Prick off when large enough into 3 inch pots, giving a shift into a larger size when necessary.

"The high quality of your seeds has always been evident in the fine results I have obtained from them."

MR. L. J. MULLER
Supt.-Head Gardener to
HOWARD PHIPPS, Esq.

A typical plant of Begonia Gracilis—Thousand Flowered, rose pink. Height, 5 inches

TRIVETT'S CHOICE BEGONIAS

TUBEROUS-ROOTED VARIETIES

For greenhouse, pots, outdoor bedding, edging, and display.

Generally speaking these Begonias may be flowered in about six months from seed. Sow the seed during February and when the seedlings are very small prick off into pans or small pots, shifting to larger pots as required.

Tuberous Begonias produce tubers or bulbs which should be treated and stored for the Winter like Gladiolus or Dahlias for use the following year, when they will give their best results. Growing from seed is an economical method whereby a collection of these valuable tubers can be obtained.

TRIVETT'S SINGLE GIANT-FLOWERED

Immense blooms and gorgeous colors. Ideal for pots and garden display in semi-shade. The large blossoms have smooth or plain edged petals.

Single Giant White | **Single Giant Pink** | **Single Giant Yellow**
Single Giant Rose | **Single Giant Orange** | **Single Giant Scarlet**

CALIFORNIA-POPPY. See **Eschscholtzia.**

SEEDS WHICH GERMINATE SLOWLY AND IRREGULARLY

The following species and varieties of flower seeds should be sown in such a manner and place that they can be left undisturbed for an extended period of time.

See also notes under "Hardy Alpines," on page 7.

Acanthus, Aconitum, Adonis vernalis, Androsace, Anemone, Asperula odorata, Clematis, Delphinium Yellow Nudicaule, Delphinium Pink Nudicaule, Delphinium Red Nudicaule, Dictamnus, Gentiana acaulis, Incarvillea, Iris, Perennial Phlox, Hardy Primulas, Saxifraga, Trollius, and some of the rare Alpine plants.

Seeds of the more stubborn species may lie in the soil for a year and more before germinating. Stratification of such seeds by frost and snow should be beneficial.

CALCEOLARIAS *Cal-se-o-lay-ri-a*

English Grown Seed—Gold Medal Strains

Not recommended to amateur growers unless in possession of the necessary facilities, *viz.*, greenhouse or conservatory. Seed should be sown in June or July in pots or seed pans. The compost being two parts of good loam, one part fine leafmold, and one part sand.

Make the soil fairly firm and sow the seed evenly on the surface. Do not cover the seed with soil, but place a sheet of glass over it.

When dry, do not water overhead, but submerge the pan to the rim and wait till the water soaks through.

LARGE FLOWERED VARIETIES

Very desirable, high-class pot plants.

Trivett's Gold Medal Mixed. This strain produces enormous flower pockets, in large, heavy trusses, on vigorous, bushy plants. We blend this mixture ourselves from the most costly and finest exhibition strains. Constant care is employed in crossing only the finest flowers, thus preserving the wide range of gorgeous colors and markings. ... ... Pkts. $1.50 and 75c.

Trivett's Blotched Hybrids. Spotted and blotched hybrids of large size, notable for their brilliant color combinations. Pkts. $1.50 and 75c.

Sutton's Cloth of Gold. *Sutton's seed.* Pure golden yellow, self colored flowers of the largest size and finest form; in immense trusses. ... ... Pkt. $1.00

Sutton's Cloth of Silver. *Sutton's seed.* Beautiful, glistening white flowers in large trusses, contrasts well with the darker sorts. Pkt. $1.00

Trivett's Rose. Beautiful, clear rose pink blooms of large size, in large, heavy trusses. ... ... Pkt. $1.00

Trivett's Olympia. Dark brown and red blotches on a yellow ground. Fine large flowers. ... ... Pkt. $1.00

Trivett's Pierrot. Attractive large white, heavily blotched with rosy pink. ... ... Pkt. $1.00

Trivett's Red. Brilliant orange red of large size; a fine contrast to *Cloth of Gold.* ... ... Pkt. $1.00

MEDIUM AND SMALL FLOWERED CALCEOLARIAS

The varieties offered under this heading are distinct from the *large-flowered* sorts and are very valuable for cutting, etc.

Albert Kent. Medium size, spoon shaped flowers, maroon red with broad margin of gold. ... ... Pkt. 75c.

Albert Kent Hybrids. Similar to the type but in a mixture of various colors. ... ... Pkt. 75c.

Eclipse. This is the result of a cross between the *C. banksi Hybrids* and *C. angustifolia*, which has produced a splendid range of colors—orange, buff, chocolate, golden, canary, scarlet, carmine, rose and also pastel shades. The plants are very floriferous. Pkt. 50c.

Multiflora Nana. A new race of small-flowered Calceolarias, growing about 12 inches high and covered with trusses of flowers in a wonderful range of colors. In mixture only. Pkt. 75c.

Nana Compacta, Indian Prince. A fine new sort. Ideal florist pot plant; small, orange scarlet flowers in abundance. Height about 12 inches. ... ... Pkt. 75c.

Nana Compacta, Golden Tiger. Golden yellow spotted with maroon red. ... ... Pkt. 75c.

The Fairy. This hybrid comes from a wild Chilian species crossed with *C. profusa.* It is the deepest yellow Calceolaria we know, and the elegant sprays of small flowers are most decorative. Will be much appreciated as a pot plant for conservatory or house. Height about 2 feet. ... ... Pkt. $1.25

Profusa (Clibrani). Graceful sprays of small golden yellow flowers. Height 2 feet. ... ... Pkt. $1.50

Trivett's Profusa Hybrids. The plants possess the same habit as *C. profusa*, but the flowers are larger, ranging from yellow to reddish bronze; very lasting. A fine plant for indoor decoration. Height 2 to 3 feet. ... ... Pkt. $1.00

Rugosa, Golden Rain. True bedding sort producing innumerable small flowers of rich golden yellow. Also suitable for pots. Height 12 inches. ... ... Pkt. $1.00

Rugosa Choice Mixed. Rich colors. ... ... Pkt. $1.00

CACALIA is a splendid cut flower—easily grown from seed

TRIVETT'S CALENDULAS

Kah-len-deu-lah (*Scotch Marigold*) *Hardy Annual*

One of our most useful annuals for cutting and display. Indispensable for greenhouse culture, providing an abundance of cut flowers during the Winter months. Average height 1 foot. Seed may be started indoors for early blooming or can be sown in the open ground when weather permits.

T.T.S.

TRIVETT'S DOUBLE ART SHADES

Trivett's Gold Medal. Improved strain, large, double flowers, somewhat deeper than *Sensation*, and well formed. The color is rich glowing orange, fine long stems; ideal for greenhouse culture and still preferred by many of our customers to the newer sorts. ... ¼ oz. $1.50 Pkts. 50c. and 30c.

Campfire, Florist Strain. *See natural color illustration on page* 35. A vastly improved strain of "Campfire" or "Sensation." Ideal for florist use. The blooms are flat across the top and measure at least 4 inches in diameter, with long, heavy cutting stems. The color is rich deep orange with scarlet sheen. ¼ oz. $1.00 Pkts. 35c. and 20c.

Sensation (Campfire). *Reselected.* The largest of all. Extremely double blossoms on long, strong stems; rich orange washed over with a sheen of scarlet; truly an outstanding sort. ... ¼ oz. $1.00 Pkts. 35c. and 20c.

Ball's Gold. *Improved stock.* Upright habit, long stemmed, deep golden yellow. ... ... ¼ oz. $1.00 Pkts. 35c. and 20c.

Ball's Cream. *Reselected.* Large, round, double flowers of creamy white on good stems. ... ... ¼ oz. $1.00 Pkts. 35c. and 20c.

The Ball (Ball's Orange). A good sort, with very double, rich orange flowers. ¼ oz. $1.00 Pkts. 35c. and 20c.

Radio. *Illustrated.* An English variety of merit, being a "break" in Calendulas. The petals are beautifully quilled and fluted, which enhances the beauty of the globular flowers. The color is soft glowing orange. ¼ oz. $1.00 Pkts. 35c. and 20c.

Golden Beam. A golden yellow counterpart of the popular English variety, "*Radio.*" ... Pkts. 35c. and 20c.

Golden King. A grand variety for the amateur gardener and for the cut flower market; very large, double flowers of rich golden yellow. (In packets only) Pkt. 50c.

Yellow Queen (Lemon Queen). Improved strain; large, double flowers of a pleasing, clear lemon yellow; fine companion to the orange sorts ¼ oz. $1.00 Pkts. 35c. and 20c.

Trivett's Double Art Shades. Contains many new shades from cream and buff to yellow, orange, apricot, picotee, etc. In mixture only. ... Pkts. 35c. and 20c.

Trivett's Apricot Queen. A fine, new shade, apricot yellow; good double flowers. Pkts. 35c. and 20c.

Masterpiece. A grand sort, rich deep orange with dark center, long cutting stems. Oz. $3.00 ¼ oz. $1.00 Pkt. 25c.

Meteor. Charming yellow flowers marked with lemon. ¼ oz. 50c. Pkt. 25c.

Chrysantha (Sunshine). *Illustrated.* An entirely new break in Calendulas, with a striking resemblance to those of a Chrysanthemum. Long stems, clear, buttercup yellow. ¼ oz. $1.00 Pkts. 35c. and 20c.

T.T.S.

CHRYSANTHA—Sunshine

Trivett's Orange Sunshine. A companion to the well known "Chrysantha" with the same form of flower; bright orange color. ¼ oz. $1.50 Pkts. 50c. and 30c.

Orange Shaggy. (*New.*) A very distinct new break in Calendulas. The petals are long and deeply fringed or laciniated. The large, double, shaggy blooms resemble some Chrysanthemums. The color is deep orange with slightly lighter tint towards the center of the bloom, giving the flower a delightful two-tone effect. Long, strong stems. Height about 18 inches. A novelty of outstanding merit. ... ... Pkts. 50c. and 30c.

Orange Fantasy. (Crested.) A distinct type, long, twisted petals with a crested center; coppery orange edged with mahogany red. ... ... Pkt. 25c.

Orange King Improved. Rich orange. Good double flowers. Oz. $2.50 ¼ oz. 75c. Pkt. 25c.

Mixed. All sorts mixed. Oz. 90c. ¼ oz. 30c. Pkt. 15c.

SINGLE CALENDULAS

Trivett's Single Hybrids. Superb mixture of rare colors; this new strain will be preferred by many to the double sorts. Ideal for vase decorations. ... ... Pkt. 50c.

Pink Gem. Only 3 inches high. Pale pink flowers. ... Pkt. 50c.

Jucunda. Rare, pink. 4 inches. Pkt. 50c.

CALLIOPSIS

Kal-i-op-sis (*Tickweed*). *Annual and perennial. America, Africa*, 1699.

Easily grown, blooming throughout the Summer. Prefers ordinary garden soil, dry, sunny position. It is best to sow the annual sorts where they are intended to bloom, thinning out to 6 inches apart.

TALL ANNUAL VARIETIES

Trivett's Gold Crest. A splendid yellow sort with semi-double flowers on good stems. Grand cut flower.

Trivett's Lemon Beauty. About 2½ feet high, attractive lemon yellow with red blotch; splendid for cutting.

Atrosanguinea. 2½ feet. Rich dark red flowers.

Bicolor Hybrida. 3 feet. Semi-double flowers, yellow and brown. Very lasting cut flower.

Coronata. 1½ feet. Large yellow flowers.

Golden Wave. 1½ feet. Large golden yellow flowers with chestnut brown.

Marmorata. 3 feet. Elegantly marbled and striped with yellow and Wallflower red.

Nigra Speciosa. 3 feet. Dark maroon red, excellent contrast to the yellow varieties.

Tinctoria. 3 feet. Very free flowering, showy yellow flowers with brown centers.

Tall Choice Mixed. A mixture of the tall sorts. Showy colors.

Any of above Sorts and Mixed:
Oz. $1.75 ¼ oz. 60c. Pkts. 25c. and 15c.

DWARF ANNUAL VARIETIES

Compact, bushy plants 6 to 12 inches in height which are covered with flowers all Summer. Ideal for bedding, edging and rock gardens.

Crimson King. 12 inches. Bright velvety crimson; attractive.

Golden Ray. 9 inches. Very distinct, golden yellow, with purple brown center. Very attractive sort.

Tiger Star. 9 inches. Reddish brown petals, spotted and blotched with yellow; very choice.

Tom Thumb Beauty. 8 inches. Flowers golden yellow with crimson centers; very effective variety.

Dwarf Choice Mixed. Blooms profusely all Summer; excellent for beds or massing and for edging.

Any of the above Dwarf Sorts:
Oz. $1.75 ¼ oz. 60c. Pkts. 25c. and 15c.

Douglasi. Lovely little annual Calliopsis for the sunny rock garden or edging. Height about 12 inches. Golden yellow ... Pkt. 25c.

T.T.S. CANDYTUFT—Dobbie's White Spiral

Trivett's CAMPANULAS

Kam-pan-u-lah
Canterbury-Bell

TREATED ✚ SEED

Improved Strains. Grown for us in England.
Give *Culture E.* Sow and keep in cool place.

CAMPANULA MEDIUM
(SINGLE CANTERBURY-BELL)

Biennial. Give Culture E. Grow cool.

Very showy biennial, growing in pyramidal form. About 3 feet high and producing large single bells in beautiful, clear colors. Seed sown in May-June blooms the following June outdoors. If, however, the young plants are potted in October, they make beautiful plants for the greenhouse, conservatory or house.

Trivett's Rich Pink. A great improvement over the regular type, producing larger bells and a superior shade of color. (*Packets only*) Pkts. 75c. and 50c.

Trivett's Lavender. A superior strain. Large flower bells of beautiful light lavender blue. (*Packets only*) Pkts. 75c. and 50c.

White Queen. A good large, pure white.
Rose Queen. Nice shade of pale pink.
Blue Queen. Rich, bright blue shade.
Mauve Queen. Fine shade of deep lilac.
Carmine Queen. Deep pink or salmon pink.
Medium Choice Mixed. All colors mixed.

Any of the above five Queens and Mixed:
¼ oz. $1.25 ⅛ oz. 75c. Pkts. 50c., 30c. and 15c.

Dwarf Compact Mixed. A dwarf, compact sort, only about 20 inches high and forming bushes 3 feet in circumference, bearing 100 to 150 flowers each. A grand ☛ subject for the flower border. Our mixture at present contains shades of blue, mauve and white.
¼ oz. $1.25 ⅛ oz. 75c. Pkts. 50c. and 25c.

CAMPANULA CALYCANTHEMA
(CUP-AND-SAUCER)

Biennial. Give Culture E. Grow cool.

An exceedingly popular class of Canterbury-bells, being similar in most respects to the Single type, but with the addition of saucerlike petal or collar behind the bell, giving the individual flower the appearance of a "cup-and-saucer." Height about 3 feet. Blooms in June.

Calycanthema White. Pure snow white.
Calycanthema Rose. Nice shade of blush pink.
Calycanthema Blue. Rich deep blue.
Calycanthema Strawberry Pink. A charming shade of rich, deep pink; very attractive color.
Calycanthema Mauve. Deep, rich mauve blue.
Calycanthema Lavender. Shade of light lilac.
Calycanthema Mixed. A blending of all colors.

Any of the above six colors and Mixed:
¼ oz. $1.75 ⅛ oz. $1.00 Pkts. 50c., 30c. and 15c.

CAMPANULA, DOUBLE
(DOUBLE CANTERBURY-BELL)

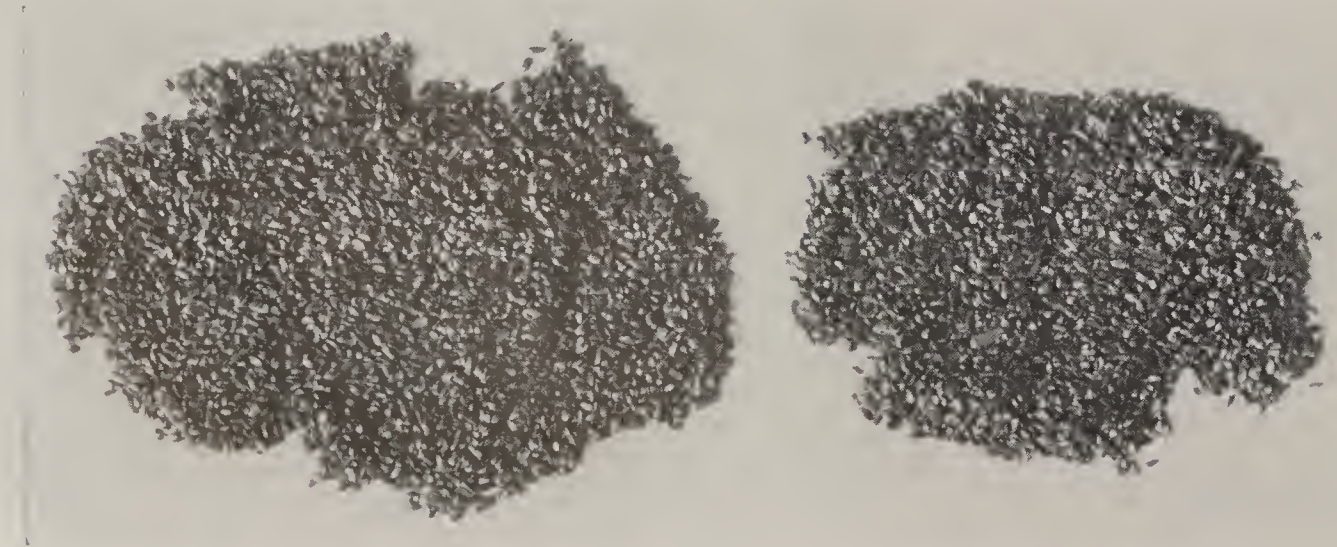

A double form of the biennial Canterbury-bell.

Double White. Splendid pure snow white.
Double Rose. A good shade of pink.
Double Blue. The best blue color.
Double Mixed. All available colors mixed.

Any of the above Double Sorts:
¼ oz. $1.75 ⅛ oz. $1.00 Pkts. 50c., 30c. and 15c.

T.T.S. **CAMPANULA Medium—White Queen**—A fine, large, pure white Canterbury-bell

T.T.S.

CAMPANULA Medium—Blue Queen

Our 50c. packet (*on left*) contains about 6,125 seeds, the 30c. size about 3,750 seeds and our 15c. packet (not shown) about 1,750 seeds, plenty to overcome adverse conditions and all treated against "damping off"

ANNUAL CAMPANULAS
(Annual Canterbury-bells)

This new annual Canterbury-bell blooms from seed within 6 months. The plants attain a height of about 2½ feet, and each bear six to eight flower spikes. August-September. *Give Culture B.*

Trivett's Annual White.
Trivett's Annual Rose.
Trivett's Annual Blue.
Trivett's Annual Violet.
Trivett's Annual Pink.
Trivett's Annual Mixed.

Each . . . ¼ oz. $1.00 ⅛ oz. 75c.
Pkts. 50c., 30c. and 15c.

Loreyi. Desirable annual species. The plants form pretty tufts of foliage, above which rise elegant pale blue flowers shaded with violet. Height 12 inches.
¼ oz. $1.75 ⅛ oz. $1.00 Pkt. 35c.

CAMPANULAS (Perennials)

For Borders, Cutting, Rockeries, Edging, Hanging Baskets, etc.

Campanulas form a delightful, useful and much varied family. *Pyramidalis* and *Persicifolia* are very popular for the perennial flower border and for cutting.

The dwarf varieties are gems for the rock and alpine garden, also for edging and mass planting. *Give Culture C.*

Pyramidalis, Blue Queen (*Chimney Campanula*). Elegant plant for herbaceous borders and in pots. 4 feet.

Pyramidalis, White Queen. A white form of above. 4 feet.

Pyramidalis compacta, Blue. More compact habit. Height 3 feet.

Pyramidalis compacta, White.

Any of above four: Oz. $3.50 ¼ oz. $1.00 Pkts. 30c. and 15c.

Persicifolia Blue (*Peachleaved Campanula*). A special strain having very large flowers. Height 2 feet. Blooms June-July. Pkt. 50c.

Persicifolia White. Special strain. Pkt. 50c.

Persicifolia, Telham Beauty. Reselected. *Raiser's description.* A grand variety of *C. persicifolia* introduced by us. It produces on long stems, very large, globular, open flowers of a lovely China blue with silvery shading inside. Blooms June-July. Height 4 feet. *Award of Merit*, R.H.S. ... ... Pkt. 50c.

Persicifolia, Telham White. A splendid white form of *C. Telham Beauty*. ... Pkt. 75c.

Persicifolia, Double White. Produces double and semi-double pure white flowers. 3 feet. Pkt. 75c.

Persicifolia, Double Blue. Choice strain of double blue. 3 feet. ... ... Pkt. 75c.

Persicifolia, New Giant Mixed. A splendid race of tall habit. About 5 feet. Mixed colors. Pkt. 50c.

The double varieties of C. persicifolia come about 50 per cent true from seed.

Carpatica, Blue Gem (*Carpathian Harebell*). Improved strain, with large, erect blue, bell-shaped flowers. Splendid for edging and rockeries. Blooms July-August. Height 1 foot. ¼ oz. $1.25 Pkts. 35c. and 20c.

Carpatica, White Gem. Splendid white companion to the above. 1 foot. ¼ oz. $1.25 Pkts. 35c. and 20c.

Carpatica, Ditton Blue. Very large, flattish, deep blue flowers. Height about 9 inches. Pkt. 50c.

Carpatica, Riverslea. A very handsome form with large, flat flowers of clear blue. Height 10 inches. ... ... Pkt. 50c.

Celtidifolia, Edw. Molyneux. Immense light blue panicles of bloom. Splendid for herbaceous borders. Height 3 feet. ... ... Pkt. 75c.

Allioni. Pretty Italian species, very dwarf habit. 3 inches. Pale violet blue. Pkt. 50c.

T.T.S.

CAMPANULA—Rotundifolia olympica

Greenhouse and Basket CAMPANULAS

Canarina (*Climbing Perennial Campanula*). A magnificent plant for suspended baskets with numerous, bell-shaped flowers of orange color veined with red and edged with deep red. Also useful for the decoration of walls and for cutting. ... ... Pkts. 75c. and 40c.

Fragilis (*Basket Campanula*). Long flowering branches, fine for suspended baskets, window boxes, vases, etc. The flowers are clear light blue. Very similar to *C. isophylla*. Tender perennial. ... ... Pkts. $1.00 and 60c.

Vidali. Magnificent greenhouse pot plant, producing large, sweet-scented, creamy white flowers. Height 2 feet. Tender perennial from Madeira. Very uncommon plant. Flowers the second year. ... Pkts. $1.25 and 75c.

See also Pyramidalis, Persicifolia, Medium, Calycanthema for cool greenhouse culture.

T.T.S.

CAMPANULA—Collina

Collina. Flowering abundantly, the upright, compact, bushy plants 8 inches high can be seen from afar during May and June with their flower spikes thickly covered with intense Campanula blue pendant bells. This Caucasian Bellflower affords excellent material for color schemes and equally suitable for edging, rock and alpine gardens or mass plantings. ... ... Pkt. 50c.

Amabilis. Handsome plant from the Crimea. Dark blue. Height 2½ feet. Pkt. 50c.

Barbata. Has been called the queen of the lower Alpine meadows; large, grayish blue bells on 12-inch stems. Makes a splendid companion to *Arnica montana* in the rock garden. Height 15 inches. Oz. $5.00 ¼ oz. $1.50 Pkt. 50c.

Trivett's Tested Seeds, Inc.

COSMOS—Sensation Pinkie

Early, Summer blooming, large flowers which can be increased in size by disbudding. Helght about 4 feet, beglnning to flower 12 weeks after sowing. Glve Culture A or B.
¼ oz. $1.50 Pkts. 35c. and 20c.

For complete list of Cosmos, see page 43

DAHLIA SEED *Dal-ya*

EASILY RAISED FROM SEED, WE OFFER ALL TYPES FROM THE DAINTY LITTLE SINGLES TO THE MODERN DOUBLE GIANTS

Seedlings will bloom and develop tubers the same year as sown. Just as easily raised as Zinnias, etc. It is not only thrilling but very economical to produce one's own Dahlias. Give *Culture B*, sowing indoors. Dahlia seeds are quite large, resembling those of Zinnias.

Trivett's Selected SINGLE DAHLIAS

The Single Dahlias appear in a number of types, the Dwarf forms (Coltness, Mignon) are valuable for beds, tall edging, flower borders and as cut flowers for bowls and small vases. *Trivett's Single Mixed* are especially good for cutting, possessing long, wire-like stems on plants 3 to 4 feet high and in a range of delightful colors.

Trivett's Single Mixed. These are very desirable small, round shaped, single English type Dahlias, on long, wiry stems, produced on plants growing 3 to 4 feet high. This is the strain from which the popular "*Fugi San*" and other charming seedlings were secured. The blooms are somewhat similar to those of the "Coltness type." The mixture we offer will produce many wonderful art colors and lovely combinations. Invaluable for cutting, table decoration, and exhibition. (*In packets only*) Pkts. $1.25 and $1.00

Trivett's Stella. *Illustrated.* Also known elsewhere as *Orchid-flowered*, *Starfish* and *Single Star*. We obtained this type many years ago from France. The petals of the flowers are rolled and pointed, forming a star. There is a good range of colors, most of the flowers are tinted and marbled, with contrasting colors, resembling the markings on watered silk. Tubers of the most desired colors can be preserved.
¼ oz. $2.00 ⅛ oz. $1.25 Pkts. 75c. and 50c.

Trivett's American Wonder. Big, single, broad-petaled blooms measuring up to 8 inches across. Long, sturdy stalks on plants growing 5 to 6 feet high. They make a grand display of flowers and are especially suitable for the back of large flower borders and in groups, also desirable as cut flowers for large vases. There is a fine range of colors and new varieties may be raised from our seed.
¼ oz. $1.75 ⅛ oz. $1.00 Pkts. 50c. and 30c.

T.T.S. **A typical plant of Trivett's Improved Coltness Dahlia**
Ideal for beds, mass or group planting in the flower border and as cut flowers for bowls and small vases

T.T.S. **Trivett's Stella Dahlias**
Single, star-shaped flowers in many colors. The rolled petals are marbled and marked with contrasting colors to those of the flower. This is a very dainty cut flower. Also known as *Orchid-flowered, Starfish, etc.*

TRIVETT'S IMPROVED COLTNESS

We offer a re-selected strain of this valuable Dwarf, Single type.

Coltness Hybrids Improved (Mixed). *Illustrated.* A mixture of many colors and shades. The dwarf, bushy plants grow about 1½ feet high and provide a continuous supply of flowers during Summer and Autumn until killed by frost.
Coltness Rose Gem (*Re-selected*). Bright rose and pink shades.
Coltness Yellow Gem (*Re-selected*). Almost 100 per cent true to color.
Coltness Scarlet Gem (*Re-selected*). Varies somewhat in the shade of color.
Coltness White Gem (*Re-selected*). The best selection of white.
Coltness Strawberry-rose Gem. A shade of deep rosy red.
Coltness Crimson Gem. Rich, dark maroon-red, very attractive.

Price: Any of the above colors and Hybrids Mixed:
Each ... ¼ oz. $2.50 ⅛ oz. $1.50 Pkts. 75c., 50c. and 30c.

Trivett's Sweet-scented. *The fragrant Dahlia.* Rich orange-scarlet flowers on long stems. Height about 5 feet. Good cut flower.
¼ oz. $2.00 ⅛ oz. $1.25 Pkts. 50c. and 30c.

Ornamental Leaf. A low growing variety, 1 foot. Rich, green, fern-like foliage. Very effective in artistic arrangement with small Dahlias. The flowers are secondary. Pale lavender, purple center. ... ... Pkt. 50c.

Dobbie's Collarette. The world famous strain of these attractive small, Single Dahlias. Each flower has a collar in the center of frilled and twisted petals, usually in a contrasting color to the flower. Many fine colors in mixture. ... ... ¼ oz. $3.00 ⅛ oz. $1.75 Pkt. 75c.

Trivett's Oriental. A unique type; flowers of different colors will appear on the same plant. Every imaginable color is represented in our mixture and there is a white stripe which runs down the center of each petal that gives an oriental touch. *Trivett's Oriental* will bloom in about 3 months from seed and makes a splendid cut flower. ... ... Pkt. 50c.

Mignon. Similar to the *Coliness type*. Mixed colors. Height 15 inches. ... ... Pkt. 50c.

Mignon, Firebrand. Dwarf, bushy plants; brilliant, scarlet flowers. ... ... Pkt. 50c.

SEMI-DOUBLE DAHLIAS

Trivett's Charm Dahlias, Mixed. Really charming, splendid for cutting. The plants grow about 3 feet high, small, semi-double flowers of the Peony type, very free flowering. Fine range of lovely colors. ... ... ¼ oz. $3.00 ⅛ oz. $1.75 Pkts. 75c. and 50c.

Unwin's Dwarf Hybrids Improved. These combine the dwarf habit of the *Coltness type* with the dainty, semi-double form and exquisite colorings of the *Charm Dahlias* blooming from July until frost. The plants require no staking. Splendid for bedding, tall edging, cutting, etc. Mixed.
¼ oz. $2.00 ⅛ oz. $1.25 Pkts. 50c. and 30c.

Unwin's Quilled Mixed. They resemble the Dwarf Hybrids in habit, but the flowers are beautifully curled in a semi-quilled manner; mixed colors.
¼ oz. $2.00 ⅛ oz. $1.25 Pkts. 50c. and 30c.

T.T.S. **Trivett's Charm Dahlias**
Beautiful colors, fine cut flower

Trivett's Modern DOUBLE DAHLIAS

New colors and varieties can be created from our seed. *Culture B.*

World's Fair Giants. The seed of these double, modern, giant Dahlias is hand pollinated from the finest varieties and is therefore expensive. Only the largest and most perfect varieties are used for seed production. Gorgeous colors, immense blooms on long, strong stems.
(*Supplied in packets only*) Pkt. (50 seeds) $2.50 Pkt. (25 seeds) $1.50

Chrysanthemum-flowered. A splendid type, having very large blooms with curled and twisted petals, like a large exhibition Chrysanthemum. They are held upright by long, sturdy stems. A mixture of many colors.
Note—*The seeds of this type take longer to germinate; keep in warm place.*
(*Supplied in packets only*) Pkt. (50 seeds) $2.50 Pkt. (25 seeds) $1.50

New Giant Decorative. Lovely colors in mixture; immense blooms. Our seed is saved from the newest and finest decorative types.
(*Supplied in packets only*) Pkt. (50 seeds) $2.00 Pkt. (25 seeds) $1.25

Trivett's Double Cactus. A mixture of many colors from the large, modern, double Cactus varieties. New colors and varieties can, no doubt, be created from this seed.
(*Supplied in packets only*) Pkt. (50 seeds) $1.50 Pkt. (25 seeds) $1.00

Trivett's White Blend. A mixture of various types of white Dahlias, large in size and with long, wiry stems; these are grand cut flowers.
(*Supplied in packets only*) Pkt. (50 seeds) $1.25 Pkt. (25 seeds) 75c.

OTHER DOUBLE DAHLIAS

Trivett's Zulu Mixed. A dwarf, compact type about 2 feet high; very dark leaves and double, medium size flowers in various shades of crimson, scarlet, orange, gold, lilac, etc. Very effective for beds and flower borders. ... ... ¼ oz. $1.50 Pkts. 50c. and 30c.

Mrs. Simone Stappens. A dwarf variety with dark, almost black foliage and double, orange scarlet flowers. Very attractive for beds; tall edging and in groups of five in the flower border.
(*Packets only*) Pkts. 75c. and 50c.

Prize English Cactus. Saved from a fine mixture of the true Double English Cactus Dahlias. ... ... Pkts. 75c. and 50c.

Pompon. Small, round, double flowers in a mixture of beautiful colors. Long, strong stems; good cut flower. ... Pkts. $1.00 and 75c.

DAHLIA—World's Fair Giants
Our seed is saved from the finest and most perfect blooms, hand pollinated, gorgeous colors, immense size. Our customers can expect to raise new varieties and colors for themselves from this seed

Trivett's Giant Peony-flowered Dahlia
Large blooms, fine stems; splendid for cutting

SEMI-DOUBLE DAHLIAS

Trivett's Giant Peony-flowered. Beautiful large flowers on long, strong stems and in a mixture of lovely colors. This is a good type for the back of large flower borders or in groups as it is very free-flowering. Also valuable for cutting purposes.
(*Supplied in packets only*) Pkts. $1.25 and 75c.

Dwarf Semi-Double Dahlias. See page 46

TRIVETT'S MINIATURE DAHLIAS

Mixed. This is a type of Dahlia growing 2 to 3 feet high and producing double flowers 3 to 4 inches in diameter. Decorative and Cactus types in good mixture of colors. They are very free flowering and exceptionally long-lasting when cut. *Especially good for the florist trade.*
(*Supplied in packets only*) Pkt. (50 seeds) $2.00 Pkt. (25 seeds) $1.25

DATURA *Dah-teu-rah*

Annual. For outdoors or greenhouse. Give Culture B.

Bells-within-bells; large, trumpet-like flowers; sweet-scented. Very showy in the flower border.

Trivett's Double White. Large double trumpets of white, 3 feet high.
Trivett's Double Sky Blue. Very showy in the flower border.
Trivett's Double Yellow. A nice companion to our Sky Blue.
Trivett's Double Mixed. All available colors in mixture.
Cornucopia. Double, sweet-scented, white marbled with purple.

Price: Any of the above varieties and Mixed:
Oz. $1.50 ¼ oz. 50c. Pkt. 20c.

"DAMPING OFF", a term used to describe the sudden wilting and death of young seedlings. It is caused by the presence of fungi in the soil. For treating small lots of soil at home, a simple method is by baking in an oven for about the same time as required to bake Potatoes. For larger quantities the soil should be sterilized in a proper soil sterilizer. The soil may be treated before sowing with Formaldehyde dust, 8 ounces to a bushel of soil—wait 24 hours before sowing the seed. A pinch, between finger and thumb of Cuprocide (Red Copper Oxide) placed in a packet of seed and shaken together before sowing will be beneficial.

TRIVETT'S HIGH CLASS DELPHINIUMS

Perennial Larkspur *TREATED* ✚ *SEED* *Del-fin-i-um*

The Finest the World Produces

By sowing seeds indoors during Winter and early Spring, they will bloom the first season, and to produce vigorous, healthy plants for the following year, we strongly advise Spring sowing.

Orders received after June 1st will not be shipped until August—See notice on page 51.

WATKIN SAMUEL'S WREXHAM DELPHINIUM

The True, Original Strain Direct from the Originator

The seed we supply is obtained by us from the originator in England. No one can know better than he, what this strain is, how it can be maintained, and kept true to type.

The Following Honors were Gained for Watkin Samuel's Delphiniums

At The Royal Horticultural Society's Trials. *Award of Merit.* At Wisley, England, for "*Violet Queen*" and "*Rose Marie.*"

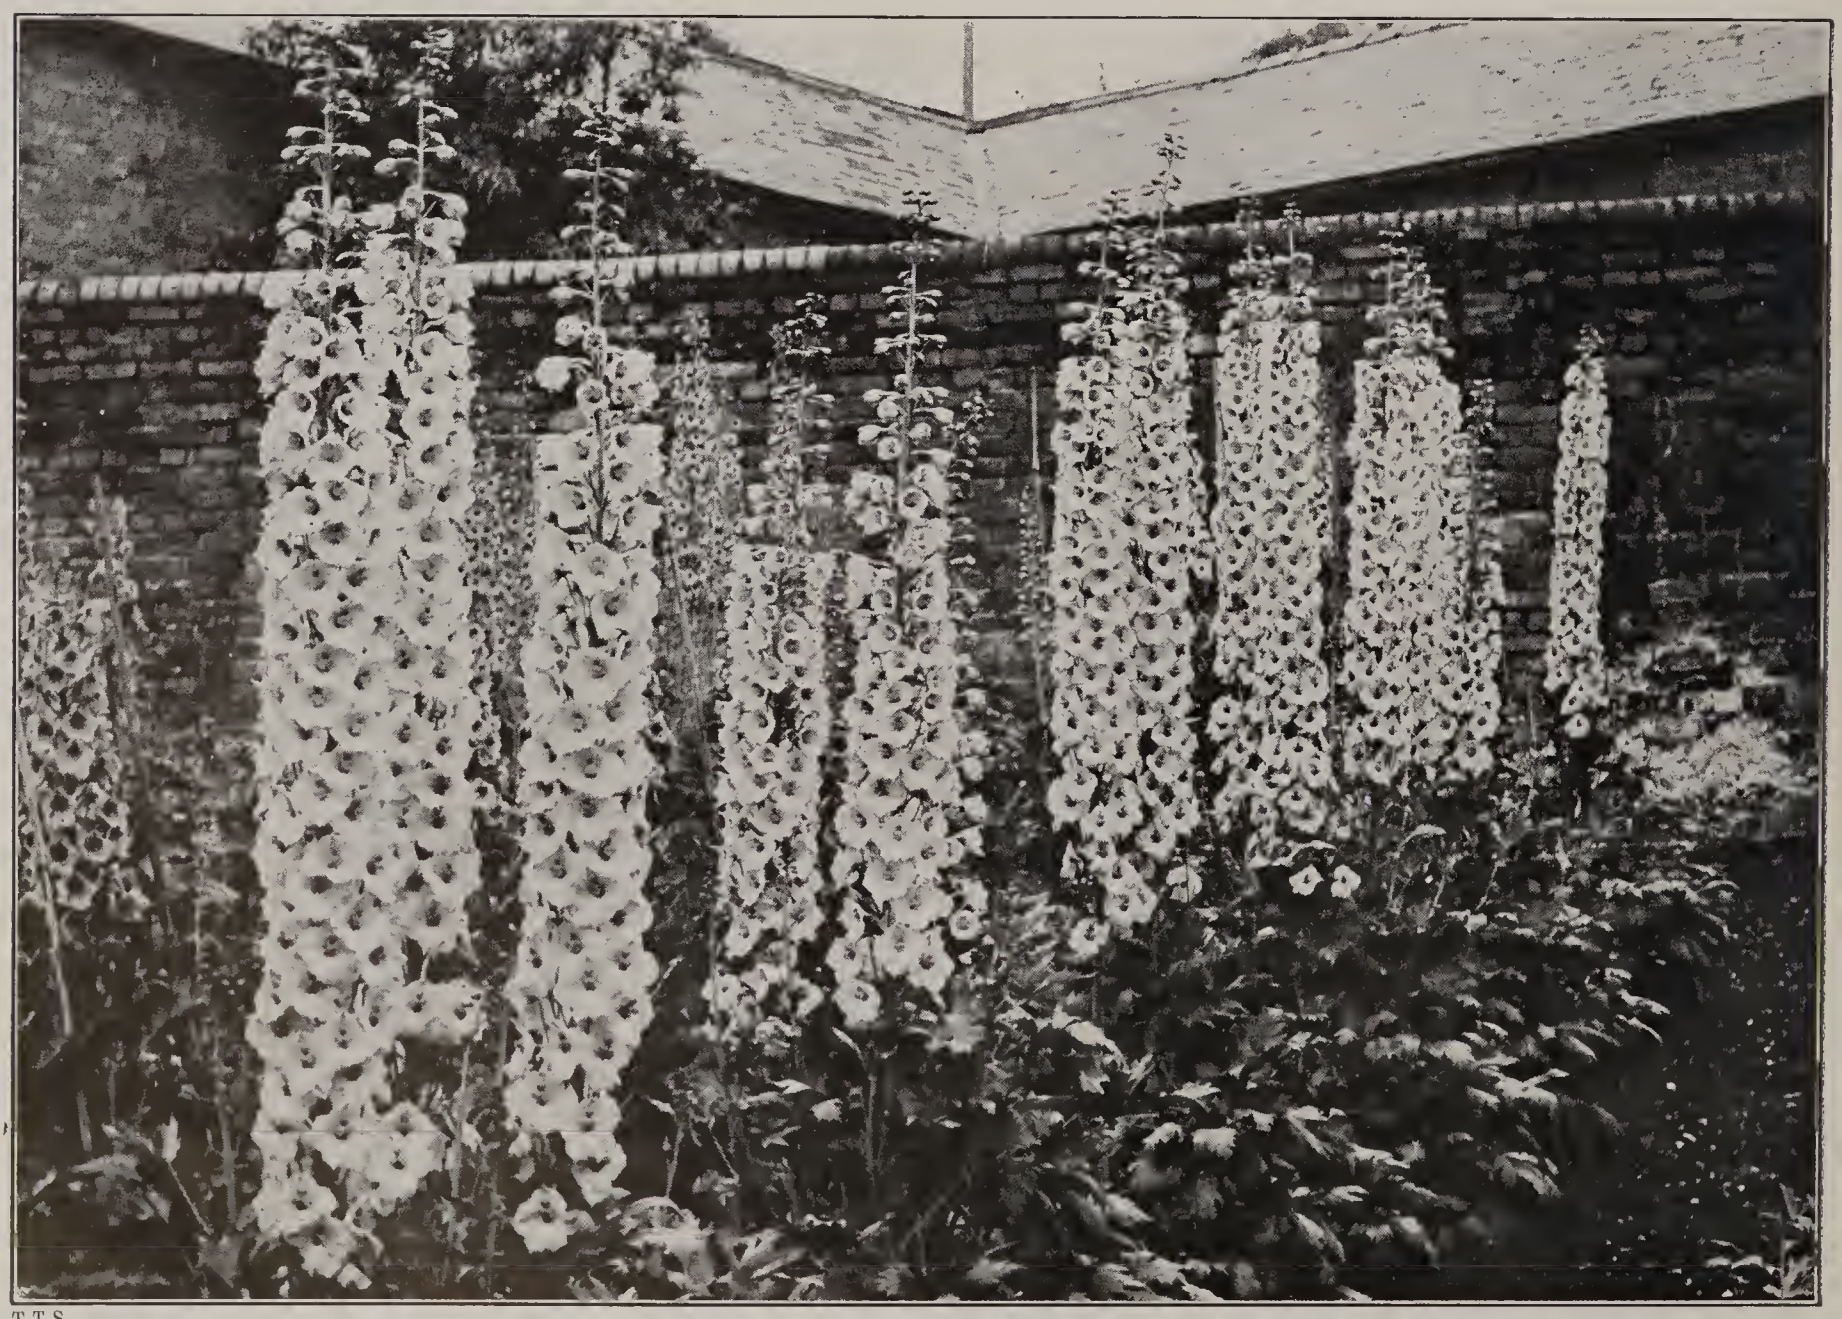

At The British Delphinium Society's Show, in London, *Award of Merit* was granted to "*Godsall Girl.*" The President's (Lord Riddel) *Twelve Guinea Cup* was won outright by "*Purple Splendour*" for the finest spike in the show, and the *First Prize* for the best spikes was given to "*Cambria.*"

At The Northern Delphinium Society's Show, at Alderly Edge, England. In competition open to amateur or trade exhibitors, Watkin Samuel won *First Prize* and the Society's *Silver Challenge Cup* for the best twelve varieties and *First Prize* for the best "Seedling."

Hoodacres Mixture—See page 51

WHEELER CROFT DELPHINIUMS

Hand pollinated seeds, direct from originators—The Lyondels, The Wrexhams, The Hoodacres, The Blackmore and Langdon Strains went into the creation of Wheeler Croft Delphiniums; also many years of selection and cross pollination by hand.

Blue Lake. Large double, vivid blue blossoms, vigorous.
Cornflower Blue. A real Cornflower-blue, with large, double blossoms and many fine, side spikes of flowers; very lovely.
Royal Purple. One of the finest of this color, rich deep color. A very vigorous grower with long laterals, double blossoms.
Violet. A lovely dark, pure violet; very attractive color.
Snow Queen. Forty-three inches of large, double, snowwhite blossoms on stalks standing about 7 feet high. The individual blossoms measure 3 inches and over in diameter; Anemone type of flower. Strong, healthy grower.

Price: Any of the above Wheeler Croft varieties: **Each, pkt. $2.00**

Giant Pacific White (*Vetterle and Reinelt*). A grand pure white Delphinium with double blossoms measuring 2 to 2½ inches in diameter and nicely spaced on long, sturdy stems, 5 to 6 feet high. A majestic variety for the flower border and garden, especially effective in front of a dark evergreen background. A fine peacemaker in the garden. *Florists will greatly appreciate the usefulness of the individual blossoms for different types of decorations.* This variety reproduces itself true from seed.

¼ oz. $6.00 ⅛ oz. $3.50 Pkts. $2.00, $1.00 and 50c.

CHOICE MIXTURES

The Finest the World Produces
All Giant Hybrids

TRIVETT'S NEW GIANTS

A superb strain secured by crossing the *Super Giants* with the *True English Wrexham* type. The individual blossoms are mostly double and average 3 inches in diameter and are well placed on strong, heavy stalks.

Florists can use the individual blossoms to great advantage in sprays, corsages, wreaths, etc.

New Giants Mixed. A splendid mixture of all shades from the darkest purple to the palest blue. Pastel orchid tints and white. We keep this grand mixture *"new"* by the addition each year of new seedlings and shades of color.

New Giants Blue Shades.

New Giants Light Blue Shades.

New Giants Violet-purple Shades.

New Giants Pastel Shades.

New Giants White Varieties.

Price: Any of above colors and mixed:
Each ... Pkts. $2.50, $1.50 and 75c.

True Wrexham Mixed. Saved from specimen plants. This is the genuine Wrexham type; magnificent tall spikes. All colors.
Pkts. $1.75, $1.00 and 50c.

Vetterle and Reinelt's Giants Mixed. Also known as *Pacific Giants* and *Giant Pacific Hybrids*. Huge blossoms from 2½ to 3 inches in diameter, beautifully spaced on strong, woody stems. Comparatively mildew resistant. *We supply originator's seeds.*

Vetterle and Reinelt's Light Blue Shades.

Vetterle and Reinelt's Mid-blue Shades.

Vetterle and Reinelt's Violet Shades.

Price: Any Vetterle and Reinelt's sorts:
¼ oz. $6.00 ⅛ oz. $3.50
Pkts. $2.00, $1.00 and 50c.

Hoodacres Complete Mixed. A high class mixture of this well-known strain. All colors. Pkt. $1.50

Hoodacres Deep Blues. ... Pkt. $2.00

Hoodacres Light Blues ... Pkt. $2.00

Blackmore & Langdon's. The world-famous collection in one grand mixture.
¼ oz. $4.00 ⅛ oz. $2.25 Pkts. $1.00 and 50c.

Hollyhock-flowered Mixed. Immense, double, semi-double and single in mixture.
⅛ oz. $3.50 Pkts. $1.50 and 75c.

Trivett's Excelsior Mixed. *Gold Medal Hybrids.* A really good mixture which we blend from many named varieties.
⅛ oz. $1.75 Pkts. 50c. and 30c.

Watkin Samuel's Mixtures—See page 48.

Pacific Giants. See **Vetterle and Reinelt's.**

T.T.S. **Trivett's New Giants**

LOOSE-SPRAY TYPES

Useful for Cut Flowers and Display
Single Hooded Flowers

Trivett's White Belladonna. A splendid white companion to our *Belladonna Improved.* Pure white, hooded blossoms loosely placed on long, wiry stems. A beautiful contrast to the Blue sorts.
¼ oz. $3.50 ⅛ oz. $2.00 Pkts. 75c. and 50c.

Belladonna Improved. Lovely, soft, clear blue on good stems; the plants grow about 3 feet high.
¼ oz. $3.25 ⅛ oz. $1.75 Pkts. 50c. and 30c.

Bellamosum Improved. A fine, deep blue companion *to our Belladonna Improved.* Rich, deep blue; very desirable.
¼ oz. $3.25 ⅛ oz. $1.75 Pkts. 50c. and 30c.

Cliveden Beauty. Similar in habit to *Belladonna Improved,* but somewhat taller. Lovely pale blue flowers, unexcelled for cutting and display.
¼ oz. $3.25 ⅛ oz. $1.75 Pkts. 50c. and 30c.

Blue Grotto. A rich, deep blue with creamy center, of *Belladonna* type.
¼ oz. $2.75 ⅛ oz. $1.50 Pkts. 35c. and 20c.

Lamartine. A lovely Gentian blue, a real Delphinium-blue and grand for cutting.
¼ oz. $3.25 ⅛ oz. $1.75 Pkts. 50c. and 30c.

Cardinale. A bright scarlet variety.
¼ oz. $2.75 ⅛ oz. $1.50 Pkts. 35c. and 20c.

CHINESE DELPHINIUMS

Delphinium Sinensis

Sinensis, Cambridge Blue. A splendid improvement over the regular *Sinensis.* Rich, clear blue. Height 3 feet.
¼ oz. $2.00 ⅛ oz. $1.25 Pkts. 35c. and 20c.

Sinensis, Blue. Attractive dark China blue. Height 3 feet.
¼ oz. $1.25 ⅛ oz. 75c. Pkts. 30c. and 20c.

Sinensis. A white form of above; makes a lovely contrast. 3 feet.
¼ oz. $1.25 ⅛ oz. 75c. Pkts. 30c. and 20c.

Trivett's Blue Gem. A lovely little variety, only 12 inches high. Rich ultramarine blue. very desirable for tall edging, beds, mass planting and rockeries. Pkts. 50c. and 30c.

Yellow Nudicaule (Lemon Gem). Clear yellow. Height 2 ft. ... ... Pkt. 75c.

Cultural Hints

If seed has not been sown indoors during the Winter or early Spring months, it will be advisable to wait and make a sowing in August or early September outdoors from our new crop seed.

Although Delphiniums are hardy Perennials in most sections it is advisable to make a sowing and raise young plants each year to keep up the stock.

Delphinium plants must have plenty of air and sunlight. Place matured plants 2 feet apart in rich, light, well-drained alkaline soil; they detest acid, therefore give a dusting of agricultural lime over the ground twice a year and a top-dressing of chemical fertilizer two or three times will be beneficial but keep it 6 inches away from the center of the plants and do not put any on the foliage.

Be sure to supply good, strong supports for the central spikes and a sufficient amount of water during prolonged dry spells. They will not require Winter protection, except in extremely cold climates. The crowns of the plants should not be covered too deep with soil. A dusting of fine coal ashes or charcoal over the crowns (tops of roots) is advisable.

Sowing the Seed

We strongly advise that the seed be sown during January, February, March indoors, or in hotbeds. The plants will bloom the first season and the germination of the seed should be good.

A suitable seed soil consists of two parts good garden soil, one part leafmold (or Peat Moss) and one part clean, fine sand. Add a little powdered charcoal.

Make drills ¼ inch deep (not more) into which sprinkle a little clean sand to which has been added some powdered charcoal, then sow the seed and cover over level with the same mixture.

Keep shaded and moist, *not wet.* Do not allow the soil to become dry or soggy. See *Culture C.*

When the seeds break through remove the shading (newspaper) and when the seedlings have formed round leaves transplant them, allowing room for development. *See notes on this page* "Old Seed Is Worthless."

Old Seed Is Worthless

Delphinium seed is harvested in the months of June and July in America, England and European countries and after ripening and cleaning, is usually ready for distribution by us in August and in a few instances early September in plenty of time for sowing.

The seed harvested in June will hold its germination power for about one year, that is, until May of the following year and should grow well during the Autumn, Winter and Spring months. However by the time May is reached, the seed loses its germinating power and is worthless, this applies especially to the large-flowered hybrids.

We urgently advise our customers to order and sow their Delphinium seed indoors during the Winter or early Spring months when good germination can be expected with the proper treatment and the desired varieties can be obtained.

Orders for Delphinium seed received by us after the latter part of May will be held by us for shipment in August or early September from the freshly gathered seed.

Trivett's Superb

ANNUAL DIANTHUS

Die-an-thus
(Garden Pinks)

T.T.S.

DIANTHUS—Double Annual Pink King

A magnificent family producing their gay, sweet-scented flowers in great profusion.

Extremely useful for edging, bedding, rockeries, and massing on edges of flower borders; also for cutting.

They prefer ordinary garden soil and must have a sunny position. The seed may be started indoors or sown directly outdoors after danger from frost is over.

TRIVETT'S DOUBLE VARIETIES

Annual Sorts

Choice sorts growing from 9 to 12 inches in height and producing large double flowers with finely fringed petals. Sweet-scented.

Salmon King. A fine, rich salmon color on good stems.

White King. This is perhaps the largest pure white sort.

Pink King. A lovely pale pink variety, very large. (*Illustrated.*)

Scarlet King. Attractive shade of orange-scarlet. A choice sort.

Double Mixed. A choice mixture of all available colors.

Price: Any of the above five sorts:
Each ... ... Oz. $3.00 ¼ oz. $1.00 Pkts. 35c. and 20c.

Trivett's Double Lilac. Unusual shade, double flowers of lilac, becoming darker toward the center. Splendid cut flower. ... Pkt. 50c.

Trivett's Double Picotee. Charming shade of light strawberry pink, nicely fringed, large double flowers, the petals are daintly edged with white. ... ... Pkt. 50c.

DOUBLE JAPANESE PINKS

Dianthus heddewigi

Dwarf, compact plants about 9 inches high, providing an abundance of double, sweet-scented flowers. Not fringed like *Trivett's Double.*

Violet Beauty. An unusual shade; rich violet purple, fully double.

White Beauty. This is a lovely pure white and sweet-scented.

Crimson Beauty. An attractive shade of crimson-scarlet. Good cut flower.

Black Beauty. A black-purple, the petals of which are silver edged.

Pink Beauty. Beautiful, double pale pink; fine variety.

Mixed Beauty. All colors are included in this choice mixture.

Prices: Any of the above Japanese Pinks:
Each ... ... Oz. $2.00 ¼ oz. 75c. Pkt. 15c.

DOUBLE CHINESE *Dianthus chinensis*

Tall growing, 18 to 20 inches high. Very free flowering in clusters.

White. A double white Chinese or Indian pink, long stem
Oz. $3.00 ¼ oz. $1.00 Pkt. 25c.

Finest Mixed. All colors, fine long stems for cutting.
Oz. $1.50 ¼ oz. 50c. Pkt. 10c

Double Imperial Mixed. (*Imperial Pinks.*) A superb mixture. 12 inches. ... Oz. $2.00 ¼ oz. 75c. Pkt. 15c.

Double Diadem. Unusual and attractive colors—rose, pink crimson and purple marked with black and white edged. 12 inches.
Oz. $2.00 ¼ oz. 75c. Pkt. 15c.

TRIVETT'S SINGLE VARIETIES

Single Salmon. Oz. $2.00 ¼ oz. 75c. Pkts. 35c. and 20c.
Single Pink. Oz. $2.00 ¼ oz. 75c. Pkts. 35c. and 20c.
Single Red. Oz. $2.00 ¼ oz. 75c. Pkts. 35c. and 20c.
Single White. Oz. $2.00 ¼ oz. 75c. Pkts. 35c. and 20c.
Single Mixed. Oz. $2.00 ¼ oz. 75c. Pkts. 35c. and 20c.

Trivett's Fringed Mixed. Large flowers laced and fringed. Great variety of colors mixed. ... ... Pkts. 50c. and 35c.

Laciniatus splendens. Large, single, sweet-scented flowers of rich crimson with large white eye.
Oz. $3.00 ¼ oz. $1.00 Pkts. 30c. and 20c.

Mirabilis Mixed. A distinct type with long, threadlike petals and in a great variety of colors.
Oz. $2.00 ¼ oz. 75c. Pkt. 15c.

"Having used your tested seeds for many years with highly satisfactory results, it is my opinion they are first grade and dependable in every way."

Her Majesty. This exquisite Gloxinia is still unsurpassed by any other white variety. The flowers are as pure as newly fallen snow and are borne on short stems, just clear of the elegant foliage. ... ... Pkt. $1.25

Duchess of York. Flowers of a rich dark blue, each petal edged with a broad band of white. ... ... Pkt. $1.25

PERENNIAL GLOXINIA. (so called) **See Incarvillea**

"I can sincerely recommend your strains of flower seeds to those who desire the best. They have always been satisfactory to me, both under glass and in the garden."
MR. GEORGE FERGUSON
Superintendent-Head Gardener to
MRS. HAROLD I. PRATT

T.T.S. GOLD MEDAL GLOXINIA

ALL ITEMS MARKED R IN THIS CATALOG ARE SUITABLE FOR ROCK GARDENS

TRIVETT'S GODETIAS *Go-dee-shi-a*

Annual. For cutting, display, bedding and pots. Easy to grow. Treat like Marigolds, Petunias, Verbenas, etc.

DWARF AZALEA-FLOWERED

Double flowers in clusters. Height 1 foot.

As will be seen from our photograph herewith, the habit of the plant and the way the flowers are borne above the foliage makes it resemble, to a remarkable degree, the Azalea. The blooms, however, are much larger and produced in such abundance that the foliage is almost completely hidden when the plant is at its best. One can easily picture the extraordinary effect this plant would make if bedded en masse, planted in clumps in annual borders. As a pot plant it has a great future. Our *Dwarf Azalea-flowered Godetia* is of the easiest culture; prefers ordinary soil. Do not feed.

Trivett's Pink Azalea. Double flowers of the brightest shell pink or pale salmon pink. ... ... Pkts. 35c. and 20c.

Trivett's Rose Azalea. Vivid rich rosy pink with darker center. True double Azalea habit. ... ... Pkts. 35c. and 20c.

Trivett's Crimson Azalea. Bright deep crimson, attractive double flowers which are produced in abundance, almost hiding the foliage. Splendid for bedding or as a pot plant. Pkts. 35c. and 20c.

Trivett's Mauve Azalea. A lovely shade of mauve or light purple. ... ... Pkts. 35c. and 20c.

Trivett's Azalea Mixed. ... ... Pkts. 35c. and 20c.

TALL DOUBLE GLADIOLUS-FLOWERED

Long, graceful, loose sprays. Height 2½ feet.

It would be difficult to offer our customers a more uncommon, beautiful and useful cut flower which is so easily raised from seed. Treat similar to hardy annuals, such as Cosmos, Zinnias, etc. Our tall Godetias remain in full beauty for a long period and when cut, the long, graceful sprays make a handsome decoration for vases. As a greenhouse cut flower, quick growing and easy to raise, it has few equals. Prefers ordinary soil. Do not feed.

Trivett's Tall Cherry Red. A beautiful, rich cherry red color; the exquisite double flowers are arranged in long, graceful sprays; invaluable for cutting. ... ... Pkts. 35c. and 20c.

Trivett's Tall White. A new Godetia with glistening pure white double flowers. Makes a delightful contrast to our *Cherry Red* or the *Shell Pink*. ... ... Pkts. 35c. and 20c.

Trivett's Tall Shell Pink. Charming new color daintily frilled double flowers on light, graceful, Gladioluslike spikes. A choice and uncommon cut flower. ... ... Pkts. 35c. and 20c.

Trivett's Tall Rose. Lovely coral pink, very double and free-flowering. ... ... Pkts. 35c. and 20c.

Trivett's Tall Mauve. A delicate shade of soft mauve. Choice. ... ... Pkts. 35c. and 20c.

T.T.8. NEW GODETIA (Dwarf Azalea-Flowered)—Trivett's Pink Azalea

Trivett's Tall Crimson. A rich, deep crimson red, splendid color. Pkts. 35c. and 20c.

Trivett's Tall Mixed. Pkts. 35c. and 20c.

Double Sybil Sherwood. A fine, double form of the popular "Single Sybil Sherwood." Bright salmon pink. Height 18 inches. ... Pkt. 50c.

SINGLE GODETIAS

Large, single flowers produced in clusters. Splendid for bedding and massing in borders.

Sybil Sherwood. Large, single flowers. The color is a glorious shade of bright salmon pink softened by an undefined edging of white. Height 15 inches.

Salmon Glory. Attractive salmon orange. Height 15 in.

White Glory. Single snow white. Height 15 inches.

Lavender Glory. Purest lavender. Height 12 inches.

Above four, pkts. 50c. and 30c.

Baby Wild Rose. Charming little plants only 6 inches high and smothered with bloom. Delicate shade of rose pink.

Baby Blue. Lovely shade of violet blue. Height 9 inches.

Above two, pkts. 35c. and 20c.

Dwarf Show Mixture. A grand mixture. Height 12 in. ¼ oz. $1.00 Pkt. 25c.

GRASSES, ORNAMENTAL. See page 58.

GREVILLEA ROBUSTA (*Silk-oak*)

Greenhouse foliage plant.

Beautiful greenhouse plant with fernlike foliage. Excellent for table decoration.

Oz. $3.75 ¼ oz. $1.00 Pkt. 25c.

Trivett's Tested Seeds, Inc.

IPOMOEA—Trivett's Early Heavenly Blue

(*The Blue Morning Glory*)

Earlier and more free-flowering than the ordinary Heavenly Blue. Blooming in 3 to 4 months after sowing. Chip the ends of the seed, but do not injure the germ. Then soak in water for two or three days before sowing.

¼ oz. $1.00 Pkt. 35c.

For complete list of Ipomoeas, see page 69

Trivett's Tested Seeds, Inc.

ANNUAL HOLLYHOCK—Indian Spring

Silver Medal, A.A.S.

A novelty of exceptional merit. If sown indoors in February will bloom in August. Attractive rose and rosy carmine shades. Our illustration shows an individual blossom. The plants send up a central spike 6 feet high and side branches, both loaded with these lovely blossoms. Tidy habit, Fig-leaved foliage. Pkt. 35c.

Trivett's Tested Seeds, Inc.

SWEET-SCENTED ANNUAL LUPIN—Attraction

This pleasing variety has flowers of very soft, pure rose-pink which contrasts admirably with the typically Lupin-like foliage. Easily grown. Give Culture A. Pkt. 35c.

For complete list of Lupins, see page 72

Trivett's Tested Seeds, Inc.

MARIGOLD—Trivett's Harmony

This lovely little Marigold has become a great favorite. The bushy plants grow about 1 foot high; ideal for beds, edging, group planting, rockeries, cutting and almost every garden use. Give Culture B. Rich mahogany red with golden yellow center. ¼ oz. $1.25 Pkts. 35c. and 20c.

For complete list of Marigolds, see pages 75 to 77

TRIVETT'S ORNAMENTAL GOURDS

Easy to Grow—Interesting—Decorative—Exotic—and Useful

T.T.S. GOURD—Small Fruits Mixed
(In natural condition)

Ornamental Gourds are of the easiest possible culture. They will grow anywhere, simply sow the seeds and they will take care of themselves. They are rapid growing climbers and with their dense foliage are suitable for covering fences, arbors, trellises, unsightly banks, broken ground, rubbish heaps, etc. *However, to make certain of fully grown, matured fruit of the large sorts, the seed should be started indoors and transplanted outside, especially in sections where there is a short growing season.*

The fruits are of many shapes, beautifully colored and marked, lending themselves to many decorative and useful purposes. The Indians fashioned the hard, ripe shells into various household utensils decorating them as they did their pottery.

LARGE FRUIT VARIETIES

Acorn Squash. (*Large Turk's Turban.*) Large, ornamental, Squashlike yellow fruit.
Bath Sponge. See **Dish Cloth.**
Bird's Nest. Curious fruit, shaped like an hour-glass.
Calabash. *Illustrated.* Popular "Powder Horn" or "Pipe Gourd."
Caveman's Club. *Illustrated.* "Knobby Club" shaped, dark green. *When grown flat on the ground the neck twists backwards and is known as* "Dolphin Gourd." *When allowed to hang, the neck grows straight.*
Chinese Water Jug. See **Giant Bottle.**
Dipper. Easily fashioned into a long handled water dipper.
Dish Cloth. "Luffa" or "Bath Sponge." The spongy interior makes an excellent scrubbing material as it rinses easily.
Giant Bottle, or **"Chinese Water Jug."**
Green Snake (*Luffa*). 6 to 10 feet.
Hercules' Club. Grows 2 to 3 feet long.
Longissima. "Giant Club" about 5 feet long.
Malabar Melon. Edible; the fruit actually keeps for several years.
Sugar Trough. Has very thick shell.
Large Sorts Mixed. All varieties in mixture.

Price: Each of the above Large Sorts:
Oz. 75c. ½ oz. 40c. Pkt. 15c.

T.T.S. GOURD (Large)
Caveman's Club

T.T.S. GOURD—Calabash (Large Fruit)
Staged and decorated as Penguins

SMALL FRUIT VARIETIES

Apple. Small, round, like an Apple.
Bicolor. Pear shape, half green, half yellow.
Egg-shaped. White, used as nest eggs.
Flat Striped. Round, flat Pumpkin shape, green and white stripes.
Gooseberry. The smallest of all.
Horned Cucumber. Very odd sort.
Lemon. Small lemon-shaped.
Miniature Bottle. Small, bottle shape.
Onion. Resembling small onions.
Orange. Color and shape of an orange.
Pear Fancy. Pear-shaped, striped with yellow and green.
Pear White. Pear shaped, white.
Spoon. Small, ball-shaped with a long, slender neck or handle.
Turk's Turban (*Small*). Colored, turban shape.
Warted. Various odd shapes, all crumpled and warted. Different colors.
Small Sorts, Mixed. All kinds mixed.

Price: Each of the above Small Sorts:
Oz. 75c. ½ oz. 40c. Pkt. 15c.

Large and Small Mixed. All kinds mixed.
Oz. 75c. ½ oz. 40c. Pkt. 15c.

T.T.S. UNICORN PLANT
Our photograph illustrates the dried seed pods, staged to represent birds or insects

UNICORN PLANT

Although this is not a Gourd, the seed pods have a distinct and curious appearance. The long curved horn splits into two parts as they ripen and harden. They are very effective when used in combination with Gourds, the seed pods of various trees, pine cones, etc.

In the north, the seed may be started in a hotbed or indoors and transplanted later to the open ground. In the middle and southern states seed may be sown in the open. The plants prefer a warm, sunny exposure.
Oz. $3.00 ¼ oz. $1.00 Pkt. 25c.

OTHER ORNAMENTAL SUBJECTS (*For Preserving*)

Momordica. *See page* 79.
Indian Maize. *See page* 58.
Honesty. Coin-shaped pods. *See page* 68.
Physalis (*Chinese Lantern*). *See page* 86.

GYPSOPHILA

Gyp-soff-il-a
(*Babysbreath*)
Annuals and perennials. Ideal for mixing with other flowers when decorating vases, centerpieces, etc.

ANNUAL SORTS

Very easily raised from seed. Sow where intended to bloom. It is important to make several sowings during the season for succession; elegant, graceful sprays of small blooms. Ideal for mixing with other flowers and aiding in decorating.

Trivett's White Graceful sprays of snow white flowers, of much larger size than the type. Height 1½ feet. Highly recommended.
¼ lb. $4.50 Oz. $1.75
¼ oz. 65c. Pkt. 25c.

Elegans White. Although an improved strain, the flowers are smaller than *Trivett's White*, and for that reason may be preferred by some. Height 1½ feet.
¼ lb. $2.75 Oz. 90c.
¼ oz. 35c. Pkt. 15c.

T.T.S. **ANNUAL GYPSOPHILA—Trivett's White**
A greatly improved strain of the Annual White Gypsophila, the individual blooms are twice the size of the regular type

Elegans Pink. Pretty little pink flowers, valuable for mixing with other flowers of harmonizing or contrasting colors. Height 1½ feet.
¼ lb. $2.75 Oz. 90c. ¼ oz. 35c. Pkt. 15c.

Elegans Crimson. A rich colored variety of merit; rosy red shade. Height 1½ feet.
¼ lb. $2.75 Oz. 90c. ¼ oz. 35c. Pkt. 15c.

Muralis. Dwarf annual Gypsophila, suitable for rock gardens, edging and massing. Soft rose colored. Height about 6 inches. *Reselected stock.* Oz. $3.00 ¼ oz. $1.00 Pkt. 35c.

Muralis alba. Is a fine white companion to the above. Height about 6 inches. Oz. $3.00 ¼ oz. $1.00 Pkt. 35c.

PERENNIAL GYPSOPHILA. See opposite column.

GUNNERA MANICATA

Perennial. Foliage or ornamental plant. Height 5 feet.
A noble plant with immense leaves about 4 feet in diameter. Requires a damp situation. A fine subject for lawns, the bog garden and beside pools. ... ... Pkt. 50c.

GYNERIUM ARGENTEUM. See **Ornamental Grasses,** page 58.

Items in this catalog marked R are especially suitable for rock and Alpine gardens.

This sign ⊕ denotes that the seed has been treated by us as a preventive against seed carried diseases.

PERENNIAL GYPSOPHILA

Especially suitable for the herbaceous border and cutting. The dwarf varieties are splendid subjects for rockeries, dry walls, edging, etc.

Trivett's Double Snowflake. A fine new selection from the *Double Paniculata*, larger, purer white and early blooming. Height about 3 feet. ... ... Pkt. 75c.

Paciflca. *New.* A splendid pink sort growing about 4 feet in height. Comes into bloom after the other perennial sorts have passed. ... ... Pkts. 50c. and 30c.

Paniculata Double. Improved double white, coming about 75 per cent true from seed. Height 2½ feet. ... Pkt. 50c.

Paniculata Single. The original type preferred by some for the very small flowers in feathery white sprays.
Oz. $1.50 ¼ oz. 50c. Pkt. 15c.

Oldhamiana. A fine variety from the Orient, similar to G. paniculata but continuous blooming, bearing flesh and pink tinted sprays of small flowers into the Autumn. Height about 3 feet. A splendid cut flower. *Award of Merit, Royal Horticultural Society*, 1936. Oz. $3.00 ¼ oz. $1.00 Pkt. 25c.

Manginii. A splendid florist cut flower, strong growing "Pink Babysbreath." Height 2 feet.
Oz. $1.50 ¼ oz. 50c. Pkt. 15c.

Cerastioides. A jewel for the sunny rock garden. Forms dwarf cushions which become covered with masses of white blossoms in May and June. Each petal has thin purple veins. ... ... Pkt. 35c.

Repens rosea. Pretty, dwarf trailing species with pale pink flowers. Blooms in June. Height 4 inches. Ideal for dry walls and rockeries. ... ... Pkt. 50c.

Repens alba. A white companion to the above. A splendid subject for the rock garden, dry walls, etc. Height 4 inches. Pkt. 50c.

30 HERBS from SEED

For Scent, Seasoning and Sentiment

Easily grown, all may be sown in a prepared bed in the open except the few that have very fine seeds. Herbs may be grown in beds, flower borders, rockeries, as a Shakespeare garden or in the vegetable garden. *They must have a sunny position*, and generally speaking will thrive in the average garden soil.

(A)—*Annual*; (P)—*Perennial*, and the number is the average height in inches.

Ambrosia (A. 60). Highly decorative and fragrant foliage. Oz. 75c. Pkt. 15c.

Angelica (P. 50). Handsome foliage and white flowers. Oz. 50c. Pkt. 15c.

Anise (A. 15). Aromatic seeds, leaves for salads. Oz. 50c. Pkt. 15c.

Balm (P. 18). Fragrant, lemon-minty, flavored leaves. Oz. 50c. Pkt. 10c.

Basil, Sweet (A. 12). Spicy, for kitchen use. Oz. 50c. Pkt. 15c.

Borage (A. 15). For seasoning and blue flowers. Oz. 35c. Pkt. 10c.

Burnet (A. 18). For salads and flavoring. Oz. 50c. Pkt. 10c.

Camomile (P. 24). Yellow flowers, medicinal properties. Oz. 75c. Pkt. 15c.

Caraway (A. 18). Grown for the spicy seeds. Oz. 30c. Pkt. 10c.

Cardoon (A. 18). Like Celery stalks, for soups. Oz. 50c. Pkt. 10c.

Catnip (P. 12). For seasoning and animal tonic. Oz. 75c. Pkt. 15c.

Chervil (A. 12). Pot herb and for salads. Oz. 75c. Pkt. 15c

Chives (A. 8). For seasoning. Has Onion flavor. Oz. 75c. Pkt. 15c.

Coriander (A. 24). Aromatic seed, for cordials. Oz. 25c. Pkt. 10c.

Dill (A. 2). For making "Dill Pickles." Oz. 35c. Pkt. 15c

Fennel, Sweet (P. 36). For flavoring sauces, etc. Oz. 25c. Pkt. 10c.

Horehound (P. 24). Downy gray leaves, white bloom. Oz. 50c. Pkt. 10c.

Hyssop (P. 18). For bees and medicine. . . . Oz. 50c. Pkt. 10c.

Lavender (P. 24). Blue, sweet-scented flowers. Oz. 50c. Pkt. 15c.

Marjoram, Sweet (A. 20). For flavoring, kitchen herb. Oz. 50c. Pkt. 15c.

Mint (P. 12). For flavoring, sauces, etc. . . . . Pkt. 25c.

Rosemary (P. 24). For flavoring, kitchen herb. Oz. 75c. Pkt. 15c.

Rue (P. 18). Bitter flavor, used as medicine. Oz. 50c. Pkt. 10c.

Saffron (A. 24). For flavoring and coloring. Oz. 50c. Pkt. 10c.

Sage (P. 15). Ornamental gray leaves and blue flowers. For flavoring, dressing, etc. Oz. 50c. Pkt. 15c.

Savory, Summer (A. 9). For flavoring, kitchen herb. Oz. 50c. Pkt. 15c.

Tansy (P. 24). Yellow flowers, bitter foliage. Oz. 70c. Pkt. 15c.

Tarragon, Russian (A. 18). An annual type (the perennial form cannot be grown from seed). For flavoring. . . . . Pkt. 25c.

Thyme, English (P. 9). Very popular kitchen herb. Oz. 75c. Pkt. 20c.

Wormwood (P. 36). Bitter, for medicines and cordial. Oz. 50c. Pkt. 10c.

Note! ***There are quite a number of Dwarf and Creeping Mints which are not practical or easy to grow from seed.***

T.T.S. *Reading from top to bottom:* **Sage, Dill, Basil, Marjoram, Fennel, Borage**

T.T.S. *Reading from top to bottom:* **Rue, Savory. Thyme, Anise, Horehound, Hyssop**

HELENIUM *He-le-ni-um (Sneezewort)*

Perennial. For cutting. Blooms September.

Bigelowi. Beautiful golden yellow with black center disk. 3 ft.
¼ oz. $1.50 ⅛ oz. 80c. Pkt. 35c.

Althaeoides. Perennial, trailing sort. For rockeries, etc. Beautiful satiny pink flowers and silvery foliage. ... Pkt. 35c.

Quamoclit. See *Cypressvine.*

IRIS

Perennial. For rockeries, etc.

Fulva. The tawny or copper Iris; terra cotta shaded with copper.

Gracilipes. About 9 inches high. Lovely sky blue.

Wilsoni. A clear, primrose yellow *Iris sibirica.*

Any of above Iris ... **Pkt. 50c.**

Japanese Prize Mixed (*I. kaempferi*) Extra choice sorts can be obtained from this mixture. The seed is saved from a grand exhibition collection. *Will bloom one year after sowing.*
Oz. $1.50 ¼ oz. 50c. Pkt. 15c.

German Large Hybrids. A superb mixture of the newest large-flowered hybrids. Many fine new sorts may be obtained from our seed.
Oz. $3.50 ¼ oz. $1.00 Pkt. 25c.

JACARANDA *Jak-a-ran-da*

Greenhouse, or the South.

Mimosaefolia. Handsome, feathery foliage and bright blue flowers. Height 3 feet. ... ... Pkt. 25c.

T.T.S. **IPOMOEA—Trivett's Early Heavenly Blue**

The seed should be put in warm water for a day or two and the shell broken at the end of the seed. Sow during March in greenhouse hotbed or indoors in a mixture of three parts sand to one part soil. Keep moist, not wet, a temperature of 65 degrees will insure germination.

The seedlings should be potted and transplanted outside the end of May or June.

T.T.S. **JACOBAEA—Trivett's Double Mixed**

"We have a fine display of flowers grown from your seeds. Your Gold Medal Dahlia-flowered Zinnias were admired by all who saw them and the Lilliput type is excellent."
MR. DAVID HANLON
Superintendent-Head Gardener to
MR. PAUL D. CRAVATH, Esq.

JACOBAEA *Jak-o-be-a*

Annual. Easily grown, uncommon. For display and cutting.

Trivett's Double White. Bushy plants about 15 inches high, covered with flowers like small, double Chrysanthemums.

Trivett's Double Old Rose.
Trivett's Double Lavender.
Trivett's Double Yellow.
Trivett's Double Purple
Trivett's Double Crimson.
Trivett's Double Mixed.

Price: Each of above:
Pkts. 50c. and 30c.

Trivett's Tall Single Crimson. Height 2 feet. Excellent florist's cut flower.

Trivett's Tall Single Lavender.

Trivett's Tall Single Rose.

Price: Each Single Sort:
Pkts. 35c. and 20c.

JACOB'S LADDER. See **Polemonium.**

KALANCHOE *Kal-an-koe-e*

Pot plant for greenhouse.

Globulifera coccinea. Seed should be sown in February or March and the plants grown on in the open air during the Summer. They commence flowering in February and continue for 8 weeks. For bushy plants put several seedlings in each pot. The color is orange scarlet. Pkts. 50c. and 30c.

Schumacheri. A light yellow Kalanchoe growing about 18 inches high. *Seed scarce.* Pkt. (100 seeds) 75c.

KALE—Flowering

Rainbow Mixture. Ornamental. Various colors and combinations resembling the colors of Coleus. A bed planted under a tree will make a colorful picture in late Summer or Fall. Also makes a fine pot plant.
Oz. 90c. ¼ oz. 30c. Pkt. 10c.

KAULFUSSIA *Call-fush-i-a*

Annual. For edging. Height 6 *inches.*

Amelloides. Fine blue.
Oz. $1.50 ¼ oz. 50c. Pkt. 20c.

KOCHIA *Koe-ki-a*
(*Summer Cypress*)

Ornamental foliage plant. 3 *feet.*

Trichophylla. Improved strain.
Oz. $1.50 ¼ oz. 50c. Pkt. 15c.

KUDZU-VINE *Kood-zoo*

Perennial. Vine. Rapid grower. 40 *feet.* A twining climber with spikes of purple; fragrant flowers. Forms large tubers.
Oz. $1.50 ¼ oz. 50c. Pkt. 15c.

LACHENALIA UNICOLOR

Lak-e-nay-li-a

Greenhouse bulbous pot plant.

Spikes of bright red drooping bells, resembling a Hyacinth. Height 1½ feet. ... ... Pkt. 35c.

LACEFLOWER. See **Didiscus.**

LALLEMANTIA *Lal-e-man-shi-ah*

Perennial. For borders, large rockeries, etc.

Canescens. The flowers are blue violet and somewhat resemble small Antirrhinums. The foliage is aromatic and of soft grey color. Blooms until frost. Height about 2 feet. Pkt. 35c.

LANTANA *Lan-tan-a*

Perennial. Greenhouse and bedding. 1 *foot.*

Mixed. Improved dwarf.
¼ oz. $1.00 Pkt. 50c.

TRIVETT'S IMPROVED LARKSPUR

TREATED ⊕ SEED

Annual Delphinium for cutting and garden display

Sow seed indoors and transplant outside or sow outdoors for late flowering. Seed may also be sown during August-September outdoors for early Summer blooming.

Trivett's Salmon Pink. In this new variety we have the same delightful salmon pink as in "*La France*," but overlaid with a rich deep pink, creating a more brilliant and deeper shade. Particularly lovely under artificial light. Height 4 feet. *Illustrated.*

SOW TRIVETT'S TESTED FLOWER SEEDS—FOR TRUE ECONOMY

HARDY PERENNIAL LUPINES *Lew-pins*

TRIVETT'S COLLECTION OF PRIZE-WINNING VARIETIES

Much progress has been made in the improvement of these stately perennial plants; they seem to thrive everywhere and are easily raised from seed, *however, they are somewhat inclined to resent transplanting.* If sown indoors in March and treated as annuals they will bloom abundantly in the Autumn, and if sown in June or July will flower the following year from May to July, producing long spikes of delicately scented flowers in beautiful colors. The average height is 3 feet unless otherwise stated.

T.T.S. NEW RUSSELL LUPINES

T.T.S. NEW HYBRIDS—POLYPHYLLUS LUPINES
TRIVETT'S EXCELSIOR MIXED

ARBOREUS—TREE LUPINES

A tall growing type, forming large bushes. A splendid subject for the large perennial border.

Armageddon. Rich blue-purple with light-blue.
Golden Spray. Long spikes of golden yellow.
Mauve Beauty. Lovely shade of light mauve.
White Spire. Tall stately spikes, pure white.
Hybrids Mixed. A fine range, many colors.

Price: Any of the above Arboreus sorts:
Oz. $3.00 ⅛ oz. $1.00 Pkt. 25c.

RUSSELL LUPINES

Awarded the Gold Medal of the Royal Horticultural Society of England. These marvelous perennial Lupines have attracted world-wide attention. They are the results of 20 years of careful hybridizing. They produce enormous, well-rounded, long flower spikes 5 inches in diameter, 3 feet or more in length, in a range of extraordinary colors—many new shades never before seen in Lupines. Individual flowers are above the average size. The flower spikes resemble a closely set, well-rounded column of Sweet Peas. The plants average 3½ feet in height, although there may be a few dwarf ones. Gorgeous colors mixed.

Re-Selected Mixed. *New for* 1939. Saved from the choicest named varieties. Original packets with the *Red Seal.*
Pkt.(12 seeds) 25c. Pkt.(50 seeds) 65c. Pkt.(250 seeds) $2.50

Original Stock Mixed. *With the Blue Seal.*
Pkt.(24 seeds) 25c. Pkt.(80 seeds) 65c. Pkt.(200 seeds) $1.25

T.T.S. LOBELIA—Trivett's Deep Blue

LINARIA *Lye-nay-ri-a* (*Toadflax*)

Dainty, charming flowers, resembling small Antirrhinums, gracefully arranged in loose sprays. Ideal subjects for small decorations, table centerpieces, mass planting on edge of flower borders, in the rock garden and can also be grown in the greenhouse.

ANNUAL VARIETIES

Ruby King. Rich ruby red.

Purple King. Fine, rich Plum purple color.

White Gem. Dainty pure white in sprays.

Yellow Prince. Charming golden yellow flowers.

Carmine King. Very attractive carmine mauve shade.

Combinata. Crimson purple with golden yellow.

Excelsior Mixed. Mixture of charming colors.

Any of the above colors and Mixed:
¼ oz. $1.25 ⅛ oz. 75c. Pkt. 35c.

Fairy Bouquet. *Gold Medal.* All-American Selections, 1934. A new, dwarf, compact sort 8 inches high, larger flowers than the type and in many beautiful colors mixed. Excellent for bedding, edging, and pots. *Originator's seed.* ... Pkts. 50c. and 30c.

PERENNIAL LINARIAS

Canon J. Want. Hardy perennial, 3 feet. Spikes of dainty Snapdragonlike flowers, pale pink, true from seed.
Pkts. 35c. and 20c.

Trivett's Purple. A new color in perennial Linarias. 3-foot spikes of rich deep purple; a fine companion to *Canon J. Want.*
Pkts. 35c. and 20c.

Alpina. Elegant purple flowers blotched with orange, resembling miniature Antirrhinums. Abundantly produced on trailing plants with grayish-green foliage. Blooms in Summer and Autumn. Height 6 inches. ... ... Pkt. 50c.

Macedonica speciosa. Although a perennial, will bloom the first season if sown early. Long spikes of pale yellow flowers for cutting. Height 3 feet. ... ... Pkt. 50c.

Cymbalaria. (*Kenilworth-ivy.*) Ornamental leaves and mauve flowers, of creeping habit. Ideal for hanging baskets. vases, rockeries and old walls. Grow as an annual.
Oz. $3.00 ¼ oz. $1.00 Pkt. 25c.

Cymbalaria, Trivett's White. An uncommon white sort, a nice contrast to the mauve variety.
Oz. $4.50 ¼ oz. $1.25 Pkt. 35c.

Tristis. A splendid sort, gray frosted foliage, growing 8 inches high. Many beautiful colors mixed. A gem for the rock garden. Will bloom the first year. ... ... Pkt. 25c.

Cultural Directions for Flower Seeds—A, B, C, D, E, F will be found on pages 6 and 7 of this catalogue.

Rare and Special Items will be found on pages 8 and 9.

LOBELIA TRIVETT'S SELECTED STRAINS

Lo-beal-ya

COMPACT, EDGING SORTS

The ideal annual edging plant, forming small, round, compact plants about 4 inches high and covered with bloom. They are also very effective planted in masses on the edge of flower borders, in small beds, etc.

Trivett's Deep Blue. Distinct and choice sort. Plants have a fine, compact habit and are abundantly covered with rich, dark blue flowers without eye.

Trivett's Light Blue. Charming, light clear blue.

Perennial Hybrids Mixed. Many fine colors. ... Pkt. $1.00

LOVE-IN-A-MIST. See **Nigella.**

LOVE-LIES-BLEEDING. See **Amaranthus.**

"The Annuals grown from your seeds made a grand display, the colors were beautiful and true. Your Zinnias, Coltness Dahlias and Salvia farinacea, Trivett's Improved were unusually outstanding."

MR. GEORGE MILNE
Superintendent-Head Gardener to
C. V. BROKAW, Esq.

TRIVETT'S MODERN MARIGOLDS *on Three Pages*

Annual *Reselected Strains* *Mar-i-gold*

T.T.S. MARIGOLD—Guinea Gold, Trivett's Selected

One of the most valuable of annual flowers, supplying a wealth of bloom during the Autumn when flowers are beginning to get scarce.

They delight in our American climate, and are very easily grown. Seed may be sown indoors during Spring and outdoors from May onwards.

Note—Rich soil and climatic conditions will affect the height and growth of Marigolds

TRIVETT'S CARNATION-FLOWERED TYPE

Guinea Gold, Trivett's Selected. *Carnation-flowered African Marigold.* A reselected, choice strain of this distinct Marigold of graceful, pyramidal habit 2 to 2½ feet high. Each plant produces 30 to 40 semi-double blossoms. The color is a charming shade of rich, yet soft deep gold. Also good for Winter flowering in greenhouse. ... Pkts. 50c. and 30c.

Guinea Gold, Regular Stock. A good strain of this charming variety. Height 2½ feet. Oz. $3.00 ¼ oz. $1.00 Pkts. 25c. and 15c.

Yellow Supreme. Similar in form to the popular *Guinea Gold*, with double Carnationlike flowers of soft yellow color, and having a delicate, mild, honeylike fragrance. The plants are vigorous, healthy and about 2½ feet in height. ... Oz. $3.00 ¼ oz. $1.00 Pkts. 25c. and 15c.

Golden Eagle Supreme. A superb cut flower that will rival *Guinea Gold*. The all-double Carnation shaped flowers are a charming shade of luminous gold, pleasing and distinct. It blooms early and the usual Marigold odor is practically lacking. Exceptionally long cut flower life. Height 2½ to 3 feet. Oz. $5.00 ¼ oz. $1.50 Pkts. 50c. and 30c.

Lemon Gem Supreme. Another companion to *Guinea Gold*. The type, height and habit are exactly the same. The color is a rich lemon yellow, a few shades deeper than *Yellow Supreme*. A grand florist's cut flower that is long lasting; also splendid for garden display. Oz. $5.00 ¼ oz. $1.50 Pkts. 50c. and 30c.

Trivett's Carnation-flowered Mixed. All varieties mixed. Oz. $4.00 ¼ oz. $1.25 Pkts. 35c. and 20c.

Trivett's Orange Gold. A grand new sort, dwarf, bushy plants about 12 inches high, covered with Carnationlike blossoms of pure orange gold. It is ideal for edging, bedding, mass or small group planting in front of borders, etc. ... ... Pkt. 35c.

TALL FRENCH MARIGOLDS

Trivett's Special Striped (*Illustrated*). A fine selection from the French Gold Striped. Height 2½ feet. Refined, double flowers of rich, velvety brown and striped with gold. The straight, strong stems make this sort an ideal cut flower. ¼ oz. $2.50 ⅛ oz. $1.50 Pkts. 50c. and 30c.

Scotch Gold Striped. Splendid, double prize strain. Oz. $3.00 ¼ oz. $1.00 Pkts. 35c. and 20c.

Sulphurea. Soft pale yellow, double flowers.

Tangerine. Rich orange yellow; good cut flower.

Ranunculoides. Dark mahogany or chestnut brown.

Tall Double French Mixed. Good strain. Height 2½ feet.

Each: Above four ... Oz. $1.75 ¼ oz. 60c. Pkts. 25c. and 15c.

Trivett's Josephine (Single). Splendid cut flower. Height 2½ to 3 feet. Single flowers, the center or crown is dark brown with edging of gold and a touch of crimson. Fine, long stems. *Does best in poor soil.* Oz. $1.75 ¼ oz. 60c. Pkt. 25c. and 15c.

Flaming Fire. (New.) Single flowers of brilliant red, sometimes touched with yellow. Splendid for cutting. ... ... Pkt. 25c.

Trivett's Brilliant Orange. A new type of dwarf Marigold; compact, bushy plants, about 18 inches high. Attractive, glowing orange. Pkts. 50c. and 30c.

Australian Tall Tree. A type of French Marigold 4 to 5 feet high. Golden yellow with brown. Oz. $1.75 ¼ oz. 60c. Pkts. 25c. and 15c.

DWARF FRENCH MARIGOLDS. Please refer to page 77.

SUNSET GIANTS. Immense size, special. See page 77.

DIXIE SUNSHINE. Distinct type for Autumn. See page 77.

CROWN OF GOLD. The odorless foliage sort. See page 77.

"Your strains of Marigolds are exceptionally fine. They have provided a great quantity of cut flowers, and have made a grand display in the gardens. I like your Carnation-flowered type very much."

MR. CHARLES BRAZIER. ***Supt.-Head Gardener to*** GEORGE WHITNEY. ESQ.

T.T.S. FRENCH MARIGOLD—Trivett's Special Striped

TRIVETT'S MODERN *Prize-winning* MARIGOLDS (*Continued from page 75*)

T.T.S.

MARIGOLD—Trivett's Chrysanthemum-Flowered
A novelty of merit. The flowers have the formation of Japanese Chrysanthemums

KING OF THE AUTUMN GARDEN

Our strains of Marigolds have been re-selected. None finer for size, perfection, and color of flower. *For those who demand the best.*

TRIVETT'S CHRYSANTHEMUM-FLOWERED

Lovely, incurved type like incurved Greenhouse Chrysanthemums. *See illustration.* The plants are very floriferous and the stems are good and strong for cutting. All colors are true and 100% double. Height about 3 feet.

An entirely new type of Marigold

Orange. Rich, deep shade of orange.

Yellow. Nice, pure yellow shade.

Golden Orange. A shade between yellow and orange. Makes a splendid cut flower.

Trivett's Mixed. The colors vary from deep orange to light orange and from deep yellow to light yellow. Beautiful.

Price: Any of the above four:
Each ... ... ⅛ oz. $1.50 Pkts. 35c. and 20c.

Monster Mixed. This is the original mixture from which the above mentioned, incurved sorts were obtained. Immense flowers, some with broad petals, others quilled or incurved in varying shades of orange and yellow. Height 4 feet.
¼ oz. $1.50 ⅛ oz. 80c. Pkts. 35c. and 20c.

TRIVETT'S NEW ROYAL STRAIN DWARF AFRICAN MARIGOLD

Large-flowered, double African Marigolds on sturdy, bushy plants, only 1½ to 2 feet high. For borders and beds and for those who object to the tall sorts.

Trivett's Royal Yellow **Trivett's Royal Lemon**
Trivett's Royal Orange **Trivett's Royal Golden**
Trivett's Royal Dwarf Mixed

Each: Above five ... ... Pkts. 50c. and 30c.

Dwarf African Mixed. Regular strain. 1½ feet.
¼ oz. 75c. Pkt. 15c.

TALL DOUBLE AFRICAN MARIGOLDS

Height 3 to 3½ feet

This is the largest double-flowered and tallest growing type. Indispensable for "filling in" perennial borders, general garden display and for cutting. Blooms during late Summer and Fall.

Trivett's Sunlite. A new shade of color in African Marigolds, pure golden yellow. The large, double flowers are borne on plants about 3½ feet high. ... ... Pkts. 50c. and 30c.

Trivett's Moonlite. Similar in habit to above. The color however, is soft canary yellow. 3½ feet. ... ... Pkts. 50c. and 30c.

Guinea Gold. See page 75.

Glasgow Prize Orange. Immense, very double exhibition flowers, rich glowing orange. *Special, reselected strain.*
¼ oz. $2.00 Pkts. 50c. and 30c.

Glasgow Prize Lemon. The same perfect form and large size as above, but of purest, clear lemon yellow. *Reselected strain.*
¼ oz. $2.00 Pkts. 50c. and 30c.

Glasgow Prize Mixed. A mixture of the above two colors.
¼ oz. $2.00 Pkts. 50c. and 30c.

All-Double Orange (*Originator's Seed*). *Award of Merit*, R. H. S. Produces a high percentage of double, closely quilled flowers.
¼ oz. $1.00 Pkts. 25c. and 15c.

All-Double Lemon. Lemon yellow form of above.
¼ oz. $1 00 Pkts. 25c. and 15c.

Tall African Mixed. Large, double flowers; mixed.
Oz. $1.50 ¼ oz. 50c. Pkt. 10c.

"The flowers grown from your seed were splendid. Your strains of Marigolds are very good."
MR. ADAM PATERSON
Superintendent-Head Gardener to
FRANCIS BLOSSOM, Esq.

T.T.S.

Charantia (*Balsam Pear*). Yellow flowers, luxurious foliage, Pear-shaped fruit. ¼ oz. 25c. Pkt. 10c.

MONARDA DIDYMA *Moh-nar-dah*

Salmon Pink. A new color, soft salmon pink. Height 2 feet. Perennial. 5 pkts. $1.50 Pkt. 35c.

MORICANDIA *Mor-i-can-di-a* SONCHIFOLIA

A most effective annual for early Spring flowering; 15 inches high. Single flowers of a pretty shade of lavender-mauve.
5 pkts. $2.25 Pkt. 50c.

MORNING-GLORY.

See **Ipomoea.**

MUSA ENSETE *Mew-zah*

(*Banana Plant*)

Ornamental leaves. ... Pkt. 25c.
Soak the seed in hot water for 24 hours.

MYOSOTIDEUM NOBILE *My-o-so-tid-e-um*

(*New Zealand Forget-me-not*)

Tender perennial. Shady place. 1½ feet.

Magnificent pale blue. Pkt. 50c.

T.T.S.

MYOSOTIS—Trivett's Lavender Gem
A lovely Forget-me-not growing about 10 inches high. Charming color

"Your seeds have given excellent results, the greenhouse Antirrhinums gave us a beautiful crop. The stocks are doing fine and the tall Winter forcing Pansies are about 24 inches high and loaded with flowers."

(The above mentioned subjects were grown at Grosse Pointe Farms).

MR. OSWALD H. ZOHN
Superintendent-Head Gardener to
LESLIE H. GREEN, Esq.

T.T.S.

MICROSPERMA—Golden Tassel

MYOSOTIS *My-o-so-tis*

(*Forget-me-not*)

Forget-me-nots are of immense value for Spring gardening and should be planted thickly in large masses.
All are biennial, except the *Palustris and Everblooming types.*

FOR SPRING BEDDING

Trivett's Annual Blue. Lovely, turquoise blue which will flower in about three months after sowing. Height 1 foot. Pkt. 75c.

Royal Blue (*Sutton's*). The most popular for Spring gardening, spreading spraylike stalks covered with deep indigo blue flowers; also good for cutting. Height 12 inches. *Special reselected strain.*
¼ oz. $1.50 Pkts. 50c. and 30c.

Royal Blue, Dwarf Strain. Dwarf, compact form of the above. Only 6 inches high.
¼ oz. $1.50 Pkts. 50c. and 30c.

Trivett's Lavender Gem. An entirely new and distinct shade in Forget-me-not. R It is neater and more erect than "Royal Blue." The color is distinct mid-lavender. Height 10 inches. Blooms in May-June. ... ... Pkt. 50c.

Alpestris Victoria Improved. Dwarf, bushy plants, abundantly covered with round bunches of florets. Height 6 inches. **Blue, White** and **Pink.**
Each color: ¼ oz. $1.25 Pkt. 25c.

Dissitiflora Perfection. Large-flowered, rich clear blue, the best to use for ground work under Spring bulbs. Height about 9 inches.
¼ oz. $3.00 ⅛ oz. $1.75 Pkt. 50c.

Spring Beauty. Soft pale blue.
¼ oz. $2.00 Pkt. 50c.

Pink Beauty. Clear light pink. Makes a fine contrast to the blue.
¼ oz. $1.00 Pkt. 35c.

FOR GREENHOUSE FORCING

Trivett's Tall Blue. Splendid blue produced on long stems, 15 inches in height. The best greenhouse sort. ... Pkt. 75c.

Blue Bird. Brilliant dark blue for Winter blooming in greenhouse. Pkt. 50c.

OTHER FORGET-ME-NOTS

Trivett's Everblooming. A new type. The flowers are borne on long, stiff stems of exquisite sky blue with white center eye. The principal merit of this sort is that it blooms early and late and may be in bloom at any time of the year. A true perennial. ... Pkts. 50c. and 30c.

Marga Sacher. The individual R blooms are ⅖ to ⅗ of an inch across; deep sky blue. Pkt. 75c.

Ruth Fischer. Pretty, blue sort. R For borders or rockeries. Pkt. 50c.

Star of Love. Dwarf, suitable for R rockeries. Beautiful blue. Pkt. 75c.

Rupicola. Finest for rockery. Deep R blue. Height 6 inches. Pkt. 50c.

Palustris. The true water Forget-me-not. Bright blue, hardy perennial. 8 inches. ¼ oz. $1.00 Pkt. 25c.

Palustris semperflorens. Blue. *The true perennial Forget-me-not.*
¼ oz. $1.50 Pkts. 50c. and 30c

Woodland Blue. The common Forget-me-not for naturalizing. Makes a charming effect in woodlands, under shrubs, trees, etc. and on the banks of pools, streams. *Sow the seed liberally.*
Lb. $3.00 Oz. 50c. Pkt. 10c.

NASTURTIUM *Nas-tur-shum (Indian Cress)*

Showy, old fashioned annual flowers noted for their brilliant coloring. Of simple culture, will succeed anywhere, but *should be grown on poor soil.* Rich soil produces a rank growth of foliage which hides most of the flowers.

Excellent for mass planting, edging, covering up rough places. The tall or climbing varieties are useful for covering old walls, fences, boulders, etc. *Sow seed outdoors during April-May.*

DOUBLE SWEET-SCENTED NASTURTIUMS

GLOBE TYPE

Dwarf, round, compact plants without the short runners that are characteristic of the "Gleam type." The plants are uniformly dwarf and are covered with an abundance of double and semi-double, sweet scented blossoms throughout the season.

Ideal for edging, bedding, mass planting, rockery, window boxes and general garden display.

This type is an improvement over the "Gleam type" for general purposes and will no doubt displace it in popularity.

Should be grown on poor soil

Dwarf Double Scarlet Ball. An attractive orange scarlet; fine, compact plants covered with double, sweet-scented blossoms. Especially suitable for edging, bedding, etc.
¼ lb. $1.50 Oz. 50c. Pkts. 25c. and 15c.

Dwarf Double Golden Ball. A golden yellow companion to our *Scarlet Ball.* Dwarf, compact plants, sweet-scented.
¼ lb. $1.50 Oz. 50c. Pkts. 25c. and 15c.

Dwarf Double Golden Globe. A good sort, dwarf, compact plants with large, double, sweet-scented blossoms.
¼ lb. $1.50 Oz. 50c. Pkts. 25c. and 15c.

Dwarf Double Sulphur Globe. Lovely, soft, pale yellow. *New. Packets only.* ... ... Pkt. 50c.

Dwarf Double Scarlet Globe. The same type and habit as *Golden Globe.* The flowers are rich scarlet.
¼ lb. $1.50 Oz. 50c. Pkts. 25c. and 15c.

Dwarf Double Salmon Gem. Lovely soft golden salmon.
¼ lb. $3.00 Oz. $1.00 Pkts. 50c. and 30c.

Dwarf Double Orange Gem. A fine, clear orange.
¼ lb. $3.00 Oz. $1.00 Pkts. 50c. and 30c.

Dwarf Double Mahogany Gem. Dark mahogany or Wallflower-red, with very dark foliage; large, fragrant.
¼ lb. $1.50 Oz. 50c. Pkts. 25c. and 15c.

Dwarf Double Ruby Gem. Compact, globe-shaped plants, bright ruby color; double, sweet-scented, free-flowering.
¼ lb. $1.50 Oz. 50c. Pkts. 25c. and 15c.

Dwarf Double Globe Mixed. Large, double, sweet-scented flowers on dwarf, compact plants. Fine colors.
¼ lb. $1.50 Oz. 50c. Pkts. 25c. and 15c.

Dwarf Double Giants Mixed. The largest flowers on globe-shaped plants; splendid mixture of colors.
¼ lb. $1.75 Oz. 60c. Pkts. 25c. and 15c.

GLEAM TYPE

"Golden Gleam" was the first to be introduced in seed of the double, sweet-scented Nasturtiums, and from which this type receives its name. The plants are semi-dwarf, about 12 to 15 inches, but throw out short runners, although handicapped for this reason when compared with the "Globe type" for garden purposes, they are ideal for large beds if allowed 18 inches between plants and also for pot-culture in greenhouses, the runners being trained on wire supports providing long-stemmed, sweet-scented flowers for cutting. They are also suitable for hanging baskets, etc.

Should be grown on poor soil

Double Golden Gleam, Reselected. Golden yellow, double and semi-double, sweet-scented blossoms with stems 6 inches long, for cutting. Semi-dwarf plants with short runners. *Hand picked, reselected seed.*
¼ lb. $1.50 Oz. 50c. Pkts. 25c. and 15c.

Double Golden Gleam, Regular. The regular stock.
¼ lb. $1.00 Oz. 35c. Pkt. 15c.

Double Scarlet Gleam. Attractive brilliant scarlet flowers.
¼ lb. $1.00 Oz. 35c. Pkt. 15c.

Double Mahogany Gleam. Dark, rich mahogany red.
¼ lb. $1.50 Oz. 50c. Pkts. 25c. and 15c.

Double Orange Gleam. Large, glowing golden orange.
¼ lb. $1.50 Oz. 50c. Pkts. 25c. and 15c.

Double Moon Gleam. Pale golden cream shade.
¼ lb. $1.50 Oz. 50c. Pkts. 25c. and 15c.

Double Apricot Gleam. Lovely shade, primrose yellow overlaid with soft salmon pink and tinted light apricot.
¼ lb. $3.00 Oz. $1.00 Pkts. 50c. and 30c.

Double Salmon Gleam. Rich, deep salmon red shade.
¼ lb. $1.50 Oz. 50c. Pkts. 25c. and 15c.

Double Lemon Gleam. A fine shade of lemon yellow.
¼ lb. $1.50 Oz. 50c. Pkts. 25c. and 15c.

Double Gleam Hybrids (Mixed). All choice colors.
¼ lb. $1.00 Oz. 35c. Pkt. 15c.

DWARF SINGLE VARIETIES

Height 12 inches

Dwarf Yellow — **Dwarf Crimson**
Dwarf Rose — **Dwarf Cerise**
Dwarf Salmon — **Dwarf Scarlet**

Dwarf Mixed

Any of above, special reselected strains:
Lb. $3.00 ¼ lb. $1.00 Oz. 35c. Pkt. 15c.

TALL SINGLE NASTURTIUMS

(Climbing)

Tall Apricot — **Tall Scarlet**
Tall Salmon — **Tall Yellow**
Tall Crimson — **Tall Cream**

Tall Choice Mixed

Any of above reselected tall sorts
Lb. $2.00 ¼ lb. 65c. Oz. 25c. Pkt. 10c.

"Professional gardeners are from necessity, the most critical of all flower seed users. They must be sure of receiving new crop seeds that will grow and be true to name.

"Your seeds have always given me the finest results and I am not surprised that they are the first choice of the professional gardener."

MR. OWEN A. HUNWICK
Superintendent-Head Gardener to
STRATHGLASS FARM

T.T.S.

A Typical Plant of Our Globe Type Nasturtium
Dwarf Double Salmon Gem

Trivett's Tested Seeds, Inc.

NEMESIA—Large Flowered, Cherry Red

For Summer flowering in the garden sow the seed indoors in March. Give Culture B. Very attractive for beds and groups in the flower borders. For indoor culture sow the seed in August. They prefer cool treatment; don't force. Pkts. 50c. and 30c.

For complete list of Nemesias, see page 82

Trivett's Tested Seeds, Inc.

PANSY—Trivett's New Giants

Without question one of the finest mixtures of large, fancy Pansies extant. We keep this mixture new and up-to-date by additions each year of choice colors and new varieties of superior merit.
⅛ oz. $3.75 1/16 oz. $2.00 Pkts. $1.25 and 75c.

For complete list of Pansies, see pages 84, 85

Trivett's Tested Seeds, Inc.

DOUBLE, SWEET-SCENTED NASTURTIUM
Scarlet Empress

A new dwarf, double variety of special merit. The brilliant red blossoms against the very dark foliage reminds one of Bishop of Llandaff Dahlia. Pkt. 25c.

For complete list of Nasturtiums, see page 80

Trivett's Tested Seeds, Inc.

PRIMULA MALACOIDES—Trivett's Red Beauty

A really rich, red "Fairy Primrose," a color much desired, the yellow eye sets off each blossom to perfection. Splendid pot plant and remarkably useful for cutting for use in small vases, etc.
Pkts. $1.50, $1.00 and 75c.

For complete list of Primulas, see page 97

NEMESIA STRUMOSA SUTTONI *Ne-mee-si-ah*

The varieties we offer have been carefully re-selected and are highly recommended.
For Those Who Demand the Best

Greenhouse flowering plant, also for Summer bedding. For greenhouse growing, sow seed in August or September. They thrive best in cool greenhouse without forcing. For Summer bedding, March is the best time to sow the seed.

LARGE-FLOWERED. *Height 1 foot*

Pale Yellow **Rose Pink** **White**
Rich Orange **Crimson** **Blue**
Cherry Red **Scarlet** **Bronze-Pink Shades**
Special Mixture

Any of the above, each ... ... Pkts. 50c. and 30c.

DWARF HYBRIDS. *Height about 8 inches*

These dwarf, compact sorts are very beautiful and are especially suitable for edging, small beds, group planting, as pot plants, etc. For Summer flowering outside sow the seed indoors in March.

Trivett's Triumph White. A distinct improvement over the popular "White Gem." The whole plant is a mass of white flowers. Pkts. 50c. and 30c.

Trivett's Triumph Orange. A fine, compact, dwarf variety with clusters of large, rich, orange blossoms. ... Pkts. 50c. and 30c.

Aurora. Bright crimson with white; attractive. Pkts. 50c. and 30c.

Twilight. Charming blue and white bicolor. Pkts. 50c. and 30c.

White Gem. Fine in contrast with Blue Gem. Pkts. 50c. and 30c.

Blue Gem. Very pretty Forget-me-not blue. Pkts. 50c. and 30c.

Fire King. Brilliant scarlet flowers. The plants are particularly neat in habit. ... ... Pkts. 50c. and 30c.

Trivett's Triumph Mixed. A mixture of all colors in the large-flowered, dwarf strain. Highly recommended. Pkts. 50c. and 30c.

Trivett's Marbled Mixture. Large flowers beautifully marbled and spotted. Very attractive, dwarf plants. Pkts. 50c. and 30c.

Namaqualand Species Mixed. The wild species collected in Namaqualand. The plants grow 12 to 15 inches high. Light and graceful, free flowering. Splendid for the Summer rockery, flower borders, and as pot plants in the cool greenhouse. ... Pkt. 50c.

NEMOPHILA *Ne-maw-fil-a*

Old-fashioned, easily grown annual, suitable for semi-shady places, rockeries, etc.

Baby Blue Eyes. Bright blue flowers. Height 6 inches.
White. Large flowers. Height 4 to 5 inches.
Finest Mixed. All available shades.

Above three, each ... Oz. 90c. ¼ oz. 30c. Pkt. 10c.

T.T.S. **NEMESIA—Trivett's Triumph White (Dwarf Hybrid)**

NEPETA *Nep-e-ta (Catmint)*

Perennial. Small beds and edging and rockeries, etc.

Nervosa. Much superior to *N. mussini.* The flowers are of clear light blue. Height 12 inches. Blooms from mid-Summer until Autumn. ... ... Pkts. 50c. and 30c.

Mussini. Blue gray foliage, pale mauve flowers. Fine for rockeries, etc. ... ... Pkts. 50c. and 30c.

NICOTIANA *Ni-co-shi-ain-a (Flowering Tobacco)*

Annual. For cutting. Fragrant.

Affinis. Pure white, deliciously fragrant. Height 3 feet.
Oz. $1.75 ¼ oz. 50c. Pkt. 10c.

Affinis Hybrids Mixed. Many fine colors. Height 3 feet.
Oz. $2.00 ¼ oz. 60c. Pkt. 15c.

Trivett's Delicate Pink. Pale pink or flesh color. In several shades. Pkt. 50c.

Trivett's Red Shades. Bright red shades. Height 3 feet. Oz. $2.00 ¼ oz. 60c. Pkt. 15c.

Trivett's Rose Shades. Bright pink shades. Height 3 feet. Oz. $2.00 ¼ oz. 60c. Pkt. 15c.

Trivett's Dwarf Snowflake. Delightfully scented, small white flowers in long sprays; useful cut flower or good pot plant. Height 1½ feet. Pkts. 50c. and 30c.

Trivett's Dwarf Crimson. A splendid bedding variety; rich, deep crimson. Height about 1½ feet. Pkts. 50c. and 30c.

Sanderae. Improved strain with rich crimson flowers. Height 3 feet.
Oz. $3.00 ¼ oz. 90c. Pkt. 25c.

Sylvestris. Tall, about 5 feet. Long, pure and very sweet-scented flowers.
Oz. $3.00 ¼ oz. $1.00 Pkt. 25c.

T.T.S. **A Typical Plant of NIEREMBERGIA—Hippomanica**
Delicate lavender with yellow eye. Height about 6 inches. Grand for beds, edging, rockeries and as a pot plant

NIEREMBERGIA *Nee-rem-ber-ji-ah*

(Cup Flower)

Treat as annuals by sowing indoors early. They will bloom the first year.

Hippomanica. A beautiful subject for bedding outdoors in sunny places and in rockeries. Also ideal as a pot plant in the greenhouse. The plants grow about 6 inches high and are covered with saucer-shaped flowers 1 inch across. Delicate lavender with clear yellow eye. A tender perennial that will flower the first season from seed. Pkts. 50c. and 30c.

Calycina (gracilis). Pretty white flowers shaded and veined with lavender and brown center. An exceedingly graceful plant for hanging baskets.
¼ oz. $1.75 ⅛ oz. $1.00 Pkt. 35c.

NIGELLA *Ni-jell-a* (*Love-in-a-mist*)

Annual. Beds and cutting. All Summer. Height 1½ feet.

Miss Jekyll Blue. *Improved.* Lovely Cornflower blue, on long stems; splendid for cutting. Improved strain. (*Illustrated*).

Miss Jekyll Dark. A deep rich blue selection of the above.

Miss Jekyll White. White companion to above.

Hispanica. Purple blue flowers; good for cutting.

Above four, each: ¼ oz. 75c. Pkts. 30c. and 20c.

Dragonfly (New). Quite distinct from "Miss Jekyll" type. ☛ The dark blue flowers are single, the plants grow about 18 in. high and quite bushy, strong stems. ... Pkt. 35c.

NOLANA *No-lay-na*

Annual. For sunny rockeries, etc. Height 6 inches.

Blue Ensign (New). An improved *Chilean Bellflower.* This form produces plants 6 or 8 in. high and lovely, sweet-scented, ultramarine-blue flowers resembling an Ipomoea. Suitable for flower borders and sunny rockeries; also makes a beautiful pot plant when it will grow 12 to 15 in high. Seed may be started inside in March or sown outdoors in May. *Illustrated.* Pkt. 35c.

Grandiflora. A vigorous growing hardy annual, giving a mass of pale lavender blue, bell-shaped flowers with white throats. *Easily grown.* ... Oz. $1.50 ¼ oz. 50c. Pkt. 15c.

Lanceolata. Very showy, low-growing annual of spreading habit, with Convolvuluslike flowers of a beautiful sky blue with white center. ... ... Pkt. 25c.

NOTHOSCORDUM *Noth-oh-skaur-dum*

Biennial. For rockery or border. Common soil.

Fragrans. The swaying crowns of tiny bells on their 20 inch stems are charming in the rockery or border. The flowers are white with faint tint of lilac pink, and they diffuse a delicate and attractive fragrance. It grows quickly from seed, flowering the first year, and the bulbs may be handled thereafter like Gladiolus. ... ... Pkt. 50c.

NYCTERINIA *Nick-te-rine-i-a*

Sweet-scented dwarf half-hardy annual; delightfully perfumed towards evening. Suitable for rockeries.

Selaginoides—Pale blue and white flowers. ... Pkt. 25c.
Capensis. White. ... ... Pkt. 25c.

T.T.S. NOLANA—Blue Ensign

T.T.S. NIGELLA—Miss Jekyll Blue (*Improved Strain*)

ODONTOSPERMUM *O-don-tos-per-mum*

Greenhouse perennial, pot plant, loam and leafmold.

Sericeum grandiflorum. "Flowerbush" from the Canary Islands. The flowers are yellow, 2 to 3 inches across with silvery green foliage, making a choice and uncommon greenhouse plant about 2 feet high. The plants can be wintered the same fashion as Hydrangeas. ... Pkt. (50 seeds) 50c.

OENOTHERA *E-noth-er-a* (*Evening-primrose*)

Afterglow. Yellow, with brilliant red calyx. Annual. 3 feet. Pkt. 30c.

Clutei. This handsome biennial Evening-primrose forms a large rosette of leaves from which it throws up a stout central stalk 4 feet in height, bearing in great profusion large flowers of soft yellow shade. *Does not close the petals during the day.* ... ... Pkt. 50c.

Rosea. Annual for rockeries. Pink. Height 6 in. ... ... Pkt. 30c.

Trichocalyx. Another fine, new sort which also does not close its flowers during the day. The plant grows about 15 inches high, bearing a number of blooms of purest white and adorned with beautiful golden anthers. Biennial. ... ... Pkt. 50c.

OMPHALODES *Om-fah-low-deez*

Perennial. For rockery, etc. Height 6 inches. Common soil.

Luciliae. Very choice perennial of dwarf habit for rockeries. Likes half shady position. Soft blue flowers, glaucous foliage. Height 6 inches. Pkt. 50c.

OSTROWSKIA *Os-troe-ski-a*

Perennial. For herbaceous border. Rich soil.

Magnifica. A beautiful plant with immense pale blue flowers growing about 4 feet high; a grand plant for the perennial border. ... Pkt. 75c.

OXALIS *Ox-al-is*

Rosea. Annual. Bright pink, suitable for pots, hanging baskets, etc. Seed sown indoors in March will bloom in May. Height 6 inches. ... Pkt. 50c.

Tropaeoloides (Corniculata). Perennial. Yellow flowers and purple brown foliage. Height 3 inches. Excellent for rockery, old walls, etc. Pkt. 25c.

PANCRATIUM *Pan-cray-shi-um*

Biennial. For greenhouse or outdoors. Mixed soil.

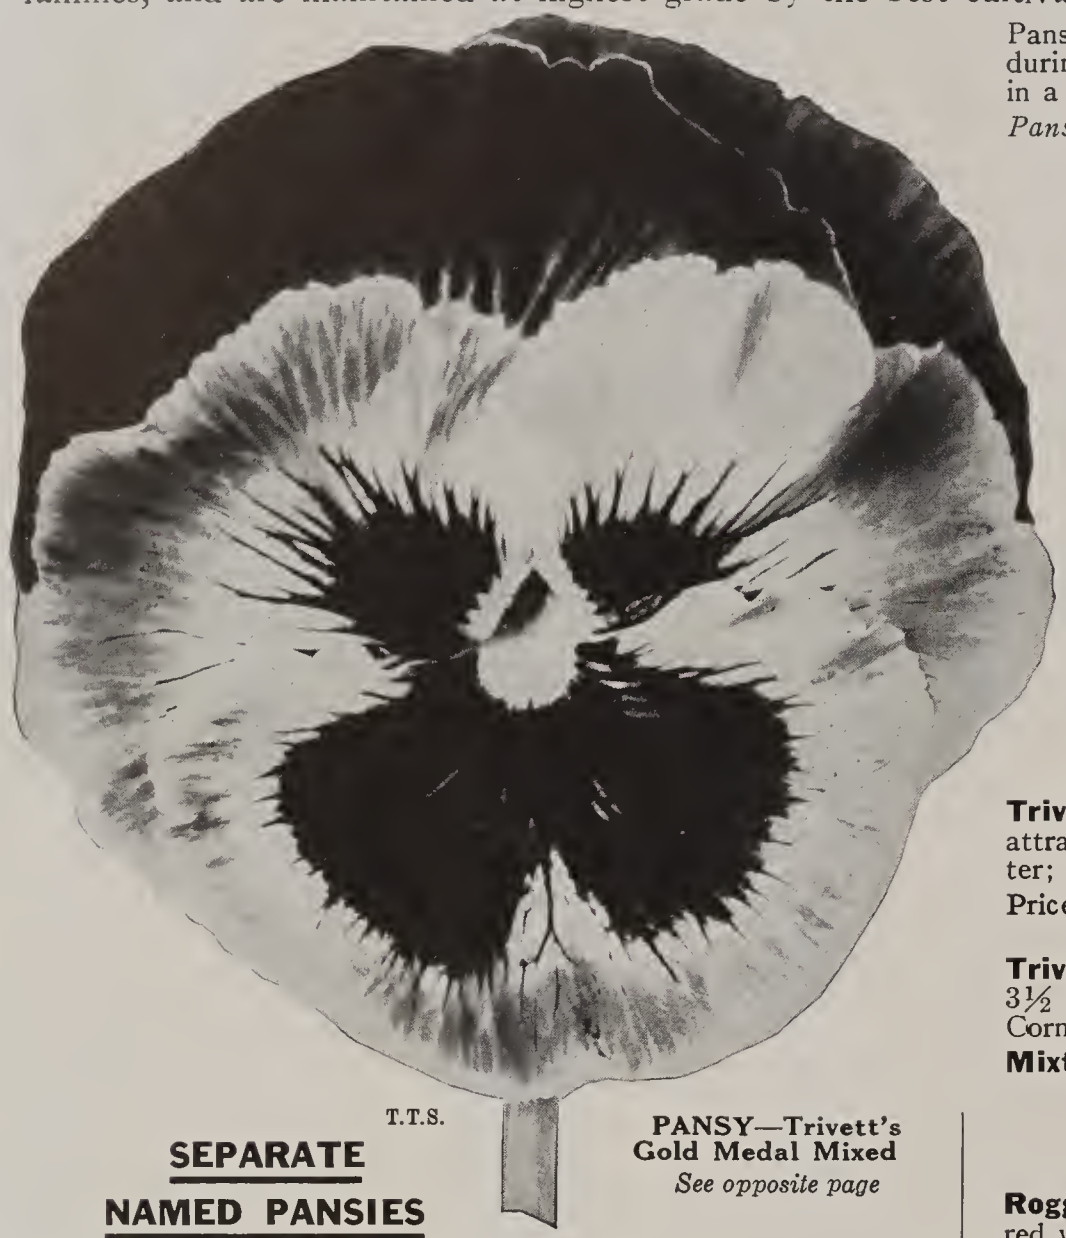

Maritimum. "Sea Daffodil," attractive pure white, oddly shaped. Daffodil-like flowers carried in clusters of 5 to 10 on 2-foot stems. Thrives in sandy soil and direct sunlight, also grows satisfactorily under glass. Delightfully perfumed. ... ... Pkt. 50c.

☛ ITEMS MARKED THUS R ARE SUITABLE FOR ROCKERIES, EDGING, ETC.

TRIVETT'S MODERN PANSIES

TREATED ✚ SEED

Our collection of choice Pansies has long been recognized as one of the finest in existence; most types are represented. The name Pansies is derived from the French word *Pensées* (thoughts). The botanical name is Viola tricolor; common names are Love-in-Idleness, Heartsease, Kiss-me, etc. The modern, improved Pansies offered by us run in strains or families, and are maintained at highest grade by the best cultivation and careful continuous selection.

T.T.S.

PANSY—Trivett's Gold Medal Mixed
See opposite page

Pansies should be treated as biennials. The seed should be sown during July-August in a coldframe or indoors and may be wintered in a frame or in the garden with light protection.

Pansy seed does not germinate well in a temperature over 75 degrees.

GIANT NAMED VARIETIES

Saved from the largest blooms and choicest colors.

Trivett's Giant Coronation Gold. Large flower of deep yellow, suffused with golden orange, no eye.

Trivett's Giant Golden Yellow. A gigantic Pansy, golden yellow with dark brown blotches. The blossoms measure about 3½ inches across. Strong, bushy plants. Splendid foliage.

Trivett's Giant Violet Blue. A magnificent sort, immense flowers up to 4 inches across borne on sturdy stalks 4 to 5 inches long; healthy, vigorous plants.

Trivett's Giant Crimson and Gold. A very attractive Pansy. The large blossom often measures 3½ to 4 inches across; beautiful combination of crimson and gold.

Trivett's Giant Ullswater Blue. A greatly improved "Ullswater" or "Thuner Sea." 3 inches in diameter, 5 inch stalks. Clear blue with dark blue center blotches.

Trivett's Giant Pearl. Almost white with three large blue blotches in center, about 2½ inches in diameter.

Trivett's Giant Pure Yellow. A pure deep yellow Pansy of great attractiveness. The flowers measure from 2½ to 3 inches in diameter; healthy, vigorous plants.

Price: Each of the above Giants:
¼ oz. $7.50 ⅛ oz. $4.00 Pkts. $1.50, 75c., and 50c.

Trivett's Giant Royal Blue. A true blue Giant, has measured 3½ inches across. with strong stalks 5 inches long; richest, deep Cornflower blue color. (In packets only) Pkts. $1.75 and $1.00

Mixture, Trivett's Giant Pansies. See opposite page.

SEPARATE NAMED PANSIES

Choice varieties and unusually beautiful colors.
Trivett's Violet King. Violet with gold eye.
Trivett's Fire King. Scarlet, orange and yellow.
Trivett's Golden King. Golden yellow with dark blotches.
Trivett's Frilled Sulphur. Beautifully waved edges; pale yellow.
Trivett's Frilled Dark Blue. The edges of the petals are waved and frilled; very large, fine sort.
Trivett's Frilled Crimson. Waved petals, velvety crimson.
Price: Each: ¼ oz. $7.50 ⅛ oz. $4.00 Pkts. $1.50 and $1.00

Ullswater, Improved. See under **Giant Named Sorts.**
Thuner Sea. See under **Roggli Swiss Giants.**
Mrs. Pierre S. du Pont. *Discontinued.* We suggest **Trivett's Apricot,** see below.

TRIVETT'S SUPERB PETUNIAS *Pee-teu-ni-ah*

Easily Grown—Fragrant—Showy Annuals—Free Flowering All Summer

A leading specialty, our collection of high grade Petunias is one of the most extensive in existence. Our stocks are kept pure and of the highest quality by expert growers who specialize in this flower. Much human care and labor is involved in the seed production. Some types are grown in muslin houses, while others, being very shy seeders must be hand pollenized for the seed. Such varieties are necessarily very costly.

T.T.S. A Typical Plant of TRIVETT'S DWARF BEDDING PETUNIA—"Light Blue" (Group 2)

Petunias should have a sunny position, ordinary soil, not rich. Rich or acid soil and too much water will affect the given height and also the color. Start the seed under cover during February-March in a temperature of 60 degrees.

GROUP 1—EXTRA DWARF

Height 6 to 10 inches. Plain edged, small or medium sized flowers in profusion on dwarf, compact, ball-shaped plants. Valuable for edging, bedding, mass planting, rockeries, etc.

Trivett's Snowdrift. Dwarf spreading plants about 9 inches high, smothered with white flowers 2 inches across.
⅛ oz. $3.50 Pkts. 75c., 50c. and 30c.

Trivett's Pastel Pink. A charming, delicate pink shade. Bushy plants 6 inches high. ... Pkts. 75c., 50c. and 30c.

Trivett's Red Star. Bushy, compact plants, about 10 inches high. Rosy red with large, white star in center.
⅛ oz. $4.50 Pkts. 75c., 50c. and 30c.

Trivett's Blue Star. Small, dainty flowers on bushy plants, 10 inches high. Blue with large white center star.
⅛ oz. $4.50 Pkts. 75c., 50c. and 30c.

Trivett's Baby Violet. Miniature, ball-shaped plants only 8 inches high. Small flowers of soft violet with white throat.
—*New*— Pkts. 75c., 50c. and 30c.

Rose Gem. Very dwarf, about 6 inches. Rich, deep rose color.
—*New*— Pkts. 75c., 50c. and 30c.

Pink Gem. Fine true pink, dwarf, compact plants, 6 inches high.
¼ oz. $1.75 Pkts. 50c., 30c. and 20c.

Extra Dwarf Mixed. Good mixture.
¼ oz. $1.75 Pkts. 50c., 30c. and 20c.

GROUP 2—DWARF BEDDING PETUNIAS

Height 12 to 15 inches, single, plain edged. Medium sized flowers on bushy, erect plants. An ideal type for bedding, edging, and general garden display.

Trivett's Salmon Pink. A lovely, rich shade of soft coral, spreading plants. 12 inches high. ... ... Pkts. 75c. and 50c.

Trivett's Rose of Heaven. A superior strain; dwarf, bushy plants about 12 inches high and covered with a profusion of lovely rose pink flowers; looks charming edged with our *Blue Cap Ageratum or Little Gem Alyssum.* ... ¼ oz. $2.50 Pkts. 75c., 50c. and 30c.

Trivett's Snow Queen. Height 12 inches, good sized, white flowers on bushy plants. ... ¼ oz. $2.00 Pkts. 75c., 50c. and 30c.

Trivett's Light Blue. Reselected strain. The best pale blue obtainable. Height 12 inches.
¼ oz. $3.50 Pkts. 75c., 50c. and 30c.

Trivett's Mid-Blue. A good shade between light and dark blue. Height 12 inches. ... ¼ oz. $2.00 Pkts. 75c., 50c. and 30c.

Trivett's Periwinkle Blue. Same shade as the Perennial Vinca (Periwinkle). 12 inches. ¼ oz. $2.50 Pkts. 75c., 50c. and 30c.

Trivett's Dark Blue. Deep, rich violet blue, good size. About 15 inches. ... ... ¼ oz. $2.00 Pkts. 75c., 50c. and 30c.

Trivett's Scarlet Beauty. Rich, brilliant scarlet with yellow throat. Unusually attractive. 15 inches. *New.* ... Pkts. 75c. and 50c.

Trivett's Lilac Beauty. A soft shade of pale, silvery lilac blue.
¼ oz. $3.00 Pkts. 75c., 50c. and 30c.

Trivett's Cockatoo. Large, center star of violet blue, each petal blotched white. 14 inches. ¼ oz. $3.75 Pkts. 75c., 50c. and 30c.

Trivett's Northern Star. Very attractive, white star on blue ground. 12 inches. ¼ oz. $3.75 Pkts. 75c., 50c. and 30c.

Trivett's Dwarf Rosy Morn. Improved, dwarf strain, bright rosy pink. 12 inches. —*New*— ... ... Pkts. 75c. and 50c.

Trivett's Dwarf Crimson. Dark velvety blood red. Height about 12 inches. —*New*— ... ... Pkts. 75c. and 50c.

Trivett's Dwarf Bedding Mixed. Blended from the seed of the above named varieties. Height 12 to 15 inches.
¼ oz. $2.00 Pkts. 75c., 50c. and 30c.

GROUP 3—TALL BEDDING PETUNIAS

Height, 15 to 18 inches, single, plain edged. Branching, spreading plants, especially suitable for planting between shrubs, etc., in groups in the perennial border, in the center of beds and anywhere a little height and spreading effect is desirable.

Trivett's Blue Gem. Medium sized flowers; clear, true blue. Height 15 inches. ... ¼ oz. $2.00 Pkts. 50c., 30c. and 20c.

Trivett's Violet Bedder. Medium flowers, deep violet blue. Height 16 inches. ... ¼ oz. $1.75 Pkts. 50c., 30c. and 20c.

Trivett's Crimson Bedder. Rich dark red, medium size. Height 16 inches. ... ¼ oz. $1.50 Pkts. 50c., 30c. and 20c.

Trivett's White Bedder. Medium size, pure white flowers. Height 18 inches. ... ¼ oz. $1.50 Pkts. 50c., 30c. and 20c.

Flaming Velvet. Brilliant rich, velvety crimson or blood red. Height 18 inches. ¼ oz. $3.00 Pkts. 75c., 50c. and 30c.

Rosy Morn, Improved. Special strain, brilliant rose pink, white throat. Height 15 inches. ¼ oz. $3.50 Pkts. 75c., 50c. and 30c.

Burgundy. Burgundy or wine red, white throat.
¼ oz. $3.00 Pkts. 75c., 50c. and 30c.

Blue Bee, Reselected. Blue, like "*Viola Jersey Gem.*" Height 16 inches. ... ¼ oz. $1.50 Pkts. 50c., 30c. and 20c.

Howard's Star, Reselected. Velvety dark purple with large white star. Height 18 inches. ¼ oz. $2.00 Pkts. 50c., 30c. and 20c.

Trivett's Tall Bedding Mixed. All the above-named sort mixed. Height 15 to 18 inches. ¼ oz. $2.00 Pkts. 50c., 30c. and 20c.

GROUP 4—BALCONY TYPE (Townhall Strain)

Height 15 to 18 inches, good size, plain edges. This strain branches from the ground and is admirably suited for balconies, window boxes, outdoor vases, hanging baskets, flower borders and where informal, spreading or branching effects are desired.

Balcony Townhall Blue
Balcony Townhall White
Balcony Townhall Pink
Balcony Townhall Crimson
Balcony Townhall Royal
Like reddish purple plush.
Balcony Townhall Steel Blue
Balcony Townhall Cornflower Blue
Balcony Townhall Coppery Rose
Balcony Townhall Star. Violet star with white blotches.
Balcony Townhall Mixed

Price: Above Balcony sorts, each:
¼ oz. $4.50 Pkts. 75c., 50c. and 30c.

PETUNIAS (*Continued*)

For the Monstrous Flowering, Single and Double, see following pages

"I wish you to know I have been more than pleased with your Petunias; your strains of the large Fancy Fringed and Ruffled varieties are the best I have ever grown, and they have made a fine show this year."
MR. J. WOODGER
Supt.-Head Gardener to WALTER P. CHRYSLER, Esq.

GROUP 5—DWARF LARGE-FLOWERED

Height 10 to 12 inches. Plain edged flowers similar in habit to our Dwarf Bedding sorts (Group 2) but having much larger flowers, making a veritable cloud of blossoms. Uses, the same as Group 2.

Trivett's White Cloud. The best dwarf, large, plain edged pure white Petunia; compact, bushy plants about 12 inches high. The flowers measure about 3 inches across.
In packets only ... ... Pkts. $1.25 and 75c.

Trivett's Pink Cloud. A fine companion to our "White Cloud"—same habit. The color is a beautiful shade of clear true pink.
In packets only ... ... Pkts. $1.25 and 75c.

Trivett's Violet Cloud. Charming shade of violet blue with a silvery white edging around the petals. Height about 12 inches.
In packets only ... ... Pkts. $1.25 and 75c.

Trivett's Crimson Cloud. Rich, deep crimson red with white center. Very nice edged with dwarf yellow Phlox. Height about 12 inches. *In packets only* ... ... Pkts. $1.25 and 75c.

Trivett's Cloud Mixture. A mixture of the above sorts.
In packets only ... ... Pkts. $1.25 and 75c.

GROUP 6—TALL LARGE-FLOWERED

Height 18 inches up. Plain edged flowers. Similar in habit of growth to our Tall Bedding (Group 3), but the flowers are very much larger. Purposes same as Group 3.

Royal Scarlet. Attractive brilliant scarlet. Height 15 inches.
—New— ... ... Pkts. $1.50 and 75c.

Royal White. A fine, large flowering pure white Petunia.
Royal Lavender. An unusual and charming pale lavender shade.
Royal Dark Rose. A Strawberry rose shade, rosy red.
Royal Violet. Large-flowered, rich, dark violet blue; choice.
Royal Purple. A true, rich velvety purple; large blooms.
Royal Mixed. A mixture of the above choice kinds.
Price: The above sorts except "Royal Scarlet":
1/16 oz. $4.50 Pkts. $1.00 and 50c.

"We have tried many times the so-called Double seed from different sources without success, but, during the past two years our gardens have been full of big, double, fragrant Petunias grown from your 'All Double' varieties."
MR. FRED LEWIS
Supt.-Head Gardener to MRS. WINSTON HAGEN

GROUP 7—DWARF LARGE-FRINGED

Height 10 to 14 inches. Fringed and frilled edges. A charming, high class type with large blossoms the edges of which are beautifully fringed or laciniated, resembling the finest lace. Ideal for beds, borders, outdoor vases, pots and any purpose for which Petunias may be used. Hand pollenized.

Trivett's White Lace. *Illustrated.* Beautifully fringed, pure white blossoms about 2½ inches across. Height 12 inches. Very choice.

Trivett's Shell Pink Fringed. A charming shade of pale pink, nicely fringed. Height 12 inches. Very desirable.

Trivett's Setting Sun (Rose Pink Fringed.) Brilliant rose pink, fringed flowers about 3 inches across. Height 12 inches.

Trivett's Venosa. A white ground tinted with lilac and violet veins and throat. Delicately fringed blossoms. 10 inches.

Trivett's Yellow Fringed. Soft creamy yellow; makes a fine contrast to *"Trivett's Crimson Fringed"* or *"Trivett's Silver Blue Fringed."* Height 14 inches.

Trivett's Lilac Fringed. A pleasing shade of soft lilac. Height about 10 inches. Large, well fringed.

Trivett's Silver Blue Fringed. Delicate, soft silvery blue, nicely fringed. Height 10 inches. Profuse bloomer.

Trivett's Crimson Fringed. A dark crimson companion to our white or yellow. 12 inches high.

Trivett's Violet-blue Fringed. Fine Violet-blue shade. 10 inches.

Trivett's Dwarf Fringed Mixed. A fine mixture of fringed sorts. Height 12 inches.

Price: Each of the above Fringed Sorts:
In packets only ... ... Pkts. $1.25 and 75c.

Note—*For Tall Large Fringed Sorts, see next page*

Dainty Lady. Medium size, delicate yellow fringed flowers. Semi-dwarf, about 15 inches. ... ... Pkts. $1.25 and 75c.

Martha Washington. Only about 9 inches high and smothered with medium sized, fringed and ruffled flowers. Wine red with dark throat. ... ... 1/16 oz. $4.50 Pkts. 75c. and 50c.

T.T.S. **DWARF FRINGED PETUNIA—Trivett's White Lace (Group 7)**

GROUP 8—DWARF RUFFLED SORTS

Height 12 inches. Waved and ruffled edges. (*Improved Giants of California*) These differ from Group 7, principally in the formation of the blossoms; instead of being finely fringed they are waved and ruffled. They may be used for similar purposes.

Dwarf Ruffled Rose. Deep pink veined with red. 5½ inches across.

Dwarf Ruffled Crimson. Flowers 5½ inches across; dark throat.

Dwarf Ruffled Scarlet. 4½ inches across, splashed with white.

Dwarf Ruffled Pink. Large, ruffled blush pink, softly tinted deeper pink.

Dwarf Ruffled White. The largest and best dwarf white.

Dwarf Ruffled Mixed.

Price: Each, above six:
Pkts. $1.25 and 75c.

Note—*For Tall Ruffled Monsters, see next page.*

Trivett's Ruffled Gem. Only about 8 inches high and covered with medium sized flowers; blush pink with dark red center. ... ... Pkt. 75c.

Dwarf Giants of California Mixed (Improved). Large, ruffled flower on dwarf plants. Choice colors mixed.
1/32 oz. $4.50 Pkts. $1.25 and 75c.

TRIVETT'S PETUNIAS (*Continued*)

Give Culture B, and if possible, use sterilized soil.

GROUP 9—BIG, DEEP THROATED

(Single, Plain Edged)

Height 18 inches and over. *Seed very scarce and costly.*

Trivett's Large White. Pure white, large flowers.

Trivett's Large Blue. Rich, deep shining blue.

Trivett's Large Crimson. Deep, rich crimson.

Trivett's Large Rose. Dark rose, enormous flowers.

Trivett's Large Green Edged. Reddish purple veined and edged with green.

Trivett's Large Purple. Rich, dark velvety blue purple edged with silver.

Trivett's Large Steel Blue. Light blue veined with deep blue.

Trivett's Large Silver Lilac. Lovely, soft lilac.

Trivett's Large Choice Mixed. Large, plain edged.

Each: Above Large Singles Pkts. $1.25, 75c., and 50c.

Diener's Pink Glory (*Improved*). Immense blossoms of flaming clear rose pink without a trace of purple. Slightly ruffled. ... ... Pkts. $1.25, 75c. and 50c.

GROUP 10—SINGLE RUFFLED MONSTERS

Height 20 inches. Single flowers with ruffled and fringed edges.

Trivett's Fragrant Mauve. A delightful color; big, ruffled, 5 inch blossoms. Sweet-scented.

Trivett's King George. Charming shade of pink with rosy red veins. Deep, dark throat; large, frilled flowers.

Trivett's Yellow Throated. Superb, dark mauve with large yellow throat and black center.

Trivett's Silver Rose. Silver pink flowers flushed with rosy red.

Trivett's Violet Blue. Deep violet blue with black throat.

Trivett's Salmon. Attractive light salmon, shaded deeper.

Trivett's Empress. Extra large, fringed flowers of lilac blue, veined with dark blue.

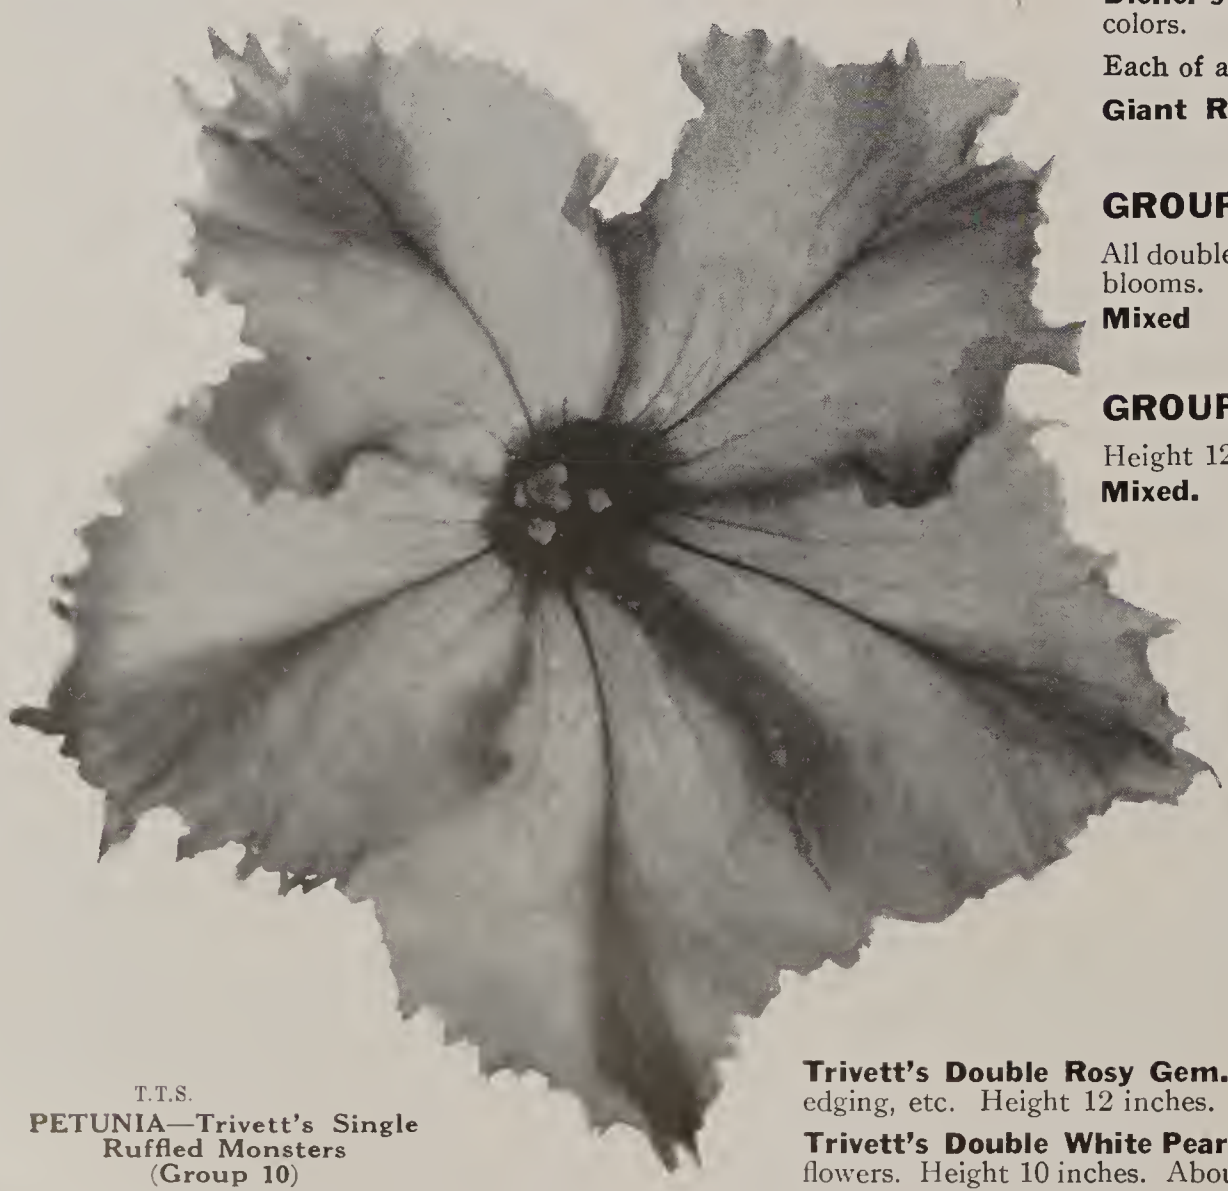

Trivett's Floretta. Large blossoms, nicely ruffled edges. The color is clear steel blue veined with dark blue.

Trivett's Theodosia. Magnificent frilled and ruffled flowers of good size. Pure rose pink with golden throat. *Very choice.*

King Alphonso. Large, boldly waved and fringed flowers of very dark crimson, deepening to black in the throat.

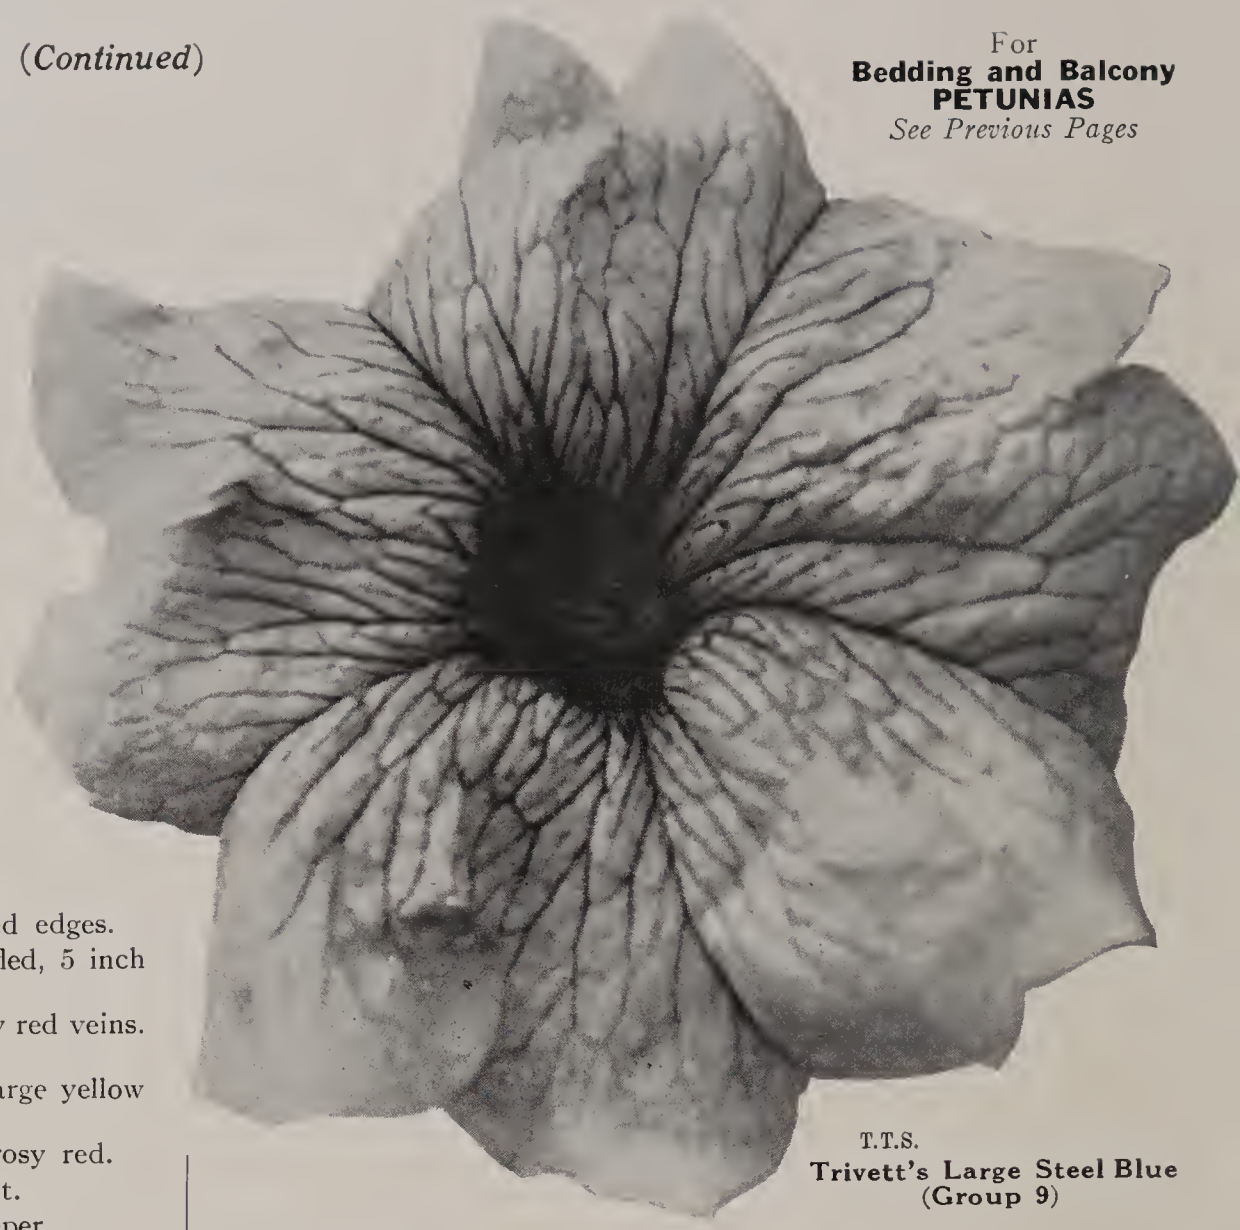

Trivett's Ruffled Monsters Mixed. Choice colors.

Each of above eleven ... ... Pkts. $1.50, $1.00 and 75c.

Trivett's Double White Pearl. Charming little plants covered with small, double white flowers. Height 10 inches. About 50 per cent double. ... ... Pkt. 50c.

DOUBLE PETUNIAS

Seeds of high class, double-flowering Petunias are exceedingly scarce and valuable.

The All-Double or 100 per cent Double Flowering Strain is a recent accomplishment.

A tremendous amount of human care, special culture, and hand pollenization is required to produce a few ounces of seed and actually worth between $200.00 and $300.00 per ounce at wholesale.

Group 11

TRIVETT'S PEONY-FLOWERED
All-Double or 100 Per Cent Double

Height 10 to 14 inches, with large, double flowers measuring 4 to 5 inches across. The petals are waved and ruffled. They are especially desirable for outdoor vases, special group of specimen planting, rockeries, and very valuable as pot plants.

Victorious Dwarf Purple. Dark velvety purple.

Victorious Dwarf Rosy Carmine (*World Beauty*). A lively shade of rosy red.

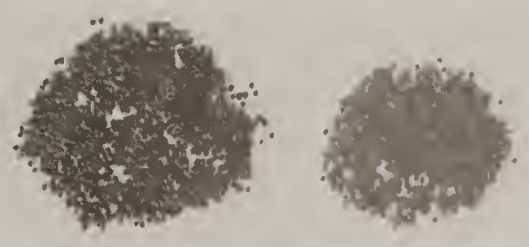

Victorious Dwarf Apple Blossom. A lovely soft, light pink with salmon tints at base of petals.

Victorious Dwarf Red. Rich color.

Victorious Dwarf Veined. Amaranth pink, veined with purple.

Victorious Dwarf Mixed. *Illustrated in colors.*

Price: Each ... Pkts. $3.50, $2.00 and $1.25

T.T.S.

Our photograph shows in actual size the $2.50 and $1.25 packets of **Trivett's Peony-flowered Petunias Mixed.** These seeds cost between $250.00 and $300.00 for one ounce at wholesale. Our packets contain about 1,025 and 725 seeds respectively and the 75c. pkt. (not shown) about 350 seeds

Trivett's Brilliant ANNUAL POPPIES · PAPAVER *Pah-pay-ver*

SELECTED STRAINS—EASILY GROWN—BRILLIANT COLORS FOR GARDEN AND CUTTING

The seed should be sown outdoors during April, May, June, where they are intended to bloom, and the young plants should be thinned out to 6 or 12 inches apart. Poppies do not usually transplant successfully. The seeds are very fine and should be very lightly covered, if at all. They can simply be pressed into the soil. Give *Culture A*. Different sowings can be made for a succession of bloom and a sowing can be made in September for early flowers the following year.

SINGLE ANNUAL POPPIES

Annual Poppies are splendid subjects for mass planting and can be sown broadcast. They are very useful for the flower border and if desired for cutting they should be taken just as the buds open, when they will open in water and last longer.

Trivett's Shirley Wild Rose. Beautiful soft wild rose pink. A special color, always admired.
¼ lb. $4.00 Oz. $1.50 ¼ oz. 50c. Pkts. 25c. and 15c.

Trivett's Shirley Picotee. White flowers with picotee edge of rich carmine pink; very attractive.
¼ lb. $4.00 Oz. $1.50 ¼ oz. 50c. Pkts. 25c. and 15c.

Trivett's Shirley Salmon Shades. Beautiful salmon tints. Height about 20 inches. Very choice.
¼ lb. $4.00 Oz. $1.50 ¼ oz. 50c. Pkts. 25c. and 15c.

Trivett's Shirley White. Lovely satin white, the flowers seem to be made from fine silk and are nicely crinkled.
¼ lb. $4.00 Oz. $1.50 ¼ oz. 50c. Pkts. 25c. and 15c.

Trivett's Shirley Orange. A gorgeous orange-scarlet with golden anthers and pale yellow center.
¼ lb. $4.00 Oz. $1.50 ¼ oz. 50c. Pkts. 25c. and 15c.

Trivett's Shirley Blue Shades. Various tints of gray-blue. Height 2 feet. Should be grown separately from other Shirley Poppies.
¼ lb. $4.00 Oz. $1.50 ¼ oz. 50c. Pkts. 25c. and 15c.

Trivett's Shirley Special Mixed. Containing the most lovely tints and new art shades. 2 feet.
¼ lb. $4.00 Oz. $1.50 ¼ oz. 50c. Pkts. 15c. and 10c.

Fairy Shirley Mixed. *New.* Giant Shirley Poppies. The flowers measure 5 inches across, produced on bushy plants; the cut flowers last well. Beautiful art shades mixed.
¼ lb. $9.00 Oz. $3.00 ¼ oz. $1.00 Pkts. 35c. and 20c.

Trivett's Baby Shirley. Only 1 foot high, covered with an abundance of small flowers in many lovely shades. Mixed.
¼ lb. $9.00 Oz. $3.00 ¼ oz. $1.00 Pkts. 35c. and 20c.

American Legion. Brilliant orange scarlet with golden yellow anthers.
¼ lb. $4.00 Oz. $1.50 ¼ oz. 50c. Pkt. 15c.

Chocolate Prince. Rich brownish-black, fringed flowers. Fine companion to a yellow flower.
¼ lb. $4.00 Oz. $1.50 ¼ oz. 50c. Pkts. 25c. and 15c.

Daneborg (Victoria Cross Poppy). Scarlet with white.
¼ lb. $2.75 Oz. 90c. ¼ oz. 30c. Pkt. 10c.

Flanders Scarlet (The Battlefield Poppy).
¼ lb. $2.75 Oz. 90c. ¼ oz. 30c. Pkt. 10c.

Glaucum (Tulip Poppy). Dazzling scarlet. 15 inches.
¼ lb. $4.00 Oz. $1.50 ¼ oz. 50c. Pkts. 25c. and 15c.

The Bride. Large pure snowy white.
¼ lb. $2.75 Oz. 90c. ¼ oz. 30c. Pkt. 10c.

CALIFORNIA POPPY. See **Eschscholtzia.**

MEXICAN POPPY. See **Hunnemannia.**

TULIP POPPY. See **Poppy glaucum,** also **Hunnemannia.**

WELSH POPPY. See **Meconopsis.**

T.T.S.

Seeds which must be sown outdoors in the open garden should be supplied in packets of generous quantities; in fact, this is essential in most instances to fight against the forces of destruction. The photograph above illustrates the actual size of our 25c. packet of Poppy, TRIVETT'S SHIRLEY SPECIAL MIXED — 10,500 seeds, hand counted

T.T.S.

SINGLE POPPY—Trivett's Shirley Special Mixed
For cut flowers they should be taken just as the buds open

DOUBLE ANNUAL POPPIES

Double Annual poppies are especially fine for cutting and should be cut when the buds are half open. Easily grown. Sow the seed outdoor. Give *Culture A*.

Double Olympia. The first large double Oriental Poppy. 40–50 per cent double flowers. Attractive, light scarlet color. About 3 feet high. Blooms from the middle of May onwards. ... ... Pkt. 35c.

TRIVETT'S ICELAND POPPIES

Lovely subjects for the flower border, rockery, cuttings, etc. Plants lifted with a good ball of soil from the garden in the Autumn and grown in a cool greenhouse provide splendid cut flowers during the late Winter.

Trivett's Apricot. Charming, bright shades of apricot color. *A valuable cut flower for the high class florist trade.* ... ¼ oz. $2.50 ⅛ oz. $1.50 Pkts. 50c. and 30c.

Amurense, Yellow Wonder. *S.M. All-American Selections.* Although a perennial it will bloom the first year from seed and can therefore be treated as an annual. Very large flower of bright buttercup yellow on long, wiry stems, 24 to 26 inches in length. Will keep for ten days when cut. Reproduces 100 per cent true to color from seed.
¼ oz. $2.00 ⅛ oz. $1.25 Pkts. 50c. and 30c.

Trivett's Imperial Jewels (Florist's Favorite). *Illustrated.* Beautifully frilled flowers, 4 to 5 inches across on long, strong, wiry stems, 20 to 24 inches. The color range includes the newest and most lovely shades of colors in splendid mixture.
¼ oz. $2.50 ⅛ oz. $1.50 Pkts. 50c. and 30c.

The Wonder. Flowers as big as "Tea Cups" in about 15 colors. This is the most sensational break in Giant Iceland Poppies. *Award of Merit,* R.H.S. ... ... (*Packets only*) Pkts. 75c. and 50c.

The Emperor. The Emperor stands in a class by itself. Although a perennial, will bloom the first season from seed. Deep tangerine orange color on wiry stems about 20 inches high. Grand for cutting.
¼ oz. $2.00 ⅛ oz. $1.25 Pkts. 50c. and 30c.

Gartref Hybrids Mixed. Very large, 4 to 5 inches across; beautiful art shades mixed. ¼ oz. $3.75 ⅛ oz. $2.00 Pkts. 75c. and 50c.

Coonara Pink. Charming shades of rose, pink, apricot; large single; choice. ... ... ¼ oz. $2.00 ⅛ oz. $1.25 Pkts. 50c. and 30c.

Single White. Pure white. ¼ oz. $1.00 ⅛ oz. 75c. Pkt. 25c.
Single Orange. Very attractive. ¼ oz. $1.00 ⅛ oz. 75c. Pkt. 25c.
Single Yellow. Soft color. ¼ oz. $1.00 ⅛ oz. 75c. Pkt. 25c.

Mixed Sunbeam, Improved. A wonderful mixture of beautiful large single Iceland Poppies on long stems. Special strain.
¼ oz. $1.75 ⅛ oz. $1.00 Pkts. 35c. and 20c.

T.T.S. **POINCIANA—Gilliesi**

T.T.S.

ICELAND POPPY—Trivett's Imperial Jewels

SINGLE GIANT FLOWERED

Trivett's Single Ruby Red
Trivett's Single White
Trivett's Single Pink
Trivett's Single Scarlet
Trivett's Single Rose
Trivett's Single Giant Mixed

Each: ⅛ oz. $2.00 Pkts. 50c. and 30c.

OTHER SINGLE VARIETIES

Single White Queen
Single Shell Pink
Single Rose Queen
Single Crimson Queen
Single Blood Red
Single Choice Mixed

Each: ¼ oz. $1.50 ⅛ oz. 85c. Pkt. 25c.

ORNAMENTAL PYRETHRUMS

Valuable for beds, edging, pots, rockery, etc.

Trivett's Silver-leaved. Attractive, silver-gray, fern-like foliage. 8 inches high. Pkts. 75c. and 50c.

Golden Feather. Yellow, fern-like leaves. 6 inches high. ¼ oz. 50c. Pkt. 15c.

TURFING DAISY PYRETHRUM

Grows where grass will not. Spreading, densely, fern-leaved, hardy perennial, recommended for those difficult places—dry, poor soil, much-trodden places, under trees (if not too shady); forms a close turf. The white flowers should be cut off. Sow the seed in beds and transplant, allowing a few inches apart.
¼ lb. $9.00 Oz. $3.00 Pkt. 25c.

T.T.S. PORTULACA—Trivett's Improved Double

TRIVETT'S SELECTED PRIMULAS

Prize Winning Strains. Choice Greenhouse Saved Seed, Hand Pollinated

Not recommended to the amateur grower unless in possession of greenhouse, conservatory or similar facilities. Successive sowings should be made from March to June, in shallow seed pans, in a compost consisting of two parts leafmold, one part loam, and one part sand. Cover the seed lightly and place in a temperature ranging from 50 to 60 degrees. Keep the seed almost dark. As soon as the seedlings appear, prick them off into boxes or pans in a compost similar to above. When the plants are large enough put into 3 in. pots, adding a little more loam to the compost; shift into larger pots later. All Primulas prefer a cool temperature.

PRIMULA Sinensis—Trivett's Giant White King

PRIMULA SINENSIS

The beautiful Fringed Chinese Primrose. Greenhouse or indoor pot plant. Height about 9 inches.

TRIVETT'S GIANT VARIETIES

Trivett's Strawberry Red. The color is dark Strawberry red, washed over with a coppery red shade.

Trivett's Orange King. Beautiful, rich, orange color toned with a wash of salmon; magnificent.

Trivett's Pastel Pink. Largest of all. Soft pale pink, immense flowers of heavy substance on vigorous, healthy plants. *Highly recommended.*

Trivett's Giant White King. *Illustrated.* Very large, beautifully fringed blossoms of pure white. Very free flowering.

Trivett's Giant Salmon. This is an exquisite color and is one of the most popular. Lovely salmon color.

Trivett's Giant Terra Cotta. A glowing salmon-pink, full of life and very attractive under artificial light.

Trivett's Giant True Blue. Perhaps the finest blue, very large blooms and beautifully fringed. *Highly recommended.*

Trivett's Giant Rose. A charming, soft rose-pink; always a desirable color; large, fringed blooms.

Trivett's Giant Mixed. Greatly improved *Chinese Primrose*; extra large individual blooms on plants of fine habit, and in a range of choice colors.

Prices: Any of the above colors and Mixed:
Each ... ... Pkts. $1.25 and 75c.

SINGLE VARIETIES

Giant Dazzler. *Award of Merit*, The Royal Horticultural Society. The most vivid of all flowers, brilliant orange-red, about 20 blooms open at one time, produced well above the attractive foliage.

Sutton's The Duchess (*Sutton's Seed*). Large white flowers with a zone of bright carmine surrounding a clear yellow eye.

Sutton's Reading Blue (*Sutton's Seed*). One of the best blue Primulas; fine, upright trusses.

Sutton's Giant Salmon Pink. Terra cotta pink.

Sutton's Giant White. Enormous blossoms.

Prices: Any of the above. Each ... ... Pkts. $1.25 and 75c.

DOUBLE VARIETIES

Trivett's Double White Queen. This is very choice, large, double fringed blooms of pure white; a high class pot plant.

Trivett's Double Rose Queen. Large, beautifully fringed double blooms of deep rose pink.

Double Dazzler. Comes true from seed, the same vivid orange-scarlet of *Giant Dazzler Single.* A valuable and uncommon pot plant.

Trivett's Double Carnation-flowered. A mixture of fine colors. The blooms are formed like a Carnation and are twice the size of the regular double Primula. Comes almost true from seed. *Highly recommended.*

Prices: Any of the above Double Colors and Mixed:
Each ... ... Pkts. $1.25 and 75c.

PROFESSIONAL GARDENERS USE TRIVETT'S PRIMULA SEED FOR THE PRODUCTION OF THEIR PRIZE-WINNING SPECIMENS

FLORIST-GROWERS ENJOY QUICKER AND MORE PROFITABLE SALES WITH OUR HIGH CLASS PRIMULAS

STAR PRIMULA—Trivett's Blue Star—Soft lavender blue

STAR PRIMULAS (*Primula stellata*)

Our strain of these free blooming Primulas is unsurpassed. Suitable for cutting and as pot plants, producing loose, graceful sprays of flowers in lovely clear colors.

Trivett's Avalanche Star. The largest and finest white sort. A very free flowering variety and a great improvement over other white sorts. *Highly recommended.*

Trivett's Coral Pink Star. A rich creamy pink; one of the most desirable colors. Makes a pleasing effect together with our "Blue Star." The plants are very free-flowering and the habit is excellent. *Very highly recommended.*

Trivett's Pink Star. Lovely soft pink color. A charming shade.

Trivett's Orange Star. Most attractive, fine orange pink color.

Trivett's Dark Blue Star. Violet blue with yellow eye. Very fine.

Trivett's Blue Star. *Illustrated.* Charming soft lavender blue.

Trivett's Salmon Star. Brilliant, rich rosy salmon color. Choice.

Trivett's Ruby Star. Beautiful, dark rich ruby red. Very choice sort.

Samuel Ryder (*New*). Large, fringed individual blossoms of pure orange-salmon with canary yellow eye. Produced in whorls on upright, wiry stems.

Trivett's Mixed Star. All the finest colors in mixture.

Any of the above Star Primulas .. Pkts. $1.50, $1.00 and 75c.

The seed of Primula Stellata, "Star Primula" and the Sinensis types may be sown in succession from March to June in a temperature not higher than 70% or lower than 50% until the seed has germinated. Immediately the seedlings are large enough to handle, prick them off into small pots, placing a number of them around the inside rim of each pot, water carefully and shade when necessary. As soon as the young plants have developed sufficiently, transplant them, one to a 2¼ in. pot and when the pots become filled with roots shift to larger pots. *Do not subject Greenhouse Primulas to heat, the cooler they are grown, the better. Generally speaking "Carnation temperature," 50° to 55° is suitable.*

Primula obconica seed may be sown in succession from February to July. From the Winter sowing they will commence blooming in the Autumn and continue into the Winter months.

PRIMULA OBCONICA (*Gigantea*)

The Everblooming Primrose

Trivett's Pink King. Rich, deep pink with contrasting yellow eye; an outstanding sort.

Trivett's Triumph Rose. Brilliant dark rose, immense trusses of extra large blooms on robust, compact plants. *Highly recommended.*

Trivett's Giant Appleblossom. *New.* A lovely light pink shade; a color that is much desired. The blossoms are of true giant size.

Trivett's Giant White King. We believe this is the largest white sort; big, round blossoms in massive bunches well above the foliage.

Trivett's Triumph Red. Similar to above, but of rich, glowing red color. A very attractive variety.

Trivett's Giant Sky Blue. *New.* A lovely shade of light heavenly blue. Very beautiful.

Trivett's Wyaston Wonder. *New.* A very large-flowered variety; perhaps the largest in existence. The huge heads of brilliant crimson flowers are held erect on strong stems well above the foliage and in spite of the vigorous growth the plants are compact and neat in appearance. *Grand, big specimen plants can be grown of this variety.*

Trivett's Salmon Queen. Color deep salmon pink, large trusses of bloom. Not quite so large as the others.

Trivett's Triumph Mixed. A mixture of all of our giant varieties.

Prices, each above nine ... ... Pkts. $1.50, $1.00 and 75c.

Fasbender White. A very large pure white variety.

Fasbender Pink. Splendid big blossoms of rosy pink color.

Mueller's Giant Rose. Popular large-flowered German strain; rich bright rose.

Mohnstein's Red. Splendid large, deep red.

Giant Blue. Beautiful soft blue; large flowers of good substance.

Giant White. Snow white.

Giant Mixed. Including the above varieties and other fine colors.

Prices, each above seven ... ... Pkts. $1.25 and 75c.

Double Portland Beauty. *New.* A remarkable Primula obconica, with double blossoms in shades of pink, lavender-pink and rose mixed. *The seed supply is limited.* ... ... Pkt. $1.50

Trivett's Single-Flowered
PRIMULA MALACOIDES

Our strains of Primula Malacoides, "The Fairy Primrose," typify the great improvements that have been accomplished in plant habit, size of flowers and colors. They are consistent prize-winners at the various shows throughout the country. Sow the seed during May-June-July for flowering during the Winter months.

Trivett's Red Beauty. A fine, rich bright red the color that has been so much desired in Primula malacoides; free flowering.

Trivett's Salmon Beauty. A charming shade of soft salmon-pink or cream-pink set off by a yellow center; very choice.

Trivett's White Beauty. We consider our "White Beauty" the best white so far introduced. *A well-known prize-winner at the shows.*

Trivett's Blue Beauty. This fine lavender-blue that has become very popular; not a common color; graceful sprays for cutting.

Trivett's Pink Beauty. Rich, glowing deep pink. An improved "Dawkin's Pink." One of our most charming. Free-flowering and perfect habit.

Trivett's Purple Beauty. Unusual color in Primula malacoides; deep rich purple and the plants have a nice, compact habit.

Trivett's Scarlet Beauty. Unique, the nearest to a scarlet; a very attractive color. Graceful sprays of flowers; a desirable variety.

Trivett's Malacoides Mixed. A special blend of our "Beauty" varieties.

Prices: Any of the above "Beauty" colors or Mixed:
Pkts. $1.50, $1.00 and 75c.

OTHER SINGLE MALACOIDES VARIETIES

Trivett's Giant Fringed. *New.* A new type having large, individual blossoms beautifully laciniated and fringed. Closely set in whorls on strong stems. The center is yellow, surrounded with a broad zone of lilac which becomes pale, silvery lilac towards the outer edges. Unique and beautiful. *Seed supply limited.*

Trivett's American Legion. *New.* An exceptional vigorous grower, the flowers are large and are produced in bunches on strong, sturdy stems. The color is dark, rich crimson. A grand pot plant.

Trivett's True Rose. Similar in habit to our graceful "Beauty" type. A true, rich pink. An improvement over most Pinks.

Trivett's Dwarf Eclipse. This is a splendid type; large flowers of deep lavender-pink, produced in great abundance.

Trivett's Baby Salmon. A little beauty; very dwarf, compact plants. *Ideal for small pots.* Lovely salmon rose color.

Courtland's Seedling. Tall, vigorous growth; rich lilac pink.

Sutton's Giant. Often 2 feet high; large lilac pink blossoms.

Erikssoni Baby Rose. Deep, pure pink; large flowers, strong stems.

Prices: Any of the above eight varieties: Pkts. $1.25, 75c. and 50c.

T.T.S. **The above photograph illustrates the typical flower and plant habit of our "Beauty" Strain of Primula, Single Malacoides**

T.T.S. **A cut spray of Primula, Double-flowered malacoides**

Trivett's Double-Flowered
PRIMULA MALACOIDES

Our Double Primula Malacoides are of recent introduction. The double flowers give the plants the appearance of being smothered with bloom; they last longer and withstand adverse conditions better than the Singles. *Some single flowers must be expected.*

Trivett's Double Crimson. Very attractive, rich crimson-red, double flowers; long lasting pot plant.

Trivett's Double White. Snowy white, double flowers in fine sprays, on well-balanced plants.

Trivett's Double Rose. A rich shade of creamy rose pink tinted with salmon. Choice.

Trivett's Double Lavender. Soft pale blue tinted with lavender. A pastel shade.

Trivett's Double Parma Violet. A good shade of light violet, free-flowering, vigorous habit.

Trivett's Double Salmon Rose. Rich, deep salmon rose; a very desirable color.

Trivett's Double Royal Purple. Purplish violet, double blossoms on strong stems.

Trivett's Double Mixed. A choice mixture of our double varieties; for pots or cutting.

Prices: Any of the above Double Varieties—Each . . . . . Pkts. $1.50, $1.00 and 75c.

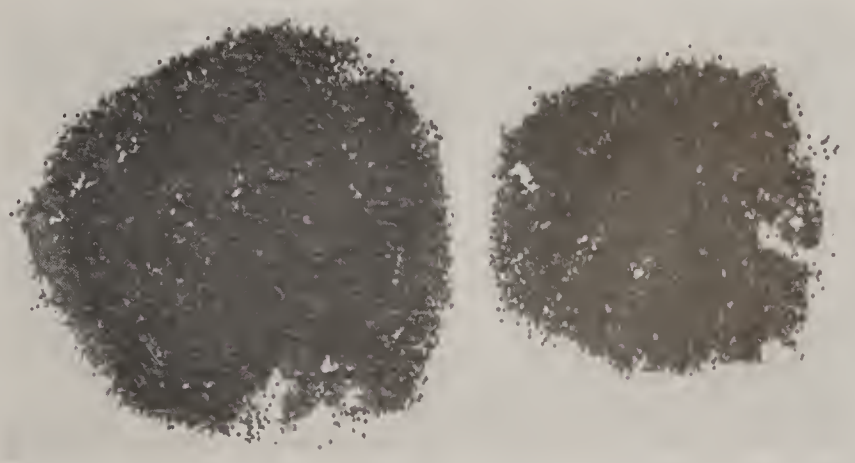

PRIMULA FORBESI

Trivett's Ruby Gem. A beautiful little Primrose that will bloom in 3 months from seed. Dwarf, bushy plants with deep ruby-purple flowers and gold eye. *Ideal small-pot plant.* Pkt. 50c.

PRIMULA KEWENSIS

A hybrid Primrose with bright yellow, sweet-scented flowers and powdered foliage. A good pot plant and useful for cutting. Pkt. 50c.

Primula polyanthus kleyni is a grand pot plant. See page 98.

The $1.50 packet (10,000 seeds) **The $1.00 packet (5,000 seeds)**

PRIMULA Malacoides—Trivett's Salmon Beauty
Within each tiny speck a complete plant is encased awaiting development

HARDY PRIMULAS

INCLUDING AURICULA, POLYANTHUS, JAPONICA, ENGLISH PRIMROSE AND HYBRIDS

The Perennial Primulas are charming subjects for naturalizing in alpine and woodland gardens, in semi-shady rockeries, on the banks of pools and brooks, etc. They prefer a moist, rich, loamy soil and a cool spot. They bloom during the Spring months into early Summer.

Primula polyanthus, japonica and *vulgaris* are easily raised from seed, germinating in from 2 to 6 weeks. Give *Culture C.* The others listed are mostly species or Hybrids and are slow to germinate, sometimes requiring from a month to a year or more, but almost certain to grow sooner or later. They should not be discarded, have patience; please consult *Culture D* (last part) for further suggestions.

PRIMULA VULGARIS—Trivett's True Blue—A Charming English Primrose

PRIMULA POLYANTHUS

Polyanthus or Bunch Primroses

Similar to the English Primrose but produced in loose bunches on thick, upright stems. They are beautiful and useful subjects for Spring flower beds, edging, mass planting, rockeries and cutting. They make charming companions to Pansies, Forget-me-nots, etc.; also splendid pot plants for the cool greenhouse.

Hardy Perennial. Height about 9 in. Blooms May-June.

Trivett's Perfection White. Large pure white. Our *Perfection Strain* is a much improved type with individual blossoms as large as a 50c. piece. For something really high class grow this strain.

Trivett's Perfection Pink. Charming clear pink.

Trivett's Perfection Yellow. Fine rich yellow.

Trivett's Perfection Red Shades. Very choice.

Trivett's Perfection Lilac Shades. Beautiful.

Trivett's Perfection Violet Shades. Choice.

Trivett's Perfection Mixed. All above colors.

Price: Each ... Pkts. $1.00 and 75c.

Trivett's Gold Laced. Very attractive sort.

Trivett's Red. Dark red and crimson shades.

Trivett's Yellow. Showy, rich yellow flowers.

Trivett's White. Bunches of pure white flowers.

Trivett's Bronze Shades. Beautiful shades of burnt orange. Mahogany, rust red, etc.

New Blue. Lovely pale blue and lavender shades.

Munstead Strain. Cream, white, yellow shades.

Kleyni. Golden yellow, apricot-orange center eye.

Superb Mixed. A grand mixture of all colors.

Price: Any of the above 9 Polyanthus: Pkts. 75c. and 50c.

Monarch Mixed. *New* 1939. See *Color illustration on page* 101. A new strain of Primula polyanthus, forming its flowers in closely set bunches, bouquet style, surprisingly attractive when planted in beds or groups. The colors are very charming and include delicate pastel shades and tints not usually found in Primula polyanthus. Owing to the compact growth and solid flower formation this strain will resist heavy Spring rains and other adverse conditions. ... ... Pkt. 50c.

PRIMULA JAPONICA

Japanese Primrose—Tall

This type is especially suitable for massing under trees and in the shady, moist rockery. They thrive in the rich, moist, cool soil of woods, etc., and beautiful permanent colonies can be established in suitable locations.

Hardy Perennial. 2 to 3 feet. Blooms in May-June.

Japonica alba. White, slightly tinted with lilac.

Japonica Purple. Rich deep shade of purple.

Japonica Crimson. Fine, attractive blood red.

Japonica Hybrids (Mixed). A choice mixture of colors.

Each: ¼ oz. $3.50 ⅛ oz. $2.00 Pkts. 75c. and 50c.

OTHER PRIMULAS

Anisodora. Of the Japonica habit, flowers of rich maroon-crimson, with bright yellow center. Blooms July-August. Height 1½ ft. Pkt. 75c.

Auricula, Prize Show Mixed. Saved from the most beautiful colors and combinations. Blooms in April-May. ... ... Pkts. 75c. and 50c.

Auricula, Yellow Sweet-scented. Charming shades of yellow, deliciously fragrant. Pkt. 75c.

Beesiana. Velvety purple flowers with gold eye. Free flowering. Height 2 ft. ... Pkt. 50c.

Bulleyana. Attractive, bright orange flowers, quite uncommon. Height 2 ft. ... Pkt. 75c.

Bulleyana Hybrids Mixed. Very pretty, cream, apricot, pink and red shades. 2 ft. ... Pkt. 75c.

Cashmiriana Hybrids. Large, globular heads R of bloom. Mixed colors. 12 in. Pkt. 75c.

Cockburniana. Umbels of brilliant orange-R scarlet flowers. Attractive. 6 in. high. Pkt. 50c.

COWSLIP. See page 44.

ENGLISH PRIMROSE. See **Primula vulgaris.**

Farinosa (*Birdseye Primrose*). Silvery gray foli-R age and rose flowers with yellow eye. Blooms in May. Height 6 in. ... ... Pkt. 50c.

Florindae. Chinese Species. Butter yellow flowers. A giant *Sikkimensis*. Height 1 ft. Pkt. 50c.

PRIMULA VULGARIS

True English Primrose

We offer seed of the genuine English Primrose, one blossom to a stem but in great abundance. They bloom in early Spring and are valuable for naturalizing in moist, shady spots, the banks of brooks, etc.

Height 4 inches. Hardy Perennial.

Vulgaris Yellow. *English Primrose.* Blooms in April-May. Ideal for rock and wild gardens, banks of pools, etc. Pale primrose yellow. Height 4 inches.

Vulgaris, Trivett's True Blue. *Illustrated.* Rich, velvety blue, same habit as the yellow.

Vulgaris, Trivett's Pink Shades. Charming pink and rose shades. Quite uncommon.

Vulgaris, Trivett's Red. Rich crimson red.

Vulgaris, Trivett's White. White, yellow eye.

Vulgaris, Choice Mixed. A fine mixture of many nice shades of the English Primrose.

Price: Any of the above colors and Mixed: Pkts. 75c., 50c. and 30c.

OTHER PRIMULAS

Pkts. $1.00 and 75c.

TALL SPLENDENS VARIETIES (3 Feet)

Annual. For large beds, flower borders and garden display.

Important—Seed of Salvia should not be kept wet, after sowing, water them and then just keep them moist until they have germinated.

The following varieties of tall Salvias are outstanding when planted in groups in the large flower border, making a grand display during the late Summer into the Autumn until killed by frost. Give *Culture B.*

Trivett's Tall Lavender. A lovely shade of lavender, harmonizing nicely with our mauve and violet sorts.

Trivett's Tall Mauve. A rich shade of mauve. 3 feet.

Trivett's Tall Violet. A fine shade of dark violet-purple. A fine contrast to our Tall White.

Trivett's Tall White. A white variety that contrasts with our other tall sorts.

Trivett's Tall Scarlet. Bright scarlet red. *Do not plant near the other varieties except the White.*

Welwyn Pink. Brilliant, rich, salmon pink. 3 feet.

Any of the above (Packets only) Each—Pkts. 50c. and 30c.

Splendens. Tall scarlet. ... ¼ oz. $1.00 Pkt. 20c.

SEMI-DWARF, SPLENDENS TYPE (1½ Feet)

Trivett's Coral Pearl. Fine, bushy plants about 18 inches high, producing many flower spikes of rich coral pink shaded deeper.

Trivett's Parma Violet. Producing long flower spikes, similar in shade to the well known Parma Violet. Height 18 inches.

Trivett's Rose Pearl. The flowers are bright, true rose shaded with salmon. Height 18 inches.

Trivett's Salmon Pearl. Dwarf, compact plants about 15 inches high, covered with flower spikes of rich salmon pink.

Trivett's White Pearl. Snowy white flowers. A charming companion to our *Rose Pearl.* Height 18 inches.

Price: Above five, each ... ... Pkts. 50c. and 30c.

Bonfire. Fine, dwarf, compact bushes about 1½ ft. high. Brilliant scarlet flowers. Oz. $4.50 ¼ oz. $1.25 Pkt. 30c.

DWARF SPLENDENS TYPE

Trivett's Harbinger. *Dwarf Splendens type*, compact plants, 14 inches high, covered with brilliant scarlet flowers.
Pkts. 50c. and 30c.

Blaze of Fire. *New.* The earliest of all. Only 10 to 12 inches high, brilliant scarlet. *See illustration on page* 103. Pkt. 50c.

T.T.S. **SALVIA— Semi-Dwarf Splendens Bonfire**

SALVIA *(Continued)*

Trivett's Oriental. *New. Annual.* Splendens type, growing about 2½ feet high. The flowers are white, heavily streaked and striped with Oriental red. Odd and attractive. Pkts. 50c. and 30c.

Trivett's Ostrich Plume. A double *Salvia splendens*, scarlet plume-like spikes; very fine. Height about 2 feet.
¼ oz. $1.50 Pkts. 35c. and 20c.

Argentea. *Perennial.* Worth growing for the large, ornamental white leaves and white flowers. A splendid subject for the border. Height 4 feet. ... ... ¼ oz. 50c. Pkt. 15c.

Blue Beard. *Annual.* (*Horminum*). An attractive plant with showy spikes of bright purple-blue bracts. Height 18 inches.
Pkts. 25c. and 15c.

Carduacea. *Annual.* (*Thistle Sage*). The flower heads are tangled, silky gossamer, from which peer out the daintiest of wavy-edged, sky blue blossoms. The plant is silvered with down.
¼ oz. $1.00 Pkt. 20c.

Clary. See **Salvia Horminum.**

Dichroa magnifica. Handsome, stately perennial plant, 3 feet high, with long, elegant spikes of pure, deep lavender flowers with white center. Eminently adapted for the perennial border, between shrubs, etc. ... ... Pkt. 50c.

Glutinosa. *Perennial.* (*The Yellow Salvia*). Pale yellow flowers; fine for the perennial border. Height 3 feet. ... ... Pkt. 50c.

Horminum, Pink Gem. *Annual.* (*Clary*). An elegant plant with long sprays of rose-pink with white flowers. Height 2 feet.
¼ oz. 50c. Pkt. 10c.

Horminum, Violet Blue. *Annual.* (*Clary*). Similar to the preceding, showy spikes of violet-blue with white. ¼ oz. 50c. Pkt. 10c.

Jurisici. *Perennial.* Quite unlike any other Salvia. A splendid species with large flowers of violet blue and pinnate, deep green foliage.
Pkt. 35c.

Sweet-scented. *Perennial.* (*S. bracteata*). Spikes of filmy lavender flowers that are fragrant. A good, hardy perennial. Height about 18 inches. ... ... Pkt. 25c.

Turkestanica. *Perennial.* A grand subject for the perennial border, white with pinkish-lilac bracts. Height 3 to 4 feet.
¼ oz. $1.00 Pkt. 20c.

Verbascifolia, Syria. *Perennial.* Showy light blue flowers with white and marked with purple, woolly foliage. Height 4 feet.
¼ oz. $1.00 Pkt. 20c.

"As a professional gardener I consider your Tested Seeds valuable and necessary to the satisfactory production of first-class flowers. They are dependable in growth and true to name."

MR. W. WEISSMAN
Superintendent-Head Gardener to
BRADLEY MARTIN, Esq.

T.T.S. **NEW DWARF SALVIA SPLENDENS**
"Blaze of Fire"
Only 10 or 12 inches high. The earliest of all. *See page* 102

T.T.S. **SALVIA DICHROA MAGNIFICA**
A fine plant for the perennial border

SANDERSONIA *South African Christmas Bells* *S. African Golden Lily-of-valley*

Bulbous, Lily-like flower. Culture C.

"We have always had good results with your seeds, and have used them for many years. Your special varieties of Annual Scabious are the best I have ever grown."
MR. T. MOORE
Supt.-Head Gardener to VAN S. MERLE-SMITH, ESQ.

T.T.S. **SCHIZANTHUS—Trivett's New Giants**

"Your strains of Schizanthus are worthy of the highest recommendation. We had a splendid collection in the greenhouses this Winter. The colors and markings of your 'New Giants' with their large, individual blossoms were very attractive. We were especially pleased with the lovely self colors and pastel shades of your 'Pansy-flowered' type, the large, wide open florets and free flowering habit."

MR. WALTER J. WOODGER
Superintendent-Head Gardener to
CHARLES STEELE, Esq.

SCHIZANTHUS (*Butterfly Flower*)

Sky-zan-thus

(VERY CHOICE STRAINS)

Elegant, free flowering annuals for outdoors in Summer and greenhouse in Winter. Height about 1½ feet.

Trivett's New Giants. We have been fortunate in securing this grand strain for our customers. Immense flowers in many colors on plants of fine habit, which can be grown on into wonderful large specimens if desired by repotting.
5 pkts. $4.50 Pkt. $1.00

Canadian Super Giant. A grand strain. The individual blossoms measure 2 inches and over across; distinct and superior. The plants are healthy, vigorous growers, and covered with flowers of rich colors and unusual markings. Pkt. $1.25

Pansy Flowered (Danbury Park). Quite a new type of this popular plant. The large, smooth edged flowers resemble a Pansy or Viola in shape, while the colors are extremely brilliant, being rich shades of pink, crimson, mauve, purple. In mixture only. ... ... Pkt. 75c.

Wisetonensis, Sutton's Prize. (*Sutton's Seed.*) Flowers marked and margined with pink, yellow, bronze, crimson, etc. Pkt. 75c.

Trivett's Attraction. A most attractive variety. Rich carmine-rose flowers on plants of excellent habit.

Multibracteatus (glastifolius). Large sheaf of long stemmed, Cinerarialike flowers, clear rose pink with bright yellow center. Invaluable for table decoration. Height 2 feet. Likes rich soil. ... ... Pkt. 75c.

Clivorum. Strong growing hardy perennial with rich orange yellow flowers and bold foliage, well adapted for the side of ponds, streams and damp places. Height 4 to 5 feet. July-August. *Culture C.*
Oz. $3.00 ¼ oz. $1.00 Pkt. 25c.

ANNUAL SENECIO. See **Jacobaea.**

SENSITIVE PLANT. See **Mimosa.**

SHORTIA *Short-i-a. Culture C.*

Californica. Small, golden, Daisylike flowers. Produced in abundance. Annual, for edging and rockery. Height 9 inches. ... Pkt. 25c.

SIDALCEA *Sid-al-see-a Culture C*

Perennial. Tall borders. All Summer.

Trivett's White. An improved *Candida*. Produces long spikes of white flowers, resembling miniature single Hollyhocks. Height about 3 feet. Grand for the perennial border or cutting. *Rare.* ... Pkts. 75c. and 50c.

Trivett's Rosy Gem. Only 1½ feet high. Ideal for the flower border.
¼ oz. $1.50 Pkt. 25c.

Rose Queen. Rose pink, spikes of miniature Hollyhocklike flowers. Height 4 feet.
¼ oz. $1.50 Pkt. 25c.

Stark's Hybrids. Beautiful spikes of bloom, the colors range through all shades of pink. Height 2 to 4 feet. ¼ oz. $1.75 Pkt. 50c.

SILENE *Si-lee-ne* (*Campion*)

Orientalis. *Biennial.* Each branch bears large flower heads of rose color and are clove-scented. 2½ feet. *Culture E.*
¼ oz. $1.00 ⅛ oz. 60c. Pkt. 25c.

Alpestris. *Perennial.* Delightful little rock R plant of easy culture, white flowers with fringed petals. Height about 6 inches. Likes the shade. Blooms May-July. Give *Culture C.*
¼ oz. $2.50 ⅛ oz. $1.50 Pkt. 50c.

Maritima. *Perennial.* 8 inches high, white flowers. Blooms July to Sept. A grand rock plant. ... ... Pkt. 50c.

Schafta. *Perennial.* Dwarf, for rockeries and R edging. Rose pink. 4 inches.
¼ oz. $1.50 Pkt. 25c.

Annual Double Salmon. *Annual.* Beautiful clear salmon, magnificent cut flower. Height 1 foot. Give *Culture B.*
Oz. $1.50 ¼ oz. 50c. Pkt. 15c.

Armeria, Trivett's Rose. A delightful, easy annual with large heads of deep rose colored flowers. Excellent for cutting. A fine catch-crop under glass in Winter.
Oz. $1.50 ¼ oz. 50c. Pkt. 15c.

Armeria, Trivett's White. Similar to above, but pure white.
Oz. $1.50 ¼ oz. 50c. Pkt. 15c.

Chrysanthemum Leucanthemum # SHASTA DAISIES *Oxeye Daisy, Marguerite*

New Double SHASTA DAISIES

These modern double varieties are choice subjects for cutting and garden display. Ideal for florists' use. They will bloom the first season from seed if sown indoors during February or March, but do not attain perfection of flower or plant until the following year. The seed can also be sown outdoors from May to August. Fully hardy. Give *Culture C.*

Trivett's Dbl. WHITE KING
Enormous, all double white blossoms measuring 6 to 7 inches across supported on 2½ to 3 feet long, sturdy stems. The petals ☛ are beautifully fringed and interlaced, resembling a large white Chrysanthemum. The largest fully double Shasta Daisy in existence. (*In packets only*).
Pkt. (50 seeds) $1.00
25 seeds 75c.

Trivett's Double GIANT WHITE
Aster-flowered. Illustrated.
This type as will be seen from our photograph, resembles a white Aster.
⅛ oz. $3.75 1/16 oz. $2.00
Pkts. 75c. and 50c.

Trivett's Double ANEMONE-FLOWERED
The ideal cut flower.
The double white "Memorial Day Daisy." Medium size to small. *See illustration.* Long lasting when cut. Beautifully ☛ formed white blossoms on strong, wiry stems 2 feet long. Just like a double white Cosmos or Pyrethrum.
¼ oz. $3.00 ⅛ oz. $1.75
Pkts. 50c. and 30c.

Trivett's Semi-Double CHIFFON
Large flowers with several rows of beautifully frilled and laciniated petals. White with golden yellow center. *Like a big white Perennial Gaillardia.* Long, strong stems. (*Supplied in packets only*) Pkts. 75c. and 50c.

T.T.S. **SHASTA DAISY—Trivett's Double Giant White** (*Aster-flowered*)

Trivett's Single Shasta Daisies Give *Culture C.*

Prime Minister Chamberlain. *New.* Our 1939 novelty offered and named in honor of the man who worked so hard for the peace of the world. ☛ This variety produces large, pure white flowers of heavy substance, like an immense Single White Chrysanthemum; flowers have measured up to 8 and 9 inches across, held erect by strong, sturdy stems, 2½ to 3 feet long. A definite peace maker among the colors in the garden or flower border and a most valuable cut flower. ... ... (*Supplied in packets only*) Pkts. 75c. and 50c.

T.T.S. **Trivett's Double Anemone-flowered**
The Double White "Memorial Day Daisy"

FOR MAY FLOWERING

Trivett's May Wonder. The plants begin flowering in May just at a time when cut flowers are scarce in the garden. White flowers on fine, stout stems. Very valuable for cutting and perennial borders. Height about 2½ feet. ... ... Oz. $5.00 ¼ oz. $1.25 Pkts. 50c. and 30c.

FOR JUNE FLOWERING

Trivett's June Cream. Charming cream color, just a little change from the decided *Paperwhite* of most Shasta Daisies. Large-flowered, good stems for cutting. About 3 feet high.
Oz. $5.00 ¼ oz. $1.50 Pkts. 50c. and 30c.

Alaska. Popular, large, pure white on good stems. Growing about 2½ feet high.
Oz. $3.75 ¼ oz. $1.00 Pkts. 25c. and 15c.

Westralia. Really an improved *Alaska.* Very large pure white. Height 3 feet.
Oz. $3.75 ¼ oz. $1.00 Pkts. 25c. and 15c.

Elder Daisy. Medium size white flower produces in great abundance. Height about 2 feet. Fine cut flower. ... ... Oz. $2.50 ¼ oz. 85c. Pkts. 25c. and 15c.

FOR JULY AND LATER

Mrs. C. Lowthian Bell. This magnificent white Marguerite is about 5 inches across on strong, stout stems. Continues to bloom all Summer and into Autumn. Height about 3 feet.
Oz. $3.75 ¼ oz. $1.00 Pkts. 25c. and 15c.

Trivett's Annual Blooming. Although a perennial, this sort will bloom in 6 months from sowing. If sown in February will bloom in July-August. Produces an abundance of fine white Daisies ☛ for cutting. Height 2½ feet. ... ... Oz. $5.00 ¼ oz. $1.50 Pkts. 50c. and 30c.

Trivett's Fall Flowering. A fine white for September-October flowering. Height 4 feet. Good cut flower. ... ... Oz. $5.00 ¼ oz. $1.50 Pkts. 50c. and 30c.

Trivett's Selected SOLANUMS *Soh-lay-num*

An extensive and much diversified group of plants, shrubs and trees which include the Potato, Pepper, Tomato, Eggplant, etc. The species here offered are suitable for ornamental purposes, as pot plants, etc., for late Autumn and Winter use, Christmas berry plants and in conjunction with collections of ornamental Gourds.

SOLANUM CAPSICASTRUM

Jerusalem Cherry, Christmas Cherry, Cleveland Cherry, etc.

The seed may be started indoors and the plants grown in the garden during the Summer. In the late Summer, place the plants in suitable pots and grow on indoors. It usually requires 6 to 7 months from sowing to maturity, but the fruit hangs on for a considerable time.

Trivett's Red. An improved "Christmas Cherry" with large, round, Cherry-like red fruit which is well-distributed over the compact, bushy plants.
Oz. $3.00 ¼ oz. $1.00 Pkts. 35c. and 20c.

Yellow Cleveland Cherry. Round, yellow fruit on bushy plants; a fine companion plant to "Trivett's Red."
Oz. $3.00 ¼ oz. $1.00 Pkts. 35c. and 20c.

Patersoni (New Paterson). An improved strain with upright, orange-red Cherry-like fruit on compact plants. 12 inches high. *A grand florists pot plant for Christmas.*
Oz. $3.00 ¼ oz. $1.00 Pkts. 35c. and 20c.

Trivett's Tom Thumb. An ideal variety for small pots, dwarf, compact plants covered with medium-small red cherries. Oz. $3.50 ¼ oz. $1.00 Pkts. 35c. and 20c.

Nanum. The original Jerusalem Cherry. Brick-red, medium size, round berries on dwarf, bushy plants.
Oz. $2.00 ¼ oz. 65c. Pkts. 25c. and 15c.

SOLANUM CAPSICUM

Under this heading we have grouped those varieties which are commonly referred to as "Ornamental Peppers." They are ideal pot plants for indoor decorations during the Winter and the holiday season. The culture is the same as given for "Solanum Capsicastrum."

Trivett's Christmas Bell. Attractive, bell-shaped fruits, bright Christmas-red with some green fruits intermixed. A highly decorative and uncommon variety for pot culture. Very desirable for Christmas and the holiday period.
Oz. $3.00 ¼ oz. $1.00 Pkts. 35c. and 20c.

Trivett's Hollyberry. *Illustrated.* This is a quick growing type and forms its small, upright red berries in bunches like Holly (*see illustration*). Very useful when cut for florist's work and a good pot plant. ... *New* (*In packets only*) Pkt. 50c.

Trivett's Oriental. A unique variety. The green foliage is covered and marbled with creamy-white spots, the flowers are violet color and the small, conical-shaped fruit hang down. At first they are green, mottled with violet, then they turn purple and finally to red. Fruit of different colors and the flowers are usually on the plant at the same time. *Truly a most uncommon and attractive pot plant.* Quick grower.
New (*In packets only*) Pkt. 50c.

Trivett's Lemon-shaped. Bright orange-yellow color.
Oz. $2.00 ¼ oz. 65c. Pkts. 25c. and 15c.

Trivett's Red Cluster. Clusters of long, thin fruit similar to those shown in illustration at top of page. Coral-red.
Oz. $2.00 ¼ oz. 65c. Pkts. 25c. and 15c.

Trivett's Yellow Cluster. Similar to above, but yellow.
Oz. $2.00 ¼ oz. 65c. Pkts. 25c. and 15c.

T.T.S. **TRIVETT'S NOVELTY MIXTURE—Solanum capsicum**
The new ornamental Peppers, many curious shapes and colors

SOLANUM CAPSICUM—*Continued*

Bird's Eye (*Trivett's Type*). Unique and attractive little pot plant, only about 8 inches high; compact and bushy, covered with small, acorn-shaped berries which are at first white, changing to yellow, then to mauve and purple, and finally red. All these colors and some blossom are usually on the plant at the same time. Interesting and desirable. ... Oz. $3.00 ¼ oz. $1.00 Pkts. 35c. and 20c.

Trivett's Red Currant. Very small dark red berries.
Oz. $2.00 ¼ oz. 65c. Pkts. 25c. and 15c.

Trivett's Novelty Mixture. New ornamental Peppers in many different forms and colors. The plants are dwarf and compact and produce a multitude of brightly colored fruits in many curious shapes. Some entirely new varieties can be created from our seed. The fruits are edible (mostly hot) and can be used in mixed pickles. Sow the seed indoors in March and transplant to the garden in May. The developed plants should be lifted in the late Summer, placed in pots and grown on to maturity indoors. Seed may also be sown outdoors in May or June, allowing the plants sufficient space to develop (1 foot or more apart). Generally speaking they take about 6 months from seed to fruit, but the fruit holds on for a considerable time.
Oz. $3.00 ¼ oz. $1.00 Pkts. 35c. and 20c.

SOLANUM INTEGRIFOLIUM

Ornamental Eggplant. Illustrated

Trivett's Attraction. This sort grows similar to the regular Eggplant but when the foliage dies, the woody stems hold the small scarlet fruit for a considerable time. Very artistic (*See illustration*). Sow the seed indoors in February, grow the plants outdoors and place in pots at the end of the Summer after the fruit has formed. Oz. $3.00
¼ oz. $1.00 Pkts. 35c. and 20c

T.T.S. Picture of a cut-off branch of
SOLANUM CAPSICUM—Trivett's Hollyberry
Very useful for florists' work

SOLANUM seaforthianum

Flowering variety. For greenhouse in the North and outdoors in Florida and frostless sections. Umbrella-like heads of beautiful, sky blue flowers. A shrub-like vine which can be trained on wires in tubs and a lovely perennial Climber for Florida.
Pkts. $1.25 and 75c.

SOLANUM rantonetti

A beautiful flowering type that is a hardy perennial in Florida or frostless countries. A first rate pot or tub plant for greenhouse.

It is a bush-like evergreen plant about 3 feet high and is covered with charming violet-colored flowers. Very decorative. Pkt. 50c.

T.T.S. The artistically placed fruit of
SOLANUM INTEGRIFOLIUM—Trivett's Attraction

SKIMMIA, Japonica *Skim-i-ah*
Greenhouse. Ornamental berry plant.

White, sweet-scented flowers followed by bright red berries for Christmas. Similar to Holly. 3 feet. ... ... Pkt. 25c.

SKULLCAP. See **Scutellaria.**

SMILAX *Smy-laks*
Ornamental foliage vine.

Trivett's Gracilis. A splendid small-leaved type, quite an improvement over the original variety. Miniature leaves in long, light, graceful sprays. Much appreciated by the florist-grower and professional gardener.
Oz. $3.00 ¼ oz. $1.00 Pkt. 25c.

Original Variety (*Asparagoides*). Sprays of fresh green foliage.

Latifolia. Mauve blue for borders and drying. For Winter decoration. Height 2 feet. ¼ oz. $1.75 Pkt. 35c.

TRIVETT'S RESELECTED STOCKS

Delightfully fragrant annuals. For garden and greenhouse, bedding, display and cutting.

TREATED ⊕ SEED

Our superb strains of Stocks are reselected and are of the highest degree of perfection and doubleness. However, a percentage of single flowers must be expected, as the doubles do not produce seed. Stocks are a cool temperature crop and this explains why hot weather causes the *blind growth* that sometimes disappoints outdoor growers of this flower, especially during unusually hot Summers. *A southern position, fully exposed to the Summer sun is no place for Stocks.* Stocks require a light, but rich soil with plenty of well-decayed manure and with the addition of lime.

TRIVETT'S DWARF TEN-WEEKS STOCKS

A superb, improved strain of large-flowered, dwarf Stocks for outdoor bedding, edging, group planting, etc. Also makes an ideal pot plant. Will bloom in 10 or 12 weeks from seed.
For outdoors sow the seed indoors in March. *Height about 12 inches.*

Price: Any of above Lenox sorts ... Pkt. 75c.

TRIVETT'S RESELECTED STOCKS

TREATED ✚ SEED

TRIVETT'S GIANT BEAUTY

An ideal type for either indoor forcing or outdoor culture. The plants grow about 2 feet high and have a central spike and numerous side branches of large, double, fragrant blossoms. Exceedingly valuable as pot plants or for cutting during the Winter months under glass. For this purpose sow the seed from July to September, and for the garden the seed should be sown during February or March. They will bloom in Midsummer and onwards into the Autumn.

Do not subject young stock plants to heat.

Almond Blossom. Light pink.
American Beauty. Dark rose.
Antique Copper. Red-brown.
Apricot Queen. Soft apricot.

SUTHERLANDIA FRUTESCENS

A greenhouse plant with bright scarlet, lobster-clawlike blooms. Easily grown from seed. Sow the seed in August or September. Plants reach a height of 1½ to 2 feet and like a temperature of 55 to 60 degrees. ... ... Pkt. 25c.

Trivett's Prize-Winning

GIANT SWEET PEAS

ENGLISH GROWN, LONG STEMMED — TREATED ⊕ SEED — LARGE FLOWERED, TRUE COLORS

T.T.S.

THE QUEEN OF ANNUALS

A photograph of our Giant Sweet Peas as grown by one of our customers, cordon style, who also cooperated with us in writing these cultural notes

CULTURAL HINTS for SWEET PEAS

SINGLE STEM OR CORDON SYSTEM

The preparation of the soil for Sweet Peas should be undertaken as early in the Autumn as possible, allowing time for the soil to settle before the Spring. Loose soil in the trenches is detrimental to success. Dig out trenches *running north and south in a sheltered but not shady position* 2 feet deep and 2 feet wide, put in a generous amount of cow or well-rotted horse manure and bonemeal, fork over and mix with the soil as filling in progresses and tread down. *Do not leave manure in a solid layer at bottom of trench.* An application of lime forked in near top of trench may be beneficial, and drive in a stake at each end to mark center of trench. *Do not do this work in wet weather.*

We are now ready to consider sowing the seed which should be done early November in a cool greenhouse or frame in sand and when large enough to handle, place in 2¼ inch pots, keeping the seedlings as deep as possible in the pots. Use no fertilizer, only a compost of equal parts of sand, loam and leafmold. Grow on in a cool greenhouse near the glass and after root action is established pinch back to the first set of leaves. If the seed was sown early November the young pot plants will be ready for shifting to 4 inch pots by the end of December, or early January, using good loam, mixing in a little bonemeal and Scotch soot. If possible, continue to grow in cool greenhouse until there is good root action in the 4 inch pots, then on a mild day move to a coldframe or shallow pit in a sheltered, sunny position; bank around the frame with manure or leaves, etc. to prevent freezing; also cover with mats each night, but allow them as much light as possible during the day. Watering should be done on a mild day. Keep moist.

About the latter part of February, weather permitting, cut all unnecessary growth, leaving only the two best shoots; trim off all tendrils at this time; repeat about the end of March but retain only the strongest shoot and stake it. Cut off all tendrils and harden off the plants in preparation for outside planting. It is now time to fork over the trenches and drive in the heavy supports at ends and every 9 feet or so. Strong, genuine Chinese canes 8 feet long are then driven in 8 inches apart, a cane for each plant, usually in a double row. When these are in place, reinforce by running a wire from top of heavy supports the length of trench and a wire in the middle; fasten all canes to these wires. *See photograph.*

We are now ready for the planting, which is usually done about April 10th, weather permitting. *This and other dates are for the vicinity of New York City, make allowance for earlier or later localities.* Place a plant against each cane, make the holes large enough to accommodate all the roots, do not break or damage the fine feeding roots; tie each plant to its support. About the middle of May the first flower buds will appear; pinch them out; however, leave the buds about a week before flowers are desired.

Exhibition or high class flowers are usually produced about the end of May and first two weeks of June, and when the vines stand about 4 feet high, when necessary, thoroughly soak the trenches with water before which a light dressing of good mixed fertilizer, rich in phosphate and a little Scotch soot may be applied, *but great care must be used, better a very light dressing several times than too much at one time.* If in doubt, do not fertilize.

WITHOUT A GREENHOUSE

Prepare the trenches or rows as described, this may be done in the Spring, in which case be sure to tread down the soil in the trenches firmly. *Do not do this work in wet weather.*

The seed may be sown in January or February in flats or boxes of sand and placed in a frame or indoors to start germination.

Put the young seedlings into 3 inch pots, keep indoors giving light, pinch back to the first two leaves to encourage breaking from the base; keep the plants growing and protect from frost; as they develop, trim off the tendrils; retain about three good shoots.

The planting out time is the same as previously mentioned, April 10th, for New York. Supports can be wire netting, branches, etc. When watering is required, soak the trenches thoroughly.

SOWING OUTDOORS

Some success can be obtained by sowing the seed directly into the rows as early in the Spring as possible, and in sections where the Summer is cool, surprisingly good Sweet Peas can be grown from outside sowing. The seed may be soaked in water for a day.

NOTE—These cultural notes are not intended for warm climates, such as Florida, etc.

1939 NOVELTIES, See page 114, **GENERAL LIST,** See page 115, **EARLY or GREENHOUSE,** See page 118

Trivett's Selected — 1939 Novelties

GIANT SWEET PEAS

FOR KEEN EXHIBITORS AND THOSE WHO DEMAND THE BEST

Our Giant Sweet Peas with the intelligent and scientific culture given them by our customers have become the most prominent prize-winners throughout the country.

Twelve Grand *New Sweet Peas* for 1939

America. *Trivett's.* The color is clear rose pink washed over with orange, giving the flower, a rich, brilliant appearance. Very large blossoms on long, strong stems. Grand for exhibition or general cutting.
Packet (12 seeds) 50c.

Coster Boy. *Highly recommended by the Scottish National Sweet Pea Society and The Royal Horticultural Society, England.* Well-placed, large, frilled blossoms of pink flushed with rose pink. ... Packet (12 seeds) 50c.

Fairyland. Outstanding for vigor and size of bloom. Light, yet rich rose pink over a deep, rich cream ground. The best cream pink to date. ... ... Packet (30 seeds) 35c.

Gracie. *Highly recommended by the Royal Horticultural Society, England and The Scottish National Sweet Pea Society.* Beautiful soft pink tinted deeper towards the edges of the petals. Large blossoms; long, sturdy stems.
Packet (12 seeds) 50c.

Mrs. C. Kay. A grand addition to the lavender class. Clear, bright lavender without trace of lilac. Large flowers well placed on sturdy stems and strong, healthy vines.
Packet (12 seeds) 50c.

Rarity. Rare indeed; white ground. The front of wings and standard is faintly flaked with orange-red and the backs are solid, bright orange cerise. Healthy grower, large blossoms on stems of exceptional length.
Packet (30 seeds) 35c.

Sailor Boy. *Highly recommended by the Royal Horticultural Society, England, and The Scottish National Sweet Pea Society.* A shining, rich, deep navy blue. A variety that does not turn to magenta after being cut.
Packet (12 seeds) 50c.

Sentiment. *Award of Merit, Royal Horticultural Society.* Deep chamois pink on a light cream ground. The large flowers are well placed on the long, extra stout stems; the color varies a little. Quite sunproof. Packet (30 seeds) 35c.

Sixes and Sevens. *Trivett's.* A fine blue, between the light and dark shade. This variety is a vigorous grower and will produce 6 and 7 blossoms on a stem. A real good blue.
Packet (25 seeds) 50c.

T.T.S.

Trivett's

NOVELTY MIXTURE

A special mixture of our Giant Sweet Peas including many of the fine novelties and improved varieties of recent introduction. *Undoubtedly the finest mixture of choice sort procurable.*
Lb. $9.00 ¼ lb. $3.00 Oz. $1.00
Packet (50 seeds) 25c.

Spicy. *Award of Merit, Scottish National Sweet Pea Society,* and from the *Royal Horticultural Society of England.* A real pink lightened with tints of salmon pink. A flower of rare beauty. Fine, big, well-placed blossoms on strong stems.
Packet (12 seeds) 50c.

Vista. Large, clear, light purple, lighter than "Olympia" and does not turn blue after being cut. This is the finest light purple Sweet Pea yet introduced. Long, strong stems, vigorous grower. ... ... Packet (30 seeds) 35c.

World's Fair. *Trivett's.* We offer this lovely new sort with confidence. The color is a charming blend of pink tinted with rose and touched with pale mauve. This gathering together of tints results in a most delightful color.
Packet (12 seeds) 50c.

Susanna. *New* ... ... Rich crimson.
The color of *Paul's Scarlet Rose.*
Oz. $1.50 ½ oz. 80c. Pkt. 25c.

Titania. *New* ... ... Deep rose.
Extra large blooms of rich deep rose. Brighter than "Josie," on long, sturdy stems. A live color and deliciously fragrant.
Oz. $3.00 ½ oz. $1.75 Pkt. 50c.

Treasure Island. *New* ... Golden orange,
Very large and semi-duplexed. The average blossom measures 2½ inches across and is 2 inches deep. A strong grower throwing 16 inch stems. (*In packets only*) Pkt. 35c.

Top Hat ... ... Velvety violet,
Mammoth flowers with beautifully waved petals; a vigorous grower with long, sturdy stems. Oz. $1.50 ½ oz. 80c. Pkt. 25c.

Vogue ... ... Lavender blue.
Long stem type. Beautifully waved, large blooms. *Certificate of Merit.*
Oz. 75c. ½ oz. 40c. Pkt. 15c.

White Harmony ... ... White.
Exquisitely waved and very large.
Oz. $1.00 ½ oz. 60c. Pkt. 15c.

Early Flowering Mixed. A splendid mixture which we blend from seed of many choice named varieties. Will provide a full range of colors.
Lb. $3.75 ¼ lb. $1.25 Oz. 35c.

"Your greenhouse Sweet Peas have always given us good results, and we have another fine crop this Winter."
MR. ROBERT G. SIMPSON
Superintendent-Head Gardener to
GEORGE T. BOWDOIN, ESQ.

"Your early flowering greenhouse Sweet Peas are of excellent quality and your selection of varieties most dependable."
MR. JAMES G. ESSON
Superintendent-Head Gardener to
MRS. ROSWELL ELDRIDGE.

SWEET-WILLIAM *(Dianthus barbatus)*

Biennial. Treat as perennial. For borders and cutting. Culture E.

Seed should be sown in June in frames or open ground, and the young plants transplanted to their flowering position in September and October. Sweet-william supplies a wealth of color for the hardy border in Spring, also exceedingly useful for cutting.

TRIVETT'S RESELECTED STRAINS

Copper King. A fine shade of color, rich coppery red on stems 1½ feet in height. Single florets in large heads.

Newport Pink Improved. Soft salmon pink, in massive heads on stems 1½ to 2 feet in height. Excellent for cutting.

Trivett's Scarlet Beauty. Single bright red, very attractive and showy in perennial borders.

Trivett's Snow Queen. Single, fine masses of bloom, snow white and good long stems.

Holborn Glory, or **Giant Auricula-eyed.** Very large flowered, in a splendid range of different colors, all showing a clear white eye or center ring. Height 1½ feet.

Trivett's Crimson King. Single dark red, a very rich velvety crimson; fine for contrast with the lighter colors.

Trivett's Black King. The darkest red of all, deep maroon red with reddish bronze foliage.

Sutton's Harlequin. Large heads of bloom, each head containing different shades of color intermixed with white. Odd and attractive.

Trivett's Single Mixed. All choice colors in mixture.

Price, any of the above nine:
Oz. $4.00 ½ oz. $2.00 ¼ oz. $1.25 ⅛ oz. 75c. Pkts. 35c. and 20c.

Trivett's Purple King. Brilliant deep purple color; single florets in good, large heads. Splendid for flower border and cutting. Pkt. 50c.

Sutton's Giant White. Enormous trusses of large flowers. Pkt. 75c.

Sutton's Pink Beauty. Beautiful salmon pink variety. Pkt. 75c.

Midget Single Mixed. A very showy, very low growing and compact Sweet-william in a beautiful range of colors. Only 6 in. high.
¼ oz. $1.00 Pkt. 25c.

Midget Double Mixed. A splendid new double flowered form of the type. Very compact and exceptionally colorful.
¼ oz. $2.00 Pkt. 35c.

T.T.S. **SWEET-WILLIAM—Holborn Glory**
A glorified old-fashioned Sweet-william

EVERBLOOMING SWEET-WILLIAM

A cross between an annual Dianthus and a Sweet-william. Free and continuous blooming, hardy perennial. The flowers are double and velvety crimson scarlet. ... ... ¼ oz. 50c. Pkt. 15c.

TRIVETT'S DOUBLE SWEET-WILLIAM

Very massive heads of bloom. *Only about 50 per cent double flowers.*
White **Crimson** **Pink** And **Mixed**
Each: ... ... Oz. $4.00 ¼ oz. $1.25 Pkt. 30c.

T.T.S. SWAINSONA—Mixed

ANNUAL SWEET-WILLIAM (Height 1 foot)

Mixed. Useful strain which blooms the first year from seed.
Oz. $3.00 ¼ oz. 80c. Pkt. 15c.

SWEET WIVELSFIELD

Annual. For bedding, cutting, etc. Height 9 to 12 inches.

It is distinct in habit and freedom of growth. Wonderful colors. The flowers are produced in trusses or bunches like a large, loose head of Sweet-william, but the individual florets resemble small Carnations or Pinks.

Single Mixed ... ... Pkt. 50c.

Double Mixed. Fine double form in wide range of colors. Long lasting and a good cut flower. Pkt. 50c.

SWAINSONA *Swain-soh-nah*

Greenhouse in North, outdoor in Florida.

Lovely sprays of sweet-scented blossoms like small Sweet Peas. An excellent and uncommon cut flower. The seed should be soaked in water for a few days before sowing in sandy soil. Height 2½ feet.

Trivett's White. Long sprays of fragrant, pure white blossoms.

Mixed. A mixture of white, rose, carmine and red.

Price, either: Oz. $5.00 ¼ oz. $1.75 Pkts. 50c. and 30c.

T.T.S. NEW TAGETES—Trivett's Orange Gem

TAGETES *Ta-jee-tez*

Annual. For edging, mass planting, small beds, etc.

Trivett's Orange Gem. A much improved sort, dwarf, compact plants about 12 inches high, smothered with bright, golden orange flowers which are produced well above the foliage.
Oz. $3.50 ¼ oz. $1.00 ⅛ oz. 60c. Pkts. 35c. and 20c.

Trivett's Tom Thumb. Very neat little plants, only 5 to 6 inches high, covered with dainty, little, single flowers of golden orange color. Ideal for edging, rockeries, etc.
Oz. $3.50 ¼ oz. $1.00 ⅛ oz. 60c. Pkts. 35c. and 20c.

Signata Pumila (Improved). Bright yellow, 10 inches.
Oz. $2.50 ¼ oz. 75c. ⅛ oz. 40c. Pkts. 25c. and 15c.

Lemon Queen. Lemon yellow form of the above.
Oz. $3.75 ¼ oz. $1.25 ⅛ oz. 75c. Pkts. 35c. and 20c.

Trivett's Sweet Scented. Tall sort, about 1½ feet. Sweet-scented, golden yellow. For cutting. Pkts. 35c. and 20c.

TAHOKA DAISY (*Machaeranthera tanacetifolia*)

Annual. For cutting and display. Blooms all Summer.

Large Daisies of pure lavender-blue changing to rose with age and golden yellow centers. Nice, fernlike foliage. Blooms continuously from mid-June until late Autumn. Height about 1½ feet. Good stems. A wonderful cut flower.

Summer heat does not stop it blooming. A first-class florists' flower.
Oz. $3.75 ¼ oz. $1.00 Pkts. 25c. and 15c.

TANACETUM (Tansy). See **Herbs,** page 66.

TEUCRIUM *Teu-kri-um*

Perennial. Rockeries, walls, paths, etc.

Chamaedrys. Spreading habit, gray foliage, and small, rose pink flowers. 6 inches. ... ... Pkt. 25c.

Incanum. Only 2 inches high, trailing habit. Small white flowers. For flagstone paths, walls, etc. ... ... Pkt. 35c.

THALICTRUM *Tha-lick-trum* (*Meadowrue*)

Perennial. For herbaceous borders and cutting. Ordinary soil.

Adiantifolium. Dwarf species. Height 18 inches, with graceful foliage resembling Maidenhair fern. ... ... Pkt. 75c.

Aquilegifolium album. Fine white flowered species, about 3 feet high. Blooms June-July. ... ... Pkt. 50c.

Aquilegifolium, Trivett's Purple. Rich purple mauve flowers about 3 feet high. Ideal for herbaceous borders and cutting. ... ... Pkt. 50c.

Delavayi. A grand sort; splendid habit; about 1½ feet high. Charming pale purple blossom and purplish stems. Valuable and uncommon plant for perennial borders and as a choice cut flower. ... ... Pkt. 75c.

Dipterocarpum (*Reselected*). Graceful sprays of charming mauve tinted with primrose yellow. A splendid plant for the perennial flower border and a very choice cut flower. Height 3½ feet. ¼ oz. $3.00 ⅛ oz. $1.75 Pkts. 75c. and 50c.

Dipterocarpum, Trivett's White. Graceful and unusual. Supplies the demand for an uncommon white flower for perennial borders and vase decoration. Height 3½ feet. Pkt. $1.00

THERMOPSIS *Ther-mop-sis*

Perennial. For herbaceous borders. Blooms June-July.

Caroliniana. Tall species, about 4 feet high. A fine subject for background of perennial borders. Long yellow panicles. ... ... Pkt. 75c.

Montana. Dwarf variety, quite uncommon. Height about 2 feet, producing spikes of pale yellow flowers. Pkt. 75c.

Lanceolata. This variety resembles a yellow Lupin, 2 feet high with spikes of light yellow flowers. Comes into bloom in May. ... ... ¼ oz. $1.25 Pkt. 25c.

THUNBERGIA *Thun-bur-ji-ah* (*Black-eyed-susan*)

Annual. Climber, trailer. About 4 feet. All Summer.

Alata Orange. Fine color. ¼ oz. 75c. Pkt. 25c.
Alata Yellow. Dark eye. ¼ oz. 75c. Pkt. 25c.
Alata White. Dark eye. ¼ oz. 75c. Pkt. 25c.
Alata Mixed. All shades. ¼ oz. 50c. Pkt. 10c.

Gibsoni. Graceful climber for covering pillar and trellis work in the greenhouse or outdoors. Flowers of rich glowing orange. ... ... Pkt. 50c.

THYMUS *Time-us* (*Thyme*)

Perennial. For rockeries, stone paths, etc. Creeping.

Serpyllum (*Wild Thyme*). Creeping habit; purple flowers and scented foliage. ... ... Pkt. 50c.

TITHONIA *Tith-own-i-a*

(The Golden Flower of the Incas, Mexican Sunflower).

Fireball. A fine, large flowered variety. Dazzling as a ball of fire high above other flowers, Fireball is a brilliant, vibrant shade of scarlet-orange with a clear yellow center. The flowers are single, very large, 4½ to 5 inches in diameter and are carried on long, strong stems. The plants reach a height of 8 or 9 feet, and have grayish-green, woolly foliage. The seed should be started indoors in February or March, as the plants do not bloom until late Summer and Autumn. As a cut flower will last almost a week in water.
¼ oz. $1.50 Pkts. 25c. and 15c.

Trivett's Early Orange. *A gorgeous florists' cut flower.* This type blooms about two weeks earlier than the regular *Tithonia speciosa.* The flowers are slightly smaller and orange scarlet color. Height 5 to 6 feet. We highly recommend "Trivett's Early Orange." It is lower and neater than other varieties *and it is Summer blooming.* Start the seed indoors in February or March.
¼ oz. $1.25 Pkts. 25c. and 15c.

Speciosa. *Reselected strain.* A tall growing plant, 6 to 8 feet, with glowing, orange scarlet, single flowers, resembling a single Zinnia. Long, strong stems; splendid cut flower, and in clumps in wide flower border. Succeeds well as an annual if sown indoors during February-March and planted out in May.
¼ oz. $1.00 Pkts. 25c. and 15c.

TORENIA *Tor-een-i-a*

Annual. For beds, pots, hanging baskets. Height 12 inches.

Trivett's Improved Blue. A type of *Fournieri* with very much larger flowers. Beautiful, velvety blue. Height about 12 inches. ... ... Pkts. 75c. and 50c.

Trivett's Pink and White. Large-flowered pink and white combination. Height 12 inches. ... ... Pkt. 50c.

Fournieri Blue. Blue with yellow; very popular.
¼ oz. $1.50 ⅛ oz. 85c. Pkts. 35c. and 20c.

Fournieri White (White Wings). Fine companion to the blue sort. ¼ oz. $1.50 ⅛ oz. 85c. Pkts. 35c. and 20c.

Bailloni. Yellow with dark purple brown throat.
¼ oz. $4.50 ⅛ oz. $2.50 Pkts. 75c. and 50c.

TRACHELIUM *Tra-kee-li-um* (*Throatwort*)

Annual. Greenhouse pot plant, and cutting. Height 1½ feet.

Caeruleum. Large, cloudlike heads of tiny flowers, somewhat resembling *Gypsophila.* Soft mauve color. If large specimens are desired, they can be produced by growing on and repotting as required, finishing in a 12 inch pot.
¼ oz. $3.00 ⅛ oz. $1.75 Pkts. 50c.

White Queen. A white form of the above.
¼ oz. $3.00 ⅛ oz. $1.75 Pkts. 50c.

TRACHYMENE. See **Didiscus.**

TRIPTERIS *Trip-ter-is*

Annual. For cutting and display.

Hyoserioides. New; distinctive, attractive annual from South Africa. The plants grow 2 to 2½ feet high. The stems are 12 to 14 inches long, bearing clusters of dainty yellow Daisies with darker centers and 1½ to 2 inches across. ... Pkt. 25c.

TRACHELOSPERMUM

*Tray-kel-oh-**spur**-mum* (*Star-jasmine*)

Jasminoides. Known as Confederate Jasmin. A twining vine with very fragrant, salver-shaped white flowers. Will make fine specimens in greenhouses in the North. Hardy outdoors in the South ... ¼ oz. $1.50 Pkt. 25c.

TRADESCANTIA

*Trad-es-**can**-shi-a* (*Spiderwort*)

Perennial. For perennial border, rock garden, etc.

Virginica. "Flower of a Day," but nevertheless almost everblooming, the blossoms showing various shades of blue. An attractive old-time perennial. Height 18 inches. ... ... Pkt. 35c.

TRICYRTIS *Try-**sir**-tis*

(*Toadlily*)

Perennial. With protection.

Macropoda. Violet flowers spotted purple borne in clusters on 2 to 3 feet stems. Makes a fine pot plant for cool greenhouse. ⅛ oz. $2.00 Pkt. 50c.

TRITOMA *Try-**toe**-ma*

(*Red Hot Poker*)

Perennial. For perennial borders and cutting.

Mirabilis (*Annual Red Hot Poker*). Orange and yellow. Blooms the first season if sown early. ... ... Pkt. 50c.

Royal Standard Very choice; lower half of spike is butter yellow; upper part, rich scarlet. Height 3 feet. ... Pkt. 50c.

Rufa. A rare and choice species, long, slender spikes, yellow tipped with scarlet red. Height 2½ feet. ... ... Pkt. 50c.

Stark's Perpetual. Novel strain, many shades of yellow, salmon, blood red. Blooms from May to October. Height 3 feet. Pkt. 50c.

Gold Medal Hybrids. Choice mixture of various shades.
¼ oz. $2.00 ⅛ oz. $1.25 Pkt. 50c.

TUNICA SAXIFRAGA *Tune-i-ca*

Perennial. For rockeries and edging. July-September. Sandy loam.

R Slender foliage with innumerable tiny, starlike pale pink flowers. Low growing. 4 or 5 inches. ... ... Pkt. 35c.

T.T.S. **THERMOPSIS—Caroliniana**

(*See page* 120)

TROLLIUS *Trol-li-us* (*Globeflower*)

Perennial. For herbaceous borders and cutting. Mixed soil.

Ledebouri, Golden Queen. The plant is very vigorous. Grows from 3 to 4 feet in height. The color is intense glowing golden orange. Most Trollius are rather difficult to raise from seed, but one of the greatest recommendations this introduction has, is that the seed germinates freely when sown in the Spring. ... ... Pkt. 50c.

TROPAEOLUM *Tro-**pee**-o-lum*

Speciosum. *Perennial.* Climbing greenhouse Nasturtium. Striking, brilliant scarlet flowers. Splendid foliage. (*Seed scarce*). Pkt. 50c.

Trivett's Baby Mixed. Small, compact little baby Nasturtiums for outdoors. About 6 inches high. Small flowers in choice mixture.
Oz. 50c. ¼ oz. 20c. Pkt. 10c.

See also under **NASTURTIUMS.**

TURFING DAISY. See **Pyrethrum**

TYDAEA *Ti-dee-a*

Annual. Greenhouse. Height 1 foot.

Large Hybrids. Valuable greenhouse plant. If sown in May, will bloom in December and will continue for some time. Treat similar to Gloxinias. Pkt. 50c.

VALERIAN *Va-lee-ri-an*

(*Pretty Betsy*)

Perennial. For cutting. Height 2 feet. June-July.

Red. Fine, deep ruby red color.

Scarlet. Very brilliant bright scarlet shade.

White. A white form, excellent for cutting.

Mixed. All available colors in mixture.

Any of the above four:
Oz. $1.50 ¼ oz. 50c. Pkt. 15c.

Montana (*Mountain Valerian*). Graceful, pretty, rose-colored flowers. Height about 8 in. ... ... Pkt. 50c.

Officinalis. *All Heal.* Fragrant light pink flowers in June-July. 4 to 5 feet.
Oz. $3.00 ¼ oz. 85c. Pkt. 25c.

VENIDIUM *Ve-**nid**-i-um*

Fastuosum. The plants attain a height of 2 to 3 feet, and above the grayish silky foliage rise numerous rich orange-colored Daisylike flowers which are marked with a purple black zone at the base of the petals. This variety is best treated as a half hardy annual, sowing the seed in April or early May, as germination is difficult if started earlier. ... Pkt. 50c

Fastuosum, Trivett's Hybrids. (*Illustrated*). A fine strain, producing many new colors—creamy white, yellow, salmon, rose, orange, salmon red, etc. All with contrasting center zones. Height 2 to 3 feet. *In mixture only* (*Seed scarce*). Pkt. $1.00

Calendulaceum. A strong growing, hardy annual, with large, brilliant orange-colored flowers which have a paler zone round the central dark disc. Gives a succession of bloom the whole Summer and Autumn. Height 18 inches. ... ... Pkt. 25c.

T.T.S. **URSINIA—Choice Hybrids**

URSINIA *Ur-sin-i-a*

(*Jewel of the Veldt*)

Annual. Bedding, cutting and greenhouse.

Trivett's Aurora. Bright orange with a broad band of deep crimson around the center. Height about 1 foot. ... Pkts. 50c. and 35c.

Anethoides. Annual Daisy from South Africa, growing about 1 foot high; the orange-colored flowers measure about 2 inches across and each have a deep purple zone around the center. ... ... Pkt. 25c.

Trivett's Tangerine. A charming dwarf sort growing about 6 to 8 inches high, smothered with rich orange flowers. Ideal for edging, beds or rockery. *Must have full sunlight.* Pkts. 50c. and 35c.

Choice Hybrids. Bushy plants about 1½ feet high, which produce a hundred or more fully expanded flowers at one time. The foliage is light and feathery and the blooms are carried well above the leaves on thin, but wiry stems of sufficient length for vase work. Although the petals of all the flowers are rich orange, the center zones vary in color from ruby red to deep blue. (*Illustrated*). ... Pkt. 50c.

T.T.S. **VENIDIUM—Fastuosum Trivett's Hybrids**

A LIST OF NEWLY ADDED ITEMS WILL BE FOUND ON PAGE 134

VERBENAS *Ver-bee-nah*

Annual. For display and cutting. Culture B.

TRIVETT'S MASSIVE TYPE

Grows about 18 inches high and spreading, having the largest flowers. Valuable for beds, mass plantings in the flower border and as cut flowers. Give *Culture B.*

Massive Salmon Red.
Massive Salmon Pink.
Massive Cameo Pink. White, tinted cameo pink.
Massive Royal Blue. Rich blue, creamy eye.
Massive Violet. White eye.
Massive Delicate Rose. Soft; light, rose pink.
Massive Ivory. Cream-white, very large flower heads.
Massive Bright Pink.
Massive White. Pure white.
Massive Lavender Glory. Lovely lavender, creamy eye.
Massive Geranium Red. Rosy red, light center.
Massive Scarlet. Rosy scarlet.
Massive Orange Pink. Salmon pink, washed orange.
Massive Colossea Rose. Shades of rosy pink.

And **Massive Mixed**

Price: Any of the above Choice Colors or Mixed:
Each: ¼ oz. $2.00 ⅛ oz. $1.25 Pkts. 50c., 30c. and 20c.

TRIVETT'S COMPACT VERBENAS

About 8 to 10 inches high, compact growth. Ideal for edging, bedding, and mass planting. Suitable also for rockeries and cutting.

Trivett's Compact Violet
Trivett's Compact Rose
Trivett's Compact Blood Red
Trivett's Comp. Salmon Rose
Trivett's Compact White
Trivett's Compact Scarlet
Trivett's Compact Shell Pink
Trivett's Compact Apricot

And **Trivett's Compact Mixed**

Price: Any of the above Compact Colors or Mixed:
Each: ¼ oz. $2.50 ⅛ oz. $1.50 Pkts. 50c., 30c. and 20c.

BEDDING VERBENAS—HYBRIDA

Not so large as "Trivett's Massive." Height about 18 inches.

Blue Yellow Purple Lilac White Scarlet Pink Shades

And **Hybrida Finest Mixed**

Price: Any of the above seven colors or Mixed:
Each: Oz. $3.50 ¼ oz. $1.00 ⅛ oz. 60c. Pkts. 25c. and 15c.

T.T.S.

VERBENA—Trivett's Massive White

T.T.S.

VERBENA—Bonariensis

VERBENA bonariensis. *Illustrated above.* Award of Merit, Royal Horticultural Society of England. A grand perennial for the herbaceous border or for cutting. Sweet-scented, rosy lavender flowers on long, stiff stems. Height 4 feet.
(*In packets only*) Pkt. 35c.

VERBENA SEEDS

Our photograph at the right illustrates in actual size our 50c. and 30c. packets of **Verbena, Trivett's Massive Type,** about 500 and 250 seeds respectively.

NEW BABY VERBENA

Trivett's Delicate Pink. Only 8 inches high and forming regular, compact, cushionlike plants covered with pale pink blossoms. Ideal for edging, massing, rockeries, etc.
¼ oz. $3.00 Pkts. 50c. and 30c.

Trivett's Golden Yellow. The best yellow so far introduced.

Beauty of Oxford Hybrids. Very large, rose pink shades.

Ellen Willmott. Bright salmon rose with white eye.

Floradale Beauty. Very large flowers, rose and pink shades.

Price: Any of the above four special varieties:
¼ oz. $2.00 ⅛ oz. $1.25 Pkts. 50c., 30c. and 20c.

A new color in Vincas. Deep crimson of ruby shade. Glossy leaves

VIBURNUM *Vi-bur-num*

Perennial shrub. For cutting.

Carlesi. Worth raising for its delicious fragrance. It is a spreading shrub with round flower heads composed of many small florets, pink with white. Height 4 to 5 feet. *Sow the seed in the Autumn or Winter in pots or boxes. Place outdoors in a shady, sheltered place and after about 2 months of freezing bring indoor to heat.* ... ... Pkts. 25c. and 15c.

VESICARIA *Ve-si-kay-ri-ah*

(Zeppelins of Lilliput)

Perennial. For rockeries, etc.

Utriculata. Clusters of golden yellow flowers similar to Wallflower, followed by interesting ornamental seed pods. Height about 1½ feet.
Pkt. 25c.

VICIA *Vis-i-ah*

Annual. Climber. 4 feet.

Gerardi. A rapid annual climber for fences or sunny banks, etc. Clusters of blue flowers resembling small Sweet Peas.
¼ oz. 50c. Pkt. 10c.

Snowdrift. A fine, free-blooming climber with pure white flowers.
¼ oz. 60c. Pkt. 15c.

VINCA *Vin-ca (Madagascar Periwinkle)*

Dwarf bedding and edging plants, easily raised from seed. Treat as annuals. Sow the seed indoors in January or February. The seedlings should be transplanted several times to form strong plants.
The deep green, glossy foliage and bright single flowers are very showy. Height about 9 inches. *Sow seed early indoors.*

Trivett's Crimson. Bright red, attractive flowers with red stems; forms a splendid contrast to the glossy, dark, evergreenlike foliage. A grand bedding and edging sort.

Bright Rose. Attractive shade of bright pink.

Pale Pink. Light shell pink.

Pure White. Glistening pure white sort.

White with Eye. White with rose eye.

Mixed. All colors.

Any of the above six:
¼ oz. $1.00 ⅛ oz. 60c. Pkt. 35c.

T.T.S WALLFLOWER—Single Annual, Choice Mixed

Exquisite fragrance, good cut flower, easily grown during the Winter months indoors or cool greenhouse. For this purpose sow the seed early in September

"We were highly pleased with the results obtained from your flower seeds. The Pansies were outstanding."

MR. EDWARD SIMMONDS

Greenhouse Foreman to

FIRESTONE FARMS

"I must congratulate you on the high quality of your seeds and the substantial size of your packets."

MR. JAMES MOORE

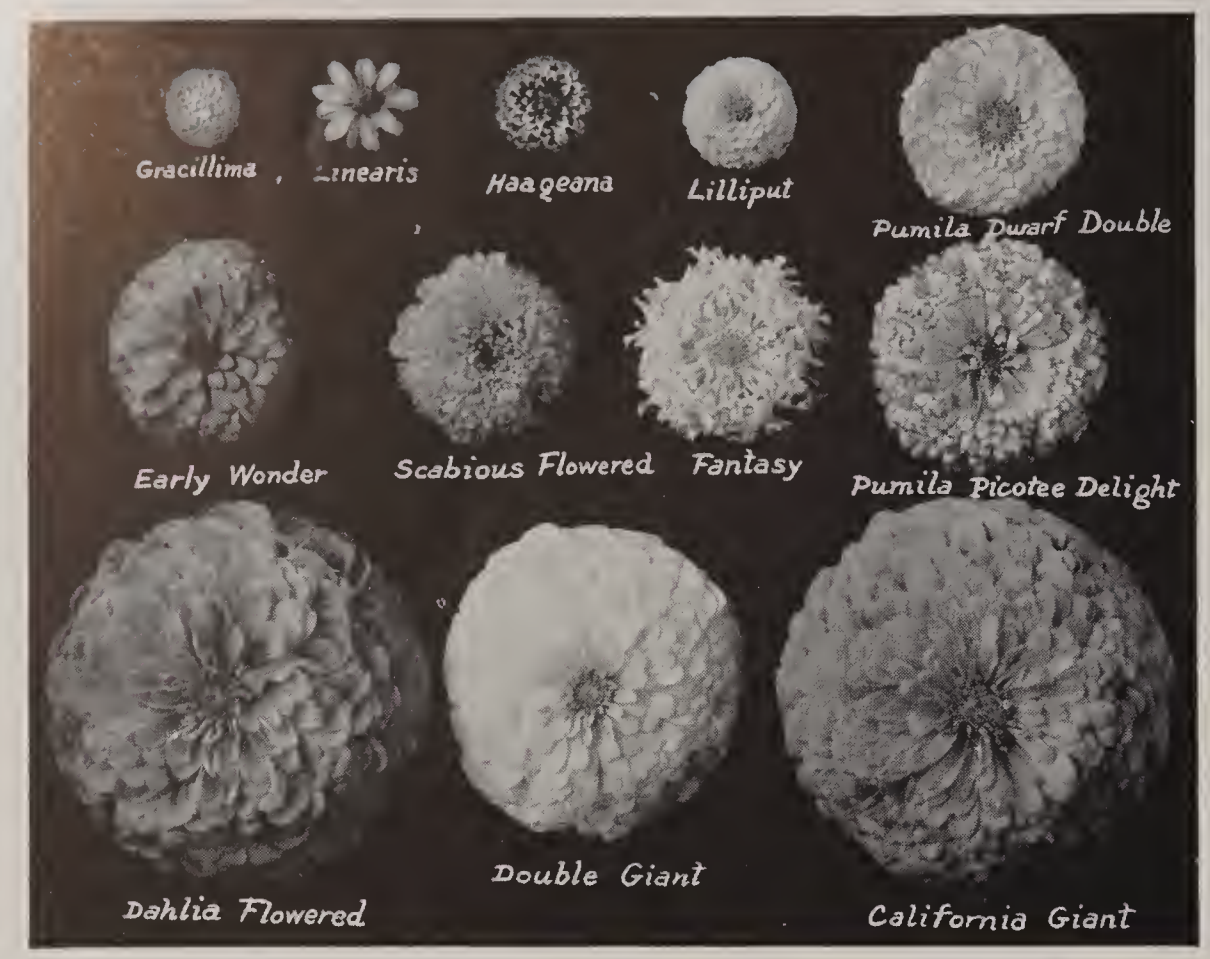

Superintendent-Head Gardener to

J. C. MOORE, ESQ.

TRIVETT'S ZINNIAS

All our Zinnias have been reselected and can be thoroughly relied upon. Our seed is carefully harvested and the germination much better than the ordinary.

The large photograph shows the comparative flower size and formation of the different types. The smaller pictures illustrate the plant habit and general appearance of the various classes but not comparative as to size or height.
Our list begins on page 128.

T.T.S. **Illustrating the Comparative Flower-size and Formation of the Different Types of Zinnias**

Plant of Zinnia Linearis
Single flowers, suitable for edging, small beds, rockeries, etc. *See page* 131

Plant of Zinnia, Chrysanthemum-flowered (Fantasy) *See page* 131

Plant of Trivett's Lilliput Zinnia
Splendid cut flower—*See page* 130

Plant of Trivett's Mammoth Zinnia (Improved California Giant)
We highly recommend this—*See page* 129

Plant of Trivett's Dwarf Large-flowered Zinnia (Improved Pumila Dwarf Type)
See page 129

Plant of Our Dahlia-flowered Zinnia
The largest of all—*See page* 128

Plant of Trivett's Baby Zinnia
9 to 12 inches high. For edging and small beds—*See page* 131

"The Dahlia-flowered Zinnias grown from your seeds created a fine show in our flower borders. The size and colors of the blooms were remarkable. You have a fine strain."

MR. ROBERT MELROSE
Superintendent-Head Gardener to
MRS. ROBERT W. de FOREST

"I consider your Gold Medal Dahlia-flowered Zinnias quite superior to the average. They seem to be in a class by themselves for size and trueness to name."

MR. CHARLES A. PARR
Superintendent-Head Gardener to
MRS. CHARLES V. HICKOX

Trivett's Tested Seeds, Inc.

VISCARIA—Tall Rich Blue

An easily grown annual. Give Culture B. Dainty cut flowers for the garden during Summer and cool greenhouse in Winter. Pkt. 35c.

Trivett's Tested Seeds, Inc.

ZINNIA—Lilliput, Trivett's Pastel Shades

A charming mixture of lovely, soft shades, peach, apricot, creamy yellow, shell-pink, orchid tints, pale salmon, etc. They are exquisite cut flowers.

¼ oz. $1.25 Pkts. 35c. and 20c.

For complete list of Zinnias, see page 128 to 131

Trivett's Tested Seeds, Inc.

ZINNIA FANTASY—Star Dust

A graceful, informal type of Zinnia, growing about 2½ feet high. A grand cut flower. ¼ oz. $1.25 Pkts. 25c. and 15c.

Trivett's Tested Seeds, Inc.

STATICE SINUATA—Stark's Art Shades

A glorious blend of entirely new shades, delicate salmons, orange, buff, rose, pink, etc. A beautiful mixture of colors especially under artificial light. Long stemmed and robust in growth. Splendid as cut flowers in the garden in Summer and indoors in Winter. Annual, easily grown. Give Culture B. Pkt. 35c.

TRIVETT'S TESTED SEEDS, INC.
Seed, Bulb and Plant Specialists
134-144 WASHINGTON STREET, NEW YORK CITY

Trivett's Selected
DAHLIA-FLOWERED ZINNIAS *Zin-i-ah*

TREATED ⊕ SEED

GOLD MEDAL STRAIN

THE LARGEST OF ALL

Easily grown Annual. Give *Culture B* or *A*. For early blooming the seed should be sown indoors in February or March and outdoors from May to July for succession. Our Dahlia-flowered Zinnias grow 2½ to 3 feet high and produce enormous flowers in many beautiful colors.

Apricot Salmon. Salmon washed with apricot. Large blooms, good stems.

Canary Bird. A canary yellow of rich shade.

Crimson Monarch. The largest and best of all red shades, flowers often measure 8 inches in diameter.

Dream. Deep lavender, turning to Mallow purple.

Exquisite. The most charming color of all; soft light rose with deep rose in center.

Golden Dawn. Golden yellow; a shade between *Golden State* and *Canary Bird*. They are of enormous size and of perfect type.

Golden State. Yellow in the bud, turning to orange when in bloom.

Illumination. A gorgeous deep rose self color; a very charming shade.

Lemon Beauty. Lemon-yellow turning to russet.

Luminosa. Bright deep pink, tinted with salmon.

Meteor. Rich deep red, the darkest red of all.

Old Gold. Burnished shades of old gold. Very large.

Old Rose. Shades of old rose, this color varies.

Oriole. We consider this the most beautiful of its class. It is an immense orange and gold bicolor.

Polar Bear. Large creamy-white; the best available so far in the Dahlia-flowered class.

T.T.S. **TRIVETT'S DAHLIA-FLOWERED ZINNIA—Exquisite. A lovely light rose with deep rose center; one of our most popular varieties**

Purple Prince. Fine, deep purple, large and well formed.

Scarlet Flame. Very large, bright scarlet, suffused with orange.

Youth. Shades of rose-pink, this variety varies in color.

Mixed Dahlia-flowered. *Gold Medal Strain.* Splendid range of all the choice colors in mixture. We blend this by using some of every named variety offered above.

Price: Any of the above, each Oz. $5.00 ½ oz. $2.75 ¼ oz. $1.50 ⅛ oz. 85c. Pkts. 50c. and 30c.
Collection: One large pkt. each, twelve colors (our selection) $5.00

T T.S.

On the left is our 50c. packet of ZINNIA—Dahlia-flowered type —about 250 seeds. And on the right our 30c. pkt.—135 seeds

Trivett's Prize-Winning
MAMMOTH ZINNIAS

CALIFORNIA GIANTS IMPROVED **TREATED ⊕ SEED** **ENORMOUS, REFINED BLOOMS**

TRIVETT'S MAMMOTH

A great advantage of this type is that the enormous flowers are flat in shape and the petals are arranged loosely, thus eliminating the stiffness of the old type Zinnia.

The plants grow taller than the *Dahlia-flowered*, about 3½ feet and have longer stems. A grand cut flower. Give *Culture B* or *A*.

Mammoth Lavender. Fine deep lavender or light purple.
Mammoth Lemon. Nice soft yellow shade.
Mammoth Orange. Deep rich burnt orange.
Mammoth Yellow. Golden yellow or deep yellow.
Mammoth Orange Rose. Very charming orange, tinted over with rose pink.
Mammoth Pink. Lovely shade of shrimp pink.
Mammoth Rose. Very attractive bright rose.
Mammoth Crimson. A fine rich crimson-red shade.
Mammoth Red. Deep, yet bright brick red.
Mammoth Salmon. Nice shade of salmon pink.
Mammoth Soft Pink. Lovely shade of soft light pink. *Improved Miss Willmott.*
Mammoth Rosy Red. A charming shade.
Mammoth Scarlet. Attractive, glowing scarlet color.
Mammoth Violet. Deep purplish violet color.
Mammoth White. The best white Zinnia in the large sorts.
Mammoth Mixed. Splendid mixture which we blend from all our separate colors.

Price: Any of the above Mammoth Colors or Mixed:
Each: ¼ lb. $12.00, Oz. $3.75 ½ oz. $2.00 ¼ oz. $1.25 ⅛ oz. 75c. Pkts. 50c. and 30c.

Miss Willmott. See **Mammoth Soft Pink.**

T.T.S. **ZINNIA—Trivett's Mammoth. A superb strain of large, modern Zinnias with long, strong stems. A grand cut flower for the high class florist trade**

Rose Pink	**Golden Yellow**
Flesh Pink	**Bright Crimson**
Rich Violet	**Bright Scarlet**
Salmon Rose	**Choice Mixed**

Price: Any of the above:
Each Oz. $3.50 ¼ oz. $1.00 ⅛ oz. 60c. Pkts. 25c. and 15c.

Isabellina. A beautiful, soft, creamy-yellow. One of the finest. A shade that is much desired. ... ... Pkts. 35c. and 20c.

"Your Lilliput Zinnias are very choice; fine clear colors and good cutting stems."
MR. M. HAGIMONT
Supt.-Head Gardener to
FLOYD L. CARLISLE, Esq.

TRIVETT'S LILLIPUT ZINNIAS

TREATED ✚ *SEED*

Exceedingly desirable for cutting. Perfectly formed blooms on rigid stems. 1½ feet long. All the colors are exceptionally clean and attractive. *Our seed is hand picked from the finest flowers only.*

T.T.S.

LILLIPUT,
Salmon Gem

TRIVETT'S LILLIPUT ZINNIAS

Small flowered, very double, well formed, exquisite cut flower, growing about 1½ feet high with good stems for cutting. Also suitable for beds and flower border. Highly recommended.

Canary Gem. The best and only real yellow.
Copper Orange Gem. Rich shade of dark orange.
Crimson Gem. Splendid rich deep red.
Golden Gem. Orange-yellow, rather dark, not true yellow.
Salmon Gem. Charming salmon rose; very choice.
Rosy Gem. Beautiful shade of rich deep pink.
Scarlet Gem, Very attractive, bright scarlet.
Purple Gem, Rich deep purple, nice color.
Lavender Gem. Fine shade of lavender lilac.
Pink Gem. Delicate flesh or shell pink.
White Gem. A very good white.
Mixed Gem. A mixture of all colors.

Any of the above colors and Mixed:
Oz. $3.75 ½ oz. $2.00 ¼ oz. $1.25 Pkts. 35c. and 20c.

Trivett's Pastel Mixture. *See color illustration on page* 127. A charming mixture of lovely soft shades of apricot, peach, creamy-yellow, shell-pink, delicate salmon, light rose and Orchid tints. Lilliput type, compact growing, very free flowering. 12 to 18 inches high, producing flowers within 60 days from seed.
Oz. $3.75 ½ oz. $2.00 ¼ oz. $1.25 Pkts. 35c. and 20c.

TRIVETT'S JEWELL ZINNIAS

A lovely, refined type, with well-formed blooms of good size, growing 2½ to 3 feet high. The lower part of the petals is golden yellow.

Trivett's Jewell, Golden Cloth. Old gold color. Each petal is tipped with light yellow. ... ... Pkts. 50c. and 30c.

Trivett's Jewell, Special Mixture. Including old rose, cream, yellow, carmine, red, pink, all with golden yellow on lower parts of petals. ... ... Pkts. 35c. and 20c.

TRIVETT'S EARLY DWARF BEAUTY

(Early Wonder Improved)

The earliest to flower, the plants grow about 15 inches high, with a profusion of medium size, double flowers. Grand for massing, bedding and tall edging.

Orange Beauty. Fine coppery orange shade.
Salmon Beauty. Brilliant deep salmon pink.
Rose Beauty. Beautiful shade, rosy pink.
Beauty Choice Mixed. Many charming colors.

Above four (in packets only): Each ... ... Pkts. 50c. and 30c.

ZINNIA HAAGEANA (*Mexicana*)
Attractive for small beds and for cutting. Height 1 foot.

Double Orange. Glowing orange color.
¼ oz. $1.00 Pkts. 25c. and 15c.

Double Mixed. Many colors mixed.
¼ oz. $1.00 Pkts. 25c. and 15c.

PICOTEE ZINNIAS

A beautiful class, producing the medium small flowers now desired by many. They lend themselves gracefully to vase arrangement, having fine stems for cutting. The laciniated or fringed petals are artistically tinted and marked on the tips with deeper or contrasting shades. The plants grow about 2½ feet high.

Trivett's Picotee, Delightful Salmon. Rosy salmon petals edged deeper shade.

Trivett's Picotee, Delightful Golden. Rich, deep gold with dainty picotee edging of Indian red.

Trivett's Picotee, Delightful Mixed.

Price: Above three:
¼ oz. $1.25 Pkts. 35c. and 20c.

CHRYSANTHEMUM-FLOWERED (Fantasy Zinnia)

A fascinating type of Zinnia, rounded, medium size flowers with curled and twisted, raylike petals which give a delicate and refined appearance. An ideal type for flower arrangement, about 2½ feet high.

Fantasy, Star Dust. Yellow.
Fantasy, White Light. White.
Fantasy, Orange Lady. Orange.
Fantasy, Rosalie. Bright rose.

Any of the above colors:
⅛ oz. $1.25 Pkts 25c. and 15c.

Chrysanthemum Mixed (Fantasy). This mixture includes soft pastel shades in addition to the reds, yellow, orange, etc. ¼ oz. $1.00 Pkts. 25c. and 15c.

T.T.S. ZINNIA HAAGEANA—Double Mixed
(Mexican Zinnia)

TRIVETT'S SCABIOUS-FLOWERED (Crested)

This attractive type resembles the scabious or double crested Cosmos, growing about 3 feet high and producing long, strong stems. Ideal for cutting; small flowers. *They vary somewhat in trueness.*

(Reselected Strain)

Crested Salmon — **Crested Golden**
Crested White — **Crested Red**
Crested Pink — **Crested Carmine**

MR. FRANK ARENA, *Superintendent-Head Gardener to*
MRS. J. C. CLARK, "ENSIGN FARM," MOUNT KISCO, N. Y.

The Varieties Used—BEAN, The Prince; BEET, Trivett's Exhibition Globe; CARROT, Trivett's Danvers Selected; CORN, Golden Bantam (Improved); CUCUMBER Trivett's Emerald Isle; CELERY, Trivett's Golden Prize Stalk and Trivett's Easy White Blanching; EGGPLANT, Trivett's Black Beauty; LEEK, Trivett's International; PARSNIP, Trivett's Exhibition; PARSLEY, Trivett's Exhibition; PEPPER, Trivett's Mammoth Red; TOMATO, Trivett's Royal Scott and Trivett's Yellow Beauty. TURNIP, Trivett's Early Snowball

Other Varieties of Special Merit

BEAN—Trivett's Improved Bush Lima.

Upright, healthy, bushy plants, producing an abundance of large pods filled with beans of exceptional size and quality.
Pt. (*Lb.*) 75c. Qt. (2 *lbs.*) $1.40

BEAN—Commodore.

Silver Medal, 1938.
True bush form of Kentucky Wonder type. Long green pods, round and stringless. Excellent and distinctive flavor.
Pt. (*Lb.*) 60c. Qt. (2 *lbs.*) $1.10

BEET—Trivett's Table Dainty.

The variety for pulling as young, sweet Beets. Small, round roots, juicy, tender and of delicate, refined flavor.
¼ lb. $1.25 Oz. 45c. Pkt. 20c.

CARROT—Trivett's Italian Market.

An early variety of exceptional merit. About 6 inches and 1½ inches thick all the way from top to tip. Close-grained, sweet, delicious flavor.
¼ lb. $1.50 Oz. 50c. Pkt. 15c.

CORN—Top Cross Maine Bantam.

Highly-resistant to Stewart's Disease. 10 to 14 rows of deep yellow kernels that are tender, sweet and of delicious flavor. Ears about 7 inches long. Lb. 60c. 5 lbs. $2.50

EGGPLANT—New Hampshire Hybrid.

Silver Medal, A. A. S. for 1939.
Earliness and productiveness make this new sort especially desirable for northern, late sections. Purple fruit.
Oz. $1.20 ¼ oz. 35c. Pkt. 25c.

LETTUCE—Trivett's Ben Lomond.

A superior selection of "New York." Solid, tightly folded Cabbage-like heads. Illustrated on page 156.
Oz. 75c. Pkt. 25c.

LETTUCE—Summer Triumph.

The only true Summer Lettuce on the market. Juicy, tender Lettuce can be cut in Midsummer of this variety. ... ... Pkt. 15c.

PEA—Trivett's World's Record.

If we may judge by the testimonials received from all parts of the country, *this is unquestionably the finest, high quality early Pea for American gardens.* Wrinkled, marrow-fat, large, sweet Peas. Height about 3½ feet. Ready before "Gradus." Pt. (*Lb.*) 75c. Qt. (2 *lbs.*) $1.35

PEA—Thomas Laxton Dark Podded.

A marked improvement over the old original "Thomas Laxton." The dark green pods contain 7 to 8 large, tender peas of excellent quality. Height 3 feet.
Pt. (*Lb.*) 50c. Qt. (2 *lbs.*) 95c.

SPINACH—Trivett's Private Estate.

Strong, healthy grower, producing a heavy crop of large, thick, crumpled leaves of rich green and unsurpassed flavor.
Lb. $1.50 ¼ lb. 50c. Oz. 20c.

TOMATO—Trivett's Cardinal.

A main crop of the "Stone" type, large, smooth, thick walls, rich scarlet, ripening well to the stem. Excellent quality and flavor.
¼ oz. 50c. Pkt. 25c.

"Your garden Pea, 'Aviator,' is one of the finest ever introduced. It has a sweet delicious flavor and is a very heavy cropper."

MR. GEORGE H. HAWKINS
Superintendent-Head Gardener to
G. H. KINNICUTT, Esq.
New Jersey.

"The Tomato, 'Trivett's Choice,' was the finest thing in our greenhouse, being loaded down with a heavy crop of quality fruit, excellent flavor and good size, really choice."

MR. FRED. CRAWFORD
Superintendent-Head Gardener to
WILLIAM G. IRWIN, Esq.
Indiana.

"Your Lettuce, 'Ben Lomond,' is something out of the ordinary for size and flavor, 17 inches across, weight 3 lbs.

"Your 'Summer Triumph' Lettuce is a sort that every gardener should grow. It is quite distinct and different in appearance, producing solid heads of good size, crisp, tender and of excellent flavor.

"I found it to be the finest heat-resistant variety, in fact, the only variety worthy of the name of 'Summer Lettuce.'

"Everyone who has grown or tasted it agrees with me that there is no kind on the market to compare with it."

MR. L. J. MULLER
Superintendent-Head Gardener to
HOWARD PHIPPS, Esq.
Long Island, New York.

"I am pleased to let you know that I have had remarkable success with your vegetable seeds. They are a great improvement over the older types."

MR. F. FRANCO
Superintendent Horticultural Dept.
Rhode Island.

"Trivett's world record Pea is the best variety I have grown in my 25 years of gardening.

My employer states that he has never had a variety as good or like it."

MR. R. L. MURLEY
Superintendent-Head Gardener to
S. PRENTISS BALDWIN, Esq.
Ohio.

Trivett's VEGETABLE SEEDS

TRADE MARK

"Best by Test"

TRADE MARK

For Those Who Demand the Best

DWARF, BUSH BEANS

GREEN-POD, STRINGLESS VARIETIES

One pint is equal to 1 lb., one quart to 2 lbs.

Hints on Cultivation—One pint will sow a row 50 feet and over in length. Do not sow until danger from frost is over and the weather is settled. Make rows 2 to 2½ feet apart and drop the seeds every few inches covering over about 2 inches. Cultivate during dry weather only and make sowings every two weeks for succession up to August 10th.

The plants should be dusted or sprayed frequently with suitable insecticide to control the Bean beetle. Beans require phosphate in the soil.

The Prince. (*English Grown Seed*)
Without question the outstanding high quality Bean, early and vigorous, producing a heavy crop of extra long, straight pods of attractive appearance. The flesh is brittle, juicy and of superior flavor. A quality Bean for the South, forcing under glass and early outdoors.
Pt. (*Lb.*) $1.00 Qt. (*2 lbs.*) $1.90 4 qts. (*8 lbs.*) $7.50

Trivett's American Choice.
Ready to pick in 57 days (one week after "Trivett's Bountiful Selected"). The plants are erect, healthy growers, bearing a heavy crop of long, straight, meaty and stringless pods of excellent table quality. *Resistant to bacterial blight.*
Pt. (*Lb.*) 60c. Qt. (*2 lbs.*) $1.10 4 qts. (*8 lbs.*) $4.25

Trivett's Early Giant. (*English Grown Seed.*)
Requires 57 days. Bushy, strong growing plants with an immense crop of long, straight pods, fleshy and succulent; superb cooking qualities. Adaptable to any section and in South.
Pt. (*Lb.*) 55c. Qt. (*2 lbs.*) $1.00 4 qts. (*8 lbs.*) $3.75

Trivett's Early Valentine. (*Improved.*)
Ready to pick in 53 days. An improved "Red Valentine." Erect plants, round, slender, stringless pods; brittle, juicy and good quality. Will supplant the old type.
Pt. (*Lb.*) 50c. Qt. (*2 lbs.*) 90c. 4 qts. (*8 lbs.*) $3.50

Trivett's Giant Stringless. (*Improved.*)
Ready to pick in 57 days. Produces an immense crop of long, round, straight pods that are stringless, brittle, juicy and of fine quality. Suitable for all sections and the South.
Pt. (*Lb.*) 55c. Qt. (*2 lbs.*) $1.00 4 qts. (*8 lbs.*) $3.75

Trivett's Fillbasket.
Ready in 60 days. A splendid main crop variety. The dark green pods are long, pointed, stringless, snap easily and of excellent flavor. A choice Bean for the Northeastern States. Highly recommended.
Pt. (*Lb.*) 60c. Qt. (*2 lbs.*) $1.10 4 qts. (*8 lbs.*) $4.25

The Wonder. (*English Grown Seed.*)
An English variety of exceptional merit. It is an early sort producing a large crop of long, straight pods, stringless and of superior cooking qualities. Similar to "*Masterpiece*," but more prolific; splendid forcer.
Pt. (*Lb.*) 75c. Qt. (*2 lbs.*) $1.40 4 qts. (*8 lbs.*) $5.50

T.T.S.

THE WONDER
An early, high class stringless Bean

GREENHOUSE FORCING BEANS

For growing under glass we can recommend these varieties—**The Prince, The Wonder, Trivett's Black Valentine** (*Special Stock*) and **Masterpiece.**

"Your Bountiful Selected is indeed superior both in quality, earliness and productiveness compared with the regular grade of Stringless Beans and The Prince is the highest quality Bean I have ever grown. It certainly pays to try the improved varieties."

MR. ARTHUR HARRIS
Superintendent-Head Gardener to
MRS. WARREN D. BREWSTER

OTHER GREEN STRINGLESS BEANS ARE LISTED ON PAGE 138

TRIVETT'S BOUNTIFUL SELECTED
A fine strain of this popular sort

SHELL, or DRY BEANS

For storing and using as baked beans and cooking purposes. The beans should be grown to maturity and when ripe should be shelled.

Dwarf Horticultural. The seed is mottled red and yellow.
Pt. (*Lb.*) 35c. Qt. (*2 lbs.*) 60c. 4 qts. (8 *lbs.*) $2.00

Navy, or **Boston Pea.** Small white seed.
Pt. (*Lb.*) 30c. Qt. (*2 lbs.*) 55c. 4 qts. (8 *lbs.*) $1.75

Red Kidney. Large brown red seed.
Pt. (*Lb.*) 30c. Qt. (*2 lbs.*) 55c. 4 qts. (8 *lbs.*) $1.75

BEANS (*Continued from page 137*)

DWARF, BUSH

GREEN POD, STRINGLESS VARIETIES

Trivett's Bountiful Selected. (*Special*)
Ready to pick in 50 days. A fine strain of the popular "Bountiful." Produces a large crop early in the season, of long, flat green pods, that are brittle, tender, juicy and of finest cooking quality, easily sliced. Perhaps the most popular for early crop in the north and for planting in Florida and the south.
Pt. (*Lb.*) 60c. Qt. (*2 lbs.*) $1.10 4 qts. (*8 lbs.*) $4.25

Trivett's Slim Jim.
Requires about 58 days. Producing a moderately good crop of long, round, slender pods, quite stringless in the young stage and of very good quality.
Pt. (*Lb.*) 60c. Qt. (*2 lbs.*) $1.10 4 qts. (*8 lbs.*) $4.25

Trivett's Triumph.
Ready to pick in 55 days. The plants are vigorous and somewhat spreading in habit; yields a fine crop of long green pods that are semi-round, brittle and juicy. Will do well in any section.
Pt. (*Lb.*) 75c. Qt. (*2 lbs.*) $1.40 4 qts. (*8 lbs.*) $5.50

Trivett's Black Valentine. (*Special*)
Ready to pick in 54 days. Produces a large crop of long, dark green, oval shaped pods that are brittle and snap off clean. A good variety for early crop outdoors, forcing under glass and in the Southern States.
Pt. (*Lb.*) 60c. Qt. (*2 lbs.*) $1.10 4 qts. (*8 lbs.*) $4.25

Masterpiece. (*English grown seed*)
Very early English variety, yielding a fairly good crop of long, green stringless pods refined in appearance, tender, juicy and of excellent flavor. It has proved a good forcing sort.
Pt. (*Lb.*) 60c. Qt. (*2 lbs.*) $1.10 4 qts. (*8 lbs.*) $4.25

Bountiful.
Ready in 50 days. Vigorous, healthy grower, flat, stringless pods. Crisp, juicy, and of excellent quality.
Pt. (*Lb.*) 40c. Qt. (*2 lbs.*) 75c. 4 qts. (8 *lbs.*) $2.85

Black Valentine (*Improved*).
Ready to pick in 55 days. We offer an improved strain. Semi-round pods that are brittle and stringless.
Pt. (*Lb.*) 35c. Qt. (*2 lbs.*) 65c. 4 qts. (8 *lbs.*) $2.50

Stringless Green Pod (*Improved*).
Ready to pick in 53 days. Vigorous plants, good crop of round, pointed green pods that are stringless, meaty, and of excellent cooking qualities.
Pt. (*Lb.*) 40c. Qt. (*2 lbs.*) 75c. 4 qts. (8 *lbs.*) $2.85

Tendergreen.
Ready to pick in 56 days. The plants are bushy and erect, producing a heavy crop of long, round, straight, green pods that are very meaty and stringless. Excellent quality. Good in any part of the country.
Pt. (*Lb.*) 50c. Qt. (*2 lbs.*) 90c. 4 qts. (8 *lbs.*) $3.50

Early Red Valentine.
Ready to pick in 53 days. Produces a fair crop of round, slender, green, stringless pods of good quality.
Pt. (*Lb.*) 40c. Qt. (*2 lbs.*) 70c. 4 qts. (8 *lbs.*) $2.85

Extra Early Refugee.
Requires 68 days. Early only in comparison with the *Late Refugee.* Really a good main crop variety.
Pt. (*Lb.*) 40c. Qt. (*2 lbs.*) 75c. 4 qts. (8 *lbs.*) $2.85

Late Refugee (1000 to 1).
Requires 75 days. Of merit only as a late sort for canning, not stringless. Remove strings.
Pt. (*Lb.*) 30c. Qt. (*2 lbs.*) 60c. 4 qts. (8 *lbs.*) $2.00

LAWN GRASS SEED—Trivett's Choice Mixtures—See page 177

DWARF, BUSH BEANS

YELLOW POD, STRINGLESS SORTS

Wax Pod, Butter Beans
One pint will sow a row 50 feet long

Hints on Cultivation—Sow as soon as danger of frost is over, placing the seeds 2 to 3 inches apart in drills and about 2 inches deep. The rows should be about 2½ feet apart, and the soil slightly hilled, to insure good drainage and to keep the Beans from touching the ground. Most Beans should be picked when about 4 inches long. Do not cultivate or pick when bushes are wet, as this may cause blight and rust. Dust or spray frequently to control the Bean beetle.

Trivett's Paris Market. A delicious French Bean. Ivory yellow, round pods about 6 inches long, absolutely stringless, tender, fleshy, and of delicious flavor. Ready for picking in about 50 days. Height about 18 inches. We consider this to be the highest quality butter Bean yet offered.
Pt. (*Lb.*) 75c. Qt. (*2 lbs.*) $1.40 4 qts. (8 *lbs.*) $5.50

Trivett's Golden Wax. Improved, flat-podded variety, refined in flavor and very tender. Produced in great bunches, the large pods are quite stringless.
Pt. (*Lb.*) 45c. Qt. (*2 lbs.*) 80c. 4 qts. (8 *lbs.*) $3.00

Trivett's Pencil Pod Wax. Very desirable, long, round pods, tender and stringless.
Pt. (*Lb.*) 50c. Qt. (*2 lbs.*) 90c. 4 qts. (8 *lbs.*) $3.50

Trivett's Sure Crop Wax. Early sort, immense cropper, excellent quality; rustproof.
Pt. (*Lb.*) 45c. Qt. (*2 lbs.*) 80c. 4 qts. (8 *lbs.*) $3.00

POLE, STRINGLESS

CLIMBING, STRINGLESS VARIETIES

The Poles should be 4 feet apart. Place 8 or 10 beans to each pole. They are vigorous in growth and yield a large crop.

Trivett's Kentucky Wonder. Most popular Pole, green podded Bean; immense cropper, yielding a continuous supply of choice beans.
Pt. (*Lb.*) 45c. Qt. (*2 lbs.*) 80c. 4 qts. (8 *lbs.*) $3.00

Kentucky Wonder Wax. Similar to above, but yellow podded; quality just as fine.
Pt. (*Lb.*) 45c. Qt. (*2 lbs.*) 80c. 4 qts. (8 *lbs.*) $3.00

English Scarlet Runner. Useful as a stringless or shell bean; ornamental scarlet flowers.
Pt. (*Lb.*) 45c. Qt. (*2 lbs.*) 80c. 4 qts. (8 *lbs.*) $3.00

ENGLISH BROAD BEANS

Dwarf, bush type. These are different from American sorts, but resemble Lima Beans, and are used in a similar manner. Sow the seed as early as possible in good soil and start dusting or spraying early against green aphis, etc.

Broad Windsor. Large, meaty beans.
Pt. (*Lb.*) 50c. Qt. (*2 lbs.*) 90c. 4 qts. (8 *lbs.*) $3.50

LIMA BEANS. See page 140.

ASPARAGUS—Mary Washington

TRIVETT'S GOLDEN WAX

ARTICHOKE

Seeds—**French Green Globe.**

Start the seeds indoors and give treatment similar to that for Tomatoes. Allow 2 to 3 feet between the plants and protect during the Winter.
¼ lb. $2.50 Oz. 75c. Pkt. 20c.

Plants—**French Green Globe.** ... ... Doz. $2.50

Roots—**Jerusalem.** Entirely different from the French Green Globe. Plant the roots in rows 3 feet apart and every 12 inches. Lift the new tubers as required. Cook and serve like Potatoes. Qt. 50c. 8 qts. $3.00

ASPARAGUS

Note: We have discarded all other varieties in favor of Mary Washington (Pedigree)—the finest green, disease-resistant sort.

Seeds—**Mary Washington** (Pedigree). Finest green sort.
Lb. $2.00 ¼ lb. 60c. Oz. 25c.

Roots—**Mary Washington** (Pedigree). Rust-resistant.

2-year-old roots	*100* $3.00	*1000* $25.00
3-year-old roots	*100* $4.50	*1000* $42.50
4-year-old roots	*100* $5.75	*1000* $55.00

CONTROL THE BEAN BEETLES—See Insecticide Section

BUSH LIMA—Trivett's Improved

BUSH LIMA BEANS

One pint is equal to about 1 lb. and will sow a row 50 feet long

Hints on Cultivation—Lima Beans are very susceptible to cold and seeds should not be planted until the ground has become thoroughly warm. Being gross feeders, they should be sown on well enriched land, with the rows 2 feet apart, placing the beans 2 inches apart in the row, *eye down*, and later thin out, leaving the plants about 6 inches apart. The two halves of the Lima Bean seed become its seedling leaves and unless the Beans are placed "eye down" the young plants find it most difficult to push through the soil. Cover about 1 inch deep, not more. A good fertilizer applied at the rate of 20 lbs. to every 100 feet of row, when the plants begin to bloom, will materially increase the yields. The growing plants should be hilled up a little to keep the pods off the ground.

Trivett's Improved Bush. (*Special Strain.*) Very large and thicker beans than Burpee's; abundant cropper and practically rust-resistant; the quality is unsurpassed. The plants are upright, healthy growers.
Pt. (*Lb.*) 75c. Qt. (*2 lbs.*) $1.40 4 qts. (8 *lbs.*) $5.50

Trivett's Earliest of All. A valuable variety that produces a crop much in advance of the regular Dwarf Lima Beans. The broad pods are produced in abundance and are filled with large, flat beans of excellent quality. Better than the "Sieva" or "Butter Bean" for the South. The plants are of upright, vigorous habit and produce clusters of 6 to 8 large pods well above the foliage, each containing 4 to 5 large, luscious beans, quite early.
Pt. (*Lb.*) 60c. Qt. (*2 lbs.*) $1.10 4 qts. (8 *lbs.*) $4.25

Burpee's Improved. Good, standard sort; large, white beans, and quite prolific. Pt. (*Lb.*) 40c. Qt. (*2 lbs.*) 70c. 4 qts. (8 *lbs.*) $2.50

Butter Bean. See **Henderson's**, or **Sieva.**
Pt. (*Lb.*) 40c. Qt. (*2 lbs.*) 70c. 4 qts. (8 *lbs.*) $2.50

Fordhook. (*Special Stock.*) Medium size beans but very thick and meaty; excellent quality.
Pt. (*Lb.*) 45c. Qt. (*2 lbs.*) 80c. 4 qts. (8 *lbs.*) $3.00

Dreer's Bush. Meaty, thick beans of medium size; good quality.
Pt. (*Lb.*) 40c. Qt. (*2 lbs.*) 70c. 4 qts. (8 *lbs.*) $2.50

Henderson's (or Sieva). Small beans of superior cooking quality; very prolific, maturing in about 74 days. Also known as "Butter Beans" in the South. Pt. (*Lb.*) 40c. Qt. (*2 lbs.*) 70c. 4 qts. (8 *lbs.*) $2.50

McCrea's Bush Lima. This variety is of considerable merit. The feature that will appeal to most gardeners is the fact that it has a remarkably sweet flavor. The plants are strong and upright, carrying an abundance of heavy foliage. The light green, short, but very thick pods are equally abundant and each pod contains from 3 to 5 large, plump, rich green beans which are so tightly packed in the pod that many of them are almost square. Highly recommended. Pt. (*Lb.*) 60c. Qt. (*2 lbs.*) $1.10 4 qts. (8 *lbs.*) $4.25

POLE LIMA BEANS

One pint is sufficient for about 50 poles

Pole Limas are even less hardy than the Bush type and should not be planted until toward the end of May or when all danger of frost is past, and the soil is warm. Set the poles about 4 feet apart each way and plant 6 to 8 beans, eye downward, around each pole. When plants are up, thin out to 3 plants to a pole. Pinch off the ends when plants overrun the top of the poles.

Trivett's Giant Podded. The perfect Pole Lima, very large, green tinted beans of excellent cooking qualities; abundant and continuous cropper, maturing in about 90 days.
Pt. (*Lb.*) 75c. Qt. (*2 lbs.*) $1.40 4 qts. (8 *lbs.*) $5.50

Trivett's First and Best. The earliest, high quality Pole Lima. The vigorous, strong growing vines produce an enormous crop of pods which are filled with large, thick, meaty beans of highest quality.
Pt. (*Lb.*) 75c. Qt. (*2 lbs.*) $1.40 4 qts. (8 *lbs.*) $5.50

Trivett's Challenger. "Potato Lima." Medium sized beans, but very thick and meaty.
Pt. (*Lb.*) 55c. Qt. (*2 lbs.*) $1.00 4 qts. (8 *lbs.*) $3.75

King of the Garden. Large seeded, white, standard sort.
Pt. (*Lb.*) 50c. Qt. (*2 lbs.*) 90c. 4 qts. (8 *lbs.*) $3.50

Leviathan. The earliest of the Pole Limas; popular sort.
Pt. (*Lb.*) 45c. Qt. (*2 lbs.*) 80c. 4 qts. (8 *lbs.*) $3.00

Carolina Small Seeded. (*Tall Sieva.*) "Butter Bean." Very refined quality, producing small beans, but a heavy cropper; really a table delicacy. Ready in 82 days. During wet seasons when most Lima Beans succumb to mildew this variety can be depended upon to yield a crop.
Pt. (*Lb.*) 50c. Qt. (*2 lbs.*) 90c. 4 qts. (8 *lbs.*) $3.50

BEAN POLES, CEDAR—About 10 feet long, trimmed—$35.00 per 100

TRIVETT'S BROCCOLI

Broccoli (Ital.) Spargelkohl (Ger.) Broccoli (Fr.)

Trivett's Emerald Isle.
Improved green headed variety that, owing to earliness and rapid growth, is one of the few that will "head up" in this country, producing heads like Cauliflower, but grass green in color, retaining this color after cooking. After the large main head has been cut, the plant will produce a number of smaller heads which should be bunched together for cooking. A good proportion of stem should be cut with the heads, these cook soft and are very similar to Asparagus.

Oz. $5.50 ½ oz. $3.00
¼ oz. $1.75 Pkt. 50c.

Trivett's Yellow Headed. A splendid Cauliflower-headed Broccoli of yellowish color. Easily grown and a very desirable vegetable.

½ oz. $3.00 ¼ oz. $1.75 Pkt. 50c.

Green Italian Sprouting. Produces many small heads of green color and delicious Cauliflowerlike flavor.

Oz. 75c. ½ oz. 40c. Pkt. 15c.

T.T.S.

BROCCOLI—Trivett's Emerald Isle

How to Grow Broccoli—The type we offer above is, in our opinion, the only sort worth while attempting to grow in this country. Most of the varieties popular in Europe do not do well here. **"Trivett's Emerald Isle"** *is such a rapid grower that the seed may be sown at different times and several crops secured. However, those which come in during July and August are somewhat inferior, being inclined to bolt or break into flower and seed. For real quality and production, it is best to treat like Cauliflower, that is secure an early crop in frames from a February sowing and a late crop outdoors (September and October) from a June sowing.*

BRUSSELS SPROUTS

Cavolo di Bruxelles (Ital.) Rosekohl (Ger.) Chou de Bruxelles (Fr.)

Trivett's Exhibition. Produces abundance of large, solid well-shaped sprouts. Unequaled for exhibition and table use.

Oz. $1.25 ¼ oz. 50c. Pkt. 30c.

Trivett's Table Dainty. For those who appreciate small, fine sprouts; dwarf growing and the earliest.

Oz. $1.00 ¼ oz. 35c. Pkt. 20c.

Long Island Improved. Half dwarf. An American variety well suited to our climate, and extensively grown for the New York market. Very robust grower.

Oz. 75c. ¼ oz. 25c. Pkt. 15c.

Sow seed of Brussels Sprouts about 15th of May, thin out young seedlings, and when 3 inches high, plant out in garden in rows 3 feet apart and 2 feet between the plants. When heads begin to form, break off leaves from plant, commencing with the lower ones, and following up the stem as the Sprouts develop. Brussels Sprouts are of very late maturing habit, the flavor is much improved by slight frosts. Some gardeners find it advisable to sow earlier than above date, for their particular locality.

BRUSSELS SPROUTS—Trivett's Table Dainty

T.T.S.

BRUSSELS SPROUTS, Trivett's Exhibition

GLADIOLUS — Trivett's Twice Treated — See page 185

GARDEN BEETS

TRIVETT'S EXHIBITION GLOBE

Trivett's Exhibition Globe.

The seed of this high-class Beet is grown for us in England by a specialist from selected, prize roots. It is smooth, perfect globe-shaped and of unexcelled table quality. Grand for exhibition and general garden use. (*Illustrated*)

Lb. $3.00 ¼ lb. $1.00 Oz. 35c. Pkt. 15c.

Trivett's Table Dainty.

Very early, small, round roots, the flesh is juicy, tender, and of delicate, refined flavor. This sort is especially desirable for pulling as young, sweet Beets and suitable for growing on light, shallow soil.

Lb. $3.75 ¼ lb. $1.25 Oz. 45c. Pkt. 20c.

Trivett's Best of All.

A splendid strain. The roots are smooth and round. The flesh is dark crimson in color, free from growth rings, close in texture and highest cooking qualities.

Lb. $3.75 ¼ lb. $1.25 Oz. 45c. Pkt. 20c.

Trivett's Black Golf Ball.

Small, ball-shaped, very dark red, at its best when about the size of a golf ball. Very choice.

Lb. $3.00 ¼ lb. $1.00 Oz. 35c. Pkt. 15c.

Trivett's Crimson Globe Selected.

A fine, main crop variety of good size, very desirable as a first-class slicing Beet of highest quality. Rich, crimson color; firm, juicy, sweet-flavored flesh.

Lb. $3.00 ¼ lb. $1.00 Oz. 35c. Pkt. 15c.

Trivett's Early Wonder. (*Special*)

Flat, globe-shaped, suitable for shallow soil, requires only 50 days from sowing to pulling size. The flesh is deep purplish red; fine flavor, good garden sort.

Lb. $2.25 ¼ lb. 75c. Oz. 25c. Pkt. 10c.

Trivett's Detroit Dark Red. (*Special*)

A selected strain of the regular "Detroit Dark Red." Globe-shaped, with small tap root. The flesh is uniform in color, deep blood red, remains tender, juicy and sweet even when fully matured. Very highly recommended.

Lb. $2.75 ¼ lb. 90c. Oz. 35c. Pkt. 15c.

Sweetheart.

The quality of Beets is determined by the nature of soil, etc. in different sections. Some varieties give better results than others. We believe "Sweetheart" will produce Beets of the finest quality anywhere in this country.

Lb. $2.75 ¼ lb. 90c. Oz. 35c. Pkt. 15c.

GARDEN BEETS (*Continued*)

Oval Gem.

An oval or egg-shaped Beet of exceptional merit. The flesh is dark red, tender, juicy and of delicious flavor. Very choice.
Lb. $2.25 ¼ lb. 75c. Oz. 25c. Pkt. 10c.

Early Egyptian.

An extra early strain, round roots with flat top and bottom. Used principally as the first early, requiring about 45 days.
Lb. $1.50 ¼ lb. 50c. Oz. 20c. Pkt. 10c.

Crosby's Egyptian Improved.

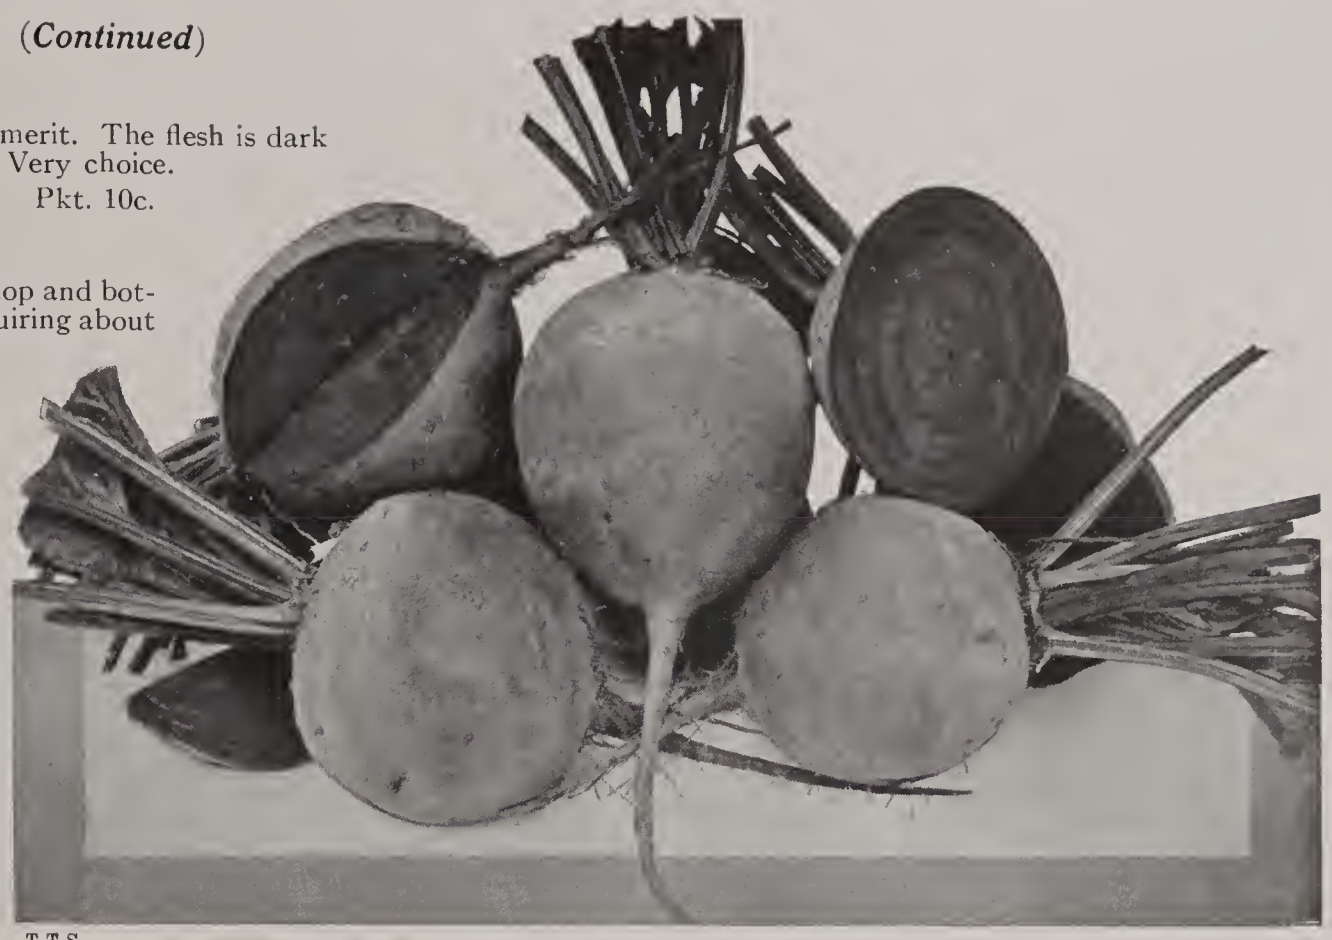

A selected strain of this good standard sort ready to pull in about 50 days.
Lb. $1.50 ¼ lb. 50c. Oz. 20c. Pkt. 10c.

Crimson Globe.

The regular stock of this fine Garden Beet. *For the selected strain*, see "Trivett's Crimson Globe Selected." Round, smooth roots. Ready in about 50 days.
Lb. $1.75 ¼ lb. 65c. Oz. 25c. Pkt. 10c.

Detroit Dark Red.

This is the regular stock of this very popular variety. *We offer a special, selected strain, see opposite page.* Dark red, sweet and tender. Ready in about 50 days.
Lb. $1.50 ¼ lb. 50c. Oz. 20c. Pkt. 10c.

T.T.S.

BEET, TRIVETT'S BEST OF ALL (See opposite page)

Eclipse.

A really fine Beet, round, oval-shaped roots. The flesh is juicy, tender and of very sweet flavor. Requires about 42 days before pulling.
Lb. $1.25 ¼ lb. 45c. Oz. 20c. Pkt. 10c.

Edmund's Blood Turnip.

A good standard Beet for general home garden purposes.
Lb. $1.25 ¼ lb. 45c. Oz. 20c. Pkt. 10c.

Spinach Beet.

See under **Swiss Chard.**

Perpetual Spinach Beet.

See under **Spinach.**

LONG GARDEN BEETS

These are long, or Parsnip-shaped roots and should be grown to a large size before using. When cooked they are served sliced, hot or cold and will be found surprisingly tender and juicy. They are also valuable for Winter storing.

Dobbie's Long Purple.

(Long Scotch Beets.) Parsnip-shaped, dark purple red in color. The flesh is solid and very tender and juicy having a delicious, sweet flavor.
Lb. $2.50 ¼ lb. 85c. Oz. 30c. Pkt. 15c.

Cheltenham Green Top.

A splendid, long English Beet of exceptional quality.
Lb. $3.00 ¼ lb. $1.00 Oz. 35c. Pkt. 20c.

No. 1 No. 2 No. 3 No. 4 No. 5

FIVE VARIETIES OF MANGELS (FIELD BEETS). The white line indicates the soil level at which each sort grows, some more above ground than others.

FIELD BEETS
(MANGELS)

Note—We have numbered the different varieties according to the numbers under the illustration. (*Use 8 to 10 lbs. per acre in drills*)

No. 1—Mammoth Long Red.

A superior strain of this popular Mangel. It grows half out of the ground and is very large. Requires about 110 days to maturity.
10 lbs. $8.75 Lb. 95c. ¼ lb. 35c. Oz. 15c.

No. 2—Half-Sugar Rose.

Long roots with pink skin and white flesh. An early maturing sort. About 90 days.
10 lbs. $8.75 Lb. 95c. ¼ lb. 35c. Oz. 15c.

No. 3—Improved Golden Tankard

Quite a large variety with yellow flesh and white zones. Requires about 100 days to maturity.
10 lbs. $9.00 Lb. $1.00 ¼ lb. 40c. Oz. 20c.

No. 4—Giant Yellow Intermediate

Large, oval, long, has high feeding value.
10 lbs. $9.00 Lb. $1.00 ¼ lb. 40c. Oz. 20c.

No. 5—Danish Yellow Giant Eckendorf.

Grows mostly above ground, easily harvested.
10 lbs. $9.00 Lb. $1.00 ¼ lb. 40c. Oz. 20c.

Klein Wanzleben.

Grand Sugar Beet.
10 lbs. $9.00 Lb. $1.00 ¼ lb. 40c. Oz. 20c.

CABBAGE, TRIVETT'S PRIZE WINNER

CABBAGE

Cavolo (Italian) Kohl, Kraut (German)

TREATED ⊕ SEED

Hints on Cultivation—Sow seed of the early varieties toward the end of February. Transplant into flats 4 inches apart each way as they become large enough to be handled. Harden gradually and set into rows 2½ feet apart with the plants about 2 feet apart in the row. About April 1st, a second sowing of the second-early or main crop varieties is made outdoors to provide Cabbage from the middle of July until late in the Fall. For Winter storing sow about middle of April seeds of the late Winter sorts. By July 1st, these plants should be ready to be set in rows 3 feet apart with 2 feet between the plants. Cabbage requires a good, rich soil.

FIRST EARLY SORTS

Trivett's Prize Winner.
A remarkable variety of dwarf habit, practically no waste leaves, producing early in the season, solid white hearts.
Oz. 85c. ½ oz. 45c. Pkt. 20c.

Trivett's Satisfaction.
A splendid selection, the pointed heads are firm and solid, tender and delicate in flavor. The habit is dwarf with few outer leaves.
Oz. 85c. ½ oz. 45c. Pkt. 20c.

Trivett's Table Dainty.
Ideal for forcing or first early outdoors. Small, round, solid heads. The habit is so compact that the plants can be placed as close as 9 inches apart. Excellent quality.
Oz. $1.25 ½ oz. 65c. Pkt. 25c.

LATE VARIETIES

See also **"SAVOY"** *opposite page*

Trivett's Autumn King. Late, for Winter keeping.
¼ lb. $3.00 Oz. 80c. ½ oz. 45c. Pkt. 20c.

Trivett's Giant Globe. Often produces heads 25 lbs. in weight; very firm, solid white heads; splendid for Winter keeping.
¼ lb. $3.00 Oz. 80c. ½ oz. 45c. Pkt. 20c.

Late Flat Dutch. (*Large Late Drumhead.*) The most popular late or Winter keeping variety.
¼ lb. $1.25 Oz. 50c. ½ oz. 30c. Pkt. 10c.

Bugner. Very popular through the Mid-west. Has very large, semi-round heads, which become extremely hard as soon as they begin to form, and is yellows-resistant. Will require more room to grow than other varieties. Set 2½ feet away.
¼ lb. $2.00 Oz. 75c. ½ oz. 40c. Pkt. 15c.

Wisconsin Hollander No. 8. A yellows-resistant strain of Hollander or Danish Ballhead. It produces fine yields of Cabbage on yellows infested land. An extra good variety for yield, keeping quality, for kraut, storage or shipping.
¼ lb. $1.50 Oz. 50c. ½ oz. 30c. Pkt. 15c.

Danish Ballhead. (*Tall Stemmed.*) Late; 120 days. One of the very best for Winter storage.
¼ lb. $1.50 Oz. 50c. ½ oz. 30c. Pkt. 15c.

Danish Round Head. (*New Resistant.*) Late; 120 days.
¼ lb. $1.50 Oz. 50c. ½ oz. 30c. Pkt. 15c.

Trivett's Golden Acre.
Early sort, similar in type to Copenhagen Market, but earlier and somewhat smaller. Produces tightly folded heads of fine quality. . . . Oz. 75c. ½ oz. 40c. Pkt. 20c.

Trivett's Early Jersey Wakefield. (*Special Stock*)
Extra early; 70 days to maturity; 5 days earlier than *Long Island Wakefield.* Large, solid, pointed heads.
¼ lb. $1.25 Oz. 50c. ½ oz. 30c. Pkt. 15c.

Copenhagen Market. (*New Resistant*)
Extra early, very large solid heads; fine quality Summer Cabbage.
¼ lb. $1.25 Oz. 40c. ½ oz. 25c. Pkt. 15c.

SECOND EARLY (MAIN CROP)

Trivett's Succession.
Between early and late.
¼ lb. $2.50 Oz. 75c. ½ oz. 40c. Pkt. 15c.

Early Flat Dutch.
Early, large, firm, flat heads.
¼ lb. $1.25 Oz. 50c. ½ oz. 30c. Pkt. 10c.

Glory of Enkhuizen. (*Selected Stock*)
Second early or main crop. Large, solid, round heads. Ready in 100 days.
¼ lb. $1.25 Oz. 50c. ½ oz. 30c. Pkt. 10c.

Marion Market.
A yellows-resistant strain of Copenhagen Market Cabbage (but about 10 days later), which has proven very dependable and popular.
¼ lb. $2.00 Oz. 75c. ½ oz. 40c. Pkt. 15c.

CABBAGE (*Continued*)

Cabbage requires plenty of nitrogen in the soil

SAVOY CABBAGE, TRIVETT'S BEST OF ALL

T.T.S.

CABBAGE, TRIVETT'S RUBY RED

SAVOY CABBAGE

Trivett's Inverness.
A high-class Savoy which should be widely grown. Splendid main crop; large, deep green; very solid heads of unsurpassed flavor. ... ... Oz. 85c. ½ oz. 50c. ¼ oz. 30c. Pkt. 25c.

Trivett's Best of All.
Improved strain, finely crimped leaves. Solid hearts. Superior quality.
Oz. 85c. ½ oz. 50c. ¼ oz. 30c. Pkt. 25c.

Selected Drumhead.
Well known, standard sort. large, solid heads. ¼ lb. $1.25 Oz. 40c. ½ oz. 25c. Pkt. 10c.

RED CABBAGE

Trivett's Ruby Red.
Superior variety. Good color for pickling, and also for cooking.
Oz. 85c. ½ oz. 50c. ¼ oz. 30c. Pkt. 25c.

Red Stonehead.
Medium size, producing solid hearts; deep rich color.
¼ lb. $1.25 Oz. 45c. ½ oz. 25c. Pkt. 10c.

Mammoth Red Rock.
Immense size; firm, solid heads. The largest variety.
¼ lb. $1.25 Oz. 45c. ½ oz. 25c. Pkt. 10c.

T.T.S. CHINESE CABBAGE
Che-foo

CHINESE CABBAGE
(CELERY CABBAGE)

Hints for Successful Cultivation—In the Northern States the seed should not be sown until June and later. Chinese Cabbage only requires about ten or twelve weeks to maturity and is best as a late Summer crop. If sown early the plants will break into seed. Delicious served raw as salad with French dressing or like cole slaw. The green portion of the leaves may also be served like Spinach. The heavy mid-ribs are very palatable cooked like Swiss Chard or Asparagus.

Che-foo.
Produces large, solid heads like a large Cos Lettuce, entirely self closing; does not require tying up or blanching. This is perhaps the best of this type. *See illustration.* ¼ lb. $1.50 Oz. 50c. ½ oz. 30c. Pkt. 15c.

Wong Bok.
A popular variety similar to "Che-foo." Large, self-folding heads.
¼ lb. $1.00 Oz. 45c. ½ oz. 25c. Pkt. 10c.

Improved Peking. (*Illustrated.*)
Resembles Celery, with tall, tightly folded heads about 18 inches high, and more when well grown. We recommend this variety as the best for Winter storage.
¼ lb. $1.00 Oz. 45c. ½ oz. 25c. Pkt. 10c.

T.T.S.
CELERY CABBAGE
Improved Peking

CARROTS

Carota (Italian) **GROWN FOR US IN FRANCE** Mohruben (German)

Carrots require a soil rich in potash. Some varieties are more suitable than others for certain localities

Trivett's Imperator. *(Selected)*
(Main crop.) Long, tapering roots about 8 inches in length, and quite easily pulled. This high class Carrot has fine-grained orange red flesh of unsurpassed, mild, sweet flavor. Excellent for private estate and home gardens. ¼ lb. $1.00 Oz. 40c. Pkt. 15c.

Trivett's Bagley.
(Late.) A very long Carrot, longer than "Long Orange." Dark orange in color and of the highest cooking quality. When grown on rich soil an immense crop can be harvested. Splendid for Winter storing.
¼ lb. $1.25 Oz. 50c. Pkt. 20c.

Trivett's Scarlet Wonder.
(Early.) Not a large Carrot, usually attaining a length of 4 or 5 inches. The flesh is vivid scarlet, tender and of delicate, sweet flavor. High class sort.
¼ lb. $1.75 Oz. 60c. Pkt. 25c.

Trivett's Tender and True.
(Early.) Half-long type, refined, coreless roots of first-class quality. A splendid variety for pulling as tender young Carrots. Sweet and juicy.
¼ lb. $1.75 Oz. 60c. Pkt. 25c.

Trivett's Melting Marrow.
(Early.) Bright scarlet, cylindrical shaped roots which are practically coreless. High class in every way.
¼ lb. $1.50 Oz. 50c. Pkt. 15c.

Trivett's Exhibition.
(Main crop.) Medium size, stump-rooted, smooth, waxy skin of glowing orange color. The flesh is of very fine texture and excellent quality. Highly recommended for garden use. ¼ lb. $1.75 Oz. 60c. Pkt. 25c.

Trivett's Coreless.
(Early.) Six inches long, stump-rooted, practically no center core. The flesh is reddish orange, and of finest texture. Produces a heavy crop of uniform size and excellent quality. ¼ lb. $1.25 Oz. 45c. Pkt. 20c.

Trivett's Decision.
(Main crop.) Large, Parsnip-shaped roots and clear, bright red flesh of very close texture and superior quality, almost no core. Can be grown to a very large size; good keeper. ¼ lb. $1.75 Oz. 60c. Pkt. 25c.

Trivett's Table Dainty.
(Early.) About 4 inches long, of good color, very tender and juicy. This is the variety to grow for using as young "new" Carrots. ¼ lb. $1.75 Oz. 60c. Pkt. 25c.

Trivett's Italian Market.
(Early.) A splendid sort of the highest grade. The roots are about 6 inches long and 1½ inches thick, tender, fine grained and of good cooking qualities.
¼ lb. $1.50 Oz. 50c. Pkt. 15c.

TRIVETT'S EXHIBITION CARROT

CARROTS (*Continued*)

They like potash and mellow, rich soil.

Trivett's Chantenay Selected

(Second Early.) A selected stock, stump-rooted type, maturing in about 65 days. An excellent Carrot in all respects.

Lb. $3.50 ¼ lb. $1.25 Oz. 45c. Pkt. 15c.

Trivett's Danver's Selected

(Late.) A tapering cylindrical Carrot of good size and excellent table quality.

Lb. $3.50 ¼ lb. $1.25 Oz. 45c. Pkt. 15c.

Trivett's Favorite Forcing

(First Early.) A special strain of small, round Carrots for forcing in greenhouses or frames and for an extra early crop outdoors. Also if sown in August will produce nice young Carrots for Autumn use.

Lb. $6.00 ¼ lb. $1.75 Oz. 60c. Pkt. 20c.

Sutton's Red Intermediate.

(Late.) Large size, bright red, close grained; flesh of finest sweet flavor.

Lb. $5.00 ¼ lb. $1.50 Oz. 50c. Pkt. 20c.

Chantenay.

(Second Early.) The regular stock of this good standard variety. For selected grade, see "Trivett's Chantenay Selected."

Lb. $1.50 ¼ lb. 50c. Oz. 25c. Pkt. 10c.

Danver's Half Long.

(Late.) For selected stock, see "Trivett's Danver's Selected." Good standard sort.

Lb. $1.50 ¼ lb. 50c. Oz. 25c. Pkt. 10c.

Tendersweet.

(Late.) About 9 inches long, orange red, sweet, tender and of fine quality.

Lb. $2.50 ¼ lb. 85c. Oz. 35c. Pkt. 15c.

French Forcing.

(Extra Early.) Small, round roots for forcing under glass and in frames.

Lb. $2.75 ¼ lb. $1.00 Oz. 35c. Pkt. 15c.

English Scarlet Horn.

(Early.) 4 to 5 inches long, bright red.

Lb. $1.50 ¼ lb. 50c. Oz. 25c. Pkt. 10c.

Nantes Half-Long.

(Early.) A fine early French Carrot; splendid for first crop in the garden.

Lb. $2.50 ¼ lb. 85c. Oz. 35c. Pkt. 15c.

Long Orange Selected.

(Late.) A popular sort for Winter storing; long, large roots; good quality. Lb. $1.50 ¼ lb. 50c. Oz. 25c. Pkt. 10c.

Oxheart, or Guerande.

(Late.) Medium length but very thick; a very good Winter keeper.

Lb. $1.50 ¼ lb. 50c. Oz. 25c. Pkt. 10c.

"The vegetables from your seeds could not be better. I have a fine crop of your Carrots."

MR. VINCENT BOCCHINO
Superintendent-Head Gardener to
THEODORE PRATT, Esq.

TRIVETT'S DANVER'S SELECTED
A much improved strain of Danver's Carrot

FIELD CARROT

Long Orange Cattle.

(Late.) The most popular sort for Winter storage and stock feeding. *Sow about 5 lbs. to the acre during May-June.*

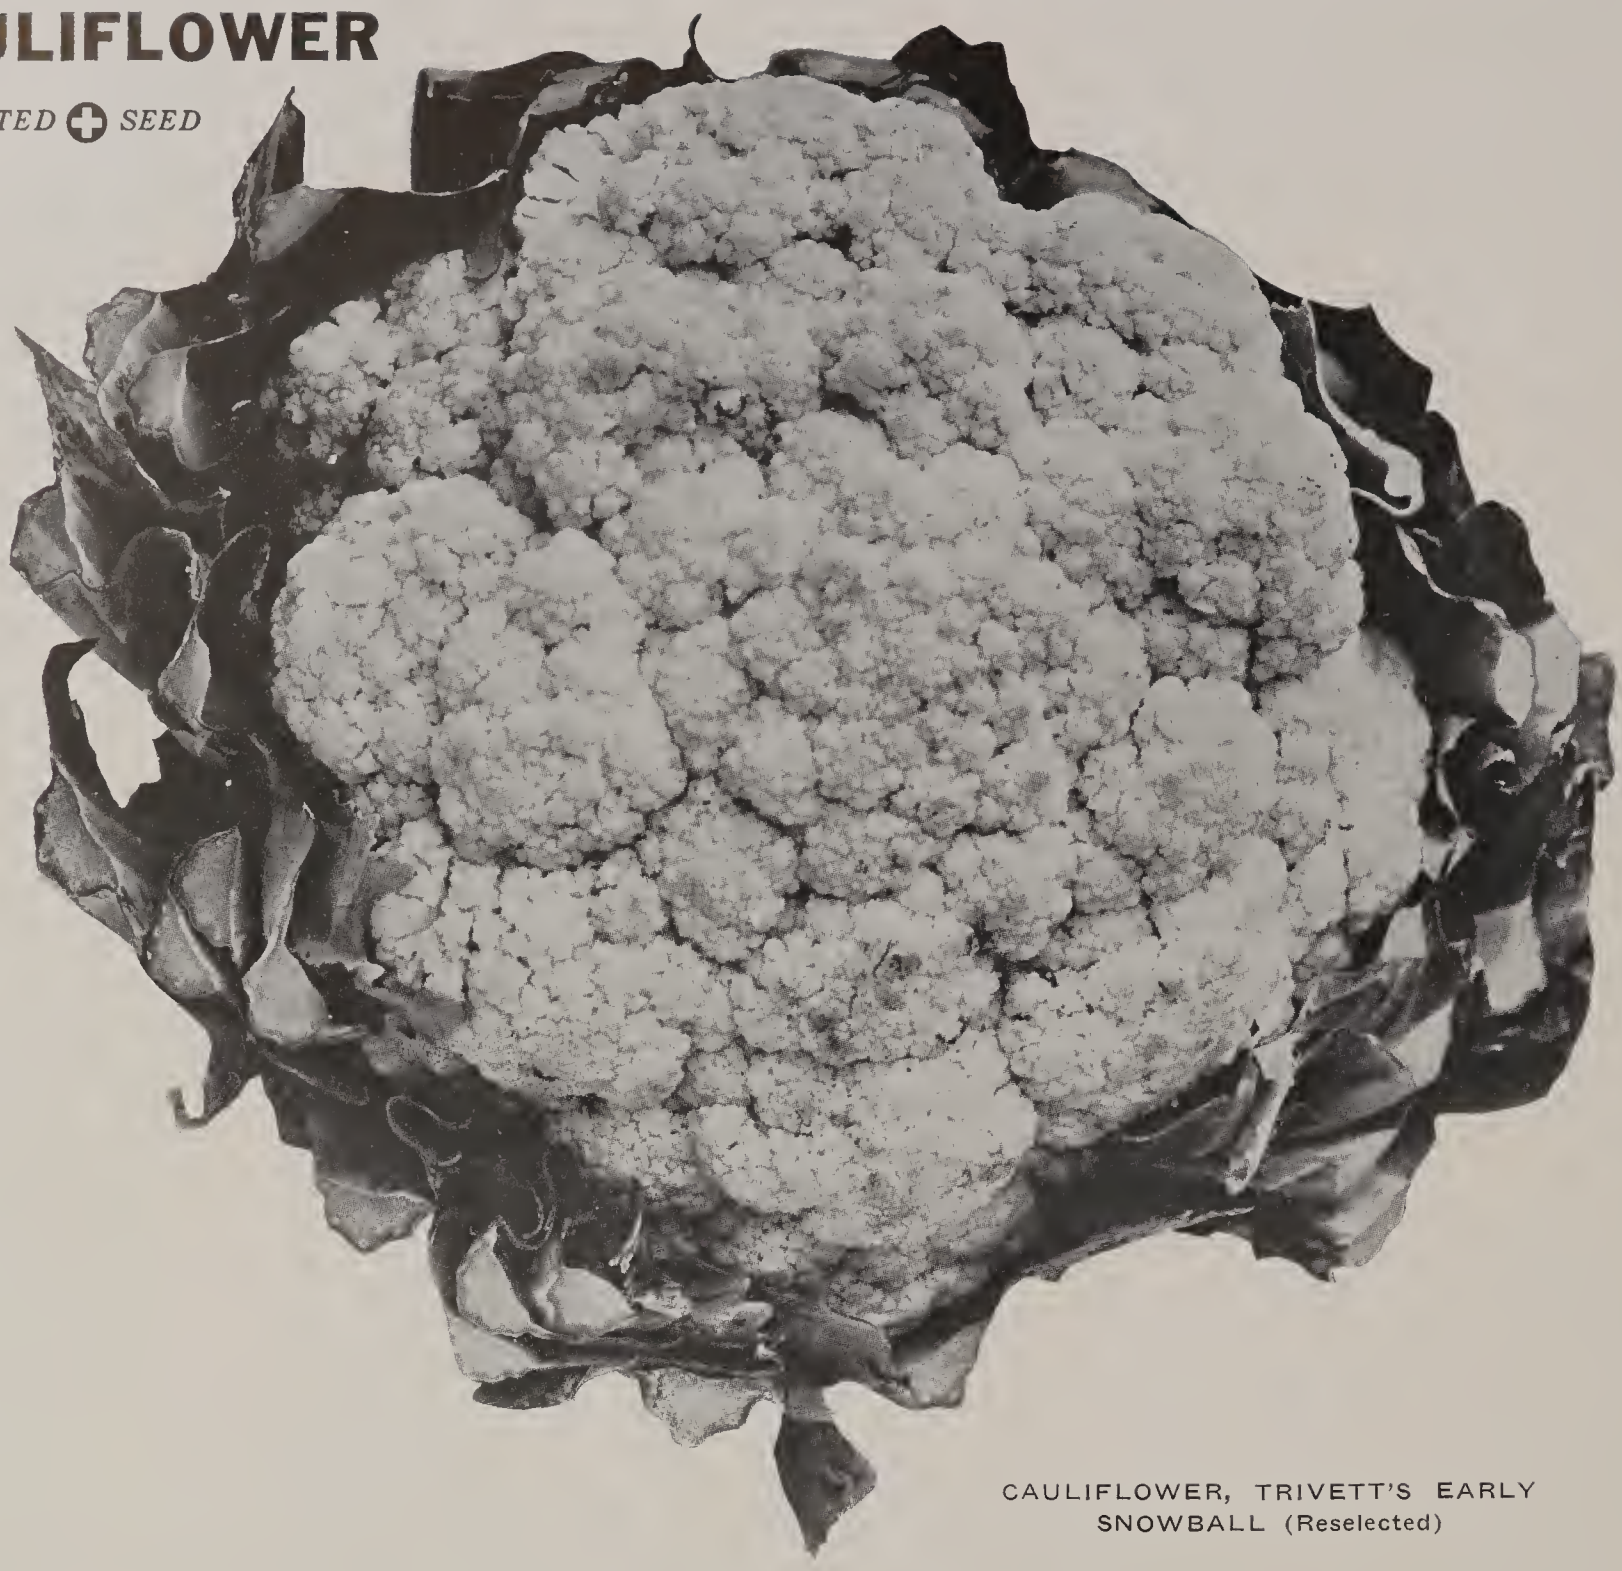

5 lbs. $6.00 Lb. $1.25 ¼ lb. 40c.

"Your seeds have again proven that they will produce high Quality Vegetables."

MR. JOHN ROSSI
Superintendent-Head Gardener to
SIR T. ASHLEY SPARKS

CAULIFLOWER

TREATED ⊕ SEED

CAULIFLOWER, TRIVETT'S EARLY SNOWBALL (Reselected)

Trivett's Early Snowball.

Reselected and the finest strain procurable of this extra early sort. Produces large, fine-grained, pure white heads of superior quality. Suitable for early or late crops. A sure header under glass or outdoors.
Oz. $5.00 ½ oz. $2.75 ¼ oz. $1.50 ⅛ oz. 85c. Pkt. 35c.

Trivett's Prizetaker.

Fourteen days later than "Trivett's Early Snowball." Produces immense, snowy white heads of the choicest quality. *Recommended for outdoor crops only.*
Oz. $5.00 ½ oz. $2.75 ¼ oz. $1.50 ⅛ oz. 85c. Pkt. 35c.

Trivett's Greenhouse Gem.

Medium-sized heads of the finest texture and purity. Refined, extra early sort for greenhouse culture.
Oz. $6.00 ½ oz. $3.50 ¼ oz. $2.00 ⅛ oz. $1.10 Pkt. 50c.

Hints on Culture—For early crop sow in January or February in greenhouse, transplant about April. For late crop sow end of May or June. To control root-rot or yellows, treat the soil when plants are established with a solution of 8 ounces bichloride of mercury to 50 gallons of water. Cauliflowers do best in new, rich soil.

Earliest Dwarf Erfurt. (*Special*)

We offer the original seed as raised by the Erfurt market gardeners (Germany). *Special No. 1 Quality.* Very early, dwarf habit, snowy white, firm heads. For forcing or outdoors.
Oz. $6.00 ½ oz. $3.50 ¼ oz. $2.00 ⅛ oz. $1.25 Pkt. 50c.

Long Island Market, or Best of All.

In suitable and rich light soil this sort will produce remarkably large, solid heads of finest texture.
Oz. $4.50 ½ oz. $2.50 ¼ oz. $1.35 ⅛ oz. 75c. Pkt. 30c.

Danish Dry Weather.

This variety will withstand hot, dry weather better than other sorts. The best for dry, light soil.
Oz. $3.50 ½ oz. $2.00 ¼ oz. $1.15 ⅛ oz. 65c. Pkt. 25c.

Snowball. (*Early*)

The regular stock of this fine early variety.
Oz. $3.00 ½ oz. $1.75 ¼ oz. $1.00 ⅛ oz. 60c. Pkt. 20c.

"I have always had good results from your vegetable seeds, and believe they are the best obtainable for private estates and others who appreciate high quality vegetables."

MR. GEORGE BATES
Superintendent-Head Gardener to
JAMES M. MATHES, ESQ.

CELERY

Sedano (Italian) *TREATED ⊕ SEED* Sellerie (German)

(Grown for Us in France)

Trivett's Golden Prize Stalk.
An outstanding sort, producing heavy, solid stalks which blanch right up to the leaves. Juicy, crisp, nutty flavor.
Oz. $3.50 ½ oz. $2.00 ¼ oz. $1.25 Pkt. 50c.

Trivett's Easy White Blanching.
Blanches very easily; large, solid, brittle stalks of purest white. Good flavor. For Summer or Winter use.
Oz. $1.50 ½ oz. 85c. ¼ oz. 50c. Pkt. 25c.

Trivett's Golden Plume. *(Special)*
Extremely early. Blanches quickly; crisp, juicy, solid stalks of fine flavor. Grand for Summer use.
Oz. $3.50 ½ oz. $2.00 ¼ oz. $1.25 Pkt. 50c.

Trivett's Dwarf Giant.
Distinct variety. Dwarf, compact growth, easily blanched and easy to handle; very thick, meaty stalks; fine flavor.
Oz. $3.50 ½ oz. $2.00 ¼ oz. $1.25 Pkt. 50c.

Supreme Golden—New—
Blanches to an attractive creamy white. The base is the "square" or blocky type so much desired by the high class vegetable growers and dealer; very choice.
¼ oz. $1.50 Pkt. 50c.

White Plume Improved.
The most widely grown early Summer sort. Blanches very easily. Crisp stalks of good quality. *Reselected.*
Oz. $1.00 ½ oz. 60c. ¼ oz. 35c. Pkt. 15c.

Pink Plume.
Similar to above, but with pink colored stalks.
Oz. $1.00 ½ oz. 60c. ¼ oz. 35c. Pkt. 15c.

Sutton's Superb Pink.
A late sort of good quality. *Originator's seed.*
(In packets only) Pkt. 50c.

CELERIAC

ROUND, TURNIP-ROOTED CELERY

Large Smooth Improved.
An excellent strain, large, round roots, Celery flavor.
¼ lb. $1.50 Oz. 50c. Pkt. 15c.

TRIVETT'S EASY WHITE BLANCHING — TRIVETT'S GIANT RED — TRIVETT'S WINTER QUEEN IMP.

T.T.S. TRIVETT'S GOLDEN PRIZE STALK
A high class celery

WINTER-KEEPING VARIETIES

Trivett's Winter Queen Improved. An improved strain of "Winter Queen." Best Winter sort.
Oz. $1.50 ½ oz. 85c. ¼ oz. 50c. Pkt. 25c.

Trivett's Winter Perfection. A splendid, large, white Celery and a fine keeper.
Oz. $1.50 ½ oz. 85c. ¼ oz. 50c. Pkt. 25c.

Trivett's Giant Red. *Illustrated.* Crisp, sweet, nutty flavor. Choice Winter sort.
Oz. $1.75 ½ oz. $1.00 ¼ oz. 60c. Pkt. 25c.

Winter Queen. Regular stock of this very popular white Winter Celery. The most rust-resistant and splendid for Winter storing. *For the improved strain,* see "Trivett's Winter Queen."
Oz. 75c. ½ oz. 40c. ¼ oz. 25c. Pkt. 15c.

Giant Pascal. A fine large, green sort that blanches white, vigorous healthy grower and is a good Winter keeper.
Oz. 75c. ½ oz. 40c. ¼ oz. 25c. Pkt. 15c.

TRIVETT'S SELECTED SWEET CORN

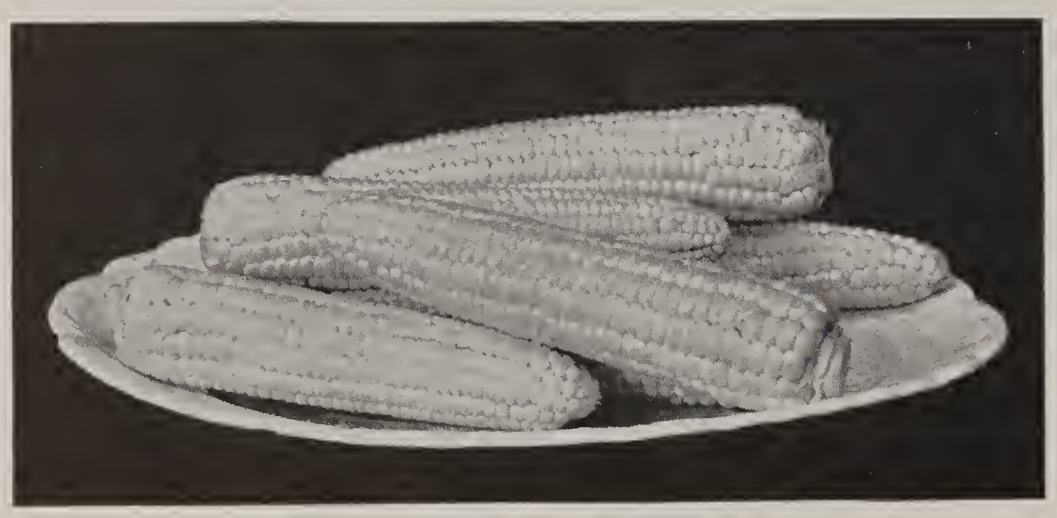

For Those Who Demand the Best

One pound of Sweet Corn is equal to about 1½ pints, 5 lbs. are equal to about 4 quarts

Do not sow until about the middle of May, when the soil is warm. Sow in rows about 3 feet apart and thin out the plants 12 inches apart or sow in hills 3 feet apart each way 6 or 8 seeds to a hill and thin out to 3 plants to each hill. For succession sow the early sorts every two weeks until July 15th. One pound will plant about 100 hills or about 200 feet of row. *Sweet Corn Requires Plenty of Phosphate*

T.T.S. TRIVETT'S TANGERINE
The earliest high quality yellow Sweet Corn.
Ready 7 days before "Golden Bantam, Improved"

T.T.S. EARLY BANCROSS HYBRID
Highly resistant to the bacterial wilt

T.T.S. TRIVETT'S GOLDEN CROSS BANTAM
Remarkable for uniformity of ears

EARLY VARIETIES
High Class Modern Sorts

Trivett's Tangerine.

Extra early, ready for the table *7 to 10 days before Golden Bantam.* Best described as an improved, larger Golden Bantam and possessing its rich, buttery taste and luscious sweet flavor. About 5 feet high and producing an average of two ears to a stalk. Many of our customers raise plants of "Tangerine" in pots under glass and transplant outdoors for an extra early crop.

½ lb. 40c. Lb. 75c. 5 lbs. $3.50

Golden Bantam (Improved).

Early, sweet and tender; perhaps the most popular of all; 4½ feet high. Matures in 70 days, and can be grown for succession all Summer by sowing every two weeks. Seed sown in pots under glass and planted in a frame will produce Sweet Corn out of season when it is so much appreciated.

½ lb. 30c. Lb. 50c. 5 lbs. $2.35

Trivett's 60 Day Golden.

A remarkable variety. The sturdy plants grow about 5 feet high, the ears are about 7 inches long and have 12 rows of deep, sweet kernels of unsurpassed quality. Ready for the table about one week before *"Golden Bantam."* This is a high class Sweet Corn in all respects.

½ lb. 40c. Lb. 75c. 5 lbs. $3.50

Trivett's Golden Cross Bantam.

About two weeks later than "Golden Bantam." (85 days.) This Hybrid is especially noted for resistance to Stewart's disease and for the remarkable uniformity of its ears. The grain is light yellow, tender, juicy and of delicious sweet flavor.

½ lb. 40c. Lb. 75c. 5 lbs. $3.50

Early Bancross Hybrid. (NEW)

An early hybrid that is ready to pick about 5 days ahead of other Bantam Hybrids and carries a high resistance to bacterial wilt. Cooks very tender; fine sweet flavor.

½ lb. 45c. Lb. 85c. 5 lbs. $4.00

Spancross 39 Hybrid. (NEW)

This Hybrid is perhaps the heaviest cropper of all, yielding a very high percentage of fine ears to the acre. Produces 8 to 14-rowed ears 6 to 9 inches long, of splendid quality. Plants 6 to 7 feet high and disease resistant.

½ lb. 45c. Lb. 85c. 5 lbs. $4.00

Top Cross Golden Bantam.

A good disease resistant "Bantam Cross," coming in about 10 days later than "Golden Bantam." Sweet, creamy yellow kernels.

½ lb. 40c. Lb. 75c. 5 lbs. $3.50

"—And, we have had splendid crops of good quality Sweet Corn from the very earliest right down to the end of the season. You are to be complimented on your list of high class, modern varieties."

MR. FRANK CORSON
Superintendent-Head Gardener to
MRS. CHARLES M. PRATT

☞ FERTILIZER FOR CORN—See Fertilizer Section

SWEET CORN *(Continued)*

Trivett's Early White. A strong, vigorous grower, about 6 feet high. Large, pearly white kernels of the most delicious rich flavor. The ears are about 7 inches long and are usually produced two to a stalk. Ready for use **just after "Golden Bantam."** ½ lb. 35c. Lb. 60c. 5 lbs. $2.75

Golden Sunshine. Extra early maturing **about one week before Golden Bantam.** Grows about 5 feet high, with many stalks carrying two ears. Exceedingly sweet yellow kernels.
½ lb. 30c. Lb. 50c. 5 lbs. $2.25

Whipple's Early Yellow. (*Wilt-resistant.*) A fine, second early sort, matures in one week after "*Golden Bantam.*" Grows about 6 feet high, bearing a splendid crop of 14-row ears. Sweet, and of delicious flavor. A very good sort.
½ lb. 25c. Lb. 45c. 5 lbs. $2.00

Early Mayflower. Good early white.
½ lb. 25c. Lb. 40c. 5 lbs. $1.75

De Lue's Golden Giant. A large golden Bantam, which it follows in succession.
½ lb. 25c. Lb. 45c. 5 lbs. $2.00

Howling Mob Improved. (*Special Stock.*) One of the finest early white sorts. Follows Golden Bantam. Ready in 75 days.
½ lb. 25c. Lb. 40c. 5 lbs. $1.75

Golden Evergreen (**Bantam Evergreen**). Yellow-grained Stowell's Evergreen. Takes 80 days.
½ lb. 25c. Lb. 40c. 5 lbs. $1.75

Crosby's Extra Early. Ready in 74 days. A good white sweet variety.
½ lb. 25c. Lb. 40c. 5 lbs. $1.75

Metropolitan. Second early, large white of unsurpassed sweet flavor.
½ lb. 25c. Lb. 40c. 5 lbs. $1.75

POP CORN

About 130 days are required for Pop Corn to reach maturity. Can be sown early.

Golden Mushroom. The kernels when popped are over 1 inch in diameter and of creamy white color. ½ lb. 20c. Lb. 30c. 5 lbs. $1.25

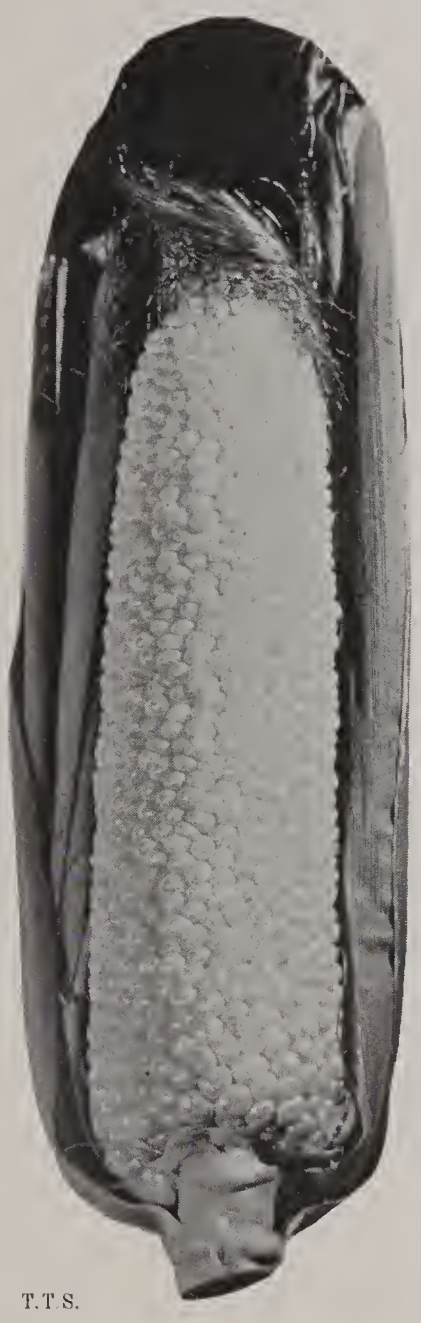

White Rice. Standard white sort.
½ lb. 20c. Lb. 30c. 5 lbs. $1.25

SWEET FODDER CORN

Sow about 50 lbs. per acre in rows

For use as green food for cattle.

Adam's Early. True Sweet Corn.
10 lbs. $2.75 100 lbs. $25.00

T.T.S.

GOLDEN COLONEL
The All American
Prize Winner 1936

MAIN CROP AND LATE SORTS

Trivett's Abundance. A selection of the new type of Sweet Corn. The plants grow about 6 feet high, and are of branching habit. **The average yield is 4 ears to a plant, being twice that of any other variety.** The ears are 7 inches long, and are tightly packed with pearly white kernels of delicious sweet flavor. Late maturing. Requires about 90 days.
½ lb. 40c. Lb. 75c. 5 lbs. $3.50

Golden Colonel—New—*Illustrated. The All American Prize Winner.* A hybrid with the rich golden yellow color of *Golden Bantam* and possessing the same high quality flavor. It has the zig-zag or shoe-peg formation of the kernels characteristic of *Country Gentleman.* Height about 7 feet.
½ lb. 40c. Lb. 75c. 5 lbs. $3.50

Country Gentleman Selected. A special strain of this most popular white "shoe peg" Corn. Requires about 100 days.
½ lb. 25c. Lb. 40c. 5 lbs. $1.75

Yellow Country Gentleman. Similar to the popular variety except in color which is golden yellow. This is the variety for those seeking long, juicy kernels which are not too meaty. Requires about 100 days. ½ lb. 40c. Lb. 75c. 5 lbs. $3.50

Stowell's Evergreen Improved. Perhaps the best main crop, large white, tender kernels. Juicy and of the finest, sweet flavor. Requires about 105 days. ½ lb. 25c. Lb. 40c. 5 lbs. $1.75

Long Island Beauty. This is the white Sweet Corn grown by the New York market gardeners. 6 feet in height.
½ lb. 25c. Lb. 40c. 5 lbs. $1.75

Black Mexican. Very sweet and delicious; 80 days to maturity.
½ lb. 25c. Lb. 45c. 5 lbs. $2.00

FIELD CORN. See page 183.

STOWELL'S EVERGREEN IMPROVED

CHERVIL

Easy to grow. Cultivate like Parsley. Useful for seasoning and in salads. One ounce to 100 feet of row.

Curled Chervil. Curled and crisp foliage. Oz. 75c. Pkt. 10c.

CHICORY

A Desirable Winter Forcing Salad

The Witloof Chicory is also known as *French Endive.* The roots are raised from seed during the Summer, cultivated like Parsnips. Lift the roots before frost, trim off 1 inch above the crown, cut off bottom so that roots will measure 6 or 8 inches long, place upright in boxes in rows and fill in with light soil. Cover with 6 or 8 inches dry leaves, straw, hay, or other such material. Keep in fairly warm cellar and water once a week. Valuable salad can be harvested in about 8 weeks.

Witloof or French Endive.
Lb. $2.25 ¼ lb. 75c. Oz. 25c. Pkt. 10c.

Selected Roots for Forcing $6.00 per 100

Italian Asparagus. (*Catalogna.*) Large, Dandelionlike plants which throw up long, green Asparaguslike stalks during the Summer. *Not for Winter forcing.* ¼ lb. $1.50 Oz. 50c. Pkt. 20c.

COLLARDS

Creole, or Southern. Grows 2 to 3 feet high.
Lb. $1.00 ¼ lb. 35c. Oz. 20c. Pkt. 10c.

Special Heading. More compact than the above.
Lb. $1.75 ¼ lb. 60c. Oz. 25c. Pkt. 10c.

CORN SALAD (Fetticus)

Quick growing. Used in salads. ¼ lb. to 100 feet.

Large Seeded. Ready for cutting in 6 weeks.
Lb. $1.75 ¼ lb. 60c. Oz. 20c. Pkt. 10c.

CRESS

Extra Curled (Garden Cress). The young seedlings are used for mixing with salads, flavoring, etc. Sow at intervals as the plants quickly run to seed. Use the young plants while still quite small. ... Lb. $1.25 ¼ lb. 50c. Oz. 20c. Pkt. 10c.

True Water Cress. Easily grown in moist, shady places if watered liberally, and on the edges of running streams, ponds, etc. Delicious for flavoring, garnishing, etc.
¼ lb. $1.75 Oz. 60c. Pkt. 20c.

CUCUMBER *TREATED ⊕ SEED*

Cetriolo (Ital.) Gurken (Ger.) Concombre (Fr.)

Trivett's Emerald Isle. (*Illustrated.*) Slicing sort, perfectly straight, fruit 12 to 18 inches long; the skin is beautiful, deep green, the flesh is crisp, juicy and of the most delicious flavor, the vines make very strong, healthy growth, and are disease-resistant.
¼ lb. $1.00 Oz. 35c. Pkt. 15c.

Trivett's Cool and Crisp. (*Selected Strain.*) Either for slicing or pickling when small. Extremely productive, delightfully crisp, and of most refined flavor.
¼ lb. 85c. Oz. 30c. Pkt. 15c.

Chinese Long Wonder. *Disease-resistant.* Withstands drought, moisture, and attacks of fungous diseases to a remarkable degree. Fruits often measure up to 2 feet. Tender and juicy.
¼ lb. $1.25 Oz. 45c. Pkt. 20c.

Chinese Green Resistant. *Disease-resistant.* Very vigorous, healthy vines, producing an abundance of dark green fruit, 8 to 10 inches long, finest quality.
¼ lb. $1.00 Oz. 35c. Pkt. 15c.

Clark's Special. Dark green fruit, 9 to 10 inches. The flesh is pure white, crisp and juicy. Choice.
¼ lb. 80c. Oz. 30c. Pkt. 15c.

White Spine Improved. Smooth, dark green, with white lines at the blossom end. Fine for slicing.
¼ lb. 65c. Oz. 25c. Pkt. 10c.

New Davis' Perfection. (*Special Strain.*) About 10 inches long; glossy green, tender and brittle; soft seeded.
¼ lb. 75c. Oz. 25c. Pkt. 10c.

Longfellow. This remarkable variety produces handsome fruits, 12 to 14 inches long by 2½ inches in diameter; flesh white and firm.
¼ lb. 75c. Oz. 25c. Pkt. 10c.

Long Green Improved. Best for sweet pickles. Vines are strong, vigorous and productive.
¼ lb. 75c. Oz. 25c. Pkt. 15c.

Fordhook Pickling. (*Jersey Pickle.*) Popular sort for pickling, very productive, healthy vines, choice.
¼ lb. 60c. Oz. 20c. Pkt. 10c.

West Indian Gherkin. Small pickling sort, about 2 inches in length; soft, juicy flesh, choice sort.
¼ lb. 75c. Oz. 25c. Pkt. 10c.

Japanese Climbing. Hardy, healthy vines for growing on poles or fences; for slicing or pickling.
¼ lb. 60c. Oz. 25c. Pkt. 10c.

ENGLISH FORCING CUCUMBERS

Sutton's King George. The finest evolution in greenhouse Cucumbers; the fruit grows 2 feet and more in length, and the vines are extremely productive. Quality is superb. (*Sutton's English Seed.*)
Pkt. 75c.

Tender and True. A choice English variety.
Pkt. (15 seeds) 60c.

Telegraph Improved. Popular sort. ... Pkt. 35c.

T.T.S. Trivett's Emerald Isle Cucumber

DANDELION

One ounce will sow 100 feet of row

Large Thick-leaved. An improved Italian sort.
¼ lb. $2.50 Oz. 85c. Pkt. 25c.

French Garden. A good cultivated type.
¼ lb. $1.50 Oz. 60c. Pkt. 15c.

LAWN GRASS—Trivett's Special Mixtures—See Page 177

EGG PLANT and ENDIVE

T.T.S.

TRIVETT'S BLACK BEAUTY EGG PLANT

Hints on Cultivation of Eggplant—Eggplant seed requires a higher temperature for germination than any other vegetable and this temperature should be maintained right along in order to maintain strong and healthy growth. Sow the seed in hotbeds early in March. When 3 inches high, pot the young plants, using small pots and plunge them in the same bed so that the plants may become stocky. They can be planted out from the pots when the season becomes sufficiently warm in May or June. The soil can hardly be made too rich. Set the plants in open ground, allowing 3 feet between the rows and 2 feet between the plants in the row. Watch for the Potato beetle. This pest, as well as blight, may be controlled by spraying with Bordeaux Arsenate of Lead Mixture or by dusting the plants with Slug Shot.

ESCAROLLE

See **Endive, Broad-leaved,** on this page.

FINOCCHIO

See **Fennel,** page 155.

FRENCH ENDIVE

See **Chicory Witloof,** page 152.

HORSERADISH ROOTS

See page 169.

ENDIVE (Grown for us in France)

Endivia (Ital.) Endivien (Ger.) Chicoree (Fr.)

One ounce of Endive will sow a row 100 feet long

Sow seed in April for early crop and in June for late use. Allow the young plants about 1 foot space, and when almost full grown tie up the outer leaves over the heart to blanch. Do not tie up when wet.

Trivett's White Curled. (*Special Strain.*) Fine strain which blanches readily and is of superior quality.
¼ lb. $1.25 Oz. 50c. Pkt. 20c.

Ruffick Green Curled. Similar to Trivett's White Curled, but of bright green color. ¼ lb. 75c. Oz. 25c. Pkt. 10c.

French Moss Curled. Very finely laciniated leaves. Compact, white hearts, crisp and tender.
¼ lb. 75c. Oz. 25c. Pkt. 10c.

Broadleaved Batavian. (Full-hearted). (*Escarolle.*) Thick, fleshy, broad leaves, supplying salad well into Winter. (*Illustrated.*)
¼ lb. 75c. Oz. 25c. Pkt. 10c.

T.T.S.

ENDIVE—Broadleaved Batavian (Escarolle)

EGG PLANT *TREATED ✚ SEED*

Petronciano (Ital.) Eierpflanze (Ger.) Aubergine (Fr.)

Trivett's Black Beauty. (*Illustrated.*) Purplish black fruit of finest quality. Very productive and slightly earlier than "New York." Choice strain. Oz. $1.20 ¼ oz. 35c. Pkt. 25c.

Trivett's Long Purple. The fruit is 6 to 8 inches long and about 1½ inches in diameter; thin skin, very few seeds; nice, small slices that are easily cooked and of superior flavor.
Oz. 75c. ¼ oz. 25c. Pkt. 15c.

Trivett's Round White. Very refined, delicate flavor. Preferred by some to the Black.
Oz. $1.20 ¼ oz. 35c. Pkt. 25c.

New York Improved. (*Spineless.*) Popular sort, in great demand. Large, oval-shaped, purplish black fruit.
Oz. 60c. ¼ oz. 25c. Pkt. 15c.

Early Tokyo Market. Medium small size, about 4 inches long, and narrow, dark purple, very thin skin. The flesh has a refined, superior flavor. *Illustrated.* Oz. 75c. ¼ oz. 25c. Pkt. 15c.

T.T.S.

JAPANESE EGG PLANT, Early Tokyo Market

KALE, ABERDEEN SCOTCH CURLED (See opposite page)

KOHLRABI, TRIVETT'S WHITE VIENNA (See opposite page)

FENNEL (*Finocchio*)

(Italian Grown Seed)

Italian Early Mammoth. Extra early, round sweet bulbs. A delicious vegetable.
¼ lb. $1.25 Oz. 40c. Pkt. 15c.

Florence Improved Sweet. True Italian. Very good sort.
¼ lb. $1.00 Oz. 30c. Pkt. 15c.

KALE (*Borecole*) **Scotch Grown Seed**

Cavolo Verde (Ital.) Blatterkohl (Ger.)
Chou Vert (Fr.)

Aberdeen Scotch Curled. *Illustrated on opposite page.* Productive, densely curled, crisp leaves, and of fine, dwarf, compact habit. Makes delicious boiled greens.
Oz. 60c. ½ oz. 35c. ¼ oz. 20c. Pkt. 15c.

Scotch Curled Dwarf. (*Special Strain.*) Well-known and popular variety.
¼ lb. 85c. Oz. 30c. ½ oz. 20c. Pkt. 10c.

KOHLRABI (German Grown Seed)

Cavolo Rapa (Ital.) Kohl-Rabi (Ger.)
Chou Rave (Fr.)

One ounce of Kohlrabi will sow 100 feet of drill

Sow in drills about 1 inch deep and 18 inches apart, thin out the young plants to 6 inches apart. Kohlrabi is a delicious vegetable, combining the flavor of Cauliflower and Turnip. Cook and serve with white sauce like Turnips.

Trivett's Forcing. Extremely early. The finest variety for forcing in frames or greenhouse. Forms fine bulbs quickly; of pale green color; very juicy flesh of delicious flavor.
¼ lb. $1.75 Oz. 60c. ½ oz. 35c. Pkt. 25c.

Trivett's White Vienna. *Illustrated on opposite page.* Standard sort pale green bulbs and white flesh. Sweet flavor.
Lb. $3.00 ¼ lb. $1.00 Oz. 35c. Pkt. 15c.

Trivett's Purple Vienna. Similar to above but purple skin.
Lb. $3.00 ¼ lb. $1.00 Oz. 35c. Pkt. 15c.

LEEK (Scotch and English Seed)

Porro (Ital.) Lauch (Ger.) Poireau (Fr.)

Trivett's International. Exhibition Leek. Our seed is grown for us by a Scottish seed specialist, famous for prize winning Leeks throughout Scotland and England. In packets only, per pkt. 75c.

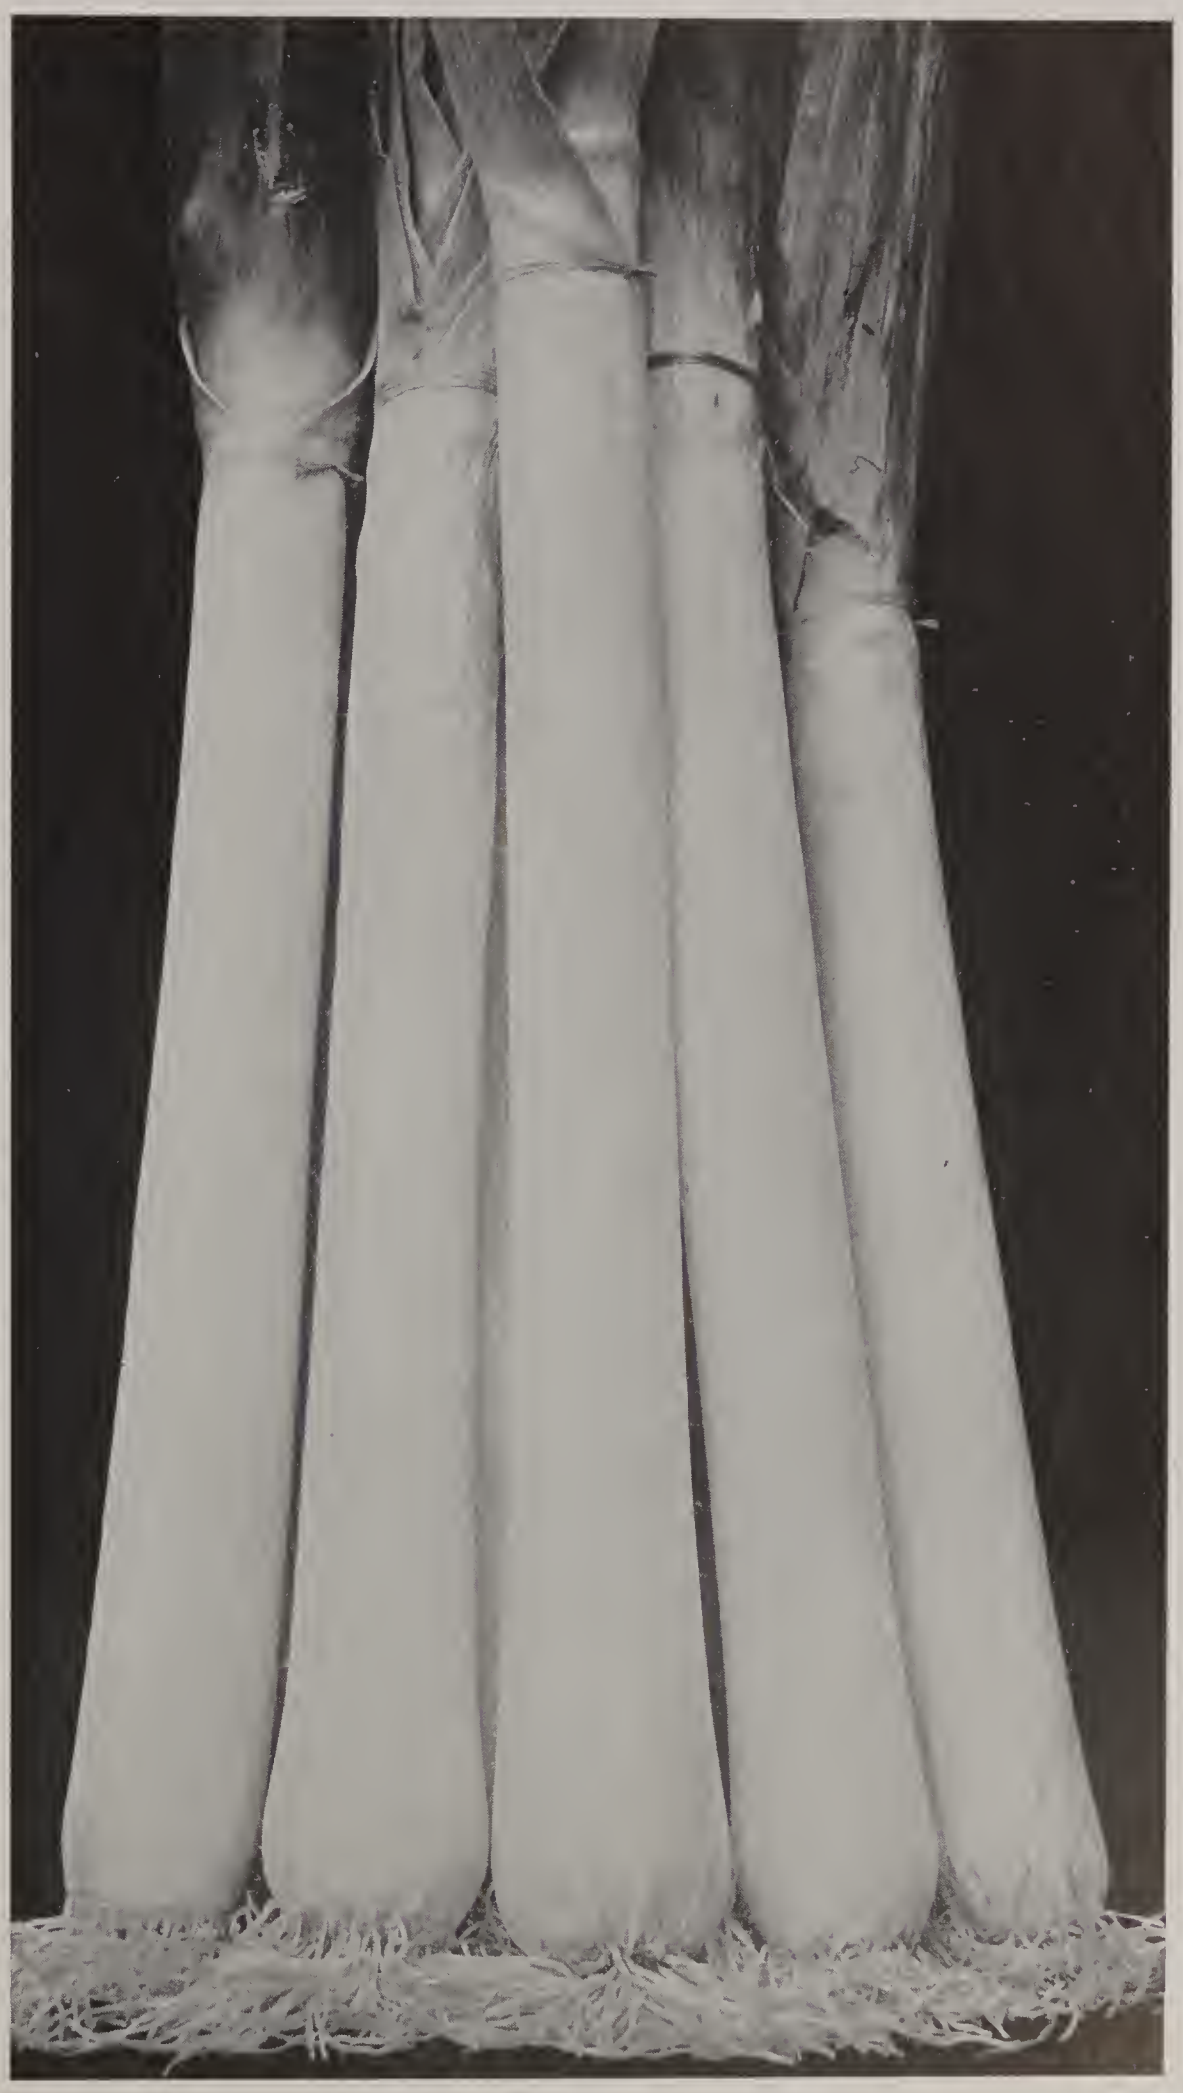

Trivett's Scotch Pride. *Illustrated.* A fine sort, of large size. For general garden purposes.
¼ lb. $2.75 Oz. 85c. ½ oz. 45c. Pkt. 20c.

Sutton's Prizetaker. Well-known, high class strain, splendid for exhibition and table use. (*Originator's Seed.*)
In packets only, per pkt. 75c.

Dobbie's Champion. Perhaps the best known strain of Leek in Scotland and a prize winner for over two generations.
¼ lb. $2.75 Oz. 85c. ½ oz. 45c. Pkt. 20c

Musselburgh Selected. A grand variety for general garden purposes. Selected strain.
Lb. $3.00 ¼ lb. $1.00 Oz. 35c. Pkt. 15c.

American Flag. (*Selected.*) Fine standard variety.
Lb. $3.00 ¼ lb. $1.00 Oz. 35c. Pkt. 15c.

TRIVETT'S SCOTCH PRIDE LEEK

HERB SEEDS

We offer 30 Separate Varieties of Herbs. Please refer to page 66.

"I have found your vegetable seeds to be superior in growth and quality. They can always be depended upon."
MR. JOHN A. WALKER
Superintendent-Head Gardener to
EDGAR F. LUCKENBACH, Esq.

LETTUCE

Lattuga (Italian) **GROWN FOR US IN FRANCE** Lattich Salat (German)

TRIVETT'S BEN LOMOND

CABBAGE HEADED VARIETIES

Lettuce requires plenty of nitrogen in the soil

Trivett's Ben Lomond.

An improved strain of "New York or Wonderful," which is handled by the high class fruit and vegetable dealers as "Iceberg." A superior Lettuce for private estate and home gardens. It forms large, solid, tightly-folded Cabbagelike heads, white, crisp, juicy and of sweet, nutlike flavor. *See illustration.*

Oz. 75c. Pkt. 25c.

"Your 'Ben Lomond' Lettuce produced great big, solid heads like Cabbages, and the flavor was the best I ever tasted in a Lettuce. A sure header."

MR. NEIL BROWN
Superintendent-Head Gardener to
HOWARD W. MAXWELL, Esq.

Trivett's May Market.

A fine early, first crop Lettuce for outdoors, frames or greenhouse. It could be classed as an "Improved May King." The plants are medium size, light green, smooth leaved. The hearts are of medium size, round and firm, and of superior quality. A grand forcing sort.

Oz. 75c. Pkt. 25c.

Trivett's Boston Supreme.

A selection of "White Boston," smooth-leaved, buttery Cabbage type. The plant is light green and forms a round, good sized, solid heart of light, creamy white color. The flavor is excellent and most appetizing. This is perhaps the finest smooth-leaved, Cabbage-headed sort in existence. Oz. 75c. Pkt. 25c.

"Your vegetable seeds could not be better. Every plant of Boston Supreme Lettuce produced a fine, solid head, ready for use right after 'Trivett's May Market.'"

MR. JOHN CORDASCO
Superintendent-Head Gardener to
WALBRIDGE S. TAFT, Esq.

Trivett's Golden Gem.

An extremely early little Lettuce forming small, round hearts of buttery-green color; valuable for first crop outdoors and for frame or greenhouse culture. The plants being small and compact, can be placed closer together than other sorts thus giving an increased number. ... ... Oz. 75c. Pkt. 25c.

LETTUCE *(Continued)*

One ounce of seed will sow a row 100 feet and over in length

CABBAGE-HEADED VARIETIES *(Continued)*

Trivett's All Heart.

The hearts are compact, of good size, firm and of excellent quality. Stands for a considerable time.
¼ lb. $1.50 Oz. 50c. Pkt. 15c.

Trivett's Favorite.

A curled-leaf sort with crisp, tender hearts and delicious, nutty flavor. Withstands dry weather well.
¼ lb. $1.50 Oz. 50c. Pkt. 15c.

Big Boston Exhibition. *(Special.)*

A popular butterhead type, requiring about 76 days to head. The leaves are plain and edged with brown. Produces well-folded firm hearts of the highest quality. Suitable for early and late crops. Outside or inside. ... ¼ lb. 75c. Oz. 30c. Pkt. 10c.

Green-leaved Big Boston.

A Cabbage, butter-head type, plant and head entirely light green. This is a splendid Lettuce of high quality.
¼ lb. $1.50 Oz. 50c. Pkt. 15c.

Iceberg.

Do not confuse with "New York" which is called "Iceberg" by vegetable dealers. Iceberg forms solid white hearts and requires about 80 days. ... ... ¼ lb. 60c. Oz. 20c. Pkt. 10c.

May King. *(Improved.)*

Requires about 60 days. Very popular for first crop outdoors and for frame or greenhouse forcing. Not large.
¼ lb. 75c. Oz. 30c. Pkt. 10c.

Marvel of Italy.

Similar in appearance to "New York," but of lighter green color; large, solid, crisp hearts, choice.
¼ lb. $1.25 Oz. 40c. Pkt. 15c.

Marvel of Stuttgart.

A German cabbage headed sort. Does not easily bolt to seed. Firm, hard hearts, finest quality.
¼ lb. $1.50 Oz. 50c. Pkt. 15c.

New York, or Wonderful. *(Special.)*

Curled outer leaves; large, firm hearts, tightly folded and blanched white. We offer an improved strain.
¼ lb. $1.00 Oz. 35c. Pkt. 15c.

Salamander.

The same as "Tennis Ball." Forms good solid hearts in 70 days and withstands warm, dry weather.
¼ lb. 75c. Oz. 30c. Pkt. 10c.

Tennis Ball.

The same as "Salamander."

Thanksgiving Day.

A fine Lettuce for sowing in August for late crops. Solid golden green hearts of excellent flavor.
¼ lb. $1.50 Oz. 50c. Pkt. 15c.

OTHER TYPES

Matchless.

A distinct type, like a cross between Cabbage and Cos Lettuce; juicy, crisp, corrugated inner leaves of finest flavor. ... ... Oz. 50c. Pkt. 15c.

Summer Triumph.

A true Summer Lettuce, in appearance like a compact, dwarf Dandelion plant. Suitable for Midsummer crop. The inner leaves are tender, juicy, of pleasing and appetizing flavor. ... Oz. 50c. Pkt. 15c.

COS, or ROMAINE VARIETIES

Trivett's Giant Exhibition.

A large Romaine sort with firm heart that blanches white. Very juicy, sweet, nutty flavor and although large, it is not coarse and is longstanding. ... ¼ lb. $2.50 Oz. 75c. Pkt. 25c.

Trianon Self-Closing.

An excellent Cos Lettuce of medium size with well-folded, firm hearts. Brittle, crisp, and sweet. ¼ lb. 75c. Oz. 30c. Pkt. 10c.

Paris White Cos.

Somewhat similar to "Trianon Self-closing," requiring about 75 days to maturity. Excellent quality.
¼ lb. 60c. Oz. 25c. Pkt. 10c.

Sutton's Nonsuch.

An English variety of medium large size. The hearts are compact, crisp, and of fine sweet flavor. ... (In packets only) Pkt. 50c.

LOOSE-LEAF VARIETIES

Early Curled Simpson.

The most popular, loose, non-heading sort, producing a heavy crop of curled leaves for early picking.
¼ lb. 60c. Oz. 20c. Pkt. 10c.

Black-seeded Simpson.

A form of "Early Curled Simpson," with large, curled leaves of crisp texture and finest flavor. ¼ lb. 75c. Oz. 25c. Pkt. 10c.

T.T.S. TRIVETT'S BOSTON SUPREME

"Your Boston Supreme is a splendid Lettuce. All of the Vegetables from your seeds are very good."
MR. ERNEST E. STUBBS, *Superintendent-Head Gardener to* MRS. DONALD G. GEDDES

SOW TRIVETT'S TESTED SEEDS—*for*—TRUE ECONOMY AND SATISFACTION

Popone (Italian)

MUSKMELONS

Melone (German)

TREATED ✚ SEED

One ounce will plant about 50 hills; 8 lbs. in hills per acre

Hints on Cultivation—Melons thrive best in a light, rich soil, and sunshine is essential for increasing the sugar content of the Melons. When the ground has become thoroughly warm, generally after middle of May, sow seeds in hills 5 feet apart each way. Melon vines are ravenous feeders and for best results a few shovelfuls of well-rotted manure should be incorporated in each hill. Scatter 12 seeds on top of each hill and cover about ¼ inch deep. After all danger of bugs is over, thin out to three or four strongest plants per hill. Early and repeated spraying with Bordeaux Arsenate of Lead Mixture is always advisable for these crops.

ORANGE, SALMON FLESHED VARIETIES

Banana.

18 inches long, 3 to 4 inches in diameter, slightly ribbed, orange flesh. Choice sort. ¼ lb. 75c. Oz. 30c. Pkt. 10c.

Bender's Surprise.

A remarkably prolific Melon of strong, vigorous growth. The vines produce an abundance of large, nearly round fruits with pale green, lightly netted skin. The sweet, deep orange flesh is fine grained and has a spicy flavor. 88 days.

¼ lb. 75c. Oz. 30c. Pkt. 10c.

Hale's Best.

This is the Melon now grown so extensively in the Imperial Valley, Cal., for early shipment to the big Eastern markets. Hale's Best is slightly larger and two weeks earlier than the standard Rocky Ford and is pink fleshed clear to the rind. Well ribbed and netted. The flesh is very thick, with only a small seed cavity, and of excellent quality, being sweet and musky. 86 days.

¼ lb. 75c. Oz. 30c. Pkt. 10c.

Hearts of Gold, or Improved Hoodoo.

The vines make a strong and vigorous growth. They are remarkably disease-resistant and produce a wonderful crop of delightfully flavored fruits. The Melons are of medium size, round, distinctly ribbed, and thickly netted and they present a most attractive appearance. The flesh is rich deep orange, fine grained, and moderately firm, enclosing a very small seed cavity. Of remarkable sweetness and spicy flavor. 100 days.

¼ lb. 75c. Oz. 30c. Pkt. 10c.

Trivett's Mammoth Pink.

☛ A grand big Muskmelon that will weigh up to 10 lbs. Almost round, late maturing. Thick, juicy, pink flesh of excellent quality.

¼ lb. $1.25 Oz. 45c. Pkt. 15c.

HOODOO. See **Hearts of Gold.**

Emerald Gem.

Small, but very early, salmon pink flesh. Sweet, aromatic flavor Requires about 80 days. ¼ lb. 60c. Oz. 25c. Pkt. 10c.

GREEN-FLESHED VARIETIES

Delicious Gold-Lined.

This Melon is nearly round, without ribs, and the skin is covered with a thick grey netting, adding much to its appearance. The thick flesh is green with golden tint next to the small seed cavity, which makes it very attractive when cut. The flavor is delicious, being remarkably sweet and spicy.

¼ lb. 75c. Oz. 25c. Pkt. 10c.

Honey Dew.

The outer skin is smooth, hard, and nearly white. The Melons are large, round to oval in shape. The light green flesh is luscious, juicy, solid and of honeylike flavor. Not recommended for Northern states as it needs a long, hot season. 115 days.

¼ lb. 75c. Oz. 30c. Pkt. 10c.

Knight, Early.

In some sections this Melon is called "Maryland," and in others "Sugar Sweet." It is earlier than Rocky Ford and more oval in shape, with thicker netting. Deep green skin turning golden when ripe. The flesh is bright green blending to light pink near the center. Very sweet and tasty. ¼ lb. 75c. Oz. 30c. Pkt. 10c.

Rocky Ford. (*Improved.*)

Light green flesh of spicy flavor. 92 days.

¼ lb. 60c. Oz. 25c. Pkt. 10c.

Jenny Lind.

Small, green flesh, very early, 60 days. Good for New York district.

¼ lb. 70c. Oz. 25c. Pkt. 10c.

10/25 Salmon. (*Salmon Tint.*)

Green flesh tinted salmon in center; sweet, juicy and mildly aromatic. Requires 92 days. ¼ lb. 75c. Oz. 30c. Pkt. 10c.

ENGLISH GREENHOUSE MELONS

For Forcing under Glass

Sutton's Scarlet Hero.

Procured by crossing *Sutton's Hero of Lockinge* with *Sutton's Scarlet.* A splendid scarlet fleshed form of the popular "*Hero.*" (*Sutton's Seed.*) ... ... Pkt. 75c.

Sutton's Emerald Gem.

A magnificent Melon, fruit very handsome, flesh unusually thick and of a rich green color; superb in flavor. (*Sutton's Seed.*) Pkt. 75c.

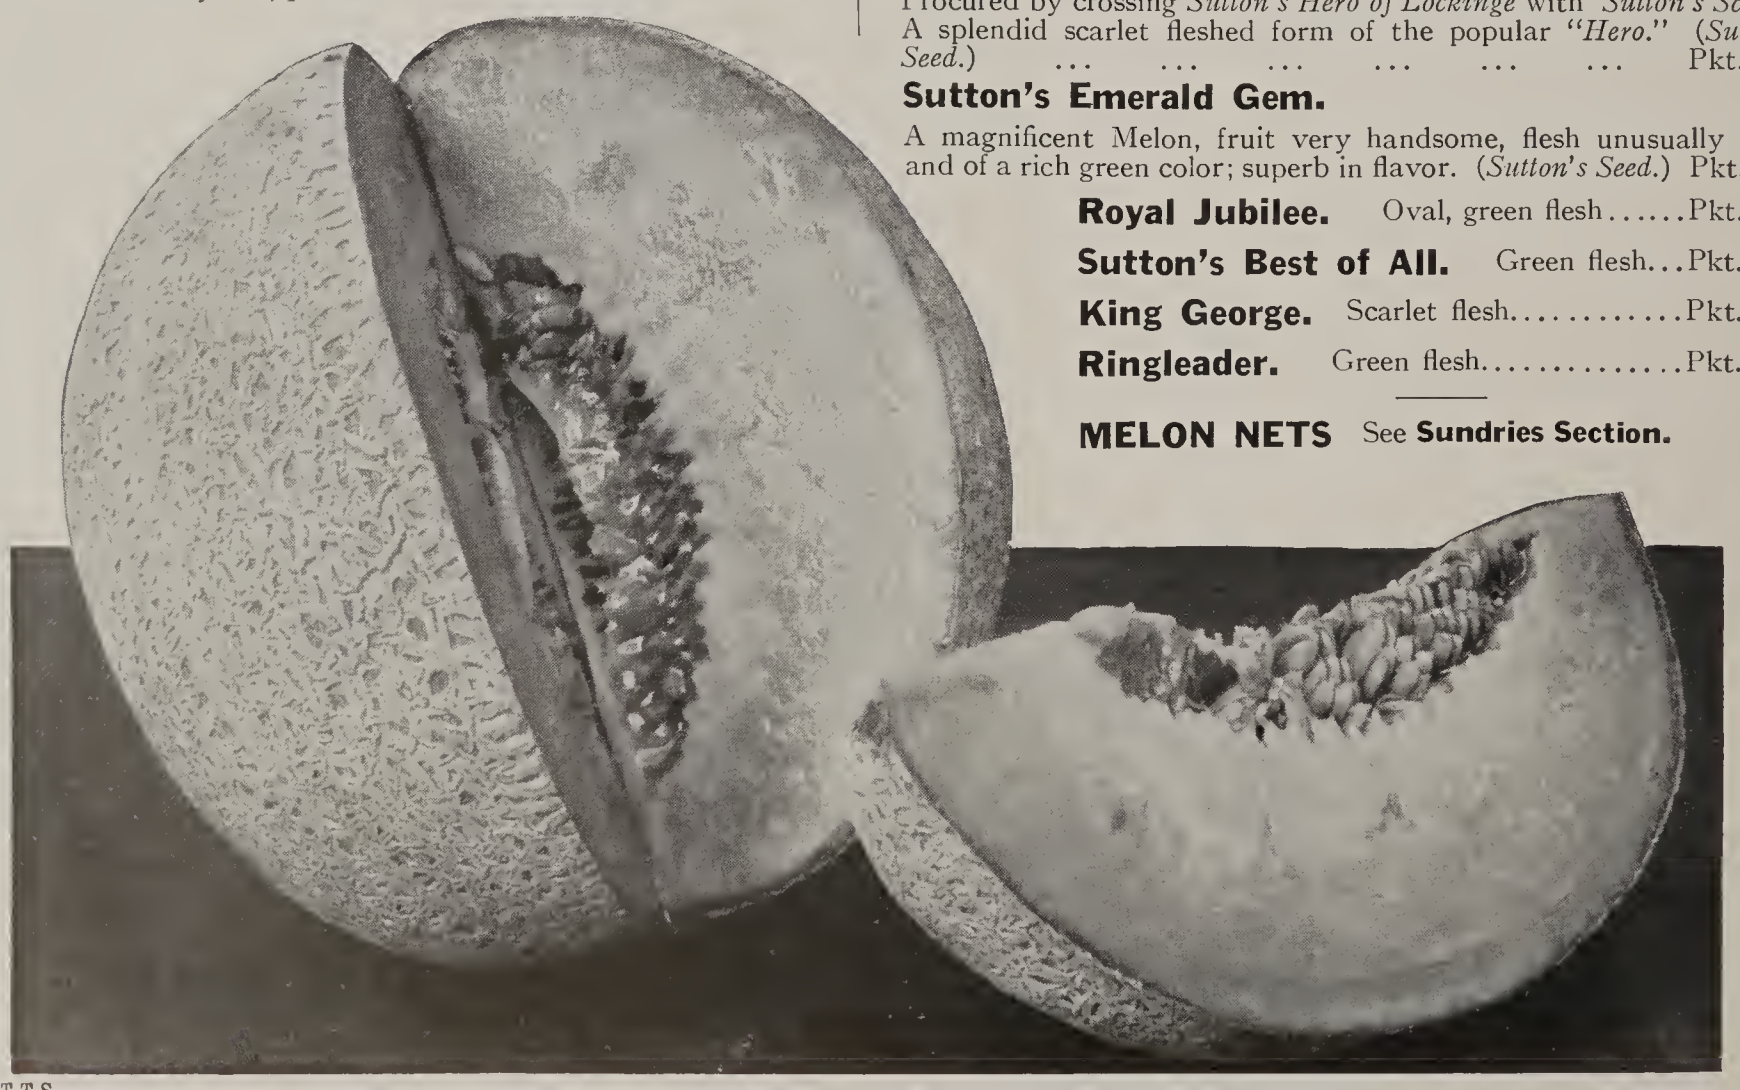

Royal Jubilee. Oval, green flesh.....Pkt. 50c.

Sutton's Best of All. Green flesh...Pkt. 50c.

King George. Scarlet flesh.....Pkt. 50c.

Ringleader. Green flesh.....Pkt. 50c.

MELON NETS See **Sundries Section.**

T.T.S.

HALE'S BEST MUSKMELON

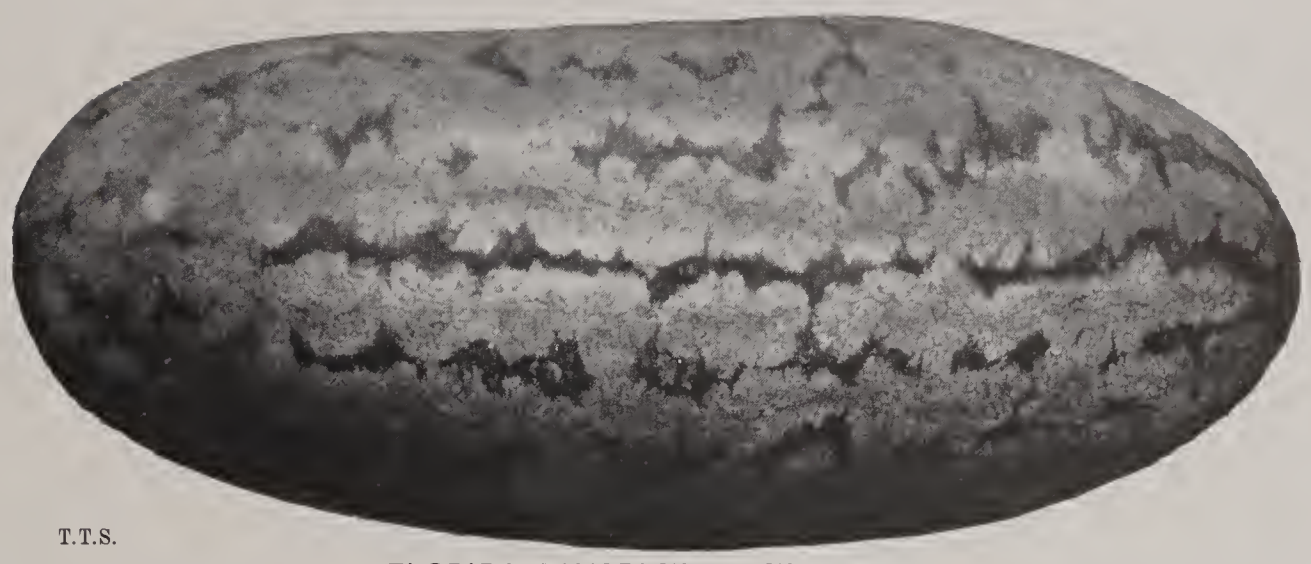

WATERMELONS

One ounce for about 25 hills

Hints on Cultivation — Watermelons thrive in a light, rich, sandy, warm soil and they need plenty of sunshine to develop a high sugar content. Sow after the middle of May in hills 6 feet apart. Place 6 to 8 seeds in a circle in each hill and cover ½ inch deep. Use sprays cautiously.

Trivett's Mountain Sweet. A selection from "Kleckley Sweet" and an improvement. Large fruit, thin rind, firm, tender scarlet flesh of splendid sweet flavor.
¼ lb. $1.00 Oz. 35c. Pkt. 15c.

Cole's Early. An extra early, round, dark green, prettily marked Melon with solid heart. The deep pink flesh is of fine texture and good flavor. A very suitable variety for our Northern States. ¼ lb. 60c. Oz. 20c. Pkt. 10c.

T.T.S.

FLORIDA FAVORITE WATERMELON

Florida Favorite. *(Illustrated.)* An early, oblong Melon of medium size, striped alternately light and dark green. Deep red flesh of excellent quality. The Melons weigh about 30 lbs. each.
¼ lb. 75c. Oz. 25c. Pkt. 10c.

Kleckley Sweet. Fine flavored. 70 days.
¼ lb. 50c. Oz. 20c. Pkt. 10c.

Tom Watson. Deep red flesh. 85 days.
¼ lb. 50c. Oz. 20c. Pkt. 10c.

Colorado Preserving Citron. A small, round, pale green Melon marbled with dark green. For preserve making only.
¼ lb. 60c. Oz. 20c. Pkt. 10c.

MUSTARD

One ounce will sow 100 feet of drill

Hints on Cultivation—A pungent salad plant; the seed is also used for flavoring pickles, pepper sauce, etc. and the large leaved sorts are excellent boiled and served like Spinach.

Fordhook Fancy. Beautifully curled and fringed, making it attractive for salads and garnishing; of mild flavor.
Lb. $1.00 ¼ lb. 35c. Oz. 15c.

Southern Giant Curled. Strong and upright plants, with large crumpled and frilled leaves. Lb. $1.00 ¼ lb. 35c. Oz. 15c.

White London. Dark green, small, smooth leaves. Splendid for salad and garnishing if cut about 10 to 12 days after sowing the seed.
Lb. $1.00 ¼ lb. 35c. Oz. 15c.

Mustard Spinach, or Tendergreen. Recommended for use in place of Spinach during the Summer. Ready in 3 or 4 weeks.
Lb. $1.25 ¼ lb. 50c. Oz. 20c.

MUSHROOMS—American Pure Culture

MARTYNIA

The young and tender seed pods provide a delicate, fancy pickle when gathered less than half grown.
Oz. 75c. ¼ oz. 25c. Pkt. 15c.

MUSHROOMS

Ten bricks will spawn 100 square feet (10x10 feet)

Mushroom beds may be made in a warm, dry cellar, or in any building where the frost does not penetrate and in the open air during the Summer and Fall months. About two or three weeks before the beds are to be made collect a quantity of fresh horse manure without the straw; place it in a heap under cover, and as it heats keep turning it over once or twice a week, until the heat has become exhausted, which will require from 10 to 14 days' time. When the manure is in a condition to be made up lay out your bed, according to your requirements, say 3 feet wide, 10 feet long and from 2 to 3 feet deep; beat it down well with the back of the spade as the process of building goes on. When the bed has been made some time, say a week or thereabouts, and the heat sufficiently declined to a temperature of 65 or 75 degrees, the spawn may be put into it. Break the spawn in pieces 2 inches square, and put them 6 inches apart, all over the bed; then cover the bed with 2 inches of rich soil. When the soil looks dry give a gentle watering with tepid water, using a rose on the watering pot. Good crops of Mushrooms can be obtained by spawning the hotbeds in Spring.

Brick Spawn, American Pure Culture

Ten bricks will spawn 100 square feet (10x10 feet)

Spores have been selected from specimen Mushrooms and transferred to bricks of compressed manure and loam. Break the brick into pieces the size of a walnut and plant 6 inches apart each way.
Brick 35c. 10 bricks $3.25 25 bricks $7.00 100 bricks $25.00

Bottle Spawn, A New Process

One quart will spawn 35 square feet

In this new method the spores are propagated in sterile glass bottles, the spawn removed, dried, and packed in cartons. Excluded from the Spawn are the spores of other fungous growths, many of which are highly poisonous; no insect eggs, flies, or weed seeds. Pieces the size of a nut are planted in the usual way. Produces white Mushrooms. As this spawn is perishable, orders are filled direct from factory.
Qt. $1.25 6 qts. $6.50 12 qts. $12.00

OKRA, OR GUMBO

One ounce will sow 50 feet

Hints on Cultivation—The green pods are used in soups, stews, etc. Sow seed thinly in rich ground about the middle of May or when the soil has become warm, in drills 3 feet apart, covering them 1 inch deep. When 4 to 6 inches tall, thin out plants to stand 12 to 18 inches apart in the row. Cultivate like Corn in rows.

Trivett's Abundance. Immense cropper, the plants are of dwarf branching habit, producing thick, fleshy, tender pods of excellent quality.
¼ lb. 75c. Oz. 35c. Pkt. 20c.

Long Green. Very productive.
¼ lb. 45c. Oz. 20c. Pkt. 10c.

White Velvet. Tender white pods.
¼ lb. 45c. Oz. 20c. Pkt. 10c.

Perkins' Long Pod. Superior sort.
¼ lb. 45c. Oz. 20c. Pkt. 10c.

Sow Trivett's Tested Seeds
for
True Economy and Satisfaction

Cipolla (Italian) # ONION Zwiebel (German)

TREATED ✚ SEED

One ounce of seed will sow a row 100 feet and over in length

WHITE VARIETIES

Trivett's White Globe.

A special strain producing large, pure white bulbs of perfect globe shape. The juicy white flesh is firm, close in texture and of unexcelled, mild, sweet flavor. An aristocrat of the Onion family. *For largest size sow early indoors and transplant.* Oz. 75c. Pkt. 25c.

Southport White Globe.

A fine, selected stock of this popular, standard American Onion, forming perfectly round, white bulbs of excellent mild flavor. It is a main crop and requires about 4 months for maturity.

¼ lb. $1.25 Oz. 40c. Pkt. 15c.

Large Sweet Spanish.

One of the finest of the large white Onions. Similar in size and form to "Valencia Yellow" and one of the easiest to grow to a large size from seed. Perfect globe-shaped, mild and sweet.

¼ lb. $1.75 Oz. 60c. Pkt. 20c.

Bermuda White.

An early maturing variety requiring about 60 days. Round, flat top and bottom, good garden sort.

¼ lb. $1.00 Oz. 35c. Pkt. 10c.

Crystal White.

The quickest growing Onion; will mature in about 55 days from seed. Good size, mild and sweet.

¼ lb. $1.00 Oz. 35c. Pkt. 10c.

White Portugal.

A large, main crop Onion, flat, requiring about 75 days. Also called "Silver Skin." Good sort. ¼ lb. $1.00 Oz. 35c. Pkt. 10c.

White Queen. (*Pickling.*)

A small, very early Onion, for pulling young and for use as small white pickle Onions. ¼ lb. $1.00 Oz. 35c. Pkt. 10c.

YELLOW VARIETIES

Trivett's Ailsa Craig. (*For Exhibition.*)

We offer a very choice grade grown for us by an English specialist from prize bulbs only. This is the largest and finest variety for exhibition purposes. Sow early January under glass. Grow on in pots and transplant to rich, light soil. (In packets only) Pkt. 75c.

Trivett's Yellow Globe.

A grand variety, producing large, high class Onions. Perfectly formed bulbs, with solid, close grained flesh that is juicy and of mild, sweet flavor.

Oz. 75c. Pkt. 25c.

Trivett's Yellow King.

One of the largest and finest globe shape, yellow skin, firm, juicy, white flesh. Exhibition quality and splendid for general garden cultivation.

Oz. 75c. Pkt. 25c.

Valencia Yellow Spanish.

A first-class Onion, very large, globe-shaped, solid white flesh, very mild and sweet. Can be grown to an enormous size, good keeper.

¼ lb. $1.75 Oz. 60c. Pkt. 20c.

Ailsa Craig. (*Regular.*)

The regular stock of this popular large Onion. *For exhibition stock, see "Trivett's Ailsa Craig."*

¼ lb. $1.50 Oz. 50c. Pkt. 15c.

Southport Yellow Globe.

A very popular main crop or late variety, for general garden use. A good Winter keeper. ¼ lb. $1.25 Oz. 40c. Pkt. 15c.

Giant Gibraltar.

Can be grown to an immense size if sown early and planted on rich, light soil, good keeper. ¼ lb. $1.50 Oz. 50c. Pkt. 15c.

TRIVETT'S BROWN GLOBE

YELLOW ONIONS (*Continued*)

Prizetaker.
A large, solid variety resembling "Valencia." Will produce very large Onions if sown early. Keeps well.
¼ lb. $1.00 Oz. 35c. Pkt. 10c.

Danvers' Yellow Globe.
Selected seed, good standard sort. Fine Winter keeper.
¼ lb. $1.00 Oz. 35c. Pkt. 10c.

RED-BROWN VARIETIES

(*For Winter Storing*)

Trivett's Brown Globe.
An excellent, Winter keeping Onion, producing late in the season, solid, hard bulbs of good size. The flesh is white, very firm and of splendid flavor. This variety will remain in sound condition long after others have decayed or turned soft. Oz. 75c. Pkt. 25c.

Southport Red Globe.
A very popular Winter keeping variety of medium size. Late maturing, solid bulbs of excellent quality.
¼ lb. $1.35 Oz. 40c. Pkt. 15c.

Italian Flat Rocco.
A fine, large, flat variety of mild flavor and excellent Winter keeping qualities; late maturing. ¼ lb. $1.50 Oz. 50c. Pkt. 15c.

Large Red Wetherfield.
Popular, large, flat sort; splendid for Winter use.
¼ lb. $1.00 Oz. 35c. Pkt. 10c.

JAPANESE BUNCHING ONION

This type of Onion is becoming popular for use in soups, salads, etc. Similar in appearance to Leek, quite hardy and has wintered in northern New York with slight protection. Should be trenched and blanched as for Celery.

Evergreen Long White.
The Onions are produced in bunches of three to five.
¼ lb. $1.00 Oz. 35c. Pkt. 10c.

T.T.S. JAPANESE BUNCHING ONION
Evergreen Long White

Onions require potash, and the soil should be rich and firm. Before sowing dust the soil with soot and lime. Sow the seed as early in the Spring as possible, thin out to 4 inches apart, keep the hoe going all season. Do not draw the soil over the bulbs. They should be allowed to grow up to the light. Sprinkle overhead in the evenings to discourage thrip, etc.

TRIVETT'S GARDEN PEAS

For those who demand the best

T.T.S.

PEA—Trivett's Monster (See opposite page)

"Your World's Record Pea is a heavy cropper and the earliest, large, high quality sort I have yet grown. All of your other varieties grown for succession were very satisfactory."

MR. F. TITUS
Superintendent-Head Gardener to
MR. W. L HARKNESS

"I have a fine vegetable garden grown from your seeds. The Peas were exceptionally good and produced a bumper crop throughout the picking season. Your World's Record is a splendid variety."

MR. MANUEL JEROME
Superintendent-Head Gardener to
CONDE NAST, Esq.

TRIVETT'S NEW GARDEN PEAS

OLD VARIETIES "RUN OUT" — KEEP UP-TO-DATE — GROW THE NEW SORTS

Standard varieties of vegetables reproducing themselves year after year through a long period of time, eventually "run out," exhaust themselves and become superseded by the newer and improved strains.

We are constantly on the watch for new and improved strains to offer our customers.

NEW EARLY PEAS

Trivett's Forerunner. A grand new round seeded early sort, quite distinct and hardy. A heavier cropper than "Early Bird" and the quality is exceptionally fine. Height 3 feet.

½ pt. pkts., 75c.

Aviator. Raised by Messrs. Laxton of England. Quite distinct and combines all the best qualities of two very popular sorts, viz., *Laxton's Superb* and *British Lion.* It is a blue, round-seeded sort, hardy and can be sown very early; it is a first early variety growing about 3½ feet high, produces handsome, long, well filled pods containing seven to ten peas of unsurpassed quality. Highly recommended (*English grown seed*).

Pt. (1 lb.) 80c. Qt. (2 lbs.) $1.50

Trivett's Abundance. We have pleasure in offering our customers this grand new early Pea. A round, blue seed sort maturing at about the same time as *Gradus*, but producing about 25% more crop. Hardy, strong growing vines about 3 feet in height, covered with good sized pods, containing 7 to 8 green peas of superb sweet flavor. *Can be sown early.*

Pt. (1 lb.) 75c. Qt. (2 lbs.) $1.45

Greenmantle. New and distinct Pea of the *Superb* type, but having intensely dark green foliage. Pods mostly in pairs, 3½ to 4 inches long, dark green, 7 to 8 large green peas in pods; of good flavor; a heavy cropper. Height about 2 feet.

Pt. (1 lb.) 75c. Qt. (2 lbs.) $1.40

SECOND EARLY PEA

Sutton's Phenomenon. This splendid Pea is regarded by many as being one of the finest dwarf Peas ever introduced. The crop produced is quite prodigious and the pods are of extraordinary size, no other dwarf sort can surpass it in size of pod; 9 to 12 peas in a pod. The table quality is very choice. Height about 2 feet.

Pt. (1 lb.) 60c. Qt. (2 lbs.) $1.10

T.T.S.

NEW EARLY PEA—Aviator

NEW MAIN CROP PEAS

Trivett's Monster. A grand new sort; midseason, producing very large, rich, dark green pods which are filled with exceptionally large peas, blue green in color and of unsurpassed table quality. When cooked this sort will be found to contain the genuine rich sweet marrowfat flavor. The vines are of vigorous, healthy growth, reaching a height of about 5 feet. Being a wrinkled sort, it should not be sown too early. *Stock very limited.* ... ... ½ pt. pkts., each 75c.

Onward. One of the best of the recent introductions. Coming in just ahead of *Telephone.* It is immensely productive with its handsome dark green pods produced in great profusion on sturdy, healthy vines which grow about 2½ feet in height. The blunt-nosed pods hang in pairs and are very tightly packed with peas of delicious, sweet flavor. A distinct and excellent variety. *Highly recommended.*

Pt. (1 lb.) 50c. Qt. (2 lbs.) 90c. 4 qts. (8 lbs.) $3.50

☛ GRASS SEED. Trivett's Special Mixtures—See page 177

TRIVETT'S GARDEN PEAS *(Continued)*

Choice American and English Grown Seed

FROM EARLIEST TO LATEST

A SUGGESTION FOR SUCCESSIVE CROPS

1st—**First and Best**.....about 7½ weeks, 2 feet.
2nd—**Trivett's World's Record**.....about 8 weeks, 3½ ft.
3rd—**Trivett's Gradus Selected**.....about 9 weeks, 3½ ft.
4th—**Thomas Laxton** .....about 9½ weeks, 3 feet.
5th—**Admiral Beatty** .....about 10 weeks, 5 feet.
6th—**Gladstone** .....about 10½ weeks, 5 feet.
7th—**Trivett's Alderman**.....about 11 weeks, 5 feet.
8th—**Trivett's Latest of All**.....about 12 weeks, 4½ ft.

Round-seeded sorts can be sown very early but wrinkled varieties are liable to rot if the ground is cold. The character of the season, nature of the soil, etc., affect the height and date of crops.

Soak seed in water for day or two before sowing. Sow wrinkled varieties thickly. One quart is sufficient for a 50-foot double row.

TRIVETT'S WORLD'S RECORD

EARLY CROP PEAS

Trivett's World's Record. (*Illustrated*). Similar in type to "Gradus," but earlier, and the vines are lighter green; immense cropper. Peas are large and of sweet, marrowfat flavor. *English grown seed.* Ready in 60 days. Height 3½ ft.
Pt. (*lb.*) 75c. Qt. (*2 lbs.*) $1.35 4 Qts. (*8 lbs.*) $5.00

"I consider Trivett's World's Record a first class pea. It is very early and produces a heavy crop of pods 4 inches and over in length containing 8 to 10 large peas of fine, sweet flavor."
MR. S. OSLANSKY,
Superintendent-Head Gardener to
FREMONT C. PECK, ESQ.

Trivett's Gradus, Selected. (*Special Stock.*) Gradus is perhaps the most popular and widely grown of any sort. We have pleasure in offering special stock seed. Matures in 65 days. Height 3½ ft.
Pt. (*lb.*) 60c. Qt. (*2 lbs.*) $1.10 4 Qts. (*8 lbs.*) $4.25

Gradus. (*Regular Stock*). Height 3½ ft.
Pt. (*lb.*) 40c. Qt. (*2 lbs.*) 75c. 4 Qts. (*8 lbs.*) $2.75
For Special Stock see **Trivett's Gradus Selected.**

Sutton's Early Giant. Large, dark green pods, filled with peas of superior flavor; a well known prize winner. *English grown seed.* Height 4 ft.
Pt. (*lb.*) 75c. Qt. (*2 lbs.*) $1.40 4 Qts. (*8 lbs.*) $5.50

American Wonder. Extra early, dwarf, wrinkled marrowfat. Ready in 60 days. Height 1 ft.
Pt. (*lb.*) 45c. Qt. (*2 lbs.*) 85c. 4 Qts. (*8 lbs.*) $3.25

Alaska. Smooth, green seeded variety. Height 2½ ft.
Pt. (*lb.*) 45c. Qt. (*2 lbs.*) 85c. 4 Qts. (*8 lbs.*) $3.25

Early Eight Weeks. Early, round-seeded, can be sown very early. Height 1½ ft.
Pt. (*lb.*) 45c. Qt. (*2 lbs.*) 80c. 4 Qts. (*8 lbs.*) $3.00

Early Bird. Very early, round seeded. *English grown seed.* Height 3½ ft.
Pt. (*lb.*) 50c. Qt. (*2 lbs.*) 90c. 4 Qts. (*8 lbs.*) $3.50

First and Best. The earliest Pea; white, round-seeded. Ready in 54 days. Height 2 ft.
Pt. (*lb.*) 45c. Qt. (*2 lbs.*) 85c. 4 Qts. (*8 lbs.*) $3.25

Laxtonian. Large marrowfat Peas of excellent flavor. Ready in 64 days. Height 1½ ft.
Pt. (*lb.*) 45c. Qt. (*2 lbs.*) 80c. 4 Qts. (*8 lbs.*) $3.00

Market Surprise. Round seeded, producing enormous crop of choice, sweet-flavored Peas. Height 3 ft.
Pt. (*lb.*) 50c. Qt. (*2 lbs.*) 90c. 4 Qts. (*8 lbs.*) $3.50

Nott's Excelsior. (*Selected Seed.*) Prolific, wrinkled peas of splendid flavor. Height about 1½ ft.
Pt. (*lb.*) 50c. Qt. (*2 lbs.*) 90c. 4 Qts. (*8 lbs.*) $3.40

Petit Pois. (*True.*) Delicate French Pea, very sweet flavor. This is the true strain, imported seed. Height 4 ft.
Pt. (*lb.*) $1.25 Qt. (*2 lbs.*) $2.40 4 Qts. (*8 lbs.*) $9.40

Sutton's Excelsior. Comes in about one week after Gradus. An excellent sort. *English grown seed.* Height 2 ft.
Pt. (*lb.*) 45c. Qt. (*2 lbs.*) 80c. 4 Qts. (*8 lbs.*) $3.00

Sutton's Little Marvel. Sweet wrinkled marrowfat Peas. Ready in 60 days. Height about 1½ ft.
Pt. (*lb.*) 50c Qt. (*2 lbs.*) 95c. 4 Qts. (*8 lbs.*) $3.75

Thomas Laxton. (*Special Strain.*) Very large pods, filled with 8 to 10 large sweet peas. 68 days. Height 3 ft.
Pt. (*lb.*) 45c. Qt. (*2 lbs.*) 85c. 4 Qts. (*8 lbs.*) $3.25

GLADIOLUS. Trivett's Twice Treated—See page 185

MEDIUM CROP PEAS

Trivett's Prize Winner. A grand main crop, *wilt-resistant*, healthy vines about 2½ feet in height, producing a heavy crop of dark green pods, 5½ to 6 inches long and filled with large, wrinkled, marrow fat Peas of the finest sweet flavor. Ready in 75 days.
Pt. (*lb.*) 75c., qt. (*2 lbs.*) $1.40, 4 qts. (*8 lbs.*) $5.50

The V. C. *English grown seed.* (**Sutton's Super Pea**). The largest podded Pea in cultivation. Produces pods 8 in. long, containing twelve large, marrowfat Peas of superior flavor. Height 5 ft.
Pt. (*lb.*) $1.25, qt. (*2 lbs.*) $2.25, 4 qts. (*8 lbs.*) $8.50

Admiral Beatty. *English grown seed.* New English wrinkled marrowfat. Comes in just after Gradus. Height 5 ft.
Pt. (*lb.*) 50c., qt. (*2 lbs.*) 90c., 4 qts. (*8 lbs.*) $3.50

Pilot. A grand sort, very productive, and the pods are crowded with large sweet, marrowfat peas. Height 2½ ft.
Pt. (*lb.*) 45c., qt. (*2 lbs.*) 85c., 4 qts. (*8 lbs.*) $3.25

Champion of England. Grand standard sort. Takes 75 days. Height 4 ft.
Pt. (*lb.*) 40c., qt. (*2 lbs.*) 75c., 4 qts. (*8 lbs.*) $2.75

American Champion. A tall-growing variety, producing an enormous crop. Large peas of excellent flavor. Height 5 ft.
Pt. (*lb.*) 50c., qt. (*2 lbs.*) 95c., 4 qts. (*8 lbs.*) $3.75

Gladstone. *English grown seed.* An enormous cropper; one of the finest. 5 ft.
Pt. (*lb.*) 75c., qt. (*2 lbs.*) $1.40, 4 qts. (*8 lbs.*) $5.50

Quite Content. *English grown seed.* Enormous pods filled with large, marrowfat Peas of excellent flavor. Height 5 ft.
Pt. (*lb.*) 50c., qt. (*2 lbs.*) 90c., 4 qts. (*8 lbs.*) $3.50

T.T.S.

PARAMOUNT SUGAR PEA

New English Sugar Pea PARAMOUNT

An entirely new type of Sugar Pea having long, elegantly curved pods with thick, fleshy walls as can be seen in the accompanying illustration.

Paramount can be used with equally satisfactory results:

By using the *pods* in quite a young stage and before they contain peas of any size, cook and serve like stringless beans.

By using *pods* and *peas* in an intermediate stage, just like stringless beans.

By using the *peas* shelled out in the usual way when the crop is in a more advanced stage. They have a fine sweet flavor.

Paramount as a growing crop is an arresting spectacle. We predict that in a very short time this new type of Sugar Pea will become as firmly established in popularity in this country as are already ordinary Sugar Peas in Europe. It is no extravagance to say that *Paramount* strikes a new note in good housekeeping, inasmuch as one uses both peas and pods. No waste !

Paramount grows about 5 feet high and is very productive. The culture is the same as for the regular tall Peas.

The seed we offer is imported direct from the originator in England. ... ½ pint pkt. $1.50

OTHER SUGAR PEAS

Tall Melting.
Edible podded. Height 5 feet.
Pt. (*Lb.*) 55c. Qt. (*2 lbs.*) $1.00 4 qts. (*8 lbs.*) $3.90

Dwarf White Sugar.
Very sweet. Height 2 feet.
Pt. (*Lb.*) 55c. Qt. (*2 lbs.*) $1.00 4 qts. (*8 lbs.*) $3.90

PEANUTS

The seed must be unshelled before sowing.

It is generally believed Peanuts cannot be grown anywhere north of Virginia, but this is a mistake; most any well-drained garden soil suits them, where they will yield a big crop. The Peanut plant rather enriches the soil instead of impoverishing it, as it is an abundant gatherer of free nitrogen. After carefully removing the seeds from their shells *do not injure them.* Sow in rows that are 2½ feet apart, thin out the plants to 8 inches apart and otherwise treat like Beans.

Selected Virginia. Lb. 40c. 5 lbs. $1.75

Customer pays transportation

SWEET POTATOES

Yellow Jersey.
The most popular for growing in the northern states. The tubers we offer have been raised especially for planting purposes.

SEED POTATOES

(Certified Stock)

One peck will plant 100 hills, 10 bushels an acre

Early Rose.
A fine early Potato. Long and of good size with pink skin. Cooks pure white and mealy, and is of good flavor.

Green Mountain.
A late variety producing fair crops even on poor soil. Of attractive appearance and keeps well.

Irish Cobbler.
One of the first-early Potatoes. Round, smooth tubers with strong and well developed eyes. A heavy cropper in all sections.

Russet.
A well known late variety and an exceptionally heavy cropper with large tubers which cook dry and mealy. It also is quite disease-resistant.

Prices—At the time of going to press with this catalogue, Potato prices were too unsettled to quote. Please write stating kind and quantity wanted, and we shall quote by letter.

☞ FERTILIZERS—Best Grades for All Crops—See Fertilizer Section

PARSLEY

Prezzemolo (Italian) Petersilie (German)

One ounce of seed will sow a row 100 feet and over

Hints on Culture—The seed is slow to germinate, 3 to 4 weeks. Soak in water overnight and sow in early April about ½ inch deep. Do not allow to dry out. Allow the growing plants 6 to 10 inches in the row. Dust frequently with Scotch soot. Parsley grows to perfection in a rich mellow soil. Requires nitrogen.

Trivett's Exhibition.

Immense, bushy plants with dark green, closely curled foliage. The seed we offer is grown for us from selected plants only in Scotland by a specialist, and is, we believe, the finest strain procurable.

¼ lb. $1.50 Oz. 50c. Pkt. 20c.

Trivett's Dwarf Perfection.

A dwarf, compact growing, neat type, having dense, extremely curled, rich, dark green foliage and fine flavor. *Splendid for edging vegetable or herb gardens, etc.* ¼ lb. $2.00 Oz. 75c. Pkt. 25c.

Selected Moss Curled.

Selected, dense, deeply curled, and very productive.

¼ lb. 75c. Oz. 25c. Pkt. 10c.

Plain, or Italian.

Fine for flavoring. Fernlike leaves, rich flavor.

¼ lb. 50c. Oz. 15c. Pkt. 10c.

German Rooted.

Thin, Parsniplike roots with strong, Parsley flavor.

¼ lb. 75c. Oz. 25c. Pkt. 10c.

PARSNIP

Pastinaca (Italian) Pastinake (German)

One ounce of seed will sow a row 100 feet and over

Trivett's Early Champion.

This sort is ready for use 4 to 5 weeks ahead of the regular types. Ideal for shallow soil, short and thick, solid, and of finest flavor.

¼ lb. $1.50 Oz. 50c. Pkt. 15c.

Trivett's Exhibition.

A special pure-line strain that can be grown for exhibition, 3 to 4 feet long, and from ordinary garden cultivation will produce fine, smooth roots of perfect form and clear skin. The flesh is firm, sweet and of distinctive flavor. ¼ lb. $1.75 Oz. 60c. Pkt. 20c.

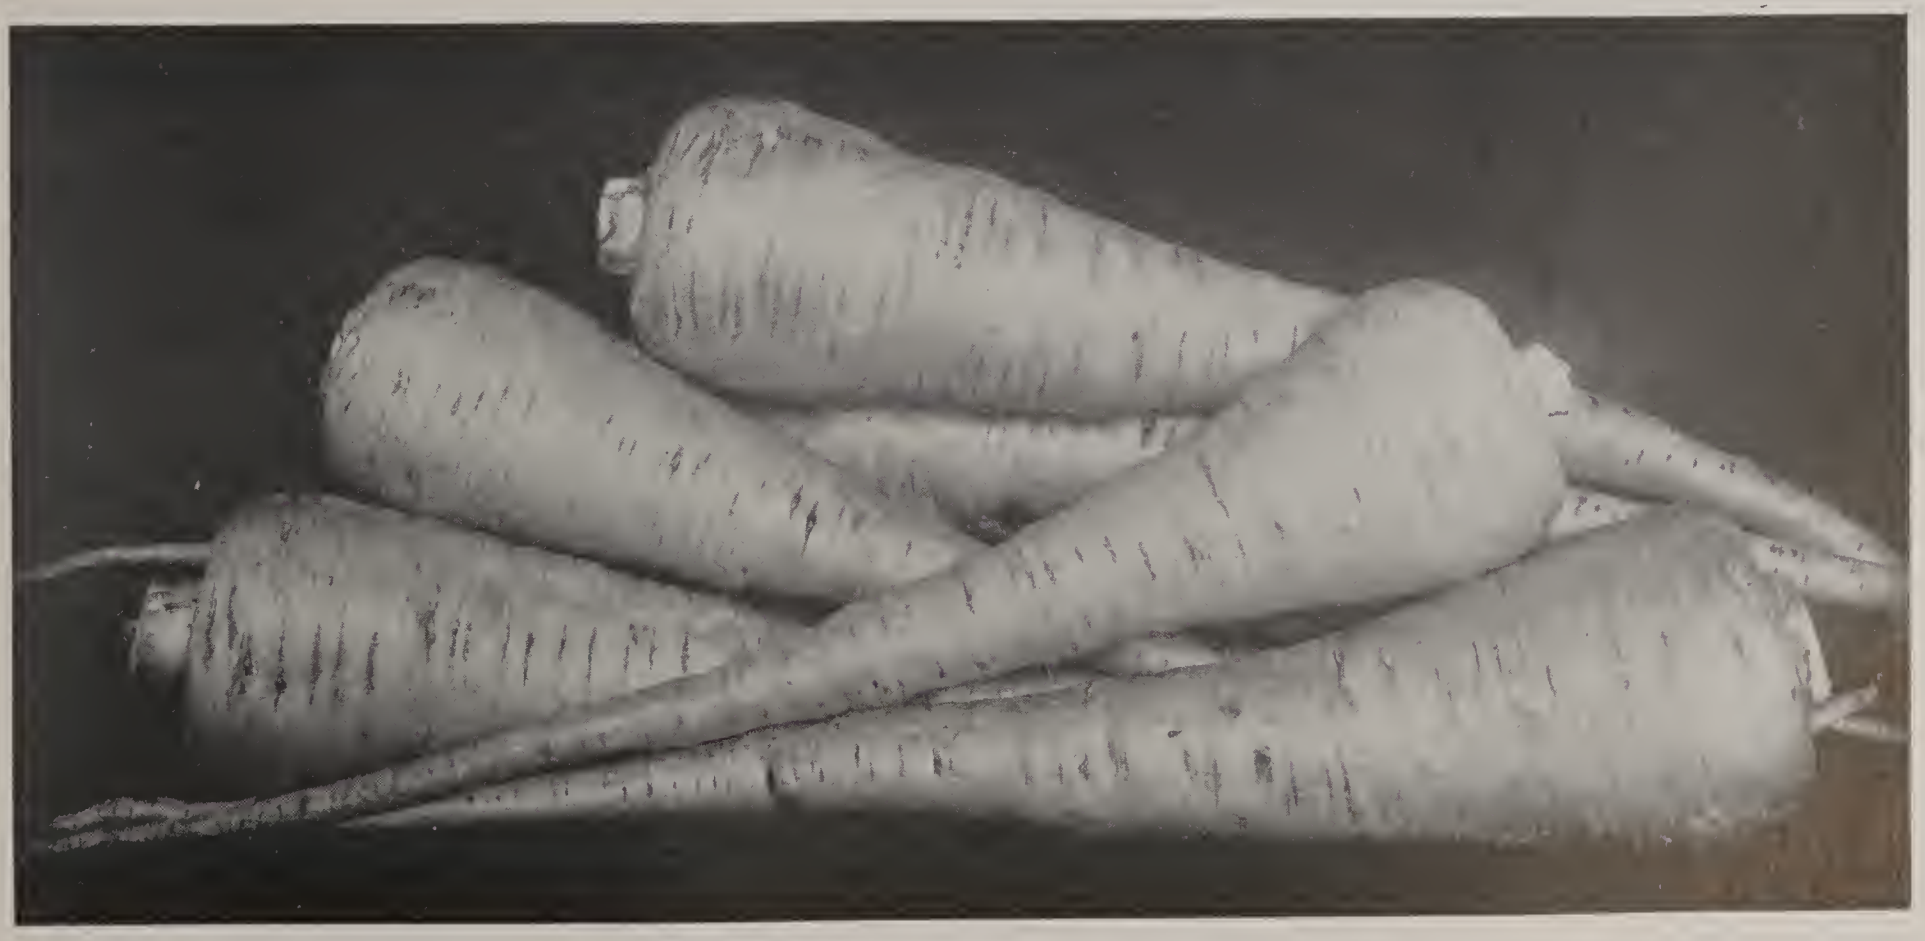

Selected Hollow Crown.

A fine standard sort for general use.

¼ lb. 75c. Oz. 25c. Pkt. 10c.

Front row—TRIVETT'S DWARF PERFECTION
Second row—TRIVETT'S EXHIBITION PARSLEY

TRIVETT'S EXHIBITION PARSNIP
These were grown in ordinary way in regular vegetable garden

TRIVETT'S MAMMOTH RED PEPPER

Peperone (Italian) **PEPPER** Pfeffer (German)

TREATED ⊕ SEED

Hints on Culture—The seed should be sown indoors early in March and grown on in pots ready for transplanting outdoors when all danger of frost is over and the ground is warm. Peppers require phosphate and a rich warm soil with full sun. Allow about 2 feet between the plants. Pinching off the first flowers will increase the crop. Do not water more than necessary.

Trivett's Mammoth Red.
The largest, sweet, red Pepper, 5 inches and over in length and 4 to 5 inches in diameter. Dark rich green turning to brilliant scarlet red when ripe. The flesh is thick and of the finest, mild, sweet flavor. ... Pkts. 50c. and 25c.

Trivett's Early Giant.
An early sort ready in 60 days from planting outside. The fruit averages 4½ inches long and about 4 inches in diameter, with thick, juicy flesh; very mild and sweet. The color is deep green becoming brilliant red. ... Pkts. 50c. and 25c.

Trivett's Ruby King. (*Improved.*)
A special selection of the Ruby King type. The plants are vigorous, upright and prolific. The fruits are 4½ to 5 inches long and 3½ inches in diameter; requires 70 days. Flesh thick and sweet, deep green becoming bright red.
Oz. $1.25 ¼ oz. 35c. Pkt. 20c.

Chinese Giant. Very large, sweet Pepper. Green turning to red. ... ... Oz. 90c. ¼ oz. 30c. Pkt. 15c.

California Wonder. A splendid, large, mild sweet Pepper. Very choice. ... Oz. 90c. ¼ oz. 30c. Pkt. 15c.

World Beater. A grand, big Sweet Pepper and quite early.
Oz. 75c. ¼ oz. 25c. Pkt. 15c.

Large Bell, or Bull Nose. Standard sort.
Oz. 60c. ¼ oz. 20c. Pkt. 10c.

Sweet Mountain. Large size, mild, sweet flavor.
Oz. 75c. ¼ oz. 25c. Pkt. 15c.

Golden Queen of Nocera. Large yellow, mild and sweet. Very productive. Oz. $1.25 ¼ oz. 40c. Pkt. 25c.

Sweet Apple. An Apple-shaped Pepper with thick flesh; juicy, mild, and very sweet. Produced in abundance.
Oz. 90c. ¼ oz. 30c. Pkt. 15c.

Neapolitan. Very early, long, narrow, mild, sweet fruit.
Oz. 75c. ¼ oz. 25c. Pkt. 15c.

Cayenne. A hot Pepper, long, red, used for pickles.
Oz. 90c. ¼ oz. 30c. Pkt. 15c.

PUMPKIN

Zucca (Italian) Kurbis (German)

One ounce is sufficient for about 25 hills

Baby Bush. An excellent bush growing sort that does not require so much room as the regular "runner" type. The fruit is round, ball-shaped, dark green turning to orange yellow when ripe. The deep yellow flesh has a sweet, dry flavor and is excellent for pies. ... ... ¼ lb. $1.50 Oz. 50c. Pkt. 15c.

Connecticut Field. A large Pumpkin; average weight 20 lbs. Suitable for pies and stock feeding. Thick, deep yellow, sweet meat.
Lb. $1.25 ¼ lb. 50c. Oz. 20c. Pkt. 10c.

Early Sugar (New England Pie). The earliest and best for pies.
Lb. $1.50 ¼ lb. 50c. Oz. 20c. Pkt. 10c.

Winter Luxury. A splendid keeper and very good pie Pumpkin.
Lb. $1.50 ¼ lb. 50c. Oz. 20c. Pkt. 10c.

Large Cheese (Kentucky Field). Pale yellow. For stock and pies.
Lb. $1.00 ¼ lb. 40c. Oz. 15c. Pkt. 10c.

King of the Mammoths. (*Jumbo.*) Specimens have been grown 100 lbs. and over, chiefly grown for cattle feed and as an oddity.
Lb. $1.50 ¼ lb. 50c. Oz. 20c. Pkt. 10c.

T.T.S

PUMPKIN, CONNECTICUT FIELD

Ravanelli (Italian) # RADISH Radies (German)

Grown for Us in France

Trivett's Scarlet Ball. The color is rich glowing scarlet. Perfect, ball-shaped with practically no tap root and very small foliage. The flavor is unusually crisp and sweet. If required for forcing this sort will be found much superior to most of the older red varieties. The roots are remarkably quick in forming.
Lb. $1.75 ¼ lb. 75c. Oz. 30c. Pkt. 15c

Trivett's Sparkler. Round, red and white, uniform bulbs, quick growing, with very little leaf growth. The flesh is snowy-white, juicy, yet crisp, and of delicious, mild, sweet flavor.
Lb. $1.75 ¼ lb. 75c. Oz. 30c. Pkt. 15c.

Trivett's Scarlet Globe. (*Special.*) Round, bright scarlet carmine skin, splendid for forcing. When only four leaves are visible, the roots are ready for the table. Crisp, sweet flesh.
Lb. $1.75 ¼ lb. 75c. Oz. 30c. Pkt. 15c.

Trivett's White Marble. Round, early, Turnip-shaped. Pure snowy white, very mild, sweet and juicy.
Lb. $1.50 ¼ lb. 50c. Oz. 20c. Pkt. 10c.

Long White Icicle. (*Selected Stock.*) Long, carrot-shaped mild, crisp flesh. Fine Summer Radish.
Lb. $1.50 ¼ lb. 50c. Oz. 20c. Pkt. 10c.

Fifteen Day Red. Round, with flat top and bottom. Attractive bright crimson, extremely early, fine quality.
Lb. $1.50 ¼ lb. 50c. Oz. 20c. Pkt. 10c.

French Breakfast "Forcing." Olive shaped, an admirable selection of this popular sort. Ready for use several days before the regular French Breakfast. Red, with white tip.
Lb. $1.75 ¼ lb. 75c. Oz. 30c. Pkt. 15c.

French Breakfast. (*Regular.*) Olive-shaped, dark red with white tip. One of the finest; mild and sweet.
Lb. $1.25 ¼ lb. 45c. Oz. 20c. Pkt. 10c.

Olive-shaped Scarlet.
Lb. $1.25 ¼ lb. 45c. Oz. 20c. Pkt. 10c.

Ne Plus Ultra. Round-shaped, scarlet. One of the finest and earliest for forcing.
Lb. $1.75 ¼ lb. 65c. Oz. 25c. Pkt. 15c.

Stuttgart. Top-shaped, large white, ready in 50 days. Excellent Summer sort. Lb. $1.50 ¼ lb. 50c. Oz. 20c. Pkt. 10c.

T.T.S.

TRIVETT'S SCARLET GLOBE (Special stock)

WINTER KEEPING RADISH

One ounce of Radish will sow a drill 100 feet long

As early in Spring as possible sow the early round and olive-shaped kinds and thin out to about 1 inch apart. About the latter part of May sow the long-shaped and Summer sorts, and in July sow the Winter kinds, allowing them 4 inches apart to develop.

Round Black Spanish. Turnip-shaped, keeps during Winter like a Potato, thick, black skin, white flesh; crisp, tender and piquant.
Lb. $1.25 ¼ lb. 45c. Oz. 20c. Pkt. 10c.

Rose China Winter. Fine for Winter use.
Lb. $1.25 ¼ lb. 45c. Oz. 20c. Pkt. 10c.

HORSERADISH ROOTS

New Bohemian. Best sort for the vegetable garden.
$2.50 per 100 roots

RHUBARB ROOTS

Large Red Victoria. The finest for home gardens.

Regular Size Roots.	*12* $2.75	*100* $20.00
Large Selected Roots.	*12* $4.00	*100* $35.00
Forcing Clumps.	*12* $6.75	*100* $50.00

RUTABAGA (Field Turnip).
See under **Turnip.**

ASPARAGUS ROOTS—*See page* 139.

HERB SEEDS—*See page* 66.

"As usual, we have a splendid lot of fine vegetables grown from Trivett's Tested Seeds."

MR. GEORGE B. ANDERSON
Superintendent-Head Gardener to
JAMES F. CURTIS, Esq.

Spinaccio (Italian) **SPINACH** Spinat (German)

Hints on Cultivation—One ounce of seed will sow a row about 50 feet long. The first sowing should be made as early as possible in drills about 14 inches apart or between the rows of Peas covering the seed about 1 inch. If the seeds are soaked in water for a day or two they will germinate quickly. Sowings may also be made in August and September, Spinach demands a rich soil, and plenty of water.

SELECTED PURE-LINE STRAINS

Trivett's American Upright.
A strong, upright growing variety. Produces a heavy crop of broad, firm, thick, pale green leaves, and the largest of any Spinach. Slow to run to seed. Especially recommended to those objecting to the curled, Savoy-leaved type.
Lb. $1.50 ½ lb. 85c. ¼ lb. 50c. Oz. 20c.

Trivett's King of Denmark. (*Special Stock.*)
A remarkable type, having long, upright, crinkled leaves; exceedingly prolific and early, better and a heavier cropper than Savoy-leaved. Stands long before running to seed.
Lb. $1.50 ½ lb. 85c. ¼ lb. 50c. Oz. 20c.

Trivett's Savoy-leaved ("*Blight-resistant*") (*Special Stock*)
A splendid variety, longer standing in the Spring than "regular Savoy" by 10 days. Almost blight proof.
Lb. $1.25 ½ lb. 70c. ¼ lb. 40c. Oz. 15c.

Monstrous Viroflay.
A large-leaved strain.
Lb. 60c. ½ lb. 35c. ¼ lb. 20c. Oz. 10c.

Victoria. (*Special Stock.*)
Dark-leaved, fine for succession and a variety that does not bolt to seed easily.
Lb. 75c. ½ lb. 40c. ¼ lb. 30c. Oz. 15c.

SPINACH BEET

Perpetual. ("*Cut and Come Again.*")
Cut off the crop about 3 inches from the ground and another will follow, continuing in this manner throughout the entire season.
Lb. $2.50 ½ lb. $1.35 ¼ lb. 75c. Oz. 30c.

Trivett's Private Estate. (*Illustrated.*)
A very strong grower and heavy cropper, producing large, crumpled, thick leaves of exceptional substance and highest quality. The color is rich dark green. Stands almost two weeks longer than the regular crumpled sorts before running to seed.
Lb. $1.50 ½ lb. 85c. ¼ lb. 50c. Oz. 20c.

Trivett's Abundance.
Large, substantial plants bearing round, heavy leaves of dark green color. Thick, juicy and of fine quality. A quick grower and long standing.
Lb. $1.50 ½ lb. 85c. ¼ lb. 50c. Oz. 20c.

Princess Juliana.
A choice selection of the Savoy-leaf type, rich, dark green leaves. Ready to pick in 50 days.
Lb. 75c. ½ lb. 40c. ¼ lb. 30c. Oz. 15c.

Savoy-leaved. (*Regular Stock.*)
Large, tender leaves.
Lb. 60c. ½ lb. 35c. ¼ lb. 20c. Oz. 10c.

Long Standing. (*Thickleaved.*)
A favorite for first crops.
Lb. 75c. ½ lb. 40c. ¼ lb. 30c. Oz. 15c.

Prickly Winter.
Very hardy, for Fall sowing and Spring use.
Lb. 75c. ½ lb. 40c. ¼ lb. 30c. Oz. 15c.

SUMMER SPINACH

New Zealand (*Summer Spinach*) ("*Cut and Come Again.*)
Stands heat well and if allowed room will grow to large, bushy plants, continuing to supply greens until frost.
Lb. $1.50 ½ lb. 85c. ¼ lb. 50c. Oz. 20c.

Zucca (Italian) **SQUASH** Kurbis (German)

One ounce of seed is sufficient for 25 hills

Hints on Cultivation—Sow at "Corn planting time" in well-manured hills, the bush types about 4 feet apart each way and the runner or vine types, about 10 feet apart; thin out, leaving about 3 plants to each hill. At intervals dust the plants with tobacco dust, and sprinkle some on the ground around the stems to repel the Squash borer.

Trivett's Table Queen. (*Runner, Vine.*) (**Acorn Squash.**) A small, Acorn-shaped Squash. Bake whole, cut in halves, season and flavor and serve like Grapefruit.
¼ lb. 75c. Oz. 25c. Pkt. 10c.

Trivett's Delicious. (*Runner, Vine.*) Pear-shaped Squash, weighing 6 to 8 lbs. Thick, dark orange flesh, delicious flavor. Good keeper. ... ... ¼ lb. $1.00 Oz. 35c. Pkt. 15c.

Zucchini di Napoli. (*Bush Plants.*) A fine type of the Italian "Cocozelle Squash," about 12 inches long; dark green mottled and striped with yellow at maturity.
¼ lb. 75c. Oz. 25c. Pkt. 10c.

Italian Cocozelle. (*Bush plants.*) Long, Banana-shaped, green striped with yellow; for slicing. Has a distinct, aromatic flavor.
¼ lb. 75c. Oz. 25c. Pkt. 10c.

White Bush Scalloped. (*Bush plants.*) Also known as "Patty Pan," Long Island Bush and White Custard. An early, Summer sort, fine flavor. ¼ lb. 60c. Oz. 20c. Pkt. 10c.

Golden Custard. (*Bush plants.*) A large, flat Squash, about 10 inches across, scalloped edges, golden orange flesh, good flavor. *Illustrated.* ... ¼ lb. 55c. Oz. 20c. Pkt. 10c.

Summer Crookneck Giant. (*Bush plants.*) Popular early golden yellow sort; buttery flavor. For Summer use. *Illustrated.*
¼ lb. 60c. Oz. 20c. Pkt. 10c.

Giant Straightneck. (*Bush plants.*) Valuable selection from the *Summer Crookneck Giant.* Deep orange yellow; warted.
¼ lb. 75c. Oz. 25c. Pkt. 10c.

Green Hubbard. (*Runner, Vine.*) Sweet, mellow flesh and one of the best for Winter storing.
¼ lb. 75c. Oz. 25c. Pkt. 10c.

Golden Hubbard. (*Runner, Vine.*) Winter keeper; very sweet.
¼ lb. 60c. Oz. 20c. Pkt. 10c.

Warted Hubbard. (*Runner, Vine.*) Bronzy green, fine Winter keeper. ... ... ¼ lb. 60c. Oz. 20c. Pkt. 10c.

Vegetable Spaghetti. (*Runner, Vine.*) An unusual Squash. When ripe, boil whole for 30 minutes, *not longer*, cut open, remove the center seed core, season with salt and butter. The flesh is like lightly coiled, spaghettilike threads and of delicious flavor. Keeps well, stored for Winter. ¼ lb. 90c. Oz. 35c. Pkt. 15c.

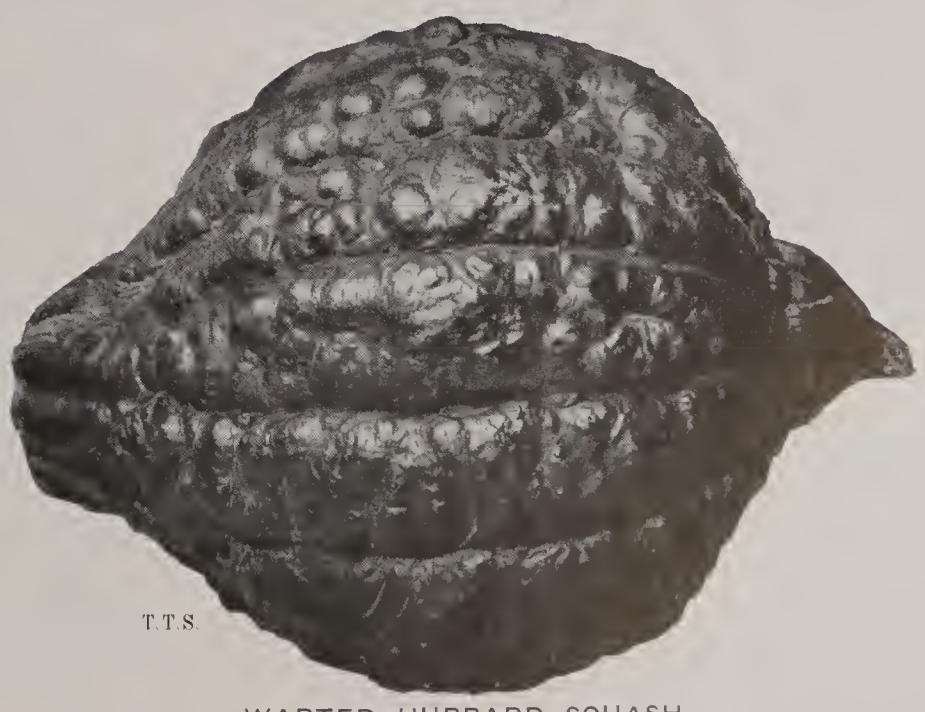

VEGETABLE MARROW—*See page* 172.

SUMMER CROOKNECK GIANT

GOLDEN CUSTARD SQUASH

WARTED HUBBARD SQUASH

LAWN GRASS SEED—for Spring Sowing—See Page 177

T.T.S.
SWISS CHARD, TRIVETT'S DEFIANCE

SAVOY—See **Cabbage.**

SALSIFY (Oyster Plant)

Salsefia (Ital.) Hafer Wurzel (Ger.)

Sow the seed in early Spring in drills 12 inches apart and cover about 1 inch. Thin the young plants to about 6 or 8 inches apart. The roots will mature in October when they should be lifted and stored for the Winter.

Sandwich Island. Selected strain, and a good keeper.
¼ lb. 90c. Oz. 30c. Pkt. 10c.

Black Paris. (*Scorzonera.*) Black roots, of excellent quality.
¼ lb. $1.00 Oz. 35c. Pkt. 15c.

SORREL

Acetosa (Ital.) Sauerampfer (Ger.)

Used for salads, it has a pleasant acid flavor. Can also be used as a boiled vegetable. Seed should be sown in the open ground in rows 6 inches apart.

French Large Leaved. Oz. 25c. Pkt. 10c.

ENGLISH
VEGETABLE MARROW

One ounce of seed is sufficient for about 25 hills

Treat similar to Squash. Vegetable Marrows have a refined, delicate flavor and are rich in food value.

Trivett's White Bush. Creamy white, very productive, delicious flavor. Plants are bush form. The fruit measures 12 to 15 inches long and 4 to 5 inches in diameter.
¼ lb. $1.00 Oz. 35c. Pkt. 15c.

Trivett's Green Bush. Similar to above, but with green skin and creamy white flesh.
¼ lb. $1.00 Oz. 35c. Pkt. 15c.

Long White Trailing. Trailing vines producing immense crop of large Marrows of superior flavor and creamy white color.
¼ lb. 60c. Oz. 20c. Pkt. 10c.

Long Green Trailing. A green skinned form of the above, with creamy yellow flesh, refined and of delicious flavor.
¼ lb. 60c. Oz. 20c. Pkt. 10c.

SWISS CHARD

Bieta (Ital.) Mangold Kohl (Ger.) Poireau (Fr.)

One ounce will sow a 50 foot row

Swiss Chard or Spinach Beet may be grown and treated like Spinach. The green portion of the large leaves should be boiled and served like Spinach, the thick stems are delicious, boiled and served like Asparagus, being a very strong grower and abundant producer it can be used as green food for poultry, etc.

Trivett's Defiance. A giant Swiss Chard, with immense blue green, crinkled leaves. The stalks are white and often measure 2½ feet long. Thick, fleshy leaves of delicious flavor.
¼ lb. $1.00 Oz. 35c. Pkt. 15c.

Giant Lucullus. Popular variety, yielding an immense amount of greens. ... ¼ lb. 75c. Oz. 25c. Pkt. 10c.

SEA KALE

Sow in drills 2 feet apart, thin out to 12 inches. The blanched leafstalks are boiled and served with cream sauce; or the roots may be dug and "forced" during Winter in the same way as Witloof Chicory.
Oz. 75c. Pkt. 25c.

SUNFLOWER

Mammoth. Produces immense flower heads measuring 12 to 15 inches across which become filled with seed that is valuable as a food for poultry and birds. ... ... Lb. 50c. Oz. 15c.

T.T.S.
ENGLISH VEGETABLE MARROW, TRIVETT'S WHITE BUSH

Pomo d'oro (Italian)

TOMATO

Tomaten (German)

TREATED ✚ SEED

Hints on cultivation—Tomatoes require plenty of phosphate in the soil. They should not be watered except when really necessary in prolonged dry weather. A plentiful supply of water will weaken and otherwise spoil the flavor of the fruit and cause a rank growth of plant and a minimum of fruit. Sow the seed of the earliest sorts under glass or indoors about the middle of February, prick off the young seedlings into flats allowing about 4 inches apart, or grow as pot plants. These sowings should bear fruit about the middle of June. For main crop sow the seed of Second early and Main Crop sorts in a hotbed towards the end of March. Protect the young plants outdoors from cut worms by placing a cardboard or soup can having the bottom cut out, around the stems.

SHOWING THE PLANT PRODUCTIVENESS OF TRIVETT'S ROYAL SCOTT

FOUR CHOICE VARIETIES of VARIOUS MERITS

Trivett's Earliest of All.

—for the first-early crop.

A fine selection from "Earliana," and we offer it for earliest, first crop purposes only, as the full crop will be harvested in a one month period. Globe-shaped, scarlet, red, firm, juicy flesh, excellent flavor. Packet 25c.

Trivett's Royal Scott.

—for the second-early crop.

A grand, disease-resistant sort, very productive, bearing smooth, globe-shaped fruit of deep scarlet color and good size over a long period. The flesh is solid with few seeds, and has a delicious, mild, sweet flavor. ... ... Packet 25c.

Trivett's Big Chief.

—for main crop and later.

A big, meaty Tomato, possessing a splendid flavor. The ideal sort for slicing, and a heavy cropper throughout the entire season, resembling the popular "Ponderosa," but bright red in color instead of purplish rose. ... ... Packet 25c.

Trivett's Yellow Beauty.

—for main crop and later.

A delicious, mildly flavored, clear yellow Tomato almost devoid of acid. The smooth, shining skin and juicy, solid flesh is a pleasing shade of clear amber-yellow and the flavor is unusually mild and pleasant. ... ... Packet 25c.

OTHER VARIEITES ON PAGES 174 and 175

TRIVETT'S CHOICE TOMATOES (*Continued from previous page*)

Trivett's Hundredfold.

Main crop, small, clustered, illustrated.

A small, whole-salad Tomato. Just the right size for serving whole and in halves and quarters with Lettuce, etc. Bright red and of unsurpassed flavor. Pkt. 25c.

Trivett's Dependable.

Second-early, large. See illustration.

A disease-resistant variety, producing round, smooth, scarlet fruit of good size; solid, juicy flesh and delicious flavor. Productive, healthy grower.

¼ oz. 75c. Pkt. 25c.

Trivett's Discovery.

Main-crop, small, clustered. Illustrated.

Produces clusters or bunches of medium-small round red fruit of the whole salad type. Full meat, splendid quality.

Pkt. 25c.

Trivett's American Sunset.

Main crop, large, orange color.

A distinct sort, bearing large, round fruit of rich orange. The flesh is golden orange and has a delightful flavor. Pkt. 25c.

Note! Please refer to page 173 for the following:

Trivett's Earliest of All.
Trivett's Royal Scott.
Trivett's Big Chief.
Trivett's Yellow Beauty.

Il Duce.

Late crop, very large, dark red.

A very large, solid, meaty sort. Ideal for slicing, cooking, etc. Fine flavor.

¼ oz. 75c. Pkt. 25c.

Heterosis.

Main crop. Small, in heavy bunches.

Small, red, whole salad, and an enormous cropper; fine flavor. (*Originator's Seed.*)

Pkt. 25c.

T.T.S. TRIVETT'S HUNDREDFOLD
English type, whole-salad Tomato

Bonnie Best. (*Selected.*)

Early crop, medium size, clusters.

Produced in clusters of 3 to 5 round, smooth, scarlet-red; fine flavor.

Oz. 75c. ¼ oz. 25c. Pkt 15c.

Break o'Day.

Early crop, medium-large.

A disease-resistant variety, "the Early Marglobe"—round, scarlet, fine quality.

Oz. 60c. ¼ oz. 20c. Pkt. 10c.

Crimson Cushion (Beefsteak).

Late, very large, crimson red.

Like a bright red "Ponderosa." Very large, solid, meaty, good quality.

Oz. 75c. ¼ oz. 25c. Pkt. 15c.

Earliana. (*Improved.*)

Very early, good size, red.

Especially valuable for a first crop, but not main-crop. Very good flavor.

Oz. 60c. ¼ oz. 20c. Pkt. 10c.

Essex Wonder.

Main crop, small, in clusters.

An English variety, small, round, red fruit in large bunches. Has splendid flavor.

Pkt. 25c.

Golden Ponderosa.

Late, very large, yellow fruit.

Similar in size and habit to "Ponderosa." Delicious, mild, sweet flavor. Good sort.

Oz. 75c. ¼ oz. 25c. Pkt. 15c.

Golden Queen.

Main crop, medium, round, yellow.

A very desirable yellow sort with distinct, mild flavor; decidedly worth growing.

Oz. 75c. ¼ oz. 25c. Pkt. 15c.

John Baer.

Early, fairly large, round, red.

Better than most of the early sorts. Good, firm, juicy flesh; nice flavor.

Oz. 60c. ¼ oz. 20c. Pkt. 10c.

TRIVETT'S ROYAL SCOTT
See page 173

T.T.S.

TRIVETT'S DEPENDABLE
Splendid red globe, choice flavor

TOMATOES (*Concluded*)

Marglobe. (*Selected.*)
Second early. Wilt- and rust-resistant.
Large, globular, meaty, red fruit of excellent quality. Healthy, abundant cropper.
Oz. 75c. ¼ oz. 25c. Pkt. 15c.

Matchless.
Main crop. Very large, bright red.
Large, smooth fruit. Good quality, productive.
Oz. 60c. ¼ oz. 20c. Pkt. 10c.

Oxheart.
Late. Very large, dark scarlet.
Splendid for slicing; large, heavy, solid fruit.
Oz. 75c. ¼ oz. 25c. Pkt. 15c.

Ponderosa. (*Selected.*)
Late. Main crop. The largest variety.
Popular; immense size; meaty; good quality.
Oz. 75c. ¼ oz. 25c. Pkt. 15c.

Pritchard (Scarlet Topper).
Early and disease-resistant.
Large, smooth, solid, scarlet, finest quality.
Oz. 75c. ¼ oz. 25c. Pkt. 15c.

Rutgers.
Early. Disease-resistant. Bright scarlet.
Solid, round, smooth fruit, delicious flavor.
Oz. 75c. ¼ oz. 25c. Pkt. 15c.

Scarlet Dawn.
Very early. Wilt and rust-resistant.
Globe-shaped, red, heavy yielder. Very choice.
Oz. 90c. ¼ oz. 30c. Pkt. 20c.

Scottish Champion.
Main-crop. Medium-small in clusters.
An outstanding Scotch variety. Bright red.
Pkt. 25c.

Stone, Selected.
Main-crop. Very popular variety.
The standard red sort for the garden.
Oz. 75c. ¼ oz. 25c. Pkt. 15c.

T.T.S. TOMATO, TRIVETT'S DISCOVERY (See opposite page)

For Preserving and Decorations

Useful for preserving whole, for salads, etc.

Red Plum — **Red Pear**
Yellow Plum — **Yellow Pear**
Red Cherry — **Red Currant**
Yellow Cherry — **Peach, Red**

Trivett's Abundance.
Enormous bunches of bright scarlet fruit, shaped like and about the size of a hen's egg. The quality is excellent.

Strawberry, or Husk Tomato.
The plants are of dwarf, spready growth and very productive, of sweet-flavored, yellow fruits about the size of a Cherry and inclosed in a husk.

Price: The above small sorts
Oz. 75c. ¼ oz. 25c. Pkt. 15c.

"We have wonderful crops of your different varieties of Tomatoes, and the quality is excellent."
MR. J. E. ZEMAN
Superintendent-Head Gardener to
H. G. WELLINGTON, Esq.

GREENHOUSE SORTS

For Forcing under Glass

Greenhouse Culture—Tomatoes are especially desirable when obtainable out of season. Fruit of good quality can be procured by growing on in pots and shifting to larger sizes when pot bound, finishing with 8- or 10-in. size, or they may be planted in the bench. A temperature of 60 deg. is about right. Pinch out all side growth, water thoroughly, but not too often.

Trivett's Choice.
Newest and most improved greenhouse forcing Tomato; robust growing plants producing at short intervals immense trusses of smooth, uniform, bright scarlet fruit of unsurpassed flavor. ... ... Pkt. 75c.

Sutton's Best of All.
Well known English variety. (*Sutton's Seed.*)
Pkt. 65c.

Sunrise (Carter's).
Perhaps the most widely grown of all greenhouse sorts. ... ... Pkt. 35c.

Stirling Castle.
Exceedingly popular sort, medium size, round, smooth fruit, bright red, excellent flavor and heavy cropper. ... ... Pkt. 25c.

GLADIOLUS—Trivett's Twice Treated—See Page 185

Navone, Rapa (Italian)

TURNIP

Herbst Ruben (German)

Grown for Us in England

Trivett's Prize Model. Main crop. Round, smooth white with purple top, excellent quality, good for exhibition or table use. mild, sweet flavor.
Lb. $1.50 ¼ lb. 60c. Oz. 25c. Pkt. 10c.

Trivett's Early Snowball. (*Special Strain.*) First early, snow-white, perfect, globe-shaped, unsurpassed, mild, sweet flavor.
Lb. $1.50 ¼ lb. 60c. Oz. 25c. Pkt. 10c.

Trivett's Golden Ball. (*Selected Stock.*) Main crop, well formed roots of rich golden yellow. Choice, selected strain of the Golden Ball or Orange Jelly, excellent for late and Winter keeping.
Lb. $1.50 ¼ lb. 60c. Oz. 25c. Pkt. 10c.

Trivett's Forcing White. (*Choice Strain.*) Excellent for forcing; very quick in growth; egg-shaped and of delicious, sweet flavor; also good for first crop outdoors.
Lb. $1.50 ¼ lb. 60c. Oz. 25c. Pkt. 10c.

Early White Milan. The earliest garden Turnip, flat-shaped, pure white, flesh of delicate flavor.
Lb. $1.25 ¼ lb. 50c. Oz. 20c. Pkt. 10c.

Early Milan Purple. Similar to Early White Milan, except in color. Lb. $1.25 ¼ lb. 50c. Oz. 20c. Pkt. 10c.

Yellow Aberdeen. Well-known Scotch Turnip of unsurpassed cooking qualities and splendid for Winter storing.
Lb. $1.00 ¼ lb. 40c. Oz. 20c. Pkt. 10c.

White Egg. See **Trivett's Forcing**

ITALIAN BROCCOLI—TURNIP

Broccoli di Rapa

These are not bulb forming, but grow similar to the Green Italian Broccoli, producing green Broccolilike heads. A very delicious vegetable. Give the same culture as for Broccoli.

Sweet Pugliese, Extra Early.
Broccoli di Rapa dolce Primitive Pugliese.
Oz. 75c. ¼ oz. 25c. Pkt. 15c.

JAPANESE TURNIP

Shogoin Improved. Produces a heavy crop of upright growing leaves, which are used as greens and globe-shaped, smooth white root of mild flavor and buttery texture.
Lb. $1.50 ¼ lb. 50c. Oz. 20c. Pkt. 10c.

Tokyo Market. Small, silky, snow white roots, about the size of a golf ball is the right pulling size. The flesh is firm, very tender and of delicious, mild, sweet flavor.
Lb. $1.75 ¼ lb. 60c. Oz. 20c. Pkt. 10c

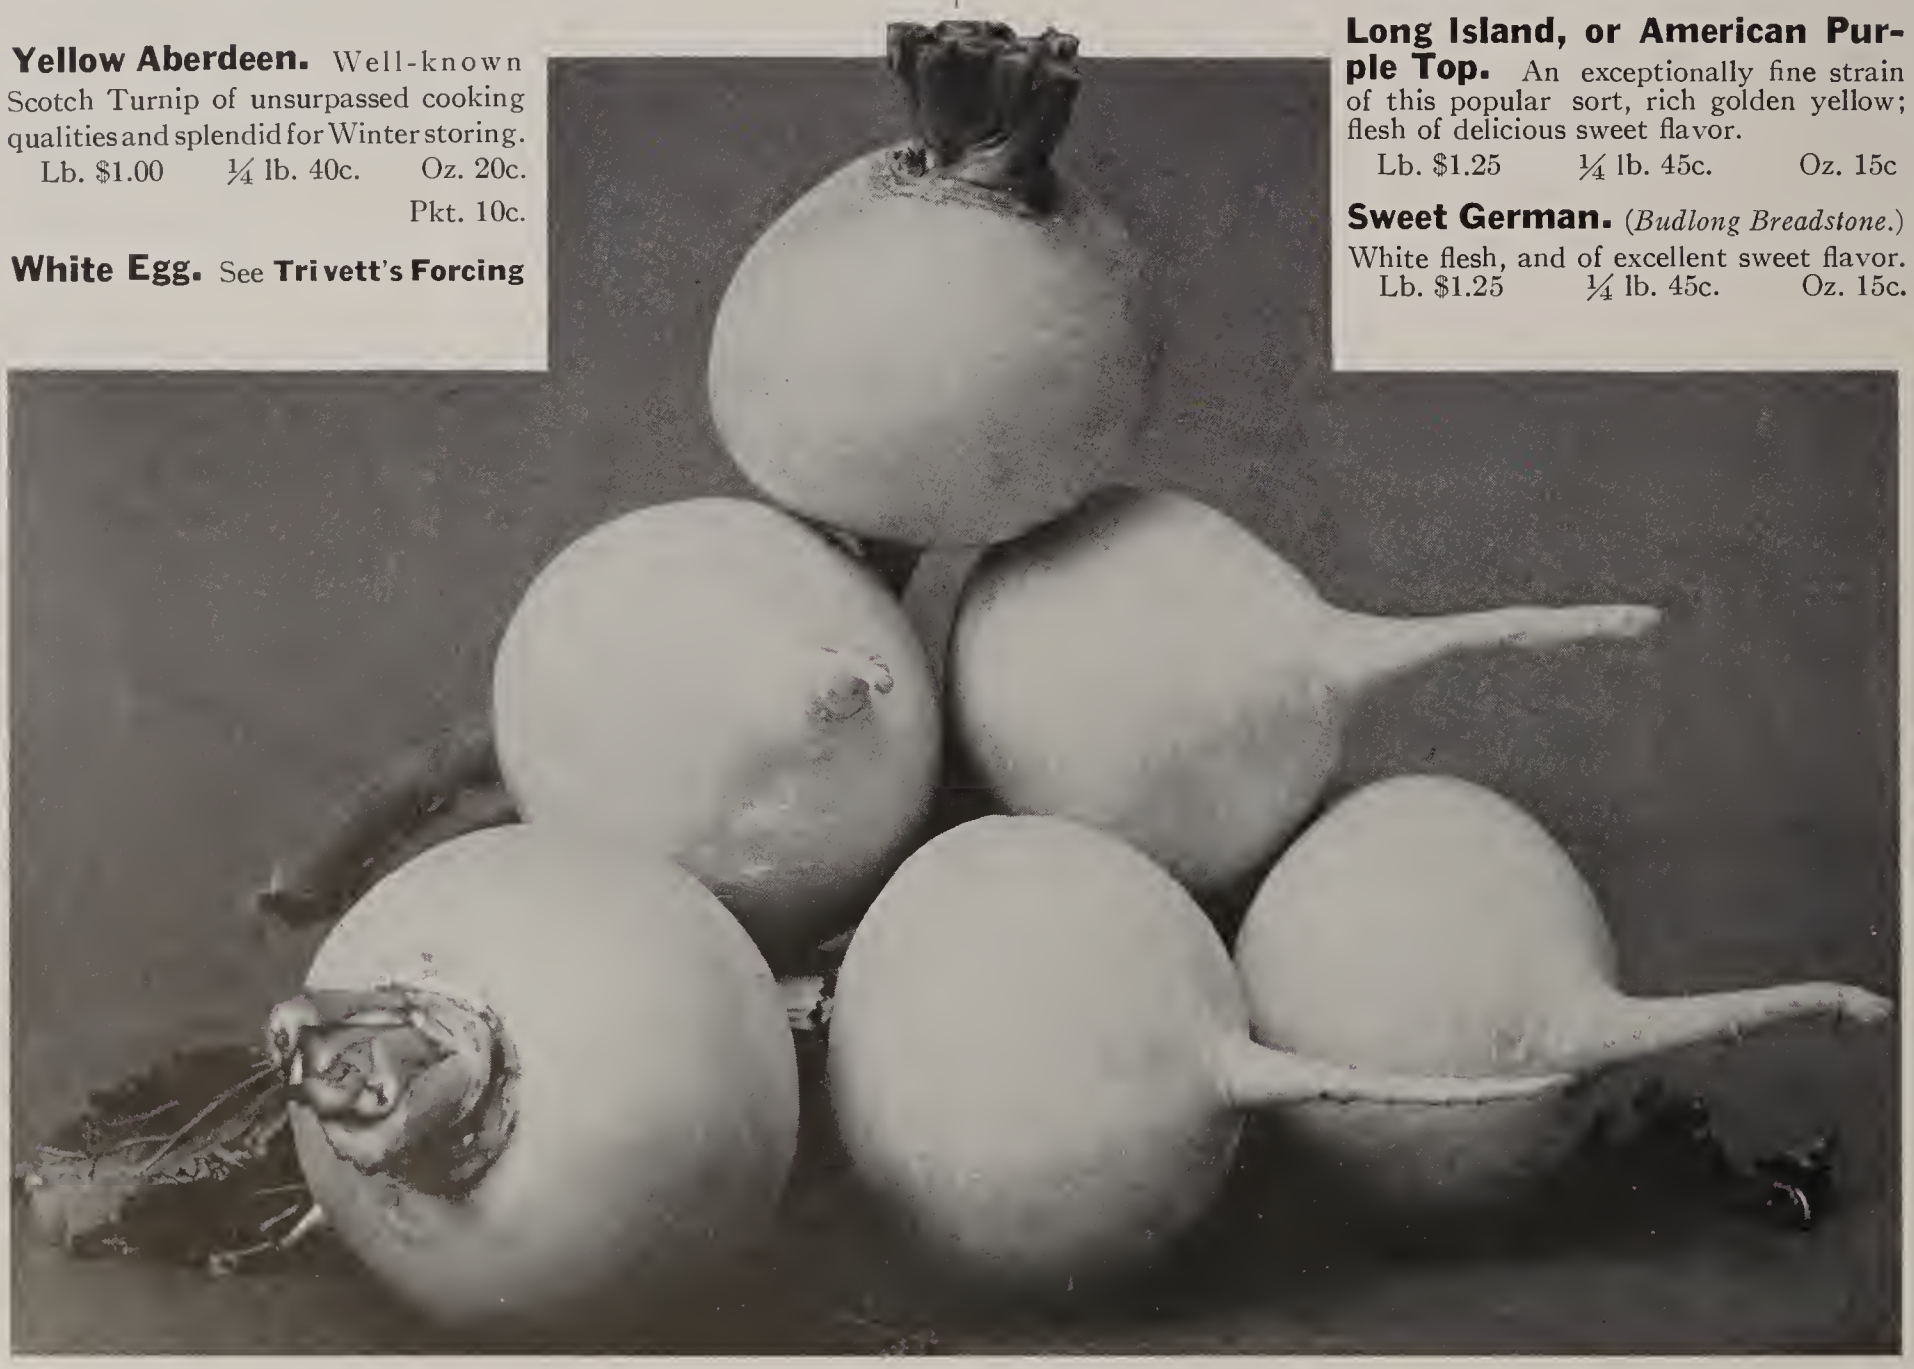

FIELD TURNIP (Rutabaga)

Trivett's Mammoth Swede. Improved strain, yellow with purple top; an immense cropper and will keep in fine condition through the Winter into Spring. The flesh is firm and juicy, of rich yellow color and very sweet.

LAWN GRASS SEEDS

For Those Who Demand the Best

RESISTANT No. 1
Resists the effects of insects and diseases. See page 181

THE THREE OUTSTANDING
GRASS SEED MIXTURES
for
AMERICAN LAWNS

Many of the fine lawns to be seen in the most prominent private estates in this country have been created or are being maintained by the use of our Special Lawn Grass Mixtures. Our formulas for these mixtures are the results of a lifetime of study and experimentation. They are recommended with full confidence as being suitable for use under the various conditions of soil, location and climate throughout the country — except in tropical, or semi-tropical sections and in the extreme South.

DON'T EXPERIMENT
Follow the example of the professional gardener

SOW THE BEST

SHAD-O-LAWN
For shady and semi-shady lawns. See page 179

SUNN-Y-GREEN
For open, sunny lawns. See page 178

THE FIRST CONSIDERATION.

Those who know, realize that only the best and purest grass seed mixtures should be used when making new lawns or renovating and top-dressing old lawns. Both can be quickly spoiled by cheap, inferior seed.

PROFESSIONAL GARDENERS KNOW.

The professional gardener knows the value of really good grass seed and that to maintain a lawn in good condition year after year as he is expected to, it is necessary to top-dress with good grass seed twice a year, in the spring (April-May) and in the autumn (late August to early October).

When it is considered how much vegetation is cut and removed from a lawn each season and also the fact that no seed is allowed to form and drop back to the earth as intended by nature, it becomes quite apparent why these top-dressings with seed are so important.

THE FIRST FEW INCHES.

Another subject connected with the proper maintenance of good lawns with which the professional gardener is familiar and which does not seem to be realized by many amateur gardeners is the great importance of the first 3 or 4 inches of soil.

Lawns, as such, are man-made, artificial; the roots of the countless millions of grass plants are confined within the first few inches; they are not equipped by nature to penetrate downward to find their food like almost all other members of the vegetable kingdom. Therefore it does not take them long to exhaust the food supply in this limited area. It is because of this fact that professional gardeners so consistently top-dress the lawns entrusted to their care with rich soil, good seed and fertilizer twice a year.

BELOW THE SURFACE.

The nature of the soil or substance underneath the top soil is of vital importance; if there exists a foot or more of fairly good soil and good drainage that will be ideal, on the other hand should there be sand and gravel under the first few inches of top soil the drainage will be too abrupt, resulting in a dry lawn requiring constant watering during the summer and the loss of the top soil in a short time by sifting downwards, or the working upwards of the sand.

To meet such a condition economically, a layer several inches thick should be provided under the top-soil composed of horse manure or peat moss or a mixture of both for the double purpose of holding moisture and soil where they should be. Also a condition of this kind calls for top-dressing with good soil twice a year.

If under the top soil there is clay or hard-pan, etc., the drainage wil be too slow, causing an acid condition which will destroy the root growth. This heavy or hard under-surface must be broken up for a depth of 1½ or 2 feet, sand will cut up the clay and the general conditions must be changed to provide proper drainage.

CONDITIONS ABOVE.

The conditions prevailing above the surface also have a definite bearing on the growing of good turf. Difficult places are those immediately underneath low overhanging branches which cause dense shade or directly under maple trees or other surface feeding trees, and open, exposed slopes facing the south where the soil is light or sandy. An Ideal overhead condition is one which provides a light, shifting shade from high up branches for a part of the day.

Trivett's SUNN-Y-GREEN Mixture

The First Choice of the Professional Gardener

Our highest grade lawn mixture for use in producing first-class lawns in open, sunny places and suitable for almost any section of the country except the far South.

Our formula consists, in part, of high quality, re-cleaned grades of *South German type Bents* (mixed). *New Zealand Chewings Fescue, High Quality Kentucky Blue Grass, Superfine Red Top*, etc.

☛ All blended in the proper proportions. No clover is included in this mixture. Under favorable conditions our **SUNN-Y-GREEN** mixture will produce a lawn of close-growing, carpet-like turf of richest green color.

Many of the beautiful lawns to be seen on private estates throughout the country have been created or are maintained by the use of

SUNN-Y-GREEN—*the high quality grass for sunny places.*

100 lbs. $75.00	50 lbs. $38.00	25 lbs. $19.50
12½ lbs. $10.50	5 lbs. $4.25	Lb. 90c.

Delivery prepaid anywhere in the U. S. A. on paid orders.

"Your Sunn-Y-Green mixture is, in my opinion, the best obtainable for establishing first class, permanent lawns, being superior in germination, purity and in the quality of close, even turf produced."

MR. ROBERT S. GRANTHAM
Superintendent-Head Gardener to
MRS. J. P. GRACE

Trivett's GREEN-VELVET Mixture

(With Bent)

For open, sunny places. Light or heavy soil. (*No Clover*).

We use in this mixture only the highest grades of *Fine-leaved Fescue, Recleaned Kentucky Blue Grass, New Zealand Fescue, Fancy Red Top*, etc. and just the right proportion of *Choice Mixed Bents. No coarse leaved sorts and no clover.*

A quality mixture at a moderate price.

100 lbs. $65.00	50 lbs. $33.00	25 lbs. $17.00
12½ lbs. $9.00	5 lbs. $3.75	Lb. 80c.

Trivett's STURDI-LAWN Mixture

(Without Bent)

For open, sunny places, light or heavy soil. (*No Clover*).

Deep rooting, strong growing sorts of fairly fine texture and dark green color; remarkably resistant to disease and insect attacks. Formula similar to *Trivett's Green-Velvet.*

100 lbs. $55.00	50 lbs. $28.00	25 lbs. $14.50
12½ lbs. $7.50	5 lbs. $3.25	Lb. 70c.

Trivett's GREEN-CARPET Mixture

(Without Bent)

For sunny or part time shady places. (*No Clover*).

This is the highest quality lawn mixture we offer without Bent grasses. It contains only the highest grades of *New Zealand Chewing's Fescue, First Quality Kentucky Blue Grass, Poa trivialis* (Bird Grass), *Superfine Fancy Red Top*, a little of *Pacey's Dwarf Perennial Rye Grass*, etc. Also recommended for walks.

Will produce a fine lawn with a minimum of attention.

100 lbs. $45.00	50 lbs. $23.00	25 lbs. $12.00
12½ lbs. $6.50	5 lbs. $2.75	Lb. 58c.

Trivett's GENERAL-USE Mixture

For sunny or part time shady places. (*No Clover*).

The formula for this mixture is based on *Trivett's Green-Carpet* and can be used anywhere except in dense shade. Will produce good, heavy turf, rich blue green in color with a minimum of attention. *Also for fairways, landing fields, polo fields*, etc.

100 lbs. $40.00	50 lbs. $21.00	25 lbs. $11.00
12½ lbs. $6.00	5 lbs. $2.50	Lb. 55c.

"Seeds of exceptional merit. Your Green-Velvet grass seed beats any other we have ever had.

MR. F. CRAWFORD
Superintendent-Head Gardener to
WILLLIAM G. IRWIN, Esq.

NOTE—For a good sowing and new lawns, use 200 to 250 lbs. of seed or over, to the acre, and for 1000 square feet (100 feet by 10 feet) use about 10 lbs. For renovating or top-dressing old lawns use about half these quantities

TRIVETT'S SUNN-Y-GREEN LAWN GRASS SEED

Our lawn grass seeds are used on many of the most beautiful lawns to be seen in America

Trivett's SHAD-O-LAWN *Mixture*

First Choice for Shady Places

This is our highest quality mixture for shady or semi-shady places and is composed from a special formula consisting of Nature's own shade—tolerant varieties including: *Poa trivialis, Fescues, Wood Meadow, Superfine Red Top, Poa Nemoralis, High Quality Kentucky Blue,* etc. The proportions used and the proper blending of the varieties play a large part in production of our **"Shad-O Lawn"** mixture.

The highly satisfactory results obtained bv using **"Shad-O-Lawn"** are attested to by the consistently increasing demand each year and the many testimonials we have received.

100 lbs. $75.00 — 50 lbs. $38.00
25 lbs. $19.50 — 12½ lbs. $10.50
5 lbs. $4.25 — Lb. 90c.

"Your Shad-O-Lawn grass seed is the best I have so far discovered for difficult places in the shade or semi-shade.

"Other grass seed mixtures purchased from you have given excellent results."

MR. KARL HERLEMANN
Superintendent-Head Gardener to
MISS ANNE MORGAN

"I have used Shad-O-Lawn grass mixture for dressing our shady and part-shady lawns for about 18 years and have always been well-pleased with the results obtained."

MR. F. TITUS
Superintendent-Head Gardener to
MRS. W. L. HARKNESS

The Grass knows well in her secret heart
How we love her cool green raiment,
So she plays in silence her lonely part
And cares not at all for payment.

We say of the oak, "How grand of girth!"
Of the willow we say "How slender!"
And yet to the soft grass clothing the earth
How slight is the praise we render.

And while she serves us with gladness mute
In return for such sweet dealings
We tread her carelessly underfoot,
But we never wound her feelings.

—EDGAR FAWCETT

TRIVETT'S SHAD-O-LAWN GRASS SEED

Trivett's SHADY-NOOK *Mixture*

This mixture is made up from a formula similar to that of our *Shad-O-Lawn.* No coarse-leaved varieties are used. No clover.

Contains highest grade *Poa Nemoralis* (Wood Meadow), *New Zealand Chewing's Fescue, Superfine Kentucky Blue Grass, Poa trivialis,* etc., all blended in the proper proportions to produce a thick, smooth turf of rich blue green color.

100 lbs. $65.00 — 50 lbs. $33.00 — 25 lbs. $17.00
12½ lbs. $9.00 — 5 lbs. $3.75 — Lb. 80c.

Trivett's SHADY PLACE *Mixture*

Comes next in quality to our *Shady-Nook.* The formula is quite similar and the proportions are changed to meet a demand for a first-class mixture at a lower price. No clover.

100 lbs. $55.00 — 50 lbs. $28.00 — 25 lbs. $14.50
12½ lbs. $7.50 — 5 lbs. $3.25 — Lb. 70c.

Trivett's SHADY WALK *Mixture*

A special formula based on our *Shad-O-Lawn,* but including vigorous growing and deep rooting grasses which will withstand hard usage and prove more resistant to insects and diseases than the average mixture. Ideal for grass walks in shady or partly shady places. Rich emerald green color. No clover.

100 lbs. $60.00 — 50 lbs. $30.50 — 25 lbs. $15.50
12½ lbs. $8.25 — 5 lbs. $3.50 — Lb. 75c.

Trivett's WOODLAND *Mixture*

Strong, vigorous growing grasses. Most suitable for wooded areas where a lawn effect is desired with a minimum of care and attention. May be cut as a lawn or allowed to grow in a natural manner. No clover.

100 lbs. $50.00 — 50 lbs. $25.50 — 25 lbs. $13.25
12½ lbs. $7.25 — 5 lbs. $3.00 — Lb. 65c.

The New Model "*Milbradt*" POWER LAWN MOWER

The aristocrat of all Power Lawn Mowers.

These power mowers are the finest that money can buy; heavily constructed, positive lubrication, independent clutches for roller and cutting reel. Two-section roller with auto-type differential between sections. Flexible cutting unit and reel has five, heavy Disston steel blades, double riveted to heavy, malleable spiders; Timken roller bearings throughout.

21-inch Cut—1-horse power, Briggs & Stratton motor, 2 to 3 acres per day. F.O.B. factory. $245.00

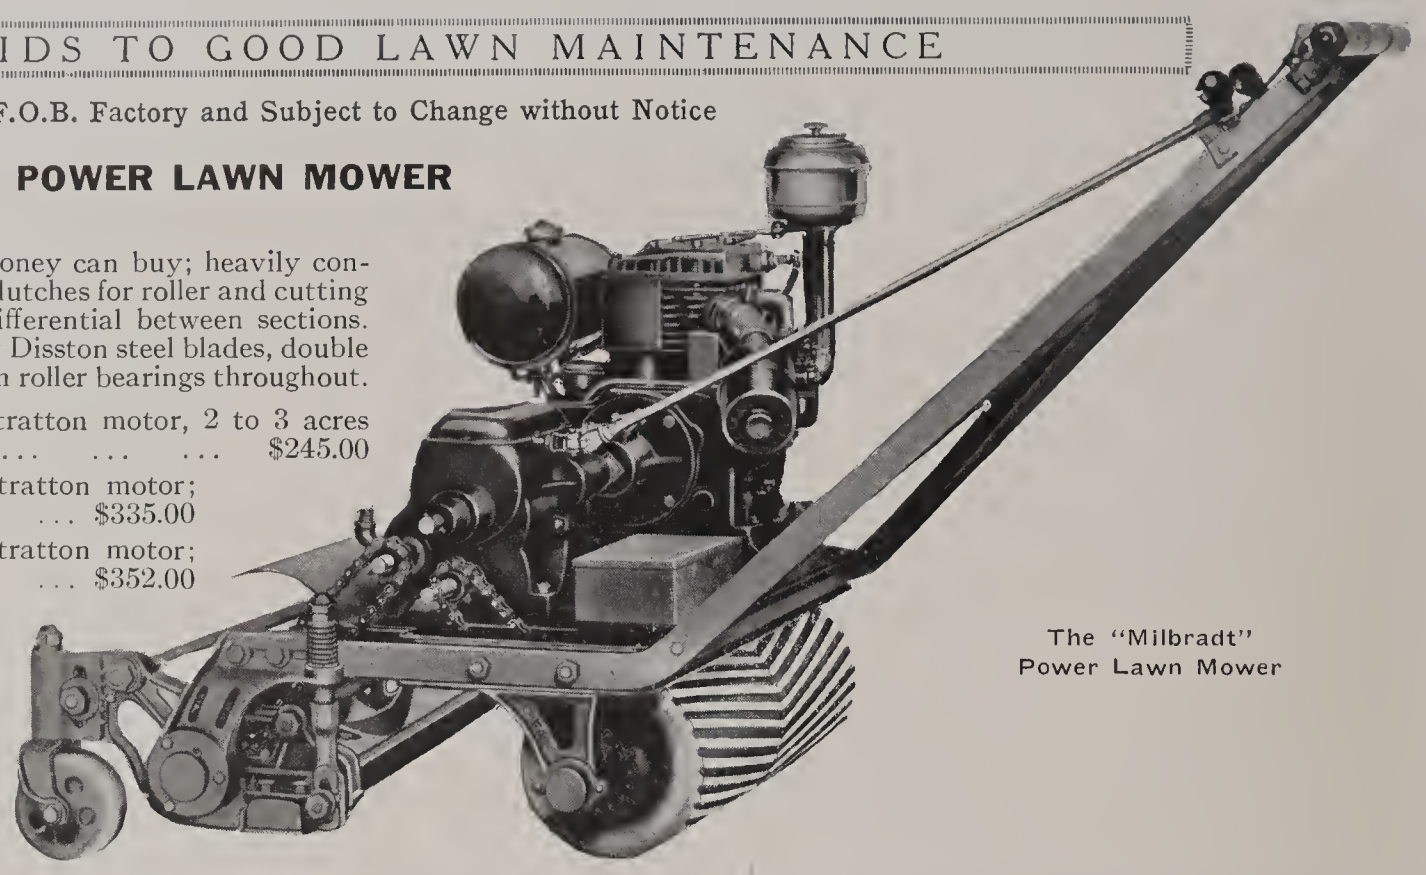

27-inch Cut—2-horse power, Briggs & Stratton motor; 4 to 5 acres per day. F.O.B. factory. $335.00

30-inch Cut—2-horse power, Briggs & Stratton motor; 5 to 6 acres per day. F.O.B. factory. $352.00

30-inch Cut Special—Same as above, but with a 3-horse power motor, and cutting 7 to 8 acres per day. F.O.B. factory. $390.00

36-inch Cut, Sickle Type—2-horse power, 5 to 6 acres per day. F.O.B. factory. $308.00

Prices for larger sizes on request.

The "Milbradt" Power Lawn Mower

ACCESSORIES for above MOWERS

Sickle Bar Attachment. For 27 or 30 inch mowers. F.O.B. factory. $85.00

Grass Catcher. For the 21 inch mower. $16.00

Grass Catcher. For 27 or 30 inch mower. $18.00

Riding Sulky. For 27 or 30 inch mower. $40.00

COLDWELL HAND MOWER "*Imperial Special*"

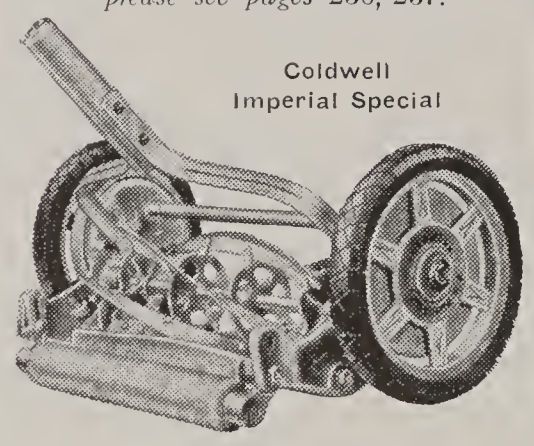

The leader in the famous Coldwell line, completely modernized, equipped with Goodyear rubber tires (*semi-pneumatic*)

16-inch Cut. Roller bearings. $21.25

18-inch Cut. Roller bearings. $22.50

20-inch Cut. Roller bearings. $23.75

For complete list of **LAWN MOWERS**—*please see pages* 236, 237.

Coldwell Imperial Special

LAWN INSECTICIDES

GRUB-O (*Wilson's*)

Protects the lawn against grubs of Japanese and native beetles. Apply in the Spring at the rate of 100 lbs. to 2500 square feet of area and spread evenly with the "Master" distributor.

100 lbs. $8.00 *1000 lbs.* $67.50

For complete list of Insecticides, Fungicides, etc. see pages 228 *to* 229.

LAWN CULTIVATOR "*Spike Disc*"

The finest implement for soil aeration on lawns, putting greens, etc.

Spike discs should be used frequently when reseeding, fertilizing and top-dressing lawns.

Use sand bags for weights

No. 30—18 inch width, hand operated. $27.50

No. 32—As above, 2-handles. $30.00

No. 18—*Illustrated.* Equipped with seat and special hitch for use with small tractor or power mower etc. Rolling width 22½ inches. ... $55.00

LAWN ROLLER "*Dunham Water-weight*"

Roller bearing, no-tip scraper. This roller can be filled with water to get the desired weight.

No.	Width Inches	Weight Empty	Water Filled	Price Each
5	24	85 lbs.	265 lbs.	$20.00
9	32	130 lbs.	565 lbs.	$26.00

For others—see page 236.

LAWN GRASS FOOD "*Eight • Six • Two*"

Analysis: 8% Nitrogen, 6% available Phosphoric Acid, 2% Potash.

(50 per cent Organic)

A country club formula especially compounded for the production of strong, healthy growth and rich green color on lawns and putting greens.

Can be evenly spread over the grass during the Spring and Autumn with the "Master" distributor at the rate of 1000 to 1500 lbs. to the acre.

100 lbs. $4.75 *500* lbs. $22.50 *1000* lbs. $44.00

2000 lbs. (ton) $85.00

Delivered free within 35 miles of New York

AGRINITE—"The Turf Builder"

(100 per cent Organic)

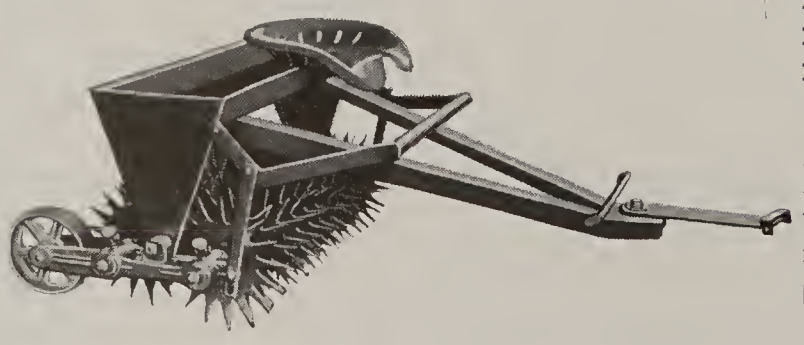

A purely organic grass food containing 8½% nitrogen. May be applied at any time of the year alone or mixed with "Sorbex" or top-dressing material. A wonderful grass food and very popular on golf courses.

100 lbs. $4.50 *500 lbs.* $21.50 *1000 lbs.* $42.00

Complete List of **FERTILIZERS**—*Pages* 226 *to* 227.

SORBEX—"The Top-Dressing Mixer"

A very finely pulverized form of peat moss; 25 times finer than ordinary peat moss. Ideal for mixing with soil etc. for top-dressing lawns, flower beds and with potting soil. ... ... *10-bushel bag* $3.00

Lawn Cultivator, Spike Disc No. 18

DISTRIBUTOR-SPREADER "*The Master*"

Seed and Fertilizer Spreader

A sturdily built machine for spreading fertilizer, top-dressing and other dry material; also for sowing grass seed. Has handle shut-off, agitator and scatterboard. Non-corrosive parts.

Furnished with steel wheels.

18-inch width $12.00

24-inch width $17.00

36-inch width $23.75

"The Master" Distributor (Rubber tires extra)

RAKES

See also page 238.

LEVEL HEAD STEEL

Strongly made, the reverse is used for "leveling off." "*True Temper*" make.

14 teeth $1.35

16 teeth $1.45

18 teeth $1.75

DANDELION RAKE

Cuts off the blossoms before the seed can mature. Also brings up Crab grass for mowing. *Not illustrated.*

No. L DRW—Special wide pattern, 22¾ in. wide. $1.75

Level-Head Steel Rake

COMPLETE OFFERING OF THE BEST HORTICULTURAL TOOLS, ETC.—SEE PAGE 230

TRIVETT'S RESISTANT No. 1 LAWN GRASS MIXTURE

Trivett's RESISTANT No. 1 *Mixture*

A mixture of vigorous growing varieties which should prove resistant to the ravishes of *Chinch bug, Brown Patch* and other grass diseases, as we do not include varieties which are susceptible to diseases or are especially open to attack by the Chinch bug.

This is a very good mixture for making new lawns or renovating old ones and, although of healthy, vigorous growth, will produce a fine, close-growing turf of finest texture and color. No Clover, no Bent grasses.

100 lbs. $65.00	50 lbs. $33.00	25 lbs. $17.00
12½ lbs. $9.00	5 lbs. $3.75	Lb. 80c.

Trivett's RESISTANT No. 2 *Mixture*

Based on the same formula as our *No. 1 Mixture*, with slight changes to enable us to lower the price.

100 lbs. $55.00	50 lbs. $28.00	25 lbs. $14.50
12½ lbs. $7.50	5 lbs. $3.25	Lb. 70c.

Trivett's BENT FORMULA No. 1 *Mixture*

Excellent for Putting Greens, Etc.

Formerly sold by us under the name of *Trivett's Velvet Bent formula.* This mixture is especially offered to those seeking a lawn mixture rich in the Bent grasses and superior to the average in fineness of texture. It contains 25 per cent of *South German Mixed Bents* and will supply your lawn with such valuable grasses as *Velvet Bent, Creeping Bent, Colonial type Bent, etc.*, which are derived from *South German Mixed Bents*, and combined with other fine-leaved grasses.

We believe no better mixture can be offered for fine lawns and for special places where a beautiful velvety turf is desired.

100 lbs. $85.00	50 lbs. $43.00	25 lbs. $22.00
12½ lbs. $11.50	5 lbs. $5.00	Lb. $1.10

TENNIS COURT. See **TERRACE TURF.**

HAY and PASTURE MIXTURE. *See Olde English Formula, page* 183.

FAIRWAY and LANDING FIELD MIXTURES. *See Trivett's General Use, page* 178.

PUTTING GREEN MIXTURE. *See Trivett's Bent Formula No. 1, this page.*

Trivett's FLOWER-FIELD *Mixture*

NEW!—A Flower Garden in the Field

A mixture of grasses suitable for areas that are not to be cut but are allowed to grow naturally. However, if bordering on a road a strip can be cut with the mower as a lawn, or paths may be cut through. Inside each bag will be found a package containing the proper amount of flower and ornamental grass seeds for mixing with the grass seed when being sown, use about one, full, single handful of our flower seeds to each pailful of grass and mix together. Can be sown in Spring or Autumn.

Hundreds of different species of flowers, both annual and perennial, true Wildflowers and others suitable for growing and blooming in the fields of high grass.

Including Purple and Golden Asters, Shooting-stars, Violets, Bell-flowers, Wild Sweet-william, Lilies, Asclepias, Poppies, Cornflowers, Rudbeckia, Jack-in-the-pulpit, Buttercup, Wild Roses, Calliopsis, Gay-feather, and a host of others. Also Ornamental Grasses with tall plumes for cutting.

Thousands of beautiful flowers in the fields

Any waste land, even poor soil, will be suitable.
Sow at the rate of 12½ *lbs. to* 1000 *square feet* (100 *feet by* 10 *feet*) *or* 300 *lbs. to the acre.*

100 lbs. $40.00	50 lbs. $21.00	25 lbs. $11.00
12½ lbs. $5.75	5 lbs. $2.50	Lb. 55c.

All prices include the proper amount of Flower Seeds.

Trivett's SEA-SHORE-SOD *Mixture*

A fine mixture for making permanent, healthy green lawns at the sea-shore and on land of a light, sandy nature. Sow at the rate of 200 to 250 lbs. to the acre, or 6 to 8 lbs. for 1000 square feet.

100 lbs. $55.00	50 lbs. $28.00	25 lbs. $14.50
12½ lbs. $7.50	5 lbs. $3.25	Lb. 70c.

Trivett's TERRACE TURF *Mixture*

This mixture is composed of deep-rooting varieties which, when established will bind the soil and prevent "washing." *Also excellent for tennis courts* as it forms a fine, close turf that will withstand hard usage.

100 lbs. $55.00	50 lbs. $28.00	25 lbs. $14.50
12½ lbs. $7.50	5 lbs. $3.25	Lb. 70c.

The "Waterfan" Sprinkler in Operation

"*Waterfan*" LAWN SPRINKLER

An automatic oscillating rain-making machine that is really trouble-free and will give many years of service, mounted on a sled-like frame for easy pulling by the hose.

The motor, strongly built of brass and phosphor-bronze is actuated by the water pressure. The distribution pipe is fitted with 17 small nozzles, all set at the proper angles to give a wide, fan-shaped spray as the pipe waves back and forth.

"Trivett's Seal of Approval" is unreservedly given to this wonderful lawn sprinkler.

Gentle rain-like distribution, wide coverage, dependable, durable and trouble-free.

No. 7 Curved. Will cover a rectangular area 40 feet by 45 feet and will operate satisfactorily on a pressure as low as 30 lbs. ... ... *Each* $15.00

"Royal Cord" Rubber Lawn Hose

"*Royal Cord*" RUBBER HOSE

"Trivett's Seal of Approval" **Lawn Hose.** Made of the finest materials, built just like an automobile tire. It is light in weight, flexible and easy to handle and will withstand years of hard service and exposure to the sun and weather.

It pays to pay for the best.

Furnished in standard ¾ inch size in 25, 50 and 100 feet lengths, coupled ready for use. *Price* 35c. per foot

Other grades of **HOSE**—*Page* 233.

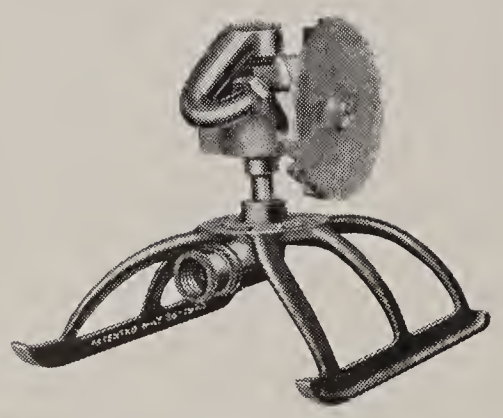

"*Double Rotary*" SPRINKLER

Heavy Duty Model. A leader in its field for 17 years. The finest materials and master craftsmanship are employed in its construction. Sprinkles 5,000 square feet, covering at one setting any size circular area up to 80 feet in diameter, depending upon the pressure. This sprinkler gives an even and equal distribution over the entire area, from center to outer edge of circle.

Easily adjusted to cover areas down to 15 feet in diameter and for single streams or a stationary spray.

"Trivett's Seal of Approval" as the best, moderate priced, circular sprinkler.

(**Heavy Duty Model**) *Each* $12.50

Double Rotary Sprinkler
Heavy Duty Model

"*Sprays-in-a-Row*"

To be connected in series with about 18 feet lengths of hose between.

The sprinkler units have iron bases and standard ¾ inch hose fittings on each side. The fine spray spreads from a few feet up to 28 feet depending on the water regulation. As many as desired can be connected; all operate at the turn of the faucet for gardens and lawns. A "movable irrigation system" for which the chief expenditure is hose.

Unit No. 8. Threaded both sides. *Each* 75c. *10* $6.50

Unit No. 10. Closed at one side for end of line. ... ... *Each* 75c.

The "Rain Wave" Sprinkler

"*Rain Wave*" SPRINKLER

Here is the famous **"Skinner Watermotor"** made into an efficient lawn sprinkler that will thoroughly water an area up to 60 feet square.

This is an exceptionally well-built machine and is recommended for use on private estates, parks and large lawns generally.

An immense fan of mistlike spray waving back and forth that deposits an inch of water in 6 hours.

No. 14 Roller, 3¼ in. connections. *Each* $35.00

"*Border Mist*" SPRINKLER

Illustrated on page 243.

This is a one way pipe-type sprinkler for sprinkling flower borders up to 18 feet wide. It is 15 feet long and mounted on wheels for easy handling. Will operate on a minimum of 20 lbs. *Not oscillating.*

Standard Size ... ... *Each* $12.50

Getting in the Hay

HAY & PASTURE also SEPARATE, NAMED GRASSES

Trivett's OLDE ENGLISH *Hay and Pasture Mixture*

The mixture which has made the pastures of England famous, changed somewhat to suit the climatical conditions of this country.

We advise our customers to purchase about 5 lbs. of medium Red Clover to each 100 lbs. of grass seed mixture and to mix it in as the sowing is being done. This method will assure a good distribution of clover over the field. When Clover seed is included with the grass it usually sifts down to the bottom of the bags.

For a good sowing, use 200 *to* 300 *lbs. per acre.*

Olde English No. 1—For light soil.

Olde English No. 2—For medium soil.

Olde English No. 3—For heavy soil.

Either of the above three mixtures:
100 lbs. $37.50 50 lbs. $19.00 25 lbs. $10.00

RYE GRASS

English. A rapid growing grass showing very quick results. Recommended for pastures.
100 lbs. $25.00 25 lbs. $6.75 10 lbs. $2.80

Pacey's English. An improvement over the old variety, being dwarf in habit and of finer quality.
100 lbs. $25.00 25 lbs. $6.75 10 lbs. $2.80

Poa nemoralis. Splendid for semi-shade.
A valuable fine grass for semi-shady lawns.
100 lbs. $95.00 25 lbs. $24.25 10 lbs. $10.00

Substitutes for Grass

TURFING DAISY. Grows where grass will not. A spreading, densely fern-leaved, hardy perennial that forms a close, tight turf; long enduring and wear-resistant.

Recommended for much-trodden places, dry banks and under trees if not too shady. Little white Daisies appear in June which can be eliminated with the mower if not desired.
Sow the seed in beds and transplant to stand a few inches apart where intended to grow. Spreads rapidly. Seeds are tiny.
¼ lb. $9.00 Oz. $3.00

YARROW. *The best drought-resisting plant.* For difficult places where grass will not stay. Dwarf, fine, fernlike growth forming a solid mat of emerald green. Splendid for exposed, hot, sunny places. Can be kept cut by mower just like a lawn. Sow thinly where required or raise plants in beds or boxes. Lb. $1.50

WE PREPAY THE TRANSPORTATION ON ALL GRASS SEED ORDERS ACCOMPANIED BY REMITTANCE

CLOVER

Sow Clover about 25 lbs. per acre

Medium Red Clover. The most popular for general purposes, it will produce two crops each year. Grand for hay.
100 lbs. $45.00 25 lbs. $11.75 10 lbs. $5.00

Mammoth Red. A strong grower and heavy cropper, somewhat coarse in quality.
100 lbs. $50.00 25 lbs. $12.50 10 lbs. $5.50

Alsike (Swedish). A very hardy sort that will thrive on moist soil. It is of very fine quality, having a larger percentage of food value than most varieties. Excellent with grasses for hay.
100 lbs. $45.00 25 lbs. $11.75 10 lbs. $5.00

Sweet Clover. An excellent sort for mixing with grasses for pasture and unsurpassed for plowing under as a soil builder. Will grow on poor soil.
100 lbs. $25.00 25 lbs. $6.75 10 lbs. $3.00

Scarlet or Crimson. A fast growing annual variety for feeding green and splendid for turning under as green manure.
100 lbs. $25.00 25 lbs. $6.75 10 lbs. $3.00

White Dwarf Clover. A low growing, spreading variety used in lawns in very sunny places and also for pastures.
100 lbs. $75.00 25 lbs. $19.25 10 lbs. $8.00

Kent Wild Clover. A very special form of low, close growing Clover, the seed of which is collected in certain areas of Kent, England. In recent years this variety has been in demand for growing in hot, sunny places and terraces, etc. where grasses do not thrive.

Imported Seed (Very small seeds).
10 lbs. $27.50 Lb. $3.00

ALFALFA

Sow about 25 lbs. to the acre

Northern Grown. A selected grade of the true, hardy northern Alfalfa.
100 lbs. $45.00 25 lbs. $11.75 10 lbs. $5.00

Grimm's (Certified). The finest grade of this splendid and vigorous growing type.
100 lbs. $65.00 25 lbs. $16.75 10 lbs. $7.00

Farmogerm, for inoculating. See **Fertilizers.**

MANGEL (*Field Beet*)—See page 143.

FIELD CORN

For ensilage sow 2 bushes per acre in drills. For grain about ½ bushel in hills.

Brewers Yellow Dent. Platt's improved strain. ... ... Bushel $4.50

Eureka Yellow Dent. A heavy cropper. Bushel $4.75

Adams Early. A splendid Sugar Corn for feeding green or for ensilage. Bushel $6.75

Longfellow (Yellow Flint). A popular sort as it is quick growing, producing fine cobs. Bushel $4.25

Southern Horsetooth. Recommended for ensilage only; produces an enormous yield of foliage of exceptional substance. Bushel $4.50

Sweet Fodder (*Evergreen*). Really a Sugar Corn, producing splendid food for feeding green or for ensilage purposes. ... Bushel $7.50

SEED OATS

The average weight per bushel is 32 lbs. Sow about 2½ bushels per acre for the grain and 3 bushels if for forage, or 1½ bushels of oats and 1½ bushels of Canada Peas per acre.

Storm King. A fine, hardy variety producing large, plump grain and extra long, stout straw. Bushel $2.75

Welcome. A well-known quality variety and one of the most productive. ... Bushel $2.50

White Tartar. Very hardy and vigorous grower; abundance of splendid straw. Bushel $2.25

CANADA FIELD PEAS

Usually grown with oats and fed green. If sown alone, use 3 bushels to the acre, if with oats, 1½ bushels of Peas and 1½ bushels of oats. ... ... Bushel $4.75

COW PEAS

Requires about 2 bushels per acre if alone or 1 bushel with 1 bushel of Soy Beans.

Black Eye **New Era** **Whippoorwill**
Each variety—Bushel $4.75

FIELD CARROT—See page 147.

JAPANESE BUCKWHEAT

A splendid soil cleanser and builder. Sow the seed in June; broadcast about 2 bushels to the acre. ... ... Bushel (48 lbs.) $3.75

SPRING RYE

A fine catch-crop for sowing in the Spring when Autumn sowing has failed or has not been done. Valuable in combination with Spring Vetch for plowing under as green manure.
Sow about 2 bushels per acre or 1½ bushels with 75 lbs. of Spring Vetch. Bushel (56 lbs.) $3.75

WINTER RYE

A grand ground cover for Autumn sowing in vegetable gardens, etc. for plowing under in the Spring or for grain and straw crops during the following Summer.
Sow about 2 bushels to the acre. Bushel $3.75

Price subject to change without notice

SPRING WHEAT

Sow 2 bushels per acre in April-May.
Saskatchewan Fife. One of the best. Very prolific. ... ... Bushel (60 lbs.) $3.75

WINTER WHEAT

Sow 2 bushels per acre. Late Summer-Autumn.
For grain or straw. ... ... Bushel $3.75

SPRING VETCH

Use 2 to 3 bushels broadcast. A valuable soil builder and catch crop. Bushel (60 lbs.) $8.50

WINTER VETCH

For Autumn sowing usually with Winter Rye and for turning under in the Spring as green manure. Use 75 lbs. with 1 bushel of rye per acre. ... ... Bushel (60 lbs.) $12.00

DWARF ESSEX RAPE

Particularly valuable as a "catch-crop," and for fattening sheep, sow about 25 lbs. broadcast per acre any time during the Summer. A splendid green food for cattle.
100 lbs. $15.00 25 lbs. $4.00 10 lbs. $2.00

JAPANESE MILLET

A good "catch crop" for feeding green, ensilage or hay. 25 lbs. per acre.
100 lbs. $15.00 25 lbs. $4.00 10 lbs. $2.00

FIELD TURNIP (*Rutabaga*)—See page 176.

"We had spikes of 'Picardy' 5½ to 6 feet high with 2½ feet of bloom. Some spikes carried 14 open flowers. "The other varieties received from you were all splendid and free from thrip."
MR. NIEL BROWN
Superintendent-Head Gardener to
HOWARD W. MAXWELL, Esq.

T.T.S. **TRIVETT'S PINK** (*Illustrated above*)
Very tall, strong spikes with 8 open blooms at one time. The color is a beautiful shell-pink with a touch of yellow on lower petals towards the throat. A splendid cut flower. Grand for exhibition.
100 $9.50 *25* $2.50 *Doz.* $1.50

Maiden's Blush ... *Primulinus.* Blush pink; charming; one of the most popular for cutting.
100 $4.50 *25* $1.25 *Doz.* 75c.

Maid of Orleans ... ... White, with cream throat. A Gladiolus of real merit. Good straight stem. *Midseason.*
100 $5.75 *25* $1.50 *Doz.* 85c.

Mammoth White ... White. Pure paper white, the largest flower of any Gladiolus we know of, measuring 7 inches in diameter. Straight spikes 5 feet tall, many flowers open at the same time. *Midseason.*
Does not produce large bulbs. "Albatross" is better.
Regular Top Size:
100 $7.50 *25* $2.00 *Doz.* $1.15
Special Top Size, hand picked:
100 $8.50 *25* $2.25 *Doz.* $1.25

Margaret Peter ... ... White with large, attractive velvety blotches. *See illustration on page* 187. A grand Australian creation.
100 $8.50 *25* $2.25 *Doz.* $1.25

Marmora ... ... Lavender gray, with Petunia colored blotch. From 8 to 12 very large flowers open at same time on tall, strong stem. *One of the best Gladiolus ever introduced. Midseason.*
100 $5.50 *25* $1.50 *Doz.* 85c.

Mary Elizabeth ... ... White with yellow throat. Medium size flowers but beautifully ruffled. A refined cut flower. Many blooms open. *Midseason.*
100 $10.75 *25* $2.75 *Doz.* $1.50

Max Reger ... Lavender blue, with dark throat markings and glittering white points giving the appearance of a blue Butterfly. Very graceful and attractive. *Midseason.*
100 $12.75 *25* $3.25 *Doz.* $1.75

Mexican Fire Opal ... Orange. Brilliant rich orange; one of the finest in this color class. *Midseason.*
100 $7.75 *25* $2.00 *Doz.* $1.25

Mildred Louise ... Orange pink. One of the most outstanding of the new sorts. A charming, soft, glowing orange pink, full of light. Robust grower; tall, straight spike.
Regular Top Size:
100 $5.75 *25* $1.50 *Doz.* 85c.
Special Top Size, hand picked:
100 $6.75 *25* $1.75 *Doz.* $1.00

Ming Toy ... ... *Primulinus* Deep buff with yellow throat; fine, wiry stems for cutting. *Early.*
100 $4.50 *25* $1.25 *Doz.* 75c.

Minuet ... ... Light lavender. A beautiful clear shade. Extra large, heavily textured blooms on very strong stems. *This is the lavender by which all lavender Gladiolus are judged.* ☛ Considered by most growers as the best in its color class. *Late.*
Regular Top Size:
100 $5.75 *25* $1.50 *Doz.* 85c.
Special Top Size, hand picked:
100 $6.75 *25* $1.75 *Doz.* $1.00

Miss New Zealand Salmon-apricot. Immense blossoms, lovely salmon-apricot suffused with rose and peach-colored blotch in throat. *Midseason.*
100 $35.00 *25* $9.50 *Doz.* $5.00

Reserve Your Supply of GLADIOLUS

100 $5.50 *25* $1.50 *Doz.* 85c.
Special Top Size, hand picked:
100 $6.50 *25* $1.75 *Doz.* 95c.

Nancy Hanks ... ... Apricot. Lovely rich apricot, changing to orange pink with grenadine tongue. Six or more flowers open at a time. Well arranged on good stems. *Will not burn in the hottest sun. Midseason*
100 $4.75 *25* $1.25 *Doz.* 65c.

New Era ... ... Pure pink. A prize-winning variety of great merit. As many as 10 very large, ruffled blossoms open at one time on tall, always straight stems. *Midseason.*
Doz. $15.00

TO HELP SELECTION

On first lines immediately following variety names, we have placed the predominating color of each sort.

On last lines of each variety we have noted EARLY, MIDSEASON and LATE, viz.: 8 to 10 weeks, 10 to 12 weeks, and 12 to 14 weeks respectively.

Primulinus types are so marked.

T.T.S. **ROSEMARIE PFITZER** *(Illustrated)*
A splendid introduction from Germany. Tall, massive spikes with 8 to 10 immense blooms closely placed. The color is a charming blush pink. *Midseason.* *100* $9.75 *25* $2.50 *Doz.* $1.50

Orange Butterfly ... *Primulinus.* Pure orange, a very distinctive and attractive Primulinus Gladiolus. A splendid sort for cutting. *Early.*
100 $7.50 *25* $2.00 *Doz.* $1.25

Orange Princess. Salmon orange. Fine, well formed, wide open blossoms on strong spikes. Vigorous grower. *Midseason.*
100 $9.75 *25* $2.50 *Doz.* $1.50

Paradise ... ... Apricot orange. A gorgeous color; 8 large open blooms on tall, straight stems. A robust grower, highly recommended for exhibition and cutting. *Midseason.*
100 $9.50 *25* $2.50 *Doz.* $1.50

Patricia Carter ... *Primulinus.* Shrimp pink, a charming shade. This is an ideal, graceful cut flower.
100 $7.50 *25* $2.00 *Doz.* $1.00

Paul Pfitzer ... Velvety purple. Massive flowers on very strong stems. Perhaps the finest dark purple Gladiolus. *Midseason.*
100 $7.50 *25* $2.00 *Doz.* $1.25

Pelegrina ... ... Violet blue. Rich dark violet blue; large flowers; 6 to 8 open at one time; tall, strong spikes. Perfect exhibition. *Late.*
Regular Top Size:
100 $6.50 *25* $1.75 *Doz.* $1.00
Special Top Size, hand picked:
100 $7.50 *25* $2.00 *Doz.* $1.25

Pfitzer's Triumph Orange salmon. Bright orange salmon red with small, velvety red mark in throat. It is absolutely irresistible. Imagine flowers of great substance 6 to 7 inches across placed in a double row on great, strong stalks which grow 5 feet high, the last flower of which will open up true to color. *Midseason.*
Regular Top Size:
100 $5.50 *25* $1.50 *Doz.* 85c.
Special Top Size, hand picked:
100 $6.50 *25* $1.75 *Doz.* 95c.

Picardy ... ... Apricot pink or shrimp pink; very large flowers on tall, strong spikes. This is a very outstanding variety, perhaps the most beautiful and finest of its color class. Grand for exhibition. *Early.*
Regular Top Size:
100 $5.00 *25* $1.35 *Doz.* 75c.
Special Top Size, hand picked:
100 $6.00 *25* $1.60 *Doz.* 85c.

Polar Ice ... ... White. One of the finest, early white Gladiolus, many large blooms open at one time. Grand for exhibition and the garden. *Early.*
Regular Top Size:
100 $8.75 *25* $2.25 *Doz.* $1.25
Special Top Size, hand picked:

For Those Who Demand the Best

A CAREFULLY SELECTED LIST OF THE WORLD'S BEST VARIETIES FOR AMERICAN GARDENS

Abbreviations—*F.D.*—Formal Decoration. *I.D.*—Informal Decoration. *S.C.*—Semi-Cactus. *St.C.*—Straight Cactus. *I.C.*—Incurved Cactus.

Tubers—We supply selected, single tubers and can ship during the early Spring for starting indoors and later, up to July, for planting directly in the garden. *Customers should state when delivery is desired.*

Our Guarantee—If any tuber purchased from us does not sprout in three weeks after planting, we will replace, upon its return to us.

Plants—The shipping period for green plants is from May 1st to July 15th. They are properly grown and "hardened off." Carefully packed for safe shipment to any part of the United States.

Assured Delivery—Customers should place their orders as early as possible, stating clearly the approximate date they desire delivery. They can then depend upon receiving the desired varieties which will be reserved for them.

Reliable Stock—The tubers and plants we send out are sound and healthy, carefully grown, true to name and a dependable source from which to propagate stock; fully covered by our guarantee.

Exhibition Grade—The Dahlias we handle are of supreme quality—suitable for the production of exhibition flowers, attractive garden display and cutting.

DAHLIA FERTILIZER

A complete food for digging into the soil or placing under the hills before planting, or for top-dressing. Contains phosphate for flowers and potash for the roots.
100-lb. bag, $4.75

POTASH-MURIATE

Especially suitable for Dahlias and root crops. Will help create fine, plump tubers.
When top-dressing keep 6 inches away from the stems and do not put on the foliage.
100 lb. bag $6.00
For Bonemeal, Sheep Manure, etc., see Fertilizer Section.

PEAT MOSS

Granulated garden grade. A splendid mulch. Apply about 1 inch thick, keeps the roots cool and moist, the surface soil soft and free from weeds. Standard grade. Bale $4.00

CHOPPED TOBACCO STEMS

A half inch layer over the ground around the plants will discourage many insects and prevent them from increasing.
Also splendid for Rose beds. Destroys the Rose midge. 100 lbs. $3.50

RED ARROW SPRAY

A non-poisonous liquid, deadly to many insects. Recommended for *Leafhoppers, Caterpillars, Beetles, Aphids, Thrips, Root-lice, etc.* Highly concentrated. Directions on containers.
Pt. $2.50 Qt. $4.00

DAHLIA STAKES, OAK

A special, long-lasting stake. 1¼ inches square and 6 feet long.
The best made.
25 $5.50 *100* $20.00

JUTE TWINE, Soft

The ideal material for Dahlias, Grape Vines, Climbers, etc. Soft yet strong. 3- or 5-ply.
Per ball 25c.

12-Inch WOODEN LABELS

Painted white, finest make.
100 $1.60 *250* $3.25

T.T.S. **New Semi-Cactus DAHLIA—TREASURE CHEST**

The perfect blooms measure 8½ inches across by 6 inches deep. The plants grow about 4 feet high. The flowers actually keep growing after being cut and placed in water and are better after 2 or 3 days inside. Color, soft golden yellow, lightly suffused with coral red. Similar to a light **"Jane Cowl."** Strong stems. . . . . *Selected Tubers*, each $2.00 *Green Plants*, each $1.00

LARGE-FLOWERED DAHLIAS

DUPLEX WONDER BEGONIAS

Illustrated, large single flowers with a smaller flower set in the middle. Very choice for beds, etc.
Mixture, only. *100* $35.00 *25* $9.00 *10* $4.50 *Each* 50c.

NARCISSUS-FLOWERED BEGONIAS

The flowers are shaped like a Trumpet Daffodil.
Mixture, only. *100* $35.00 *25* $9.00 *10* $4.50 *Each* 50c.

As Easy to Grow As Narcissus

No special culture is required to obtain beautiful Begonia flowers from bulbs (tuberous roots). For early flowers and longer blooming period start them in pots indoors during Winter or early Spring and transplant to the garden or bulbs can be planted 1 inch deep and 8 inches apart or more in the open ground when danger from frost is gone. The ideal flowering plant for the shade. Provide plenty of water. They will grow in difficult places where most flowers will not thrive and will bloom continuously until frost.

Trivett's Double

MAMMOTH ROSE-FLOWERED

Magnificent, double blossoms. Like big Roses and in gorgeous colors.
Superb for outdoor planting and makes a high-class pot plant. *See illustration.*

Trivett's Beacon. Rich scarlet flame color.

T.T.S.

DUPLEX WONDER BEGONIA

An average top size Begonia bulb.

T.T.S.

Trivett's Double GIANT RED

AMARYLLIS *Am-ah-ril-is*

For indoor blooming we recommend potting the new bulbs during the latter part of January when the flower buds will be showing or outdoors in the South during the Autumn.

After blooming, the bulbs maintain active growth until about the middle of October when watering should be stopped. They should then be "dried off" by laying the pots on their sides in a dry place free from frost. Towards the latter part of January the bulbs will show new flower buds; bring them into the light and start watering; allow a temperature of 50 degrees at first and increase to 60 degrees as the flower stems develop.

Applications of weak manure water twice a week will increase the size.

Trivett's Prize Hybrids

LARGE EXHIBITION AMARYLLIS

Trivett's Giant White. Very large, glistening pure white. Choice sort.

Trivett's Giant Salmon. A gorgeous color and of immense size.

Trivett's Giant Pastel Pink. A lovely shade of clear light pink.

Trivett's Giant Rose. Deep rich shade of rosy pink; very attractive.

Trivett's Giant Scarlet. Outstanding, light scarlet; glittering with light.

Trivett's Giant Red. Deep shade of red. Splendid contrast to others.

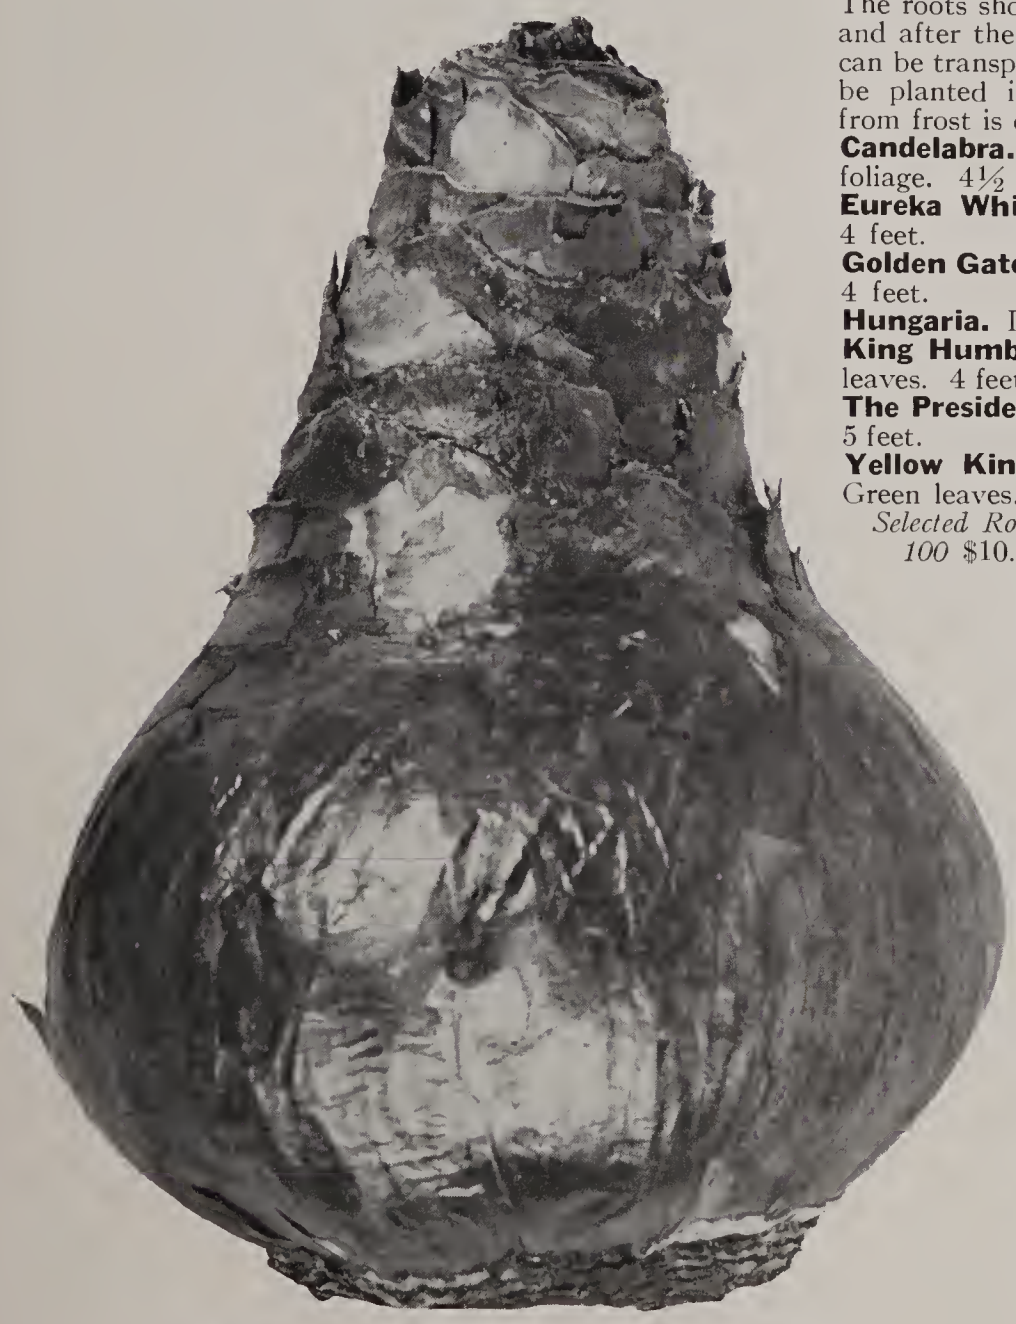

Trivett's Prize Hybrids Mixed. A mixture of our giant sorts.

Top Size Bulbs (3 in. diam.) Each $1.50

Giant Hybrids Mixed. Large sorts.

Top Size Bulbs (3-3½ in. diameter)
100 $65.00 *10* $7.00 *Each* 75c.

Extra Selected (2½-3 in. diameter)
100 $45.00 *10* $5.00 *Each* 55c.

Average Top Size Bulb. Trivett's Prize Amaryllis

AMARYLLIS—*Continued*

Belladonna. *Belladonna Lily.* Large trumpet-shaped flowers; rosy red color.
100 $25.00 *10* $2.75 *Each* 30c.

Equistre. *Barbados Lily.* Free flowering, bright flame red; good for pots.
100 $20.00 *10* $2.25 *Each* 25c.

Halli. *See Lycoris squamigera.*

ACHIMENES *Ah-kim-e-neez*

Attractive, showy flowers resembling *Gloxinias*, but the flowers are more tubelike. Desirable pot plants, also for outdoors in the Summer. Will bloom in 12 weeks.

Trivett's White Beauty. Pure white.
Trivett's Lavender Beauty. Deep shade.
Trivett's Purple Beauty. Rich color.
Trivett's Violet Beauty. Blue shade.
Trivett's Mixed Beauties. All colors.
100 $25.00 *10* $3.00 *Each* 35c.

CALLA LILIES

Elliottiana. *The Golden Calla.* If the bulbs (corms) are planted in the garden in May after all danger from frost is over, they will bloom during Summer. Also ideal pot or tub subject.

Extra Selected	*100* $45.00	*10* $5.00
Selected	*100* $30.00	*10* $3.50

Baby Pink. Unusual, rosy pink, changing to cerise; only about 10 inches high.
10 $8.00 *Each* 85c.

CALADIUMS *Kah-lay-di-ums*

Trivett's Fancyleaved Mixed. A splendid mixture of many choice exhibition varieties. The most striking colors and combinations.

Top Size	*100* $45.00	*10* $5.00
Extra Selected . . .	*100* $35.00	*10* $4.00

Esculentum (*Elephant's Ears*). Large-leaved, green. For tropical effect.
Top Size . . . . . *10* $3.75 *Each* 40c.

CANNAS *Ka-nah*

The roots should be started in pots in the Spring and after the plants have been hardened off they can be transplanted to the garden or the roots can be planted in the open in May when danger from frost is over.

Candelabra. Orange-scarlet, strong grower; green foliage. 4½ feet.

Eureka White. The best white, green foliage. 4 feet.

Golden Gate. Finest pure yellow. Green foliage. 4 feet.

Hungaria. La France pink. Green foliage. 3½ ft.

King Humbert. Orange-scarlet, bronzy purple leaves. 4 feet.

The President. Best scarlet-red. Green leaves. 5 feet.

Yellow King Humbert. Yellow blotched red. Green leaves. 4 feet.

Selected Roots, above sorts
100 $10.00 *10* $1.25 *Each* 15c.

CRINUMS *Kry-nums*

Large, showy flowering bulbs, for pots, tubs, etc. for Summer decorations. Hardy in the South.

Giganteum. Very large pure white Amaryllis-like flowers.
100 $25.00 *10* $3.00 *Each* 35c.

DAHLIAS—*See page* 191.

DICENTRA *Dy-sen-trah*

(*Bleedingheart*). Formerly known as *Dielytra*. Valuable in the flower border and in pots for early Spring blooming.

Spectabilis. Clusters of drooping, heart-shaped, Fuchsia pink flowers.
Largest clumps *10* $6.50 *Each* 70c.
Strong clumps *10* $4.50 *Each* 50c.

GLORIOSA *Gloh-ri-oh-sah*

(*Glory Lily, Climbing Lily*)

Rothschildiana. Superior to *Superba*; large, crimson flowers edged with golden yellow; unique and attractive. Plant early in the year for greenhouse Summer blooming. Can be transferred to the garden.
10 $9.00 *Each* $1.00

T.T.S. Trivett's Light Blue Gloxinia

GLOXINIAS *Glok-sin-i-ahs*

Very desirable as house plants for Summer decorations. Gorgeous specimens can be grown in the greenhouse by proper shifting into larger pots.

Trivett's Light Blue. Large blossoms freely produced, charming color and flexible foliage.
Trivett's Pastel Pink. Delicate pink.
Trivett's White. Large white bells held erect above green leaves.
Trivett's Red. Large, deep crimson.

Selected	*10* $6.50	*Each* 70c.

GLADIOLI—*See page* 185.

HEMEROCALLIS—*See Perennial Plants.*

HYACINTHUS CANDICANS

(*Summer-hyacinth*)

Produces stately spikes, 4 feet high, which are lined with pure white bells. Easily grown. Plant the bulbs in the garden in May for August blooming.

Top Size	*100* $15.00	*10* $1.75
Extra Selected	*100* $12.00	*10* $1.35

IRIS—*See Perennial Plants.*

ISMENE *Is-mee-ne*

(*Peruvian Daffodil*)

Calanthina. Clusters of white, Amaryllis-like flowers sweetly fragrant. 18 inches high. Plant in the garden when weather is settled.
100 $20.00 *10* $2.50 *Each* 30c.

LYCORIS SQUAMIGERA

Quite hardy. Beautiful Amaryllis or Lily-like flowers, pale pink flushed with lavender. Put into ground cover plants, Peonies, etc.
10 $8.50 *Each* 90c.

NOTE: THE 100 PRICE IS 9 TIMES THE 10 PRICE UNLESS OTHERWISE QUOTED

MONTBRETIAS *Mont-bree-ti-ah*

Resembling small, graceful Gladioli and especially effective for Summer blooming in flower borders, groups or clumps. Also ideal cut flowers for table decorations, small vases, etc.

Four New Montbretias

Trivett's Selected Yellow. Large, star-shaped flowers of rich golden yellow.
Trivett's Selected Scarlet. Large blossoms, orange-scarlet with big, gold centers.
Trivett's Eastern Prince. Bronzy orange, red center, blotched with mahogany; large.
Trivett's Red King. Rich blood red. Largest size; unusually fine and attractive.

Price: Any of the above:
100 $55.00 *25* $14.00 *10* $7.00

Other Choice Montbretias

George Davison. Tall, pure yellow color.
100 $8.00 *25* $2.25 *10* $1.15
His Majesty. The flowers are very large, 4 inches across; attractive, velvety scarlet color. *100* $15.00 *25* $4.00 *10* $2.00
Lady Hamilton. Large apricot colored flowers with a band of rose, spotted crimson.
100 $12.00 *25* $3.25 *10* $1.65
Lemon Queen. Lovely creamy yellow shade. *100* $10.00 *25* $2.75 *10* $1.40
Star of the East. Long, strong spikes of golden orange with carmine red blotches.
100 $25.00 *25* $6.50 *10* $3.25
Queen Alexandra. Soft yellow with carmine blotch; large blossoms. Late. *See illustration.*
100 $15.00 *25* $4.00 *10* $2.00
Una. Rich apricot with rosy red blotch.
100 $18.00 *25* $4.75 *10* $2.40
Trivett's Choice Hybrids Mixed.
100 $10.00 *25* $2.75 *10* $1.40

Average "Extra Selected" Double Tuberose

OXALIS *Ok-sal-is*

Shamrock Pink. A lovely little plant with Shamrock-like foliage and masses of pink flowers. Useful for edging, rockeries, mass planting, pots, hanging baskets, etc. Summer blooming.

Dieppi. A charming pure white variety.
Either *100* $2.00 *25* 60c. *10* 30c.

PEONIES—*See Perennial Plants.*

SCARBORO-LILY. *See* **VALLOTA,** this page.

TIGRIDIAS *Ty-grid-i-ah*

The Mexican Shellflower (Ferraria)

A curious, attractive flower having three broad petals in the form of a triangle 4 to 6 inches across. Gorgeously colored and spotted wide open throats. Height about 2 feet. Plant, treat and store like Gladioli. Requires a sunny spot and plenty of water.

Trivett's White. Spotted carmine red.
Trivett's Yellow. Center spotted with red.
Trivett's Scarlet. Spotted with dark red.
Trivett's Ruby. Center spotted with red.
Trivett's Choice Mixed. All available colors.

Price: Any of above Tigridias (Largest):
100 $12.50 *25* $3.25 *10* $1.50

TRITOMA *Try-toh-ma (Torch Lily)*

(*Red Hot Poker* or *Flame Flower*)

For Summer and Autumn blooming; also for forcing in cool greenhouse.

Rufa. A very dainty yellow spike blooming continuously from June until frost. Medium height; fine for cutting; forces good.
100 $35.00 *25* $9.00 *10* $4.50
Trivett's Superb Hybrids. Unusually attractive collection of colors including near white, yellow, orange, red, coral-pink. In mixture.
100 $25.00 *25* $6.50 *10* $3.25

TUBEROSES

Polianthes Tuberosa

Their chief claim to popularity is the delightful, sweet fragrance.
The bulbs (tubers) produce heavy, grass-like foliage from which arise solitary flower spikes with double or single white blossoms.
In a greenhouse where a temperature of 80 degrees can be maintained, the new crop bulbs can be planted early January for Spring flowering.
In northern gardens they should be planted in rows 1 inch deep (over top of bulb) and 8 inches apart in light soil and open, sunny position.
In Southern gardens especially in Florida, it is usual to plant in succession starting in October and using a special, cold storage root stock.
The bulbs may be lifted and stored *but are difficult to maintain in a flowering condition from year to year.* The original bulb often does not bloom again and it takes considerable time and labor to grow on the bulblets to flowering size. For the gardener this procedure is hardly justified in view of the low cost of new bulbs. *Therefore we advise annual replacement with new stock.*

Double American Pearl Improved. A fine strain, double, white, very fragrant.

New crop ready December-January; cold storage from June to January.

Top Size—Season's Best—6 to 8 inches
1000 $120.00 *100* $12.50 *10* $1.50
Extra Selected—Graded to 6 inches
1000 $90.00 *100* $9.50 *10* $1.25
Selected—Graded 4 to 6 inches
1000 $60.00 *100* $6.50 *10* 85c.
Regular—Graded about 4 inches
1000 $45.00 *100* $5.00 *10* 70c.

For Cold Storage Tubers
Add 20 per cent to above prices.

Single Everblooming (Mexican). Free flowering, purest white single flowers; very fragrant.
Top Size—The Season's Best Bulbs
1000 $90.00 *100* $9.50 *10* $1.00
Extra Selected—Fine, Large, Plump Bulbs
1000 $70.00 *100* $7.50 *10* 80c.

T.T.S.

MONTBRETIA — Queen Alexandra

VALLOTA PURPUREA *Val-loh-tah*

(*Scarboro-Lily*)

Blooms in the north during August-September from a Spring planting.

Produces umbels of brilliant orange-red flowers similar to *Clivia.*

Has evergreen, swordlike foliage.

The bulbs which are not plentiful are ready for delivery from November onwards.
10 $10.00 *Each* $1.25

ZEPHYRANTHES *Zef-i-ran-theez*

(*Zephyr Lily, Amaryllis Family*)

Beautiful and interesting, blooming in the late Summer. Lift the bulbs before frost. Splendid in the garden, rockery, pots or in bowls of fibre. Unique funnel-shaped flowers borne erect on slender stems about 8 inches high.

Supplied in the following colors

Pure White **Lavender** **Pink** and **Mixed**
Either *100* $10.00 *10* $1.25

The So-Called Lilies

True Lilies are the genus Lilium and have bulbs composed of fleshy, overlapping scales.

Those listed below are not True Lilies

African Lily (*Agapanthus*), **Amazon Lily** (*Eucharis*), **Belladonna Lily** (*Amaryllis Belladonna*), **Chinese Sacred Lily** (*Narcissus Species*), **Day-lily** (*Hemerocallis*), **Foxtail Lily** (*Eremurus*), **Glory Lily** (*Gloriosa*). **Kafir Lily** (*Clivia*), **Plantainlily** (*Hosta*), **Rain Lily** (*Cooperia*), **Scarboro-lily** (*Vallota purpurea*), **St. Bernard Lily** (*Anthericum Liliago*), **St. James Lily** (*Sprekelia formosissima*), **Toadlily** (*Tricyrtis*), **Torchlily** (*Tritoma*), **Trout Lily** (*Erythronium*), **Zephyr Lily** (*Zephyranthes*), and, of course, **Lily-of-the-valley.**

Trivett's Selected
HARDY LILIUMS (Lilies)

We offer in this catalogue only those varieties of Lilies which are suitable for Spring planting, that is, up to June 1st.

For a complete list including those which should be planted in the Autumn, please refer to our bulb catalogue.

Most Lilies thrive best with their heads in the sun and roots in a shady, cool, moist spot but with good drainage Lilies grow well in the flower border, among shrubs, or out of ground cover plants, etc. *It is essential that they be provided with a suitable background against which to show off their stately beauty.*

When planting the bulbs, a liberal amount of fine sand should be spread under and around them, bonemeal and sheep manure mixed is a safe food and leafmold is desirable. A blanket, about 1 inch thick of peat moss over the surface will retain the moisture and keep the roots cool.

Album. See under **Speciosum.**

Auratum (*The Golden-banded Lily of Japan*). Immense, open, spreading heads on strong stems. White flowers with a golden band down the center of petals and covered with brown spots. Stem-rooting, plant 12 inches deep (over top of bulb). Blooms in July-August. Height 4 to 5 feet.

Heavy Top Size ...	*100* $75.00	*25* $19.50	*10* $9.75
Top Size Bulbs ...	*100* $55.00	*25* $14.50	*10* $7.25
Extra Selected ...	*100* $35.00	*25* $9.00	*10* $4.50
Selected Bulbs ...	*100* $25.00	*25* $6.50	*10* $3.25

Auratum platyphyllum (macranthum). The same in general habit, color and appearance as *Auratum*, but more vigorous and the petals of the flowers are somewhat more curled or ruffled. *Claimed to be more disease-resistant.* Stem-rooting, plant 12 inches deep. Blooms in August.

Top Size Bulbs ...	*100* $60.00	*25* $5.50	*10* $7.75
Extra Selected ...	*100* $45.00	*25* $11.50	*10* $5.75
Selected Bulbs ...	*100* $35.00	*25* $9.00	*10* $4.50

Batemanniae. Upright, cup-shaped flowers similar to *Umbellatum.* Glowing apricot color, produced in clusters of 4 to 6 flowers. Stem-rooting; plant 6 inches deep. Blooms July-August. 3 feet.

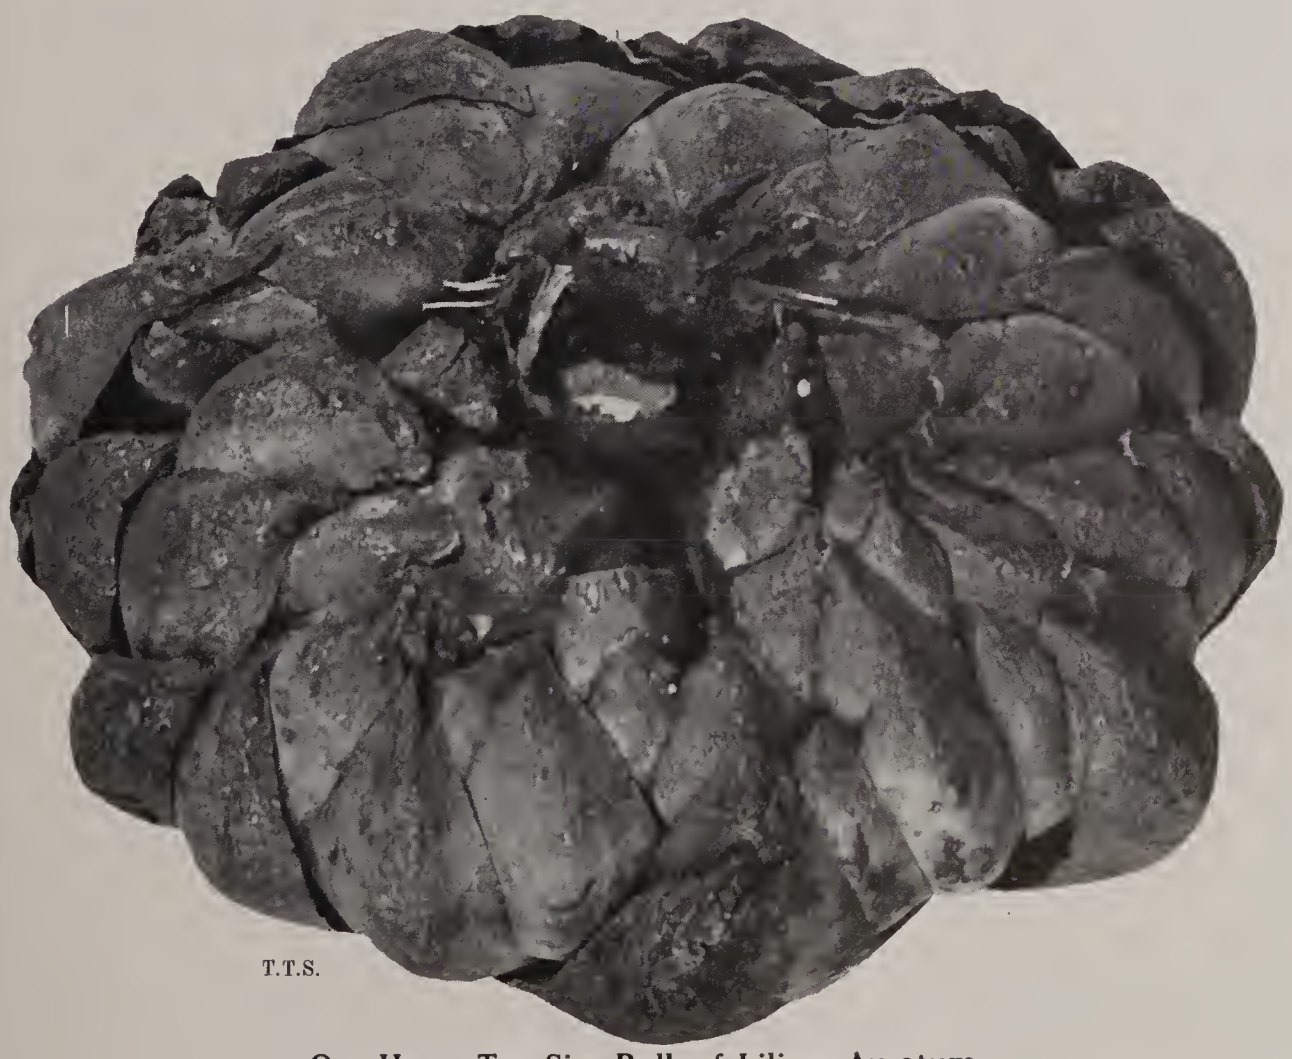

Extra Selected ...	*100* $24.00	*25* $6.25	*10* $3.15

Davuricum. Erect umbels of 3 to 5 flowers of rich orange flushed with red and spotted with black; prefers full sun. Plant the bulbs fairly close together for effect. Stem rooting, plant 5 inches deep. Blooms June-July. 3 feet.

Extra Selected ...	*100* $35.00	*25* $9.00	*10* $4.50
Selected Bulbs ...	*100* $30.00	*25* $7.75	*10* $3.90

Elegans, Alice Wilson. Very dwarf, about 1 foot, upright lemon yellow flowers. For naturalizing or rockeries, etc.

Extra Selected ...	*100* $30.00	*25* $7.75	*10* $3.90

T.T.S.

Our Heavy Top Size Bulb of Lilium Auratum

LILIUM AURATUM

Elegans, Orange Queen. *Illustrated on page 200.* Upright facing, large, bell-shaped flowers of orange color spotted with black. Prefers an open, sunny spot. Stem rooting; plant 6 inches deep. Blooms during June-July; about 1½ feet high.

Extra Selected	*100* $30.00	*25* $7.75	*10* $3.90

Hansoni. The flowers are reflexed, turned-back petals, rich orange yellow spotted with brown; very hardy, easily grown, will thrive almost anywhere. Stem-rooting, plant 10 inches deep, blooms in June. Height 4 to 5 feet.

LILY-OF-THE-VALLEY

FOR INDOOR FORCING

All the Year Round Delivery

Lily-of-the-Valley Pips

We offer the most choice grade of pips for forcing; they are especially imported and produce extra large, pure white bells on strong stems, almost 15 inches in length, having a distinct and delightful fragrance.

Cold Storage Pips—For Forcing

(Shipped on Any Specified Dates)

Majus Bell, Exhibition. 3-year-old pips. The largest and most choice grade of this excellent large bell type, these highly developed pips produce strong, straight spikes covered with unusually large, snow-white bells which are of delicate, refined fragrance and accompanied by the healthy, green foliage so much desired.

Quantities in these cases cannot be broken. Packed in cases as follows

250 $21.50 *500* $42.00 *1000* $82.00

Note! Specify date of delivery, allowing about 4 weeks to bloom

Majus Bell, Standard. For general purposes, only slightly smaller than above.

250 $19.50 *500* $38.00 *1000* $72.00

Note! Specify date of delivery, allowing about 4 weeks to bloom

SPIRAEA—Retarded Clumps

Selected Clumps from Ice Storage

We can usually furnish so that our customers may have them in flower at any time of the year.

For Christmas flowering we ship during September and October.

Deutschland. Pure white, long, elegant panicles; considered the finest white variety.

Gloria Rose. The richest and deepest rose pink.

Please specify date desired, allow about 3 months to bloom

Large Forcing Clumps *25* $24.00 *10* $12.00 *Each* $1.25

FOR OUTDOOR PLANTING

During Early Spring or Autumn

Lily-of-the-Valley Mats

These clumps or mats of roots contain from 8 to 15 flower-pips each and are in great demand for planting outdoors in all shady and semi-shady places. Extremely useful ground cover, and for odd corners, shady hollows, under trees, shrubs, woodland planting, rockeries, etc. White, bell-shaped flowers in May, delightfully fragrant and perfectly hardy. For quick results plant close together or they may be spaced out to suit. Place the mats in the ground and cover so that the pips are about 1 inch under the surface.

Hardy Perennial—Increases Rapidly—Naturalizes Easily

GLADIOLI—For Greenhouse Flowering

If planted in the bench early in January they will bloom in April provided there has been a normal amount of sunlight. Plant in February for May blooming. We recommend our prepared forcing stock listed in our bulb catalogue *or customers may select the varieties marked "Early" in this catalogue with good results.*

TUBEROSES—For Greenhouse Flowering

We can ship new crop bulbs December-January which, if planted **at once,** in *strong heat, 80 degrees,* will bloom during May. Or cold storage bulbs in Autumn, *see page* 198.

COLD STORAGE LILIES for Forcing—*See page 201.*

TRADE MARK

HARDY ROSE BUSHES

TRADE MARK

"Best by Test"

POT-GROWN PLANTS

For Delivery During Spring Only

Shipments begin about May 1st and continue into June. Orders should be placed in advance and date required should be specified. *Avoid disappointment. Order early.*

Our Pot-grown Rose Bushes are especially selected roots of two-year-old genuine nursery-grown stock and come to you in leaf and buds. Each plant is properly labeled.

Beautiful flowers at once. No waiting and wondering if they will grow. Simply knock them out of the pots and plant. Within a short time they will be in full bloom.

Only varieties marked *Pot-grown* **can be supplied in pots**

DORMANT-ROOT STOCK

For Delivery During Spring and Autumn

Shipments begin as early in the Spring as practical and stop about April 15th. It is then too late for safe planting and we recommend our Pot-grown plants for May planting.

Dormant Roses are also supplied in the Autumn.

Our Dormant Roses are two-year-old, field-grown roots and should not be compared with cheaply priced Roses which, in most instances are the discarded, forced stock from commercial greenhouses.

It pays to pay for the best. All Rose bushes offered by us are hardy, outdoor, northern grown—the kind that will stay with you.

THE QUEEN OF FLOWERS IN THE MODERN AMERICAN MANNER

A crate (front removed) of **"Trivett's Pot-grown Roses."**—Big, healthy bushes in full-leaf, buds and sometimes flowers. Each plant with name label. They are two years old and genuine "nursery grown," carefully and strongly packed to travel safely to any part of the United States.
(Spring delivery only, May 1st into June)

A MULCH ABOUT 1 INCH DEEP OF CHOPPED TOBACCO STEMS IS A SURE CONTROL FOR THE ROSE MIDGE

Alice Harding. A real exhibition yellow Rose. The bud is large, golden yellow flaked with carmine. The open bloom is pure gold, long lasting, fragrant.
Each, *Pot-grown* $1.75 *Dormant* $1.50

Autumn. Burnt orange, streaked and marked with red. Bud of medium size, developing into a cupped, double, fragrant, attractive flower.
Each, *Pot-grown* $1.25 *Dormant* 75c.

Better Times (U. S. Plant Patent No. 23). An outstanding new Rose with long crimson buds opening into large, double, brilliant cerise red flowers. They have a delicate fragrance and are produced on long and strong stems which which makes them exceptionally fine for cutting.

Each, *Pot-grown* $1.50 *Dormant* $1.25

Miss Rowena Thom. Bright rose, with a golden suffusion; large, double, fragrant; free, constant bloomer.
Each, *Pot-grown* $1.25 *Dormant* $1.00

Mme. Butterfly. Light pink, tinted with gold at base. Exquisite shape; richly fragrant.
Each, *Pot-grown* $1.00 *Dormant* 75c.

Mme. E. Herriot. Coral red, washed with orange; a most brilliant color; free flowering.
Each, *Pot-grown* $1.25 *Dormant* $1.00

Mme. Joseph Perraud. *The Winner of the Bagatelle Gold Medal and Award of Merit, Lyons, France.* A lovely, rich Nasturtium buff-yellow washed with dull orange yellow. The nearest approach to a true buff. A large, well-formed blossom that appeals to all; sweetly fragrant.
Each, *Pot-grown* $1.50 *Dormant* $1.25

Mme. Jules Bouche. Blush white. Superb flowers, very fragrant; exceptionally strong; free flowering.
Each, *Pot-grown* $1.25 *Dormant* $1.00

Mrs. Aaron Ward. Golden buff, changing to tawny gold with pink, exquisite buds. Always in bloom.
Each, *Pot-grown* $1.00 *Dormant* 75c.

Mrs. Charles Bell. A sport of Radiance showing all the vigor and stamina of its parent variety. The blooms are a lovely shell pink shaded with soft salmon. It is a glorious, well-shaped, large flower.
Each, *Pot-grown* $1.25 *Dormant* $1.00

Mrs. Erskine Pembroke Thom. The best yellow bedding Rose we have today. It is of clean, healthy, vigorous growth with abundant, dark, bronzy, disease-resisting foliage. The good-sized buds are long and develop into full, double, very shapely flowers of a rich deep lemon yellow; sweetly scented. A free and continuous bloomer.
Each, *Pot-grown* $1.25 *Dormant* 85c.

Mrs. Henry Bowles. Rich pink, with salmon shading. A model Rose in every way; highly centered, fragrant.
Each, *Pot-grown* $1.25 *Dormant* 85c.

Mrs. Henry Morse. Pink with underlying yellow glow; free flowering and quite hardy.
Each, *Pot-grown* $1.25 *Dormant* 75c.

Mrs. Pierre S. du Pont. Medium-sized, long, pointed buds of a reddish gold opening to semi-double, cupped, very lasting, fragrant flowers of a deep golden yellow. The plant is of strong, vigorous, compact growth. A profuse and continuous bloomer.
Each, *Pot-grown* $1.25 *Dormant* 85c.

Mrs. Sam McGredy. A beautiful coppery scarlet orange, heavily flushed with Lincoln red on the outside of the petals. The flowers are of large size and beautiful form. They possess the proper fullness to make them useful for all purposes. They are very freely produced and delicately perfumed.
Each, *Pot-grown* $1.25 *Dormant* $1.00

Ophelia. Pale cream pink with glint of gold; liberal bloomer; very fragrant; vigorous.
Each, *Pot-grown* $1.00 *Dormant* 75c.

Pink Dawn. A beautiful new Hybrid Tea Rose of a most glorious color. Deep rose pink.
Each, *Pot-grown* $1.25 *Dormant* $1.00

President Boone. An outstanding novelty with deep, velvety crimson blooms veined with velvety black.
Each, *Pot-grown* $1.25 *Dormant* $1.00

President Hoover. Cerise pink tinted with cerise scarlet and lightened with yellow on center petals. A glorious Rose. The buds are long pointed, the flowers are large and beautifully formed.
Each, *pot-grown* $1.25 *Dormant* $1.00

Radiance Pink. Rose pink. Large, globular blooms; very fragrant; vigorous grower; free bloomer.
Each, *Pot-grown* $1.00 *Dormant* 75c.

Red Radiance. Rosy red, deep rich color, blooms all Summer. Big blooms on strong stems and excellent disease-resistant foliage.
Each, *Pot-grown* $1.00 *Dormant* 75c.

R. M. S. Queen Mary (*Illustrated*). A variety that will be the center of attraction among Roses for many years to come. A glowing shade of salmon blended with pink and the orange yellow at the base of such petals fills the blossoms with light. *The winner of many Gold Medals and certificates in Europe and America.*
Each, *Pot-grown* $1.50 *Dormant* $1.25

Souv. de Claudius Pernet. Yellow. The true yellow Rose; foliage glossy and disease-resistant. Blooms freely early and late.
Each, *Pot-grown* $1.00 *Dormant* 75c.

Souv. de Mme. C. Chambard. A lovely Rose with very large, long pointed buds opening to perfectly double flowers of bright coral pink with a satiny peach tint. A strong grower, free bloomer and delicately perfumed with the blooms carried on erect, strong, wiry stems. Voted "the most beautiful Rose in France" in the Rose Contest at Lyon, France, 1933.
Each, *Pot-grown* $1.25 *Dormant* $1.00

Sunny Days. (H. A. Verschuren, 1939). A charming Rose, lovely mellow, chrome yellow with lighter edges. The plants are of vigorous growth. Healthy, dark green foliage.
Each, *Pot-grown* $1.75 *Dormant* $1.50

Talisman. One of the most popular Roses either as a cut flower or for the garden. The long-pointed buds are bright yellow. As the petals unfold they develop into fair-sized, double, fragrant, high centered flower that combine bright apricot, gold, and deep rose pink into a glittering mass of color. Continuous and free flowering.
Each, *Pot-grown* $1.00 *Dormant* 75c.

Texas Centennial (Plant Patent No. 162). A sport of President Hoover, having the same wonderful plant qualities. The color is blood red toning to cerise red in the center. Very unusual.
Each, *Pot-grown* $1.25 *Dormant* $1.00

The Doctor. A beautiful glowing rosy pink with satiny pink edges; one of the finest of recent introduction; sweetly fragrant.
Each, *Pot-grown* $1.50 *Dormant* $1.25

Ville de Paris. Clear yellow. A wonderful yellow Rose. Long, wiry stems. Dark, leathery foliage.
Each, *Pot-grown* $1.25 *Dormant* $1.00

Limnocharis humboldti (*Water Poppy*). Yellow flowers all Summer; leaves and flowers floating if in 6 inches of water. ... *Each* 25c.

Typha latifolia (*Cattail*). ... *Each* 25c.

Zizania aquatica (*Wild Rice*). ... *Each* 25c.

WISTERIA—Sinensis Blue

WE CAN SUPPLY OTHER VARIETIES OF WATERLILIES, Etc. AT STANDARD PRICES

For Difficult Places in Shade or Sun—Especially Effective as Bases for Spring-flowering Bulbs

AJUGA *Ah-joo-ga (Bugle)*

Low growing, creeping habit; a fine ground-cover under Rhododendrons and shrubs. Either in the shade or sun.

Genevensis. About 6 inches high, spreading habit; blue flower spikes. May and June.
12 $3.30 *100* $20.00

Reptans rubra. Only 3 inches high and having purplish blue flowers in May.
12 $3.30 *100* $20.00

BEARBERRY *(Arctostaphylos, Uva-ursi).*

A dense, low mat of evergreen foliage followed by large red berries. For covering rocky slopes and banks, sandy places and seashore planting.
12 $6.00 *100* $40.00

BLOODROOT *(Sanguinaria)*

Canadensis. About 6 inches high with white flowers in April-May. Suitable for semi-shady places, under trees, woodlands, in moist soil.
12 $3.00 *100* $18.00

EUONYMUS *Eu-on-i-mus*

Radicans colorata. The finest ground cover for large terraces and slopes; semi-waste places, roadsides, etc. Evergreen but turning bronzy red in Winter. Creeping, not climbing and immune to scale, disease, etc.
12 $5.00 *100* $35.00

FERNS (Hardy)

Write for varieties and prices.

FESTUCA

Glauca *(Ornamental Grass).* Forms dense tufts of bluish leaves 12 inches high. For edging and ground cover purposes.
12 $4.00 *100* $25.00

GALAX *Gay-laks*

Aphylla. Dwarf evergreen, 6 inches high. Produces a profusion of pure white flower spikes in mid-Summer. Large, round leaves 3 to 4 inches across turning crimson and bronze in the Autumn. Invaluable as a shady and woodland ground cover. *12* $3.00 *100* $18.00

HONEYSUCKLE. See page 213.

HEATHER. Write for varieties and prices.

IVY *Hed-ur-ah (Hedera)*

All varieties offered are evergreen, indispensable as ground covers in shady and semi-shady places.

Helix *(The Large-leaved Evergreen English Ivy).* For beds, trimmed edging, ground cover in shady and semi-shady places, etc. Free from disease and insect pests.
Best results as ground covers will be obtained by planting small plants and more of them.
2¼ *inch Pots* *12* $3.00 *100* $21.00
4½ *inch Pots* *12* $5.00 *100* $35.00
5 *inch Pots* *12* $9.00 *100* $65.00
For larger sizes—see page 213.

Gracilis *(Small-leaved English Ivy).* Same habit. Graceful strings of dark green.
2¼ *inch Pots* *12* $5.50 *100* $40.00
3 *inch Pots* *12* $7.75 *100* $60.00

Baltica. Very hardy, small leaved.
2¼ *inch Pots* *12* $4.75 *100* $35.00
3½ *inch Pots* *12* $6.50 *100* $50.00

Coreacaea. Leathery, heart-shaped leaves.
3 *inch Pots* *12* $7.75 *100* $60.00

Conglomerata. Small, curled and twisted leaves, closely clustered along the stems. Ideal for shady rockeries, etc.
3 *inch Pots* *12* $7.75 *100* $60.00

LILY-OF-THE-VALLEY

Always in demand for forming mass plantings in shady and semi-shady places. Extremely useful for odd corners, under shrubs, etc. Delightfully fragrant, white bell-shaped flowers in May. For quick covering plant the mats about 12 inches apart.
No 1 *Mats* *12* $7.00 *25* $13.50 *100* $52.00
No. 2 *Mats* *12* $6.40 *25* $12.25 *100* $47.00
No. 3 *Mats* *12* $5.75 *25* $11.00 *100* $42.00

MAZUS *May-zus*

Reptans. Low-growing, creeping plants with lilac blue flowers in early Spring. Good ground cover for semi-shade.
12 $4.00 *100* $25.00

PACHISTIMA *Pak-is-ti-mah*

Canbyi. A dwarf evergreen shrub seldom more than 8 inches high and 18 inches wide. May be trimmed or left natural. Does well in shade or sun. Fine for edging.
12 $6.00 *100* $40.00

PACHYSANDRA *Pak-i-san-drah*

Terminalis *(Japanese Spurge).* The ideal evergreen foliage plant about 6 inches high and spreading underground. The foliage resembles our native Laurel, being deep rich green in the shade and light emerald green in the sun. *Absolutely hardy anywhere, completely evergreen, disease and insect free. Thrives equally in shade, semi-shade or sun.* Especially valuable under trees where grass will not grow.
1 *year old* *100* $8.00 *1000* $65.00
2 *year old* *100* $12.00 *1000* $90.00
Pot-grown *100* $15.00 *1000* $120.00

ROSES

Trailing Sorts—See page 206.

TEUCRIUM *Teu-kri-um*

Chamaedrys. Glossy green foliage resembling *Boxwood* and may be used in place of *Boxwood.* Can be clipped any height up to 12 inches.
12 $4.00 *100* $25.00

VINCA-minor—Evergreen trailing plant (Blue flowers) for difficult places in shade or sun

Purchaser Pays the Transportation

BUDDLEIA *Bud-lee-ah (Butterflybush)*

Fortune. A recent introduction of merit growing about 4 feet high. The sprays are 12 to 18 inches long and contain thousands of tiny lilac flowers with orange eye. *Buddleia Fortune is a grand cut flower and showy plant in the garden.*

Flowering Plants ... ... *Each* 75c. *12* $7.50

Charming. Produces throughout the late Summer and Autumn elegant sprays of lovely lavender-pink flowers. For September and October flowers we suggest pinching off the first flower spikes which develop in July. Almost a pink Buddleia.

Flowering Plants ... ... *Each* 75c. *12* $7.50

DEUTZIA *Deut-si-ah*

Pride of Rochester (*Large-flowered Deutzia*). Large, double, white flowers in great profusion about June 10th.

Strong Plants ... ... *Each* 50c. *12* $5.00

FORSYTHIA *For-sie-thi-ah (Golden Bell)*

Spectabilis (*The Showy Border Forsythia*). Bears a profusion of bright yellow flowers of large size before the leaves unfold, usually in April. A very showy variety and rich color.

4 *to* 5 *feet Plants*	*Each* 65c.	*12* $6.50
5 *to* 6 *feet Plants*	*Each* 75c.	*12* $7.50
6 *to* 7 *feet, extra heavy*	*Each* $1.75	*12* $17.50

Suspensa fortunei. Second only to *Spectabilis*. Of pendulous habit, the arching branches droop gracefully and form a veritable fountain of gold in April.

5 *to* 6 *feet Plants* ... ... *Each* 70c. *12* $7.00

HIBISCUS *Hie-bis-kus (Rose-of-sharon)*

Valuable shrubs, which bloom in August when most shrubs are finished. Produces double flowers in abundance.

Ardens. Double flowers of rosy violet color.

Boule de Feu. Double red flowers in August and September.

Jeanne d'Arc. Pure white flowers of semi-double form.

Either of above ... ... *Each* 60c. *12* $6.50

KERRIA *Ker-i-ah (Chinese Globeflower)*

Japonica, Double. An attractive shrub with bright green stems during the Winter and golden yellow, double, ball-shaped flowers during the Summer.

Flowering Plants ... ... *Each* $1.00 *12* $10.00

KOLKWITZIA *Kolk-witz-i-ah (Beautybush)*

Amabilis. A really beautiful shrub from Asia. Erect and shrubby with downward sweeping branches loaded with shell-pink flowers in the greatest profusion during May 25th to June 15th.

Strong Flowering Plants	*Each* 75c.	*12* $7.50
4 *to* 5 *feet Plants*	*Each* $1.00	*12* $10.00

LILACS (SYRINGA) *Si-rin-gah*

Vulgaris. The old-fashioned, fragrant, purple lilac.

3 *to* 4 *feet Plants*	*Each* 50c.	*12* $5.00
5 *to* 6 *feet Plants*	*Each* $1.25	*12* $12.50

Vulgaris alba. The white form of above. Blooms in May.

3 to 4 *feet Plants*	*Each* 90c.	*12* $9.00
5 *to* 6 *feet Plants*	*Each* $1.75	*12* $17.50

ROSES—SHRUB TYPES. See page 206.

SPIRAEA *Spy-ree-ah*

Vanhouttei. Forms a graceful, pendulous bush up to 6 feet high and simply smothered with pure white flowers. Surpassing all others. A fine subject for hedging or specimens.

3 *to* 4 *feet Plants*	*Each* 50c.	*12* $5.00
5 *to* 6 *feet Plants*	*Each* 75c.	*12* $7.50

All Other Shrubs Can Be Supplied at Standard Prices

T.T.S. **BUDDLEIA—Fortune**

Better Times. A fine cerise red sport of "Briarcliff," which it resembles in habit.

Briarcliff. A sport from *"Columbia."* Has all the growth and flowering characteristics of the parent, but is a brighter pink.

Double White Killarney. One of the best. Pure white.

Hollywood. An improved Premier Supreme, but a much brighter rose-pink color. Large, high centered flowers, very long in the bud, with dark, leathery green foliage and decidedly disease-resistant.

Joanna Hill. Clear yellow, deepening toward the center. A very choice sort.

Lum's Double White. Splendid, long, ivory-white buds and dazzling white, semi-double flowers of extreme beauty. Free grower. The finest cut flower white Rose.

Mary Hart. Red sport of *"Talisman."* Rich color, splendid cropper. Almost 100% perfect flowers.

Mme. Butterfly. An improved *Ophelia*. Beautiful shell pink. Stem and foliage all that can be desired.

R. M. S. Queen Mary. A charming blend of salmon pink with glowing orange yellow base; one of the finest of the recent introductions.

Rapture. A sport from *Mme. Butterfly*. Could be named a rose pink *Butterfly*. One of the finest Roses of recent introduction.

Souvenir. The yellow *"Talisman."* A lovely sort.

Talisman. Beautiful combination of yellow and copper, suffused with pink in the bud, becoming as the flower expands, an old rose above the yellow base.

Templar. Clear crimson red, deliciously fragrant; good stems.

Token. Lovely shade of orange, beautifully formed blossoms and long-lasting when cut. *Plant Patent No. 95.*

GREENHOUSE PLANTS NOT LISTED CAN BE SUPPLIED AT STANDARD PRICES

Single Cordon Pear Tree

FULLY TRAINED, DWARF
ESPALIER FRUIT TREES

HEAVILY ROOTED, BEARING AGE

The Luxury of European Nobility Now Available for American Gardens

DISTINCTIVE—DECORATIVE—PRACTICAL

These authentic, trained Espalier Fruit Trees are grown for us under the personal supervision of a European-trained Espalier Tree Specialist. They are grafted on the proper stocks, especially suited to Espalier work. They have been fully trained so that the forms can be maintained by semi-annual pruning.

Varieties of Fruit Offered

These varieties have been decided upon by us as the most practical and satisfactory for Espalier work, and for high quality fruit.

Under each form we list the varieties available under that form.

Apples: Duchess of Oldenburg, Delicious, Fameuse, McIntosh, Baldwin, R. I. Greening.
Pears: Bartlett, Flemish Beauty, Clapp's Favorite, Duchesse d'Angouleme, Beurre d'Anjou, Seckel.
Peaches: Elberta, Hiley, Yellow St. John, Rochester, Crawford, Champion.
Plums: Reine Claude and Abundance.
Nectarines: Boston, Red Roman, Lord Napier, Newton.
Apricots: Early Golden and Moorehead.

Horizontal Two-Arm Cordon on Support

Single U-Form Espalier Apple Trees Trained on Wall

CORDON FORMS

Single Cordon (*Illustrated*). These are useful in many ways. Erect, vertical stems, used for bordering paths and in combination with other forms on wall or trellis.

Available in all fruits listed above:

5 to 6 feet high ... ... *Each* $4.50

Horizontal Cordon. For planting at corners.

Available only in Apples and Pears: ... *Each* $6.00

Horizontal Two-Arm Cordon (*Illustrated*). Useful for the tops of retaining walls, etc.

Available only in Apples and Pears:

6 to 8 feet wide ... ... *Each* $8.00

Horizontal Four-Arm Cordon. (2 *tiers*).

Available only in Apples and Pears:

6 to 8 feet wide ... ... *Each* $10.00
8 to 10 feet wide ... ... *Each* 12.00

U-FORM ESPALIERS

Single U Form (*Illustrated*). A very useful and practical formation; ideal for narrow spaces, between windows, trained on leaders at corners of buildings. The width between the arms is approximately 18 inches.

Available in all fruits listed above:

4 to 6 feet high ... ... *Each* $8.00
6 to 8 feet high ... ... *Each* 10.00

Double U Form (*Illustrated on opposite page*). This is a very practical and economical form, producing generous crops of choice fruits. Requires about 8 feet of space on wall or trellis.

Available only in Peaches and Nectarines:

4 to 5 feet high ... ... *Each* $12.00
5 to 6 feet high ... ... *Each* 15.00

Triple U Form (*Illustrated on opposite page*). Especially suited for covering large areas.

(7 years old) 5 to 6 feet high ... *Each* $18.00
(8 years old) 7 to 8 feet high ... *Each* 21.00

Shipped by Express, Collect

ESPALIER FRUIT TREES

NORTHERN GROWN

Note—The available fruits are printed after each form. Full list of fruits will be found on opposite page.

These are authentic, trained Espalier Trees recognized by the connoisseur. No finer stock of Espalier Trees can be found anywhere in the world.

In Spring these little trees are as decorative as climbing Roses, with clouds of blossoms and later there is the thrill of harvesting large, luscious fruit from your own trees. Pruning twice a year will keep the trees in proper form.

FRUITING AGE
ECONOMICAL
SPACE SAVING

Double U-Form Tree (*See opposite page*)

PALMETTE VERRIER FORMS

Four Armed Palmette Verrier. This is the most typical Espalier form. A U within a U. Useful for covering walls, for creating fences and screens, and for enclosing pergolas. It covers a space 4 feet in width and is easy to keep in shape.

Burbank. Midseason, very large, cherry red. Juicy, sugary flavor.
German Prune. Late, large, dark purple and very sweet.
Green Gage. Yellowish green, juicy, delicious sweet flavor.
Shropshire Damson. Late medium size, dark purple. For jelly.

Price: Selected Trees, 5 to 6 feet high ... ... $1.50 each

QUINCES

The fruit is much sought after for canning, preserving and for jellies. It gives a delicious flavor to the apple, cooking in any manner. They should be planted 10 to 16 feet apart on deep, rich soil.

Champion. Late, very large fine quality, long keeper.
Orange. Late, large, bright yellow, excellent flavor, productive, and rarely fails to produce a crop.

Price: Selected trees, 4 to 5 feet high ... ... $1.50 each

FIGS

Brown Turkey. Medium to large size; copper brown skin, flesh white. Not hardy in Northern States unless well protected or in tubs under glass.

Price: 2 to 3 feet high $1.75

FRUITS for GREENHOUSE FORCING

Owing to uncertainty of varieties and sizes, we do not list Greenhouse Forcing Fruits. However, we can furnish and will gladly mail list and prices on request.

TRAINED FRUIT TREES

We offer a complete list of varieties and forms. See page 222.

Note!

We can furnish Dwarf Fruit Trees and larger sizes of fruit trees than those listed below. Send us your list of requirements.

SMALL FRUITS

BLACKBERRIES

	Doz.	100
Blowers (Midseason). Producing tall canes which yield a premium crop of large, attractive, quality berries	$2.25	$15.00
Eldorado. Sweet and rich	1.75	10.00
Joy. (Midseason.) Produces a mammoth crop of huge blackberries. Delicious flavor	2.25	15.00
Mt. Pocono. Extra large fruit of highest quality. This is a very high class sort	4.00	25.00

CURRANTS

Fay's Perfection. Very large, dark red berries in heavy clusters	$4.25	$30.00
Perfection. Perhaps the best bright red sort. Provides fruit for the longest period	4.50	35.00
White Grape. White sort, mild flavor	4.25	30.00

GOOSEBERRIES

Downing. Pale green, large. 2-yr.-old	$4.00	$25.00
Josselyn. Large red fruit	4.00	25.00
Oregon Champion. Amber, good size, 2 yr.	5.00	35.00

RHUBARB ROOTS. See page 163.

RASPBERRIES

Chief. A grand red Raspberry which ripens about 10 days earlier than "Latham"	$2.25	$15.00
Cuthbert. Deep red	2.25	15.00
Golden Queen. Yellow	4.00	25.00
La France. The king of them all; the largest, the finest flavor, deep carmine pink color and best of all it is truly *Everbearing*. Producing fruit from the earliest until frost	8.00	55.00
Latham. Large, round, firm berries of rich red, which ripen in June and into July	2.25	15.00
Newburgh. Fruit very large and firm. Color bright red; in keeping quality it has no superior. Plant vigorous, hardy and very productive, the weight of the fruit is so great that the canes are often bent to the ground	2.25	15.00
St. Regis. Red, everbearing. 2-yr.-old	4.00	25.00
Viking. A recent introduction. The hardiest of all; bright red, juicy and of delicious flavor.	4.00	25.00
Plum Farmer. A splendid early black Raspberry. The fruit is large, firm, juicy and of excellent sweet flavor	1.75	10.00

DEWBERRIES

Lucretia. Long, mammoth Blackberries, recognized by horticulturists everywhere as the leading variety. Each plump berry is a morsel of delight. Incomparably better in every way than any Blackberry you ever have seen or tasted. Lucretia is a very early bearer, ripening from a week to 10 days before even the earliest blackberries. For home and commercial growing Lucretia is the only variety of importance	$1.75	$10.00

STRAWBERRIES

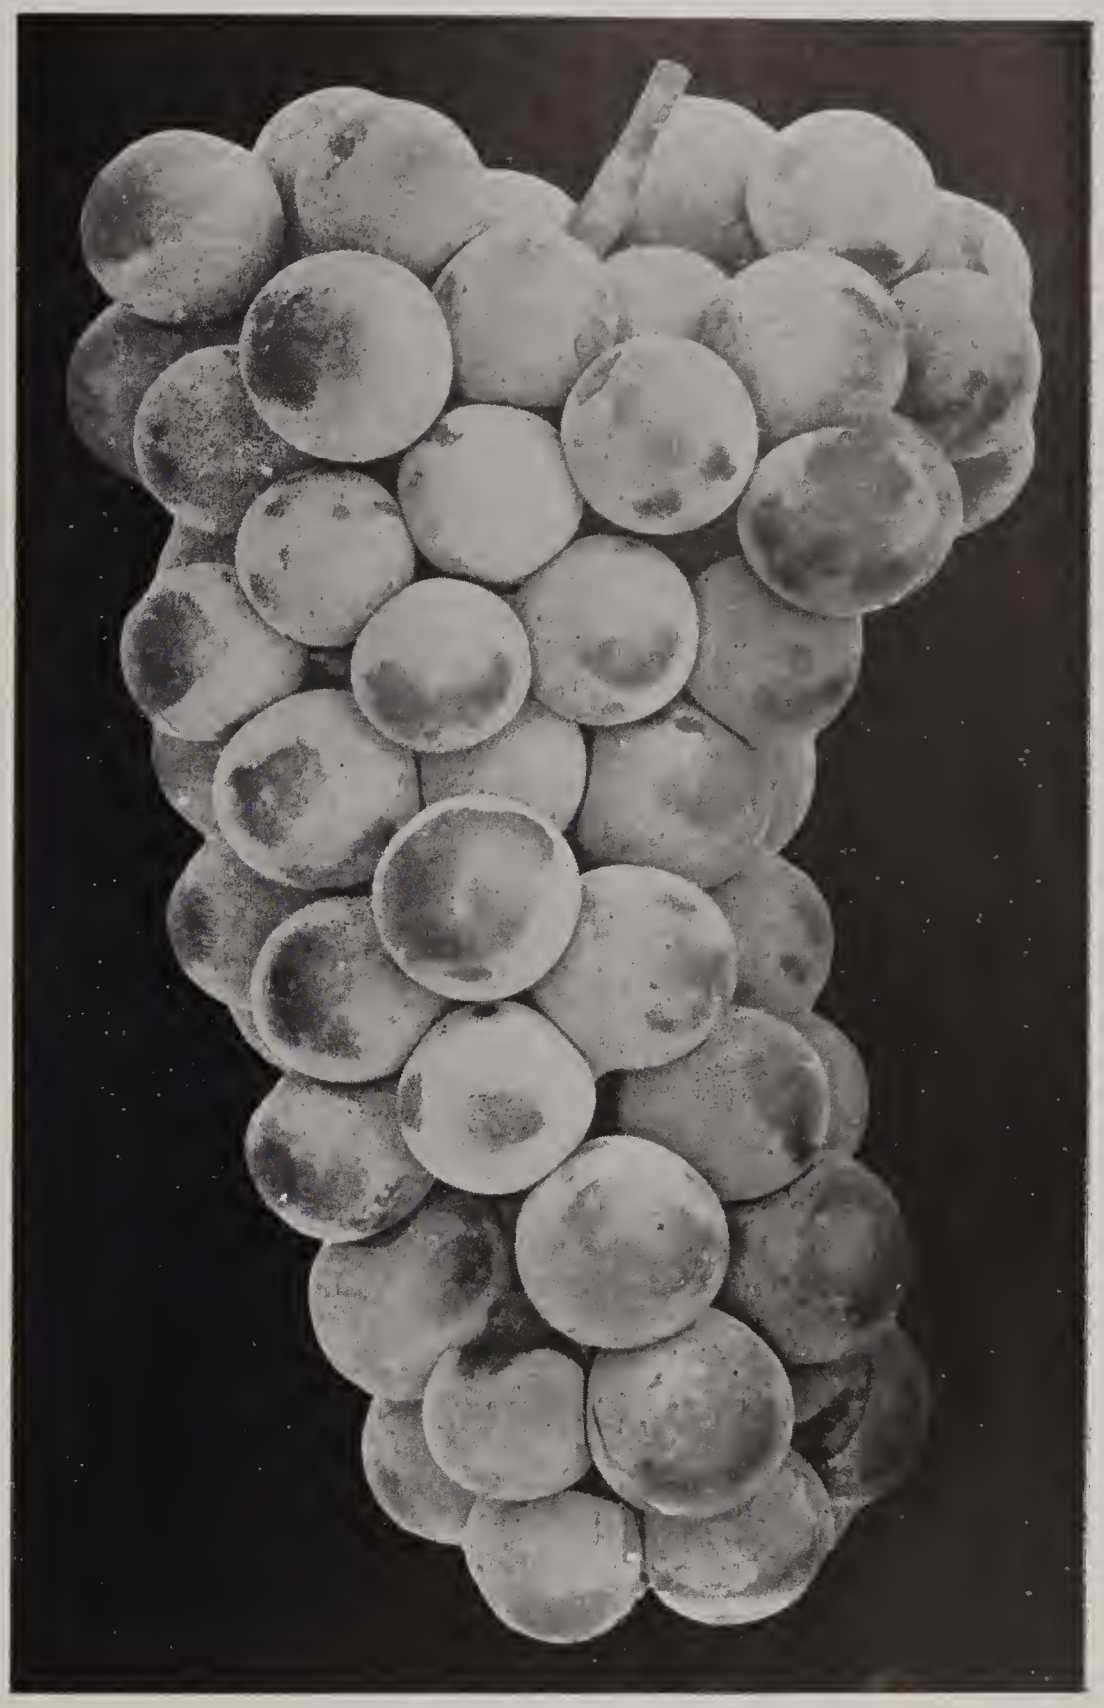

Well-rooted layer plants.

FOR SPRING PLANTING

Aberdeen. *Midseason.*	**Lucky Strike.** *Everbearing.*
Big Joe. *Midseason.*	**Mastodon.** *Everbearing.*
Brandywine. *Midseason.*	**Marshall.** *Midseason.*
Chesapeake. *Late.*	**Progressive.** *Everbearing.*
Dorsett. *Early.*	**Success.** *Early.*
Early Jersey Giant.	**William Belt.** *Late.*
Fairfax. *Midseason.*	**Warfield.** *Midseason.*

Layer Plants 100 $2.50 1000 $20.00

ASPARAGUS ROOTS. See page 139.

NIAGARA—WHITE GRAPE

GRAPE VINES

Brighton. Wine-red. Midseason, vigorous grower; large bunches, good quality.
Selected 2-year-old plants ... ... *Each* $0.50 *12* $5.00

Caco. Red with amber. The highest quality of all hardy Grapes. Strong, vigorous grower. A great yielder of delicious fruit; firm flesh, juicy, sweet flavor.
Selected 2-year-old plants ... ... *Each* $0.90 *12* $9.00

Campbell's Early. Deep blue. Early, good grower; firm fruit of sweet flavor.
Selected 2-year-old plants ... ... *Each* $0.90 *12* $9.00

Champagne. Amber-colored. Midseason, hardy, very prolific, firm and sweet.
Selected 2-year-old plants ... ... *Each* $0.90 *12* $9.00

Concord. Black. Midseason. Most popular of all black sorts, high quality.
Selected 2-year-old plants ... ... *Each* $0.75 *12* $7.50

Diamond. Greenish white. Early, very prolific, large berries, very sweet and juicy.
Selected 2-year-old plants ... ... *Each* $0.50 *12* $5.00

Green Mountain. White. Early, delightful flavor. A very hardy variety.
Selected 2-year-old plants ... ... *Each* $0.90 *12* $9.00

Moore's Early. Black, like "Concord," but the fruit ripens 2 weeks earlier.
Selected 2-year-old plants ... ... *Each* $0.90 *12* $9.00

Niagara. White. Midseason, large berries in heavy bunches, sweet and luscious.
Selected 2-year-old plants ... ... *Each* $0.90 *12* $9.00

Portland. White. Early. A very fine sort, coming in large clusters.
Selected 2-year-old plants ... ... *Each* $0.90 *12* $9.00

Worden. Black. Early. Some claim this is of better quality than "Concord."
Selected 2-year-old plants ... ... *Each* $0.40 *12* $4.00

DELIVERED FREE ON YOUR PREMISES—IN THE FOLLOWING LOCALITIES

All Fertilizers listed on *this page* will be delivered free to your place if residing in the following localities: *Long Island, Westchester County, State of New Jersey· Connecticut (Fairfield County), in Pennsylvania—only the metropolitan section of Philadelphia,* and generally speaking—*anywhere within 35 miles of New York City,* In outlying sections shipments will be made by freight on large quantities and by express on small quantities or as instructed by customers, charges collect.

Especially recommended for Private Estate use—put up for us by one of the largest and most reputable fertilizer concerns in the world

"Eight-Six-Two" Grass Food for Lawns in Sun or Shade

"Eight • Six • Two"

LAWN GRASS FOOD

Analysis: 8% Nitrogen, 6% available Phosphoric Acid, 2% Potash

The 50% organic nitrogen food for all grass crops, lawns, meadows, pastures, etc. Can be applied during Spring or Autumn at the rate of 2 to 3 lbs. per 100 square feet or 1000 to 1500 lbs. per acre either by hand or with *"The Master"* Fertilizer Spreader (*Page 180*).

100 lbs. $4.75 *500 lbs.* $22.50 *1000 lbs.* $42.00 *2000 lbs.* (*Ton*) $80.00

Not less than 100 lbs. supplied. Delivery, see special notice.

"Four-Ten-Four" for Vegetables and Flower Crops

"Four • Ten • Four"

VEGETABLE AND FLOWER FOOD

Analysis: 4% Nitrogen, 10% available Phosphoric Acid, 4% Potash

One of the finest formulas ever created for vegetable and flower gardens, for increased yield of high quality vegetables, larger and better flowers. Use at the rate of 1000 to 2000 lbs. per acre broadcast and forked into the soil. Also can be used as a top-dressing between rows or around growing plants.

100 lbs. $4.50 *500 lbs.* $21.00 *1000 lbs.* $39.00 *2000 lbs.* (*Ton*) $75.00

Not less than 100 lbs. supplied. Delivery, see special notice.

"Seven-Seven-Five" for Trees, Fruits, Shrubs, Etc.

"Seven • Seven • Five"

TREE AND SHRUB FOOD

Analysis: 7% Nitrogen, 7% available Phosphoric Acid, 5% Potash

Trees and shrubs, both ornamental and fruit-bearing, are heavy feeders. They should be fed the same as other vegetation.

Scatter our food under trees or bushes and fork under, for large trees make holes about 18 inches deep every 2 feet in a circle around the tree corresponding with the outside line of branches and put into each about 1 lb. of the food and cover over.

100 lbs. $5.50 *500 lbs.* $25.00 *1000 lbs.* $45.00 *2000 lbs.* (*Ton*) $85.00

Not less than 100 lbs. supplied. Delivery, see special notice.

"Four-Eight-Eight" for Bulbs, Tubers, Roots, Etc.

"Four • Eight • Eight"

BULB AND ROOT FOOD

Analysis: 4% Nitrogen, 8% available Phosphoric Acid, 8% Potash

For Dahlias, Gladioli, Lilies, Asparagus, Potatoes and root crops in general. A special formula for the production of large flowers—strong, stiff stems and sound, plump tubers, bulbs and roots.

This food can be broadcast and forked in or placed under the bulbs or roots and covered with some soil before planting. Also top-dressed.

100 lbs. $4.25 *500 lbs.* $20.00 *1000 lbs.* $37.50 *2000 lbs.* (*Ton*) $70.00

Not less than 100 lbs. supplied. Delivery, see special notice.

PURCHASE THE "NO SECRETS" FERTILIZERS FOR TRUE ECONOMY AND SATISFACTION

GENERAL LIST of FERTILIZERS—MANURES—PLANT FOODS

ALL PRICES ON THIS PAGE ARE F.O.B. NEW YORK OR FACTORY AND SUBJECT TO CHANGE WITHOUT NOTICE

Acid Phosphate. See **Super-Phosphate.**

Adco. See list below, under **Soil Materials.**

Agrinite. *The Great Turf Builder—100% organic.* Agrinite is not a sewage sludge and contains absolutely no grease, weeds or harmful bacteria. 100% organic, and according to Bulletin No. 41. Control series issued by the Massachusetts Agricultural Experimentation Station has 8½% available nitrogen compared with 6% for a well-known brand of organic fertilizer.
100 lbs. $4.50 *500 lbs.* $21.00 *1000 lbs.* $39.00 *Ton* $75.00

Aluminum Sulphate. Creates an acid condition in the soil. Used for Rhododendrons, Azaleas, Laurel and acid-loving plants.
25 lbs. $2.25 *50 lbs.* $4.00 *100 lbs.* $7.00

Ashes, Canada Hardwood. Furnishes potash. Splendid for all root crops.
100 lbs. $4.50 *500 lbs.* $20.00 *Ton* $55.00

Asparagus Fertilizer. *Trivett's "Four-Eight-Eight."* Page 226.

Blood (Dried). Supplies very quick acting nitrogen; valuable for the indoor culture of most plants and for making liquid manure.
100 lbs. $6.50 *500 lbs.* $30.00

Blood & Bone Tankage. Rich in nitrogen and bone phosphates of lime. Very suitable for plant growth both outside and under glass.
100 lbs. $6.00 *500 lbs.* $27.50 *1000 lbs.* $50.00

Bonemeal. A medium grind of the finest domestic grade. Contains fine and coarse material. The best for general use.
100 lbs. $4.50 *500 lbs.* $21.00 *1000 lbs.* $32.50 *Ton* $60.00

Bone, Pure Raw, Broken. ¼ to ½ in. pieces. Especially suitable for Grape Vines, Fruit Trees and as a long-lasting food.
100 lbs. $5.00 *500 lbs.* $22.50 *1000 lbs.* $42.50

Carnation Food, Bentley's. Imported.
56 lbs. $7.00 *112 lbs.* $13.00

Cattle Manure. See **Cow Manure.**

Charcoal. See list below under **Soil Materials.**

Chrysanthemum Manure (Smith's). A splendid fertilizer for Chrysanthemums and for Carnations, indoor Roses, Sweet Peas and Flowers under glass. ... ... *100 lbs.* $5.50

Clay's Fertilizer. *Imported.* An English chemical fertilizer. Known throughout the horticultural world. Especially valuable as a tonic for plants growing under glass. *Supplied in original bags.*
28 lbs. $4.50 *56 lbs.* $8.00 *112 lbs.* $13.75

Corn & Grain. A fine fertilizer for all grain crops.
100 lbs. $4.50

Cottonseed Meal. A valuable organic material, rich in nitrogen. Safe for use on lawns and garden crops. Use about 1 ton per acre.
100 lbs. $6.00 *500 lbs.* $27.50 *1000 lbs.* $40.00

Cow Manure (Rotted and Shredded). A good soil builder and especially recommended for use in soil of a light, sandy nature. A grand mulch for flower beds and for general purposes. *Makes liquid-manure for greenhouse use.*

Note our low prices
100 lbs. $1.50 *500 lbs.* $7.00 *1000 lbs.* $13.00 *Ton* $25.00

Dahlia Food. An aid in the production of big exhibition blooms; stiff stems and sound, plump tubers. Use *Trivett's "Four-Eight-Eight."* See page 226.

Dried Blood. See under **Blood.**

Farmogerm. See list below under **Soil Materials.**

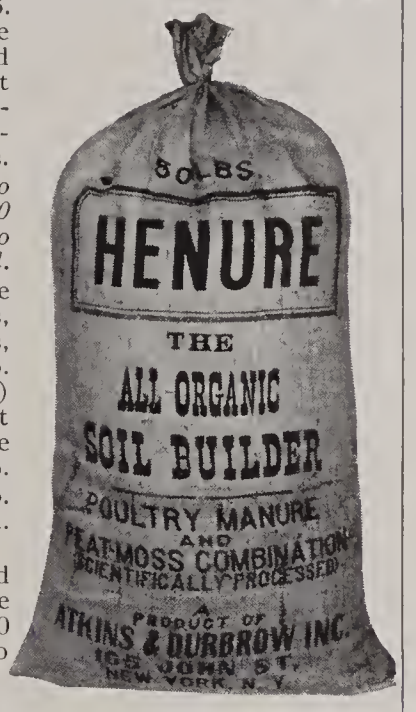

Flower Food. An aid in the production of large and more abundant flowers. Use *Trivett's "Four-Ten-Four".* See page 226.

Garden Fertilizer. For general vegetable and flower crops. Use *Trivett's "Four-Ten-Four"* Vegetable and Flower Food. See page 226.

Gladioli Food. Helps greatly in the production of tall, sturdy stems and large flowers. Use *Trivett's "Four-Eight-Eight"* Bulb and Root Food. See page 226.

Grass Fertilizer. *Trivett's "Eight-Six-Two"* lawn grass food. The most up-to-date grass fertilizer. See page 226.

Henure. A manure from poultry bedded on high quality peat moss in the proportion of about ¾ manure to ¼ peat moss. *Absolutely safe, no burning, no odor, 100 per cent effective; no useless filler is added.* Very valuable for use in seed beds, frames, greenhouse benches, etc. Spread a 50-lb. bag (2½ bushels) over 500 square feet and rake into the soil 2 or 3 in. deep. For lawns use a 50-lb. bag to 1000 sq. ft. or less.

For Rose beds and perennial borders use a 50-lb. bag to 250 sq. ft. and rake into the soil away from the stems.

For potting soil mix in a regular pailful of *Henure* with a wheelbarrow-load of soil.

For liquid manure, mix about 2 lbs. of *Henure* with 5 gallons of water and allow to stand for several days.

Packed in waxed, paper-lined burlap bags 2½ bushels and weighing 50 lbs.

Price: *Bag (50 lbs., 2½ bushels)* ... *Each* $1.75
20 bags (50 bushels) $32.00
40 bags (Ton, 100 bushels) $60.00

Humus. See list below under **Soil Materials.**

Lawn Fertilizer. For close turf and rich green color use *Trivett's "Eight-Six-Two"* Lawn Grass Food. Page 226.

Lime-Agricultural, Hydrated. Corrects acid condition of the soil and sweetens it; also releases dormant food materials. For a Winter dressing broadcast at the rate of one ton per acre.
100 lbs. $2.50 *500 lbs.* $10.50 *1000 lbs.* $19.50 *Ton* $27.50

Limestone, Pulverized. Somewhat slower in action than hydrated lime. Corrects sour or worn-out soils.
Bag (80 lbs.) $2.50 *5 bags* $9.50 *20 bags* $22.50

Lupin Fertilizer. A special fertilizer for Lupins.
5 lbs. 60c. *25 lbs.* $2.50 *50 lbs.* $4.00

Meadow and Pasture Fertilizer. For increased yield of grass and hay use *Trivett's "Eight-Six-Two"* See page 226.

Mowrah Meal. The worm eradicator with a fertilizing effect. See list below.

Mum-Manure, Bentley's. The well known Bentley's Chrysanthemum manure imported from England. *28 lbs.* $4.25 *56 lbs.* $7.50 *112 lbs.* $14.00

Mum-Manure, Smith's. See **Chrysanthemum Manure.**

Muriate of Potash. Excellent for Potatoes and root crops in general. Should be applied carefully.
100 lbs. $6.00

Nitrate of Soda. A plant stimulant, giving immediate results. Excellent for vegetables and leaf growth. Use carefully. ... *100 lbs.* $6.00

Peat Moss. See list below, under **Soil Materials.**

Potato Manure. An aid in the production of larger crops and tubers. Use *Trivett's "Four-Eight-Eight"* Bulb and Root food. See page 226.

Potash. See **Muriate of Potash.**

Poultry Manure, Pulverized. *100 lbs. of our Poultry Manure* (costing $2.50) *is equal to 200 lbs. of Sheep Manure* (costing $8.50). Sheep manure has 2% nitrogen, our poultry manure has 4% nitrogen.

Safe to use for every purpose for which a plant food, manure or fertilizer may be required. A splendid mulch for Rose beds, perennial borders, Dahlias, for raking into the soil in frames and greenhouse benches, mixing with potting soil, under roots, bulbs, shrubs and trees. Makes a splendid liquid manure for greenhouse use.

If mixed 2 to 1 with our Bonemeal, no better, safer plant food can be obtained, in our opinion, for any purpose for which a plant food is required.

Our Poultry Manure is dry, pulverized and in Peat Moss. Packed in 50 lb. bags.

Prices: (50 lbs.)	$1.25
10 bags (500 lbs.)	$11.00
20 bags (1000 lbs.)	$21.00
40 bags (ton)	$39.00

Rhodono. The acid forming compound for Rhododendrons, Azaleas, Laurel and other acid-loving plants. ... *100 lbs.* $5.50 *500 lbs.* $25.00

Rose Food. A properly balanced Rose food for greenhouse or outside use. ... *100 lbs.* $8.00

Salt, Agriculture. For Asparagus beds.
100 lbs. $2.50

Sheep Manure. A popular manure with unlimited uses in garden and greenhouse.
100 lbs. $4.25 *1000 lbs.* $31.50 *Ton* $60.00

Soot, Scotch Imported. See list below, **Soil Materials.**

Sweet Pea Fertilizer, Bentley's. *Imported.*
56 lbs. $7.50

Sulphate of Aluminum. See **Aluminum.**

Sulphate of Ammonia. A very quick acting and powerful plant food showing immediate results on lawns and all vegetable leaf growth—Spinach, Cabbage, Lettuce, etc. Must be very carefully applied and should be immediately washed into the soil with water. ... ... *100 lbs.* $5.50

Super-Phosphate. Contains 16% phosphoric acid. Splendid for fruit, grain crops, flowers and hay or pasture grass.
100 lbs. $3.00 *1000 lbs.* $18.00 *Ton* $35.00

Tan Bark. See list below, **Soil Materials.**

Tankage. See **Blood and Bone Tankage.**

Tobacco Humus (Fertobac). See list below.

Tree Fertilizer. For promoting the healthy growth of trees, Fruits, Shrubs, etc. use *Trivett's "Seven-Seven-Five"* Tree and Plant Food. See page 226.

Vigoro (Swift's). A highly concentrated fertilizer for all garden purposes, lawns, etc. Odorless.
100 lbs. $4.50 *500 lbs.* $21.00 *1000 lbs.* $40.00 *Ton* $78.00

Wood Ashes. See **Ashes.**

Vegetable Garden. *Trivett's "Four-Ten-Four."* Page 226.

SOIL AND POTTING MATERIALS, SOOT- PEAT MOSS- HUMUS, ETC.

Adco. A chemical material for creating manure from rubbish, leaves, weeds, grass clippings, vegetable tops, etc. Contains nothing injurious to animal life and is odorless. Adco should be sprinkled over the heap from time to time as it is being built up. 150 lbs. is sufficient for 2 tons or more of material. *Bag (150 lbs.)* $10.50

Charcoal, Dust ... ... *100 lbs.* $5.50

Charcoal, Lump ... ... *100 lbs.* $6.00

Farmogerm. Seed inoculation. A different culture (kind) is required for each legume crop therefore when ordering please state which crop you wish to inoculate. ... *Bottle (for ½ bushel of seed)* $0.75
Bottle (for 1 bushel of seed) $1.25
Bottle (for 10 bushels of seed) $8.00

Fertobac. A combination fertilizer and insecticide. Sweetens the soil, adds humus and kills grubs, cutworms and other soil pests. *A splendid Winter mulch for lawns, Rose beds, etc.*
100 lbs. $3.50 *500 lbs.* $14.00 *1000 lbs.* $27.00 *Ton* $50.00

Humus, Hyper. A dried and prepared grade, suitable for top-dressing lawns, hotbeds and mixing with the soil. *In 100-lb. bags.*
100 lbs. $2.50 *500 lbs.* $11.00 *Ton* $30.00
Price on large quantities on request

Humus, Shredded. A suitable grade for all planting purposes. Use liberally when planting trees, shrubs, making flower borders, beds, etc. *In 100-lb. bags.*
100 lbs. $1.50 *500 lbs.* $6.00 *Ton* $20.00
F.O.B. plant, New Jersey

Leafmold. Finest pulverized grade ... *Bag* $1.95
Moss, Dry Sphagnum ... ... *Bale* $4.50
Moss, Live Green ... ... *Bag (10 lbs.)* $5.00
Moss, Green Sheet. Natural, in sheets.
Bag (10 lbs.) $5.00

Mowrah Meal (Worm Eradicator). The magic powder from India which gives instantaneous action. Eliminates worms from lawns, putting greens and soil in greenhouse or garden. Simply sprinkle over the surface and water in at once.
100 lbs. $5.00 *500 lbs.* $22.00 *Ton* $80.00

Peat, Fibrous. For ferns, etc. ... *Bag* $2.25
Peat for Orchids (Black Osmundi). *Bag* $5.00
Peat Moss (Special). Highest grade, genuine imported, fine granulated. The best garden grade.
Full size bale $4.75
Peat Moss, Standard Quality. A very good garden grade, fine ground; imported. *Full size bale (22 bu.)* $4.00
5 bales $19.25 *10 bales* $37.50
Sorbex. A very special grade of imported Peat Moss ground 25 times finer than ordinary peat moss. Ideal for mixing with top-dressing, fertilizer, etc. for lawns, flower beds, potting soil and soil for seed flats. frames, etc. ... ... *Bag (10 bushels)* $3.00
Salt Hay. For Winter mulching.
Bale $1.50 *5 bales* $7.00 *10 bales* $13.00
Salt, Asparagus. See list above.
Soot, Scotch (Imported). ... *Original bags* $7.50
Steriloam (Duckham's). A special prepared, sterilized soil for use in seed flats, frames, pots, etc.
25 lbs. $2.00 *50 lbs.* $3.50 *100 lbs.* $6.00
Tan Bark, Spent. For bridal paths, etc.
100 lbs. $5.00 *500 lbs.* $23.50 *Ton* $65.00

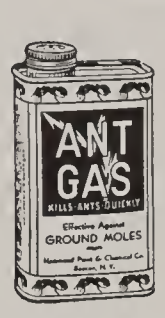

Seal of Approval

INSECTICIDES

of known merit

AGRI-PAX. Kills Japanese beetle, Rose beetles, aphis, thrips, etc. Splendid spray for Dahlias. *Gal.* $3.00 *5 gals.* ...$12.00 *30 gals.* ... $60.00

ANT BAIT (Jelly). Press tube and deposit ⅛ or ¼ in. of jelly on side of anthill.
3-oz. tube 85c. *8-oz. tube* $1.75

ANT GAS. A liquid which forms a heavier than air gas and when applied to the ant hills kills all the ants at once. Pour the liquid into an oil can and squirt a little into the hill and step on the spot. Also effective for moles.
Pt. 85c. *Qt.* $1.50

ANT POWDER.....*Can* 50c.

ANT TRAP (**Antrol**). Easy and safe to use indoors or outside. *Each* 15c.

ANT TRAPS, THALATE. Little, round cans filled with ant bait. Simply place near ant hill, leave for a few days, the nestfull will be dead, then move the trap to another location and so on.
Each 30c. *Doz.* $2.75 *25* $5.25

APHINE. Destroys green, black, or white fly and mostly all leaf sucking insects.
Qt. $1.00 *Gal.* $3.00 *5 gals.* $13.00

ARSENATE OF LEAD POWDER. Kills all leaf eating insects. Very useful as a dry dust for caterpillars, worms, etc.
4 lbs. $1.25 *25 lbs.* $5.00 *100 lbs.* $19.50

ARSENATE OF LEAD PASTE. Kills all leaf-eating insects.
5 lbs. $1.25 *25 lbs.* $4.00 *100 lbs.* $15.00

BALSAM WOOL. For wrapping around tree trunks before applying *Tree Tanglefoot*, etc. Put up in rolls 16 ft. long, 3 in. wide. ... *Per ft.* 3c.

BLACK LEAF 40. A concentrated solution of nicotine sulphate and an excellent spray for aphis and sucking insects of all kinds. Dilute 1 part to 1000 parts of water, according to treatment. Full directions on package.
Lb. $2.50 *2 lbs.* $3.75 *5 lbs.* $6.50 *10 lbs.* $11.85

BEETLE TRAPS. See page 231.

BORDEAUX MIXTURE (**Powder**). Controls all fungous diseases. Can be used either for dusting or wet spray.
4 lbs. $1.25 *25 lbs.* $5.00 *100 lbs.* $18.00

BORDO-LEAD POWDER (**Key-cide**). Bordeaux mixture and arsenate of lead in powder form for dusting or for wet spray. Kills leaf-eating insects. Good for all plant diseases.
4 lbs. $1.25 *25 lbs.* $5.00 *100 lbs.* $20.00

BORERKIL. A preparation in jelly form for killing borers in stems. ... *Large tube* 60c.

CALCIUM ARSENATE. Used in place of Paris green on Potatoes and Tomatoes, either dry or liquid.
4 lbs. 60c. *25 lbs.* $3.50 *100 lbs.* $12.00

CALCIUM CHLORIDE. A dust preventive for tennis courts, roads, driveways and play grounds.
100 lbs. $4.50 *400 lbs.* $15.00

CARBOLA. Disinfecting germ killing white paint. Used instead of whitewash for stables, chicken coops, dairics, cellars, etc.
10 lbs. $1.25 *50 lbs.* $4.50 *300 lbs.* $25.00

CLIMAX LAWN SAND. Destroys weeds in lawns.
28 lbs. $4.50 *56 lbs.* $8.00

COPPER SOLUTION. For rust, blight, mildew and most leaf diseases. (Liquid).
Pt. 85c. *Qt.* $1.50 *Gal.* $4.75

CHINCH-O (**Wilson's**). Chich bug destroyer in lawns, putting greens, etc. ... *25-lb. drum* $8.00 *50-lb. drum* $14.00 *100-lb. drum* $26.00

CUPROCIDE (**Red Copper Oxide**). An excellent preparation for treating seeds to prevent "damping off." ... ... *Lb.* $1.00 *5 lbs.* $4.00

CUT WORM KILLER. See **SNAROL.**

CYANOGAS A. Kills rats, moles, woodchucks, gophers, etc.; also for grubs in lawns. Grade A is a dust for outside use.
5 lbs. $3.00 *25 lbs.* $10.00 *100 lbs.* $30.00

CYANOGAS G. For greenhouse use. Scatter over greenhouse walks and close house for the night. Generates deadly hydrocyanic acid gas; very effective in controlling aphis, thrips, white fly, scale, etc.
5 lbs. $3.00 *25 lbs.* $10.00 *100 lbs.* $30.00

DOG-SKAT. The odor slowly emanating from the open tube will keep dogs away and protect Evergreens.
Tubes, Each 30c.

FERTOBAC. See page 227.

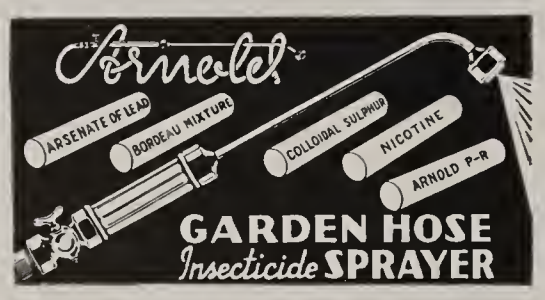

FISH OIL SOAP. Kills lice and sucking insects on all plants and trees. Useful for greenhouse spraying.
5 lbs. $1.50 *25 lbs.* $3.75 *100 lbs.* $12.00

FORMACIDE. Stabilized formaldehyde dust for controlling "damping off." Mix the dust with the soil before sowing the seed.
5 lbs. $2.25 *25 lbs.* $6.00

FUME-TOX (**D. & P.**) A non-poisonous gas, forming powder for insect and fungous infested soil.
25 lbs. $8.00 *50 lbs.* $14.00 *100 lbs.* 24.00

FUNGINE. For mildew, rust, wilt, and all fungous diseases. *Qt.* $1.00 *Gal.* $3.00 *5 gals.* $13.00

FUNGTROGEN. A liquid spray for the control of mildew and black spot. Highly concentrated fungicide invisible on the foliage or blooms. Mix with water to 60 times its volume. *Qt.* $2.00 *Gal.* $6.00

GARDEN HOSE SPRAYER (**Arnold's**). Attaches directly to the hose. The water passes through the cartridge chamber and the fine spray is adequate for insecticide and fungus prevention. Spraying outfit complete with 6 cartridges including nicotine, colloidal sulphur and Pyrethrum-Rotenone. $5.00
Additional cartridges ... ... *Each* 40c.

GRAPE AND ROSE DUST. Retards, prevents mildew on Grapes. Roses and fruit bushes.
5 lbs. $1.50 *100-lb. keg* $22.00

GRUB-O (**Wilson's**). Protects lawns from grubs of Japanese and native beetles. Apply during the open season at the rate of 100 lbs. to 2500 square feet.
100 lbs. $8.00 *500 lbs.* $35.00
1000 lbs. $67.50 *Ton* $125.00

HELLEBORE POWDER. For Currant worms, caterpillars and leaf-eating insects.
Lb. 50c. *5 lbs.* $2.25 *25 lbs.* $10.00

HORMODIN. See page 229.

JAPANESE BEETLE TRAPS. Very effective against Japanese and other day-flying beetles. See page 231.

JAP-RO-CIDE (**Wilson's**). The modern insecticide for the control of Japanese beetles. It has an effective repellency value, Rotenone is its active killing agent. It kills not only by contact but by stomach action as well. It is non-poisonous to humans, birds and animals. Use 5 lbs. to 100 gallons of water, ½ lb. to 10 gallons or 5 heaping teaspoonfuls to each gallon of water.
A Killer and Repellent
Lb. $1.00 *5 lbs.* $4.50

JAPANESE BEETLE SPRAY. (**Du Pont's**). Always use an equal amount of ordinary wheat flour with "Du Pont Japanese Beetle Spray" to make it stick better. 5 lbs. of powder to 100 gals. of water or 4 ozs. to 5 gals. *½ lb.* $1.00 *25 lbs.* $35.00

WEED KILLER (Herbicide). For roadways, tennis courts, gutters; 40 to 1.
5 gals. $7.50 *30 gals.* $30.00 *55 gals.* $44.00

TRI-OGEN

Combined Spray Treatment

Fungicide—Insecticide—Plant Stimulant

Complete Protection against Plant Insects and Diseases

In the past, Mildew and Black Spot have been most difficult to combat. However, these diseases are now easily controlled with the Tri-ogen Spray Treatment, which gives COMPLETE protection against all diseases and insect pests. It is easily applied and also acts as a plant stimulant—producing vigor in growth with resultant luxurious blooms, heretofore considered impossible. The Tri-ogen Spray Treatment applied weekly, from early season until late frost, makes it possible for the amateur to achieve the success, in many cases, comparable to the professional grower.

TRI-OGEN was officially adopted for the exclusive protection of the Garden of 16000 Roses, at the CENTURY OF PROGRESS, Chicago World's Fair.

	PRICES
A. Small Kit (makes 16 quarts)	$1.50
B. Medium Kit (makes 64 quarts)	4.00
C. Large Kit (makes 32 gallons)	6.00

Frostproof Hotbed Mats

"Manchester" Soil Sterilizer

AT LAST!

At a Reasonable Price

"MANCHESTER" SOIL STERILIZER

The exceedingly important and yet troublesome problem of sterilizing soil is now solved in the simplified and highly efficient "Manchester."

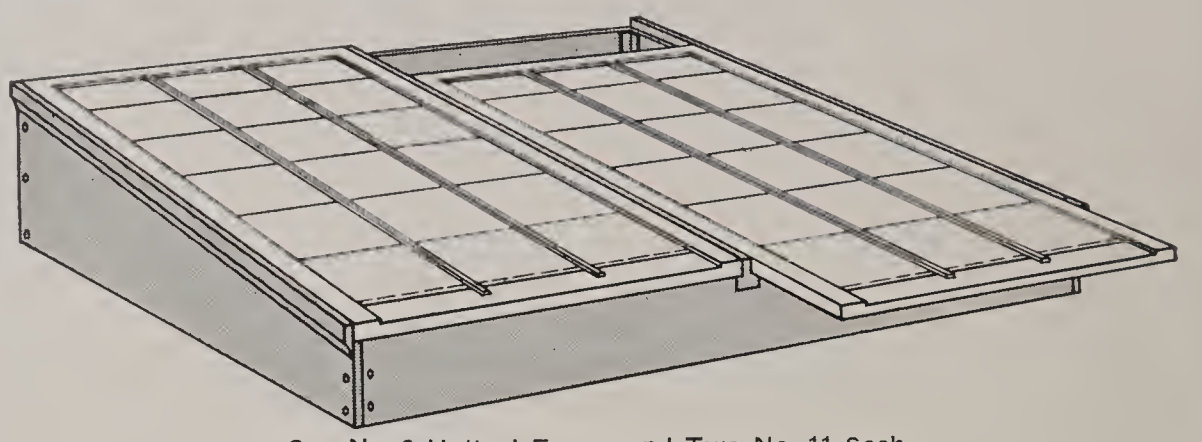

The unit consists of two separate parts, a sterilizer and a burner. Our illustration shows the complete unit.

Designed for private estate use.

The soil is introduced to the top by removing the cover and removed through the door on the front. The steam reaches all parts, thoroughly sterilizing the soil.

Can be used in the open or connected with chimney indoors. Wood is recommended for fuel. It has a capacity of two wheelbarrows of soil, made entirely of sheet steel. Electrically welded.

Complete instructions with each unit. Price: F.O.B. factory. Only $50.00

NO. 400 GARDEX TURF EDGER

This modern tool solves the edging problem. It not only cuts vertically, but also horizontally.

Sharpened on all sides except the top it cuts forward and backward. By tilting to 45 degrees angle and using wing blade as a guide, it cuts a clean V-shaped grove between walk and lawn.

Hold at right angle for a straight edge. It does perfect work on straight edging, corners, curves, circular beds and around trees.

You can edge 900 to 1000 running feet in an hour with this tool. Supplied with 4½ ft. handle.....$1.50

KUMFORT KNEE PADS

A serviceable, comfort-giving, knee-cushion with adjustable straps. Fits any knee; will not slip down when walking. Prevents moisture from penetrating the clothes and provides added life to overalls and work clothes.

$1.50 per pair

SIMPLEX LABELS

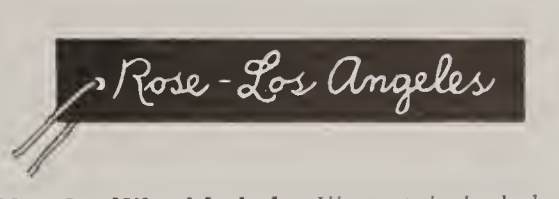

Rock Garden and Pot. The dark green color renders the label itself inconspicuous among closely planted, low growing varieties.

Amazing New 1939 Model

The "Badger 19" POWER LAWN MOWER

A brand new, small power mower by Coldwell that promises to be one of the most popular ever introduced.

Built to do the job of mowing, rolling and trimming the lawn on small estates and homes.

The "Badger 19"

A valuable time and labor saver on any estate for the many places where the larger mower is not suitable.

Cuts as quick as a man can walk and without any effort; no muscle-racking, pushing and pulling.

Cuts 19 inches wide, ½ to 1 acre per day. Takes grades up to 25 per cent; fuel consumption, ¾ gallon for 8 hours; travel speed, 1 to 3 miles per hour. Net weight, 120 lbs. Briggs & Stratton W M 1 motor and 15 special features built in by Coldwell.

Price—with large, semi-pneumatic tires—
Only $79.75

A New Model for 1939

The "Beaver 21" POWER LAWN MOWER

This new streamlined, platform type, roller mower is especially suitable for the requirements of the moderate size lawn.

It will mow the lawn evenly and quickly, trim the grass along the walks, borders and around trees.

Simple to start, easy to operate and maneuver in close places.

A general all-around utility mower inexpensive to purchase and operate. Built by Coldwell famous mower works of finest materials for rugged and hard usage.

The "Beaver 21"

Built in value, with many features embodied in the large mowers, two section corrugated drive rollers in rear and small guide wheels in front.

Cut 21 inches wide, 2 to 3 acres per day. Takes grades up to 25 per cent. Fuel consumption, 1 gallon for 10 hours; travel speed up to 3 miles per hour. Net weight, 250 lbs. Briggs & Stratton Model H engine.

Price—Only $176.50

The "Brownie" POWER LAWN MOWER

Amazingly low in cost, fast and economical in performance. Eliminates all pushing and tugging. Time and labor saving. Ideal for the many odd places around trees, near the house and where the larger power mower cannot be used. Easy to operate, just follow it around to guide it. Cuts 19 inches wide. Briggs & Stratton air-cooled motor.

Price: With steel wheels $105.00
With Goodyear tires $117.50

The "Brownie" Equipped with Goodyear All-weather Pneumatic Tires

The "Milbradt" POWER LAWN MOWER

This high-grade, heavy duty lawn mower is listed in a number of sizes and prices. See page 180.

We can supply units and factory built parts for power mowers at standard prices.

The "Dunham" WATER-WEIGHT ROLLER

PARAGON "DEPENDABLE" SPRAYERS

New Models—Rubber Tired—Efficient and Economical

No. 3-A—Capacity, 12 gallons. Shipping weight, 60 pounds.

Standard Equipment:

10 feet Special Spray Hose
7½ feet Spray Pipe in 3 sections
1 Steel Spray Nozzle for Whitewash, etc.
1 Brass Mist Spray Nozzle
1 Brass Straight Spray Nozzle

All steel truck with one 16x4.00 pneumatic tired wheel.

This sprayer is highly recommended for greenhouses where you have a limited space to work. It can be moved through the narrow aisles and around right-angled corners without scraping and jamming the sides.
This is a perfectly balanced unit and the large rubber tire assures the user of smooth and easy motion. *Price, complete, F.O.B. factory.*

No. 3-A—With one rubber wheel $32.00
No. 3-S—With one steel wheel $24.50

No. 3-B—*Illustrated*—Capacity, 12 gallons. Shipping weight, 60 pounds.

Standard Equipment:

10 feet Special Spray Hose
7½ feet Spray Pipe in 3 sections
1 Steel Spray Nozzle for Whitewash, etc.
1 Brass Mist Spray Nozzle
1 Brass Straight Spray Nozzle

All steel truck with two 12x3.00 pneumatic tired wheels.

The picture below shows the heavy galvanized tank cut away in order to bring out some of the distinctive features found only on Paragon Sprayers, such as all brass valves, 16 square inches of strainer surface, all-metal agitator which cleans strainer and thoroughly mixes solution with each stroke of the pump. Recommended for outdoor spraying such as small fruit trees, shrubbery, ordinary farm buildings, etc. *Price, complete, F.O.B. factory.*

No. 3-B—As illustrated $35.00
No. 3-S—Two steel wheels $25.00

Paragon Sprayer
No. 5-A

No. 5-A—*Illustrated*—Capacity, 50 gallons Shipping weight, 115 pounds, complete with barrel.

Standard Equipment:

25 feet Special Spray Hose
10 feet Extension Spray Pipe in 4 sections
1 Three-way Spray Nozzle
1 Single Spray Nozzle

Mounted on detachable suspension type truck with 21x5 pneumatic tires.

This Paragon Sprayer has no equal if you want hand operated equipment that will give you the same high pressure and efficient spraying results as power sprayers.

The pump body, plunger, suction pipe and all the valves are made of solid brass. The air chamber of seamless brass tubing 4 inches in diameter, 12 inches long with cast bronze top and bottom gives a high and uniform working pressure.

The large, pneumatic tires allow this unit to be handled very easy over rough as well as smooth ground and assures ample traction without cutting into the turf.

This sprayer is recommended for estates, golf courses, country clubs, etc., as it has proven a big success and given complete satisfaction to hundreds of users.

Price, complete, F.O.B. Factory:

No. 5-A—As illustrated $98.50
No. 5—Same as above, but with steel wheels $69.50

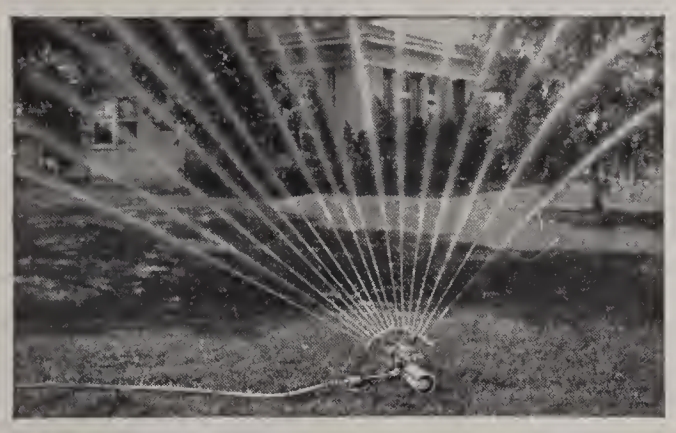

Paragon Sprayer
No. 3-B

SPRAY NOZZLES. *For Spray Pumps.*

RAIN-WAVE. A heavy duty sprinkler for estates, parks, golf courses, etc. Covers an area 50 to 60 feet square and adjustable to less. *For details see illustration on page* 182.
No. 14 Roller ... ... Price $35.00

RAIN KING, Model J.
The big job sprinkler for private estates, parks, golf courses and large areas.

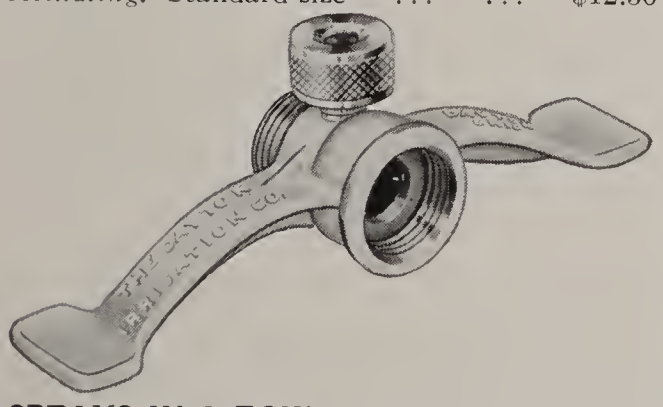

RAIN KING, Model J. New triple-jet nozzles for all pressures from 25 lbs. to 100 lbs. A big-job Rain King which puts out 1400 gallons per hour at 60-lb. pressure, 900 gallons at 40-lb. pressure. Perfect distribution over circles up to 140 feet across. *Supplied in the standard ¾ inch connection or oversize 1 inch, state which desired.* $7.95

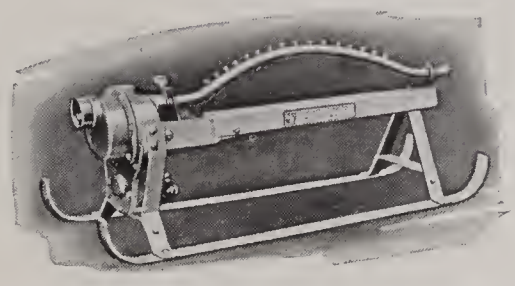

RAIN KING, Model G. Similar to, but smaller than the Model J. $3.95

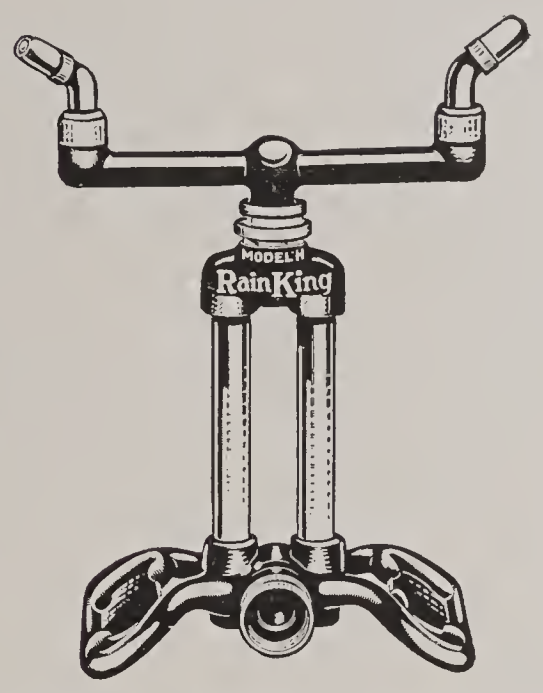

BORDER MIST SPRINKLER. A one-way, pipe-type sprinkler for watering flower borders, etc. up to 18 feet wide. It is 15 feet long and mounted on wheels for easy handling. *Not oscillating.* Standard size $12.50

SPRAYS-IN-A-ROW. To be connected in series with about 18 feet of hose between each. Intensified spray with spread of a few feet up to 25 feet.
Unit No. 8. Threaded both sizes. Each 75c., 10 for $6.50
Unit No. 10. Is closed one side for end of line. Each 75c.

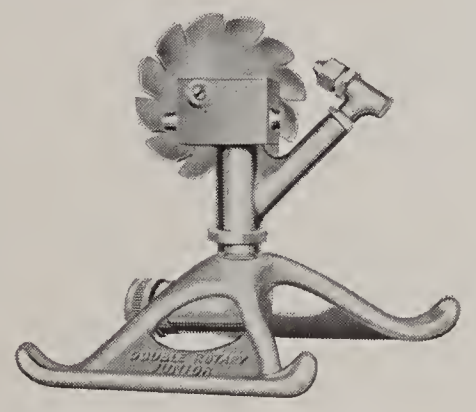

"WATERFAN" LAWN SPRINKLER. *See in operation on page* 182. An automatic oscillating, rain-making machine that is trouble-free. Gives a wide fan-shaped spray as it waves back and forth.
No. 7 Curved $15.00

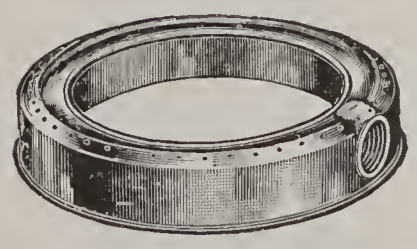

RAIN KING, Model H. *Illustrated.* A big substantial sprinkler; distributes 300 gallons of water per hour on only 20 lbs. pressure. Revolving or stationary adjustment. $3.75

RAIN KING, Model D. Covers circles up to 50 feet; revolving or stationary. (A smaller Model H) $2.85

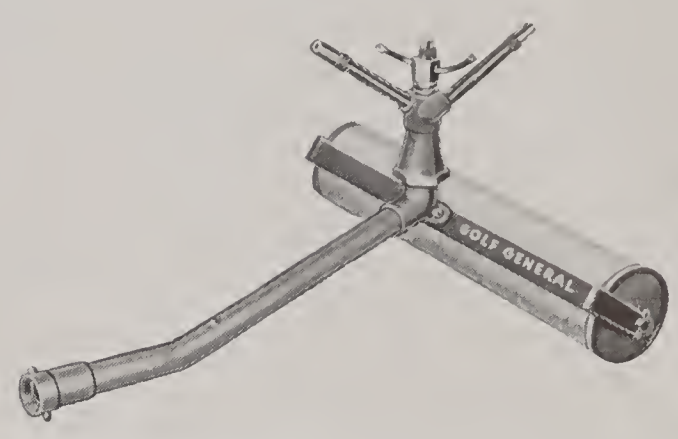

DOUBLE ROTARY JUNIOR. *Next best to rain.* Highly efficient, gives a light spray for seeded ground, raindrops for tender lawns and blooming flowers; a drenching shower for shrubs and trees. *Four sprinklers in one.* Can be adjusted for all watering purposes $7.50

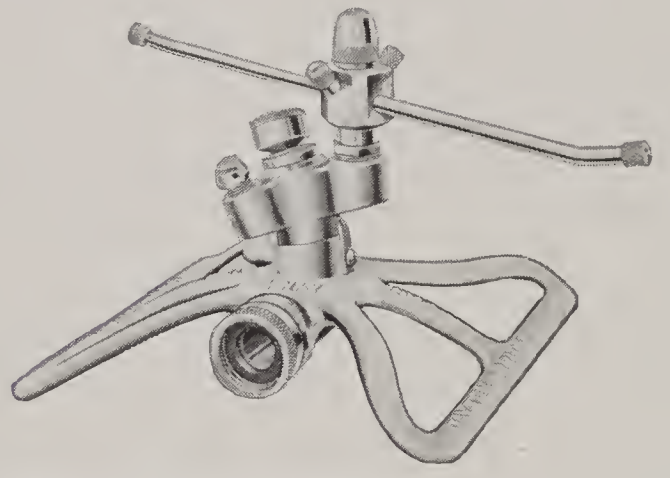

DOUBLE ROTARY HEAVY DUTY. $12.50
See illustration and description, page 182.

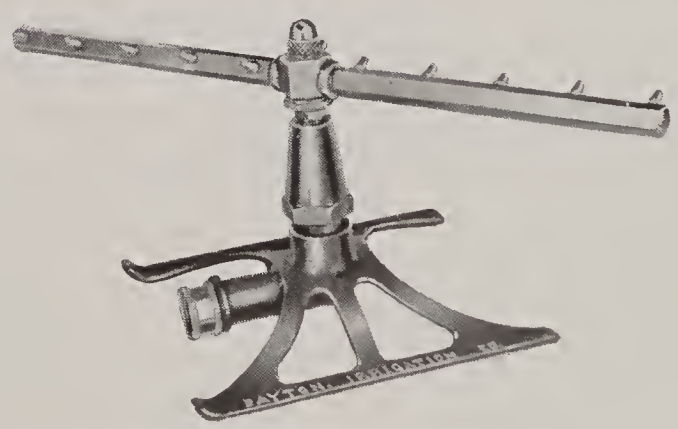

ALLEN'S IMPROVED ALL BRASS RING SPRINKLER. 8½ inch diameter, heavy gauge sheet brass. Throws a fine spray $1.25

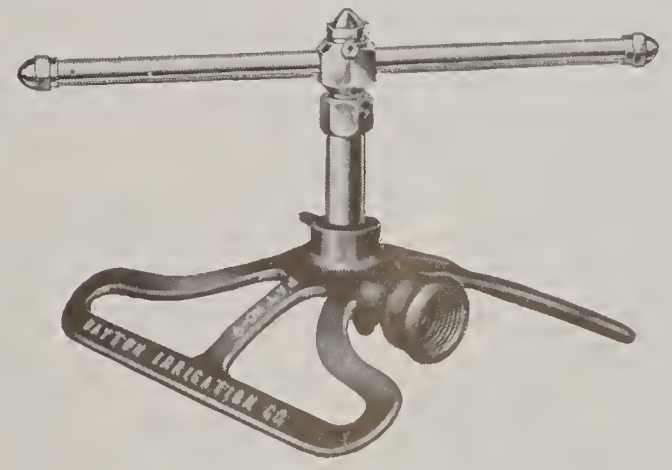

THE GOLF GENERAL. A heavy duty rotary sprinkler with twin streams producing absolutely even coverage over a circle 135 feet in diameter; water consumption, 22½ gallons per minute at 60 lbs. pressure. The rotary head is driven by the unique principle developed by "Dayton engineers." *No gears, no motors, no wheels nor turbines to wear or get out of order* $16.50

NEW 3-WAY "DAYTON." *A sensational little sprinkler, three different sprinkling heads combined in one unit.* Easy to operate, changing from one to another is instantaneous; no screw to turn or device to adjust. A whirling spray, 48-foot circle on 35-lb. pressure and can spray one side only. $4.00

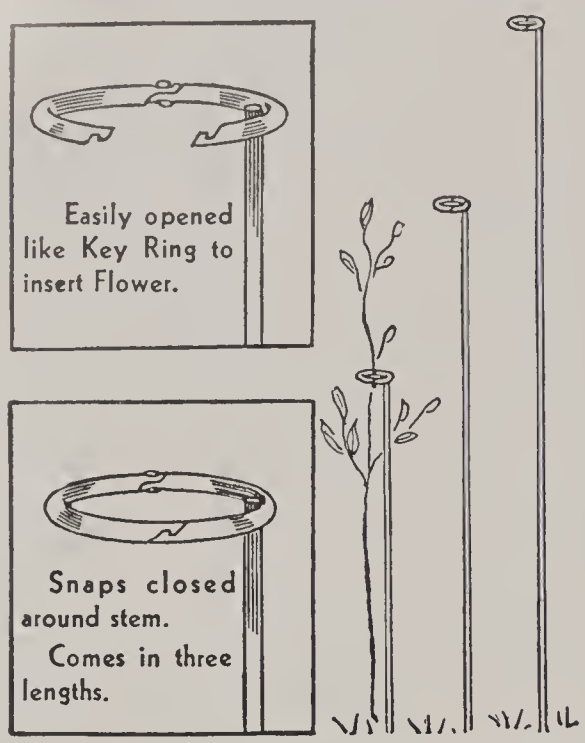

"DAYTON" NON-CLOG NO. 12. Made of brass, side arms are adjustable for speed. Equipped with lock-nuts so that sprinkler head and arms can be locked in any position desired. Can be used for stationary strip sprinkling. *Highest performance at lowest cost* $5.00

"DAYTON" NUMBER NINE. Made of the best materials; has iron skid-type base, ¾ inch hose connections; 35 feet coverage at 3 gallons per minute. *Sturdy, efficient, foolproof, lowest cost* $1.95

TRIVETT'S FERN STYLE WOODEN TUBS

Made of Everlasting Virginia White Cedar

Light, yet very durable. The professional gardener finds many uses for these half depth tubs. In many instances they are much preferable to clay pots for ferns, flowering plants and decorative material, especially during the holiday season. They can be made very attractive by gilding or painting in suitable colors.
